ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (the “SEC”) utilizing a “shelf” registration process. Using this process, we may offer and sell Debt Securities in one or more offerings.

We have not authorized anyone to give any information or to make any representations concerning the Debt Securities we may offer except those which are in this prospectus, any prospectus supplement that is delivered with this prospectus, any related free writing prospectus that we authorize, or any documents incorporated by reference into this prospectus. We take no responsibility for, and can provide no assurance as to the reliability of, any other information or representations that others may give or make to you. This prospectus is not an offer to sell or a solicitation of an offer to buy any securities other than the Debt Securities that are referred to in the prospectus supplement. This prospectus is not an offer to sell or a solicitation of an offer to buy Debt Securities in any circumstances in which the offer or solicitation is unlawful. You should not interpret the delivery of this prospectus, or any offer or sale of Debt Securities, as an indication that there has been no change in our affairs since the date of this prospectus.

Neither this prospectus, any accompanying prospectus supplement nor any free writing prospectus that we have authorized contain all of the information included in the registration statement. We have omitted parts of the registration statement as permitted by the SEC’s rules and regulations. For further information, we refer you to the registration statement on Form S-3 we filed with the SEC on August 23, 2011, which can be read at the SEC web site or at the SEC offices mentioned under the headings “Where To Find Additional Information” and “Incorporation of Certain Information by Reference.” The registration statement also includes exhibits. Statements contained in this prospectus, any prospectus supplement, and any free writing prospectus that we have authorized, or that are incorporated by reference into this prospectus or a prospectus supplement, about the provisions or contents of any agreement or other document are not necessarily complete. If SEC rules and regulations require that any agreement or document be filed as an exhibit to the registration statement and we file the agreement or document, you should refer to that agreement or document for a complete description of these matters.

This prospectus provides you with a general description of the Debt Securities we may offer. Each time we sell any of the Debt Securities, we will provide a prospectus supplement or free writing prospectus that will contain specific information about the terms of that offering and the securities being offered at that time. The prospectus supplement or free writing prospectus also may add, update or change information contained in this prospectus, and any statement in this prospectus will be modified or superseded by any inconsistent statement in a prospectus supplement or free writing prospectus. You should read both this prospectus and any prospectus supplement or free writing prospectus together with the additional information described under the headings “Where To Find Additional Information” and “Incorporation of Certain Information by Reference.”

As used in this prospectus, unless otherwise indicated, “Lockheed Martin,” “the company,” “we,” “our,” and “us” are used interchangeably to refer to Lockheed Martin Corporation or to Lockheed Martin Corporation and its consolidated subsidiaries, as appropriate to the context.

OUR COMPANY

Lockheed Martin is a global security company that is principally engaged in the research, design, development, manufacture, integration, and sustainment of advanced technology systems and products. We also provide a broad range of management, engineering, technical, scientific, logistic, and information services. We serve both domestic and international customers with products and services that have defense, civil, and commercial applications, with our principal customers being agencies of the U.S. Government.

We are a Maryland corporation formed in March 1995 by combining the businesses of Lockheed Corporation and Martin Marietta Corporation. Our principal executive offices are located at 6801 Rockledge Drive, Bethesda, Maryland 20817, and our telephone number at that address is (301) 897-6000. Our website home page on the Internet is <http://www.lockheedmartin.com>. Information on our website or any other website is not incorporated into this prospectus and does not constitute a part of this prospectus.

RISK FACTORS

An investment in our Debt Securities involves risks. We urge you to consider carefully the risks described in the documents incorporated by reference in this prospectus and, if applicable, in any prospectus supplement used in connection with an offering of Debt Securities, before making an investment decision, including those risks identified under “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2010, and in our Quarterly Reports on Form 10-Q for the quarters ended March 27, 2011 and June 26, 2011, which are incorporated by reference in this prospectus and which may be amended, supplemented, or superseded from time to time by other reports that we subsequently file with the SEC. Additional risks, including those that relate to any particular Debt Securities we offer, may be included in a prospectus supplement or free writing prospectus that we authorize from time to time, or that are incorporated by reference into this prospectus or a prospectus supplement.

Our business, financial condition, results of operations, and cash flows could be materially adversely affected by any of these risks. The market or trading price of our Debt Securities could decline due to any of these risks. Additional risks not presently known to us or that we currently deem immaterial also may impair our business and operations or cause the price of our Debt Securities to decline.

