July 1, 2005

Lockheed Martin (NYSE: LMT) employees from both the Fort Worth-based Aeronautics and Dallas-based Missiles and Fire Control business units will be greeting troops on Monday, July 4, as they return home from duty in the Middle East. Media are invited to attend for what should prove to be an exciting and moving photo/story opportunity.

The Soldiers are returning to the U.S. for two-weeks of vacation. D/FW International Airport will be their first point of entry into the U.S. on this trip.

The troops are scheduled to arrive at D/FW International Airport at Terminal B, Gate 35 on Monday, July 4, between the hours of 9:00 a.m. and noon. A more specific arrival time estimate will be available that morning by calling 972-574-0392.