FORWARD-LOOKING INFORMATION

The Private Securities Litigation Reform Act of 1995 provides safe harbor provisions for forward-looking information. Forward-looking information is based on projections and estimates, not historical information. Some statements in this prospectus and the documents incorporated by reference in this prospectus are forward-looking and use words like “may,” “believe,” “expect,” “plan,” “anticipate,” “estimate,” and other similar expressions. Forward-looking information involves risks and uncertainties and reflects our best judgment based on then current information. Our financial condition, results of operations, and cash flows can be affected by inaccurate assumptions we make or by known or unknown risks and uncertainties. In addition, other factors may affect the accuracy of our forward-looking information. As a result, no forward-looking information can be guaranteed. Actual events and the results of operations may vary materially. While it is not possible to identify all factors, we continue to face many risks and uncertainties that could cause actual results to differ from our forward-looking statements, including the risks and uncertainties described in our Annual Report on Form 10-K for the year ended December 31, 2010, and in our Quarterly Reports on Form 10-Q for the quarters ended March 27, 2011 and June 26, 2011.

We do not assume any responsibility to publicly update any of our forward-looking statements regardless of whether factors change as a result of new information, future events, or for any other reason. You should review any additional disclosures we make regarding forward-looking information in our Forms 10-K, 10-Q and 8-K filed with the SEC, which are incorporated into this prospectus by reference.

INCORPORATION OF CERTAIN INFORMATION BY REFERENCE

The SEC allows us to “incorporate by reference” in this prospectus certain information we file with the SEC, which means that we may disclose important information in this prospectus by referring you to the document that contains the information. The information incorporated by reference is considered to be a part of this prospectus, and certain information we file later with the SEC automatically will update and, to the extent inconsistent, supersede the information filed earlier. We incorporate by reference the documents listed below (and any amendments to these documents) and any future filings we make with the SEC under Sections 13(a), 13(c), 14, or 15(d) of the Securities Exchange Act of 1934, as amended, until the offering of the Debt Securities covered by this prospectus is completed; provided, however, that we are not incorporating by reference any documents or information, including parts of documents that we file with the SEC, that are deemed to be furnished and not filed with the SEC.

The following documents we filed with the SEC are incorporated into this prospectus by reference:

- (1) our Annual Report on Form 10-K for the year ended December 31, 2010, including information specifically incorporated by reference in the Form 10-K from our definitive proxy statement for our 2011 Annual Meeting of Stockholders;

You may obtain copies of the documents we incorporate by reference by contacting us at the address indicated below or by contacting the SEC as described below under “Where to Find Additional Information.” We will provide without charge upon written or oral request, a copy of any and all of the documents that have been or may be incorporated by reference, except that exhibits to such documents will not be provided unless they are specifically incorporated by reference into such documents. RATIO OF EARNINGS FROM CONTINUING OPERATIONS TO FIXED CHARGES

We have presented in the table below our historical consolidated ratio of earnings from continuing operations to fixed charges for the periods shown.

	Six Months Ended June 26, 2011	Fiscal Year				
		2010	2009	2008	2007	2006
Ratio of earnings from continuing operations to fixed charges	9.5	10.5	12.6	13.1	12.0	9.6

Our computation of the ratio of earnings from continuing operations to fixed charges includes our consolidated subsidiaries and equity investees. "Earnings" are determined by adding "total fixed charges," excluding interest capitalized, to earnings from continuing operations before income taxes, eliminating undistributed earnings of our equity investees and adding back losses of our equity investees. "Total fixed charges" consists of interest on all indebtedness, amortization of debt discount or premium, interest capitalized, and an interest factor attributable to rents.

USE OF PROCEEDS

Except as may be described otherwise in a prospectus supplement, we expect to use the net proceeds from the sale of the Debt Securities under this prospectus for general corporate purposes. These purposes may include the repayment of indebtedness, future acquisitions, capital expenditures, working capital, and any other corporate purpose. Until we apply the net proceeds for specific purposes, we may invest the net proceeds in cash equivalents or short-term investments.

DESCRIPTION OF DEBT SECURITIES

The following is a general description of the Debt Securities that may be issued from time to time by us under this prospectus. The particular terms relating to each Debt Security will be set forth in a prospectus supplement. In the description of the Debt Securities that follows, “we,” “us,” and “our” refer only to Lockheed Martin Corporation and not to any of its subsidiaries.

General

We may issue from time to time one or more series of Debt Securities under an indenture between us and U.S. Bank National Association, as trustee. The indenture will not limit the amount of Debt Securities that we may issue.

The Debt Securities will be our direct, unsecured, and unsubordinated obligations, and may be issued either separately or together with, or upon the conversion of, or in exchange for, other securities.

The following description is only a summary of the material provisions of the indenture for the Debt Securities and is qualified by reference to the indenture, a form of which is filed as an exhibit to the registration statement of which this prospectus is a part. We urge you to read the indenture because it, and not this description, define your rights as a holder of the Debt Securities. The summary below of the general terms of the Debt Securities will be supplemented by the more specific terms in the prospectus supplement for a particular series of Debt Securities.

Terms

The indenture provides for the issuance of Debt Securities in one or more series. A prospectus supplement relating to a series of Debt Securities will include specific terms relating to that offering. These terms will include some or all of the following:

- the title of the Debt Securities;
- any limit on the total principal amount of the Debt Securities;
- the price or prices at which we will sell the Debt Securities;
- the maturity date or dates of the Debt Securities;
- the rate or rates, which may be fixed or variable, at which the Debt Securities will bear interest and the date from which such interest will accrue;
- the dates on which interest will be payable and the related record dates;
- whether any index, formula, or other method will be used to determine payments of principal or interest and the manner of determining the amount of such payments;
- the place or places of payments on the Debt Securities;
- whether the Debt Securities are redeemable;
- any redemption dates, prices, obligations, and restrictions on the Debt Securities;
- any mandatory or optional sinking fund or purchase fund or analogous provisions;
- the denominations in which the Debt Securities will be issued, if other than \$1,000 or multiples of \$1,000;
- the currency in which principal and interest will be paid, if other than U.S. dollars;
- any provisions granting special rights upon the occurrence of specified events;
- any deletions from, changes in, or additions to the events of default or the covenants specified in the indenture;

Table of Contents

- any trustees, authenticating or paying agents, transfer agents, registrars, or other agents for the Debt Securities if other than the trustee;
- any conversion or exchange features of the Debt Securities;
- whether we will issue the Debt Securities as original issue discount securities for federal income tax purposes;
- any special tax implications of the Debt Securities;
- the terms of payment upon acceleration; and
- any other material terms of the Debt Securities.

We may issue Debt Securities that are convertible into or exchangeable for our common stock or other securities of Lockheed Martin or another company. We may also continuously offer Debt Securities in a medium term note program. If we issue these types of Debt Securities, we will provide additional information in a prospectus supplement.

We may sell Debt Securities at a discount below their stated principal amount, bearing no interest or interest at a rate that, at the time of issuance, is different than market rates. When we refer to the principal and interest on Debt Securities, we also mean the payment of any additional amounts that we are required to pay under the indenture or the Debt Securities, including amounts for certain taxes, assessments, or other governmental charges imposed on holders of Debt Securities.

Denomination, Form, Payment, and Transfer

In general, we will denominate and make payments on Debt Securities in U.S. dollars. If we issue Debt Securities denominated, or with payments, in a foreign or composite currency, a prospectus supplement will specify the currency or composite currency.

We may from time to time issue Debt Securities as registered securities. This means that holders will be entitled to receive certificates representing the Debt Securities registered in their name. You can transfer or exchange Debt Securities in registered form upon reimbursement of any taxes or government charges. This transfer or exchange can be made at the trustee's corporate trust office or at any other office maintained by us for such purposes. We may charge a reasonable fee in connection with certain transfers and exchanges. If the Debt Securities are in registered form, we can pay interest by check mailed to the person in whose name the Debt Securities are registered on the days specified in the indenture.

As a general rule, however, we will issue Debt Securities in the form of one or more global certificates that will be deposited with The Depository Trust Company, New York, New York ("DTC"). DTC will act as depository for the global certificates. Beneficial interests in global certificates will be shown on, and transfer of beneficial interests will be effected only through, records maintained by DTC and its participants. Therefore, if you wish to own Debt Securities that are represented by one or more global certificates, you can do so only indirectly or "beneficially" through an account with a broker, bank, or other financial institution that has an account with DTC (that is, a DTC participant) or through an account directly with DTC if you are a DTC participant.

During the period of time the Debt Securities are represented by one or more global certificates:

- You will not be able to have the Debt Securities registered in your name.
- You will not be able to receive a physical certificate for the Debt Securities.
- DTC will credit interest and principal payments from us to the accounts of your broker, bank, or other financial institution according to their beneficial ownership as reflected in DTC's records.

Table of Contents

- Our obligations, as well as the obligations of the trustee and any of our agents, under the Debt Securities will run only to DTC as the registered owner of the Debt Securities. For example, once we make payment to DTC, we will have no further responsibility for the payment even if DTC or your broker, bank, or other financial institution fails to pass it on so that you receive it.
- Your rights under the Debt Securities relating to payments, transfer, exchanges, and other matters will be governed by applicable law and by the contractual arrangements between you and your broker, bank, or other financial institution, and the contractual arrangements you have or your broker, bank, or financial institution has with DTC. Neither we nor the trustee will have any responsibility for the actions of DTC or your broker, bank, or financial institution.
- You may not be able to sell your interests in the Debt Securities to some insurance companies and others who are required by law to own their Debt Securities in the form of physical certificates.
- Because the Debt Securities will trade in DTC's Same-Day Funds Settlement System, when you buy or sell interests in the Debt Securities, payment for them will have to be made in immediately available funds. This could affect the attractiveness of the Debt Securities to others.

We, the trustee, and the paying agent have no responsibility or liability for the records relating to beneficial ownership interests in the global certificates or for the payments of principal and interest for the accounts of beneficial holders of interests in the global certificates. A global certificate generally can be transferred only as a whole, unless it is being transferred to certain nominees of DTC or it is exchanged in whole or in part for Debt Securities in physical form in accordance with the indenture. A series of Debt Securities represented by global certificates will be exchangeable for Debt Securities in registered form with the same terms in authorized denominations if:

- DTC notifies us that it is unwilling or unable to continue as depository or if DTC ceases to be a clearing agency registered under applicable law and we do not appoint a successor depository within 90 days; or
- we decide not to require all of the Debt Securities of a series to be represented by global certificates and notify the trustee of that decision.

Events of Default

Unless we indicate otherwise in a prospectus supplement, the following are events of default under the indenture with respect to each series of Debt Securities:

- failure to pay the principal or any premium on any Debt Security of that series when due;
- failure for 30 days to pay interest on any Debt Security of that series when due;
- failure to comply with any other agreement relating to the Debt Securities of that series or in the indenture that continues for 90 days after we have been given written notice of such failure; or
- certain events of bankruptcy, insolvency, or reorganization.

An event of default for one series of Debt Securities does not necessarily constitute an event of default for any other series. The trustee may withhold notice to the Debt Securities holders of any default, except a payment default, if it considers such action to be in the holders' interests.

If an event of default occurs and continues, the trustee, or the holders of at least 25% in aggregate principal amount of the Debt Securities of the affected series, may declare the entire principal of, and any premium or accrued interest on, all the Debt Securities of that series to be due and payable immediately. If this happens, subject to certain conditions, the holders of a majority of the aggregate principal amount of the Debt Securities of that series can void the acceleration of payment.

[Table of Contents](#)

The indenture provides that the trustee has no obligation to exercise any of its rights at the direction of any holders, unless the holders offer the trustee reasonable indemnity. If they provide this indemnification, the holders of a majority in principal amount of any series of Debt Securities have the right to direct any proceeding, remedy, or power available to the trustee with respect to that series.

Conversion Rights

We will describe the terms upon which Debt Securities may be convertible into our common stock or other securities of Lockheed Martin or another company in a prospectus supplement. These terms will include provisions as to whether conversion is mandatory or optional. They also may include provisions adjusting the number of shares of our common stock or such other securities of Lockheed Martin or another company that are issuable upon any such conversion.

Certain Covenants

Unless the applicable prospectus supplement specifies otherwise, the Debt Securities will be subject to the restrictive covenants described below. Any additional restrictive covenants applicable to a particular series of Debt Securities that we offer will be described in the applicable prospectus supplement. Under the indenture, we will agree to:

- pay the principal, interest, and any premium on the Debt Securities when due;
- maintain a place of payment; and
- deliver a report to the trustee at the end of each fiscal year reviewing our obligations under the indenture.

The indenture restricts our ability and the ability of certain of our subsidiaries to encumber assets that are defined in the indenture as restricted property. If we, or any restricted subsidiary, as defined below, pledge or mortgage any of our restricted property to secure any debt, then we will, unless an exception applies, pledge or mortgage the same property to or for the benefit of the trustee to secure the Debt Securities equally and ratably for as long as such debt is secured by such property.

This restriction will not apply in certain situations. Assets may be encumbered if the encumbrance is a permitted lien, as defined below, without regard to the amount of debt secured by the encumbrance. Assets also may be encumbered if the sum of the following does not exceed 10% of our consolidated net tangible assets:

- the amount of debt secured by such assets, plus
- the total amount of other secured debt on restricted property, excluding debt that is secured by a permitted lien and excluding debt secured by a lien existing on the date of the indenture, plus
- the total amount of attributable debt in respect of certain sale-leaseback transactions.

Permitted liens include:

- liens on a corporation's property, stock, or debt at the time it becomes a restricted subsidiary;
- liens on property at the time we or a restricted subsidiary acquires the property, provided that no such lien extends to any of our other property or any other property of a restricted subsidiary;
- liens securing payment of a property's purchase price or to secure debt incurred within one year after the property's acquisition for the purpose of financing the purchase price;
- liens securing debt owing by a restricted subsidiary to us or another restricted subsidiary;
- liens on property of an entity at the time such entity is merged into or consolidated with us or a restricted subsidiary or at the time we or a restricted subsidiary acquire all or substantially all of the assets of the entity;

Table of Contents

- liens in favor of any customer to secure payments or performance pursuant to any contract or statute, any related indebtedness, or debt guaranteed by a government or governmental authority;
- liens arising pursuant to any order of attachment, distraint, or similar legal process so long as the execution or other enforcement is effectively stayed and the claims secured are being contested in good faith by appropriate proceedings;
- materialmen's, suppliers', tax, or similar liens arising in the ordinary course of business for sums not overdue or which are being contested in good faith by appropriate proceedings; and
- any renewal, extension, or replacement for any lien permitted by one of the exceptions described above or a lien existing on the date that Debt Securities of a series are first issued, provided that the renewal, extension, or replacement is limited to all or any part of the same property subject to the existing lien.

Except in certain circumstances, the indenture also restricts our ability and the abilities of our restricted subsidiaries to enter into sale-leaseback transactions. The indenture will not otherwise limit our ability to incur additional debt, unless we tell you this in a prospectus supplement.

The following are summaries of definitions for certain terms we have just used. For the full definition of these terms, you should refer to the form of the indenture filed as an exhibit to the registration statement.

- **Attributable debt for a lease** means the carrying value of the capitalized rental obligation determined under U.S. generally accepted accounting principles.
- **Consolidated net tangible assets** means our total assets, including the assets of our consolidated subsidiaries, as reflected in our most recent balance sheet, less current liabilities, goodwill, patents, and trademarks.
- **Principal property** means, with certain exceptions, any manufacturing facility located in the United States and owned by us or by one or more restricted subsidiaries and which has, as of the date the lien is incurred, a net book value, after deduction of depreciation and similar charges, greater than 3% of consolidated net tangible assets, or any manufacturing facility or other property declared to be a principal property by our chief executive officer or chief financial officer by delivery of a certificate to that effect to the trustee.
- **Restricted property** means, as to any particular series of Debt Securities, any principal property, any debt of a restricted subsidiary owned by us or one of our restricted subsidiaries on the date Debt Securities of the series are first issued or secured by a principal property or any shares of our stock or the stock of a restricted subsidiary owned by us or one of our restricted subsidiaries.
- **Restricted subsidiary** means one of our subsidiaries that has substantially all of its assets located in, or carries on substantially all of its business in, the United States and that owns a principal property, except that a subsidiary shall not be a restricted subsidiary if its shares are registered with the SEC or if it is required to file periodic reports with the SEC.
- **Sale-leaseback transaction** means, subject to certain exceptions, an arrangement pursuant to which we, or a restricted subsidiary, transfer a principal property to a person and contemporaneously lease it back from that person.

Consolidation, Merger, or Sale

The indenture prohibits us from consolidating with or merging into another corporation, or transferring all or substantially all of our assets to another corporation unless:

- the successor corporation (which need not be a U.S. corporation) assumes all of our obligations under the Debt Securities and the indenture;

[Table of Contents](#)

- immediately after giving effect to the transaction, no event of default and no circumstances which, after notice or lapse of time or both, would become an event of default, shall have happened and be continuing; and
- we have delivered to the trustee an officers' certificate and a legal opinion confirming that we have complied with the indenture.

If we enter into such a transaction and comply with these provisions, our obligations under the Debt Securities and the indenture will terminate.

Redemption, Sinking Fund, and Defeasance

If a series of Debt Securities may be redeemed or is subject to a sinking fund, the prospectus supplement will describe those terms.

The indenture permits us to discharge or defease certain of our obligations for any series of Debt Securities at any time. We may discharge or defease a series of Debt Securities by depositing with the trustee cash or government securities sufficient to pay all sums due on that series and by delivering to the trustee an opinion of counsel to the effect that, based on applicable U.S. federal income tax law or a ruling published by the U.S. Internal Revenue Service, the discharge or defeasance will not be deemed, or result in, a taxable event with respect to the holders of that series. Under certain circumstances, upon deposit of such cash or government securities and delivery of such opinion of counsel, our legal obligation to pay principal, interest, and any premium on that series will be discharged. We can discharge or defease one series of Debt Securities without discharging or defeasing any other series.

Changes to the Indenture

Holders who own more than 50% in principal amount of the Debt Securities of a series can agree with us to change the provisions of the indenture relating to that series. However, no change can affect the payment terms or the percentage required to change other terms without the consent of all holders of Debt Securities of the affected series.

We may enter into supplemental indentures for other specified purposes and to make changes that would not materially adversely affect your interests, including the creation of any new series of Debt Securities, without the consent of any holder of Debt Securities.

PLAN OF DISTRIBUTION

We may sell Debt Securities to or through underwriters and also may sell Debt Securities directly to other purchasers or through agents.

EXPERTS

The consolidated financial statements of Lockheed Martin Corporation appearing in Lockheed Martin Corporation's Annual Report on Form 10-K for the year ended December 31, 2010, and the effectiveness of Lockheed Martin Corporation's internal control over financial reporting as of December 31, 2010 have been audited by Ernst & Young LLP, independent registered public accounting firm, as set forth in their reports thereon, included therein, and incorporated herein by reference. Such consolidated financial statements are incorporated herein by reference in reliance upon such reports given on the authority of such firm as experts in accounting and auditing.

With respect to the unaudited condensed consolidated interim financial information of Lockheed Martin Corporation for the quarters ended March 27, 2011 and March 28, 2010 and the quarters and six-month periods ended June 26, 2011 and June 27, 2010, incorporated by reference in this Prospectus, Ernst & Young LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate reports dated April 27, 2011 and July 27, 2011, included in Lockheed Martin Corporation's Quarterly Reports on Forms 10-Q for the quarters ended March 27, 2011 and June 26, 2011, and incorporated by reference herein, state that they did not audit and they do not express an opinion on such interim financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. Ernst & Young LLP is not subject to the liability provisions of Section 11 of the Securities Act for their reports on the unaudited interim financial information because these reports are not a "report" or a "part" of the Registration Statement prepared or certified by Ernst & Young LLP within the meaning of Sections 7 and 11 of the Securities Act.

Item 15. Indemnification of Directors and Officers

The Maryland General Corporation Law authorizes Maryland corporations to limit the liability of directors and officers to the corporation or its stockholders for money damages, except (a) to the extent that the person actually received an improper benefit or profit in money, property, or services, for the amount of the benefit or profit in money, property, or services actually received, (b) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding that the person's action or failure to act was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding, or (c) in respect of certain other actions not applicable to the Registrant. Under the Maryland General Corporation Law, unless limited by a corporation's charter, indemnification is mandatory if a director or an officer has been successful on the merits or otherwise in the defense of any proceeding by reason of his or her service as a director, unless such indemnification is not otherwise permitted as described in the following sentence. Indemnification is permissive unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe his or her act or omission was unlawful. In addition to the foregoing, a court of appropriate jurisdiction may under certain circumstances order indemnification if it determines that the director or officer is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director or officer has met the standards of conduct set forth in the preceding sentence or has been adjudged liable on the basis that a personal benefit was improperly received in a proceeding charging improper personal benefit to the director or officer. If the proceeding was an action by or in the right of the corporation or involved a determination that the director or officer received an improper personal benefit, however, no indemnification may be made if the individual is adjudged liable to the corporation, except to the extent of expenses approved by a court of competent jurisdiction.

Article XI of the charter of the Registrant limits the liability of directors and officers to the maximum extent permitted by the Maryland General Corporation Law. Article XI of the charter of the Registrant also authorizes the Registrant to adopt bylaws or resolutions to provide for the indemnification of directors and officers.

Table of Contents

Article VI of the Bylaws of the Registrant provides for the indemnification of the Registrant's directors and officers to the fullest extent permitted by the Maryland General Corporation Law. In addition, the Registrant's directors and officers are covered by certain insurance policies maintained by the Registrant.

In addition, the Registrant has entered into indemnification agreements with its directors. The indemnification agreements require the Registrant to indemnify a director and to advance expenses on behalf of such director to the fullest extent permitted by Maryland law if the director furnishes the Registrant with a written affirmation of the director's good faith belief that the standard of conduct necessary for indemnification by the Registrant has been met and a written undertaking to reimburse the Registrant if a court of competent jurisdiction determines that the director is not entitled to indemnification. The agreements are in addition to other rights to which a director may be entitled under the Registrant's charter, bylaws, and Maryland law.

Table of Contents

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424,

- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

“Trustee” means the party named as such in this Indenture until a successor replaces it and thereafter means the successor. The term “Trustee” includes any additional Trustee appointed pursuant to Section 2.03 or Section 7.08 but, if at any time there is more than one Trustee, the term “Trustee” as used with respect to Securities of any series shall mean the Trustee with respect to Securities of that series.

“Trust Officer” means a Vice President or any other officer of the Trustee assigned by the Trustee to handle its corporate trust matters and who shall have direct responsibility for the administration of this Indenture.

ARTICLE 2

THE SECURITIES

SECTION 2.01. Form and Dating.

The Securities shall be issued substantially in the form or forms (including global form) as shall be established by or pursuant to a Board Resolution or Resolutions or any supplemental indenture, in each case with such appropriate insertions, omissions, substitutions or other variations as are required or permitted by this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Security shall be dated the date of its authentication.

Notwithstanding the foregoing, if any Security of a series is issuable in the form of a Global Security or Securities, each such Global Security may provide that it shall represent the aggregate amount of Securities outstanding under the series from time to time endorsed thereon and also may provide that the aggregate amount of Securities outstanding under the series represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Global Security to reflect the amount of Securities outstanding under the series represented thereby shall be made by the Trustee in accordance with the instructions of the Corporation and in such manner as shall be specified on such Global Security. Any instructions by the Corporation with respect to a Global Security, after its initial issuance, shall be in writing but need not comply with Section 10.04.

Before the first delivery of a Security of any series to the Trustee for authentication, the Corporation shall deliver to the Trustee the following:

- (1) the Board Resolution or Resolutions by or pursuant to which the forms and terms of the Security have been approved;
- (2) an Officers' Certificate of the Corporation dated the date of delivery stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities in that series have been complied with and directing the Trustee to authenticate and deliver the Securities to or upon written order of the Corporation; and

(3) Opinions of Counsel stating that all conditions precedent provided for in this Indenture relating to the authentication and delivery of Securities of that series have been complied with, the form and terms of the series have been established by or pursuant to a Board Resolution or resolutions in conformity with this Indenture, and that Securities in such form when completed by appropriate insertions and executed by the Corporation and delivered by the Corporation to the Trustee for authentication in accordance with this Indenture, authenticated and delivered by the Trustee in accordance with this Indenture within the authorization as to aggregate principal amount established from time to time by the Board of Directors and sold in the manner specified in such Opinions of Counsel will be the legal, valid and binding obligations of the Corporation, entitled to the benefits of this Indenture, subject to applicable bankruptcy, reorganization, insolvency and other similar laws generally affecting creditors' rights and to general equitable principles, and to such other qualifications as such counsel shall conclude do not materially affect the rights of Holders of Securities of that series or that are customarily included in similar opinions by lawyers experienced in such matters.

Notwithstanding the foregoing, if the Corporation shall establish pursuant to Section 2.03 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Corporation shall execute and the Trustee shall, in accordance with this Section, Section 2.02 and the authentication order of the Corporation with respect to such series, authenticate and deliver one or more Global Securities in temporary or permanent form that shall (a) represent and be denominated in an aggregate amount equal to the aggregate principal amount of the Securities of such series to be represented by one or more Global Securities, (b) be registered in the name of the Depository for such Global Security or Securities or the nominee of such Depository, (c) be delivered by the Trustee to such Depository or pursuant to such Depository's instruction, and (d) bear a legend substantially to the following effect: "Unless and until it is exchanged in whole or in part for Securities in definitive form, this Security may not be transferred except as a whole by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any nominee to a successor Depository or a nominee of any successor Depository."

SECTION 2.02. Execution and Authentication.

An Officer shall sign the Securities for the Corporation by manual or facsimile signature in the name of the Corporation.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until the Trustee manually signs the certificate of authentication on the Security. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

Notwithstanding the provisions of Section 2.03 and of the preceding paragraphs, if all Securities of a series are not to be originally issued at one time (including, for example, a series constituting a medium-term note program), it shall not be necessary to deliver the Officers' Certificate or the Opinions of Counsel otherwise required pursuant to Section 2.01 or otherwise required pursuant to such preceding paragraphs at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the time of authentication upon original issuance of the first Security of such series. In such case the Trustee may conclusively rely on the foregoing documents and opinions delivered pursuant to Section 2.01 and Section 2.03, and this Section, as applicable (unless revoked by superseding comparable documents or opinions), as to the matters set forth therein.

Notwithstanding the foregoing, if any Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Corporation, and the Corporation shall deliver such Security to the Trustee for cancellation as provided in Section 2.11 together with a written statement (which need not comply with Section 2.01 and need not be accompanied by an Opinion of Counsel) stating that such Security has never been issued and sold by the Corporation, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

If any Security of a series shall be represented by a Global Security, then, for purposes of this Section and Section 2.10, the notation of the record owners' interest therein upon original issuance of such Security shall be deemed to be delivered in connection with the original issuance of each beneficial owner's interest in such Global Security.

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

This is one of the Securities of the series designated herein and referred to in the within-mentioned Indenture.

Date: [Name of Trustee], as Trustee

By: _____

The Trustee may appoint an authenticating agent acceptable to the Corporation to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by an authenticating agent. An authenticating agent has the same rights as an Agent to deal with the Corporation.

If at any time there shall be an authenticating agent appointed with respect to any series of Securities, then the Trustee's certificate of authentication to be borne by the Securities of each such series shall be substantially as follows:

This is one of the Securities of the series designated herein and referred to in the within-mentioned Indenture.

Date:

[Name of Trustee], as Trustee

By: _____
as Authenticating Agent

By: _____
Authorized Officer

SECTION 2.03. Title, Amount and Terms of Securities.

The principal amount of Securities that may be authenticated and delivered and outstanding under this Indenture is not limited. The Securities may be issued in a total principal amount up to that authorized from time to time by or pursuant to relevant Board Resolutions.

The Securities may be issued in one or more series, each of which shall be issued pursuant to a Board Resolution or Resolutions of the Corporation, which shall specify:

- (1) the title of the Securities of that series (which shall distinguish the Securities of that series from Securities of all other series);
- (2) any limit on the aggregate principal amount of the Securities of that series that may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration or transfer of, in exchange for or in lieu of other Securities of that series pursuant to Sections 2.07, 2.08 or 3.07);
- (3) the date or dates (or the manner of determining the same) on which the principal of the Securities of that series is payable (which, if so provided in the Board Resolution or Resolutions, may be determined by the Corporation from time to time and set forth in the Securities of that series issued from time to time);
- (4) the rate or rates, or the method to be used in ascertaining the rate or rates, at which the Securities of that series shall bear interest, if any, the basis upon which interest shall be calculated if other than that of a 360-day year of 12 30-day months, the date or dates from which such interest shall accrue (which, in either case or both, if so provided in the Board Resolution or Resolutions, may be determined by the Corporation from time to time and set forth in the Securities of that series issued from time to time), the interest payment dates on which such interest shall be payable (or the manner of determining the same) and the record date for the interest payable on any interest payment date;
- (5) if the trustee of that series is other than the Trustee initially named in this Indenture or any successor thereto, the trustee of that series;
- (6) the place or places where the principal of and interest, if any, on Securities of that series shall be payable;
- (7) the period or periods within which, the price or prices at which, the currency or currency unit in which, and the terms and conditions on which Securities of that series may be redeemed or converted into another Security, in whole or in part, at the option of the Corporation;

(8) the obligation, if any, of the Corporation to redeem or purchase Securities of that series pursuant to any sinking fund or analogous provisions or at the option of Holders of Securities of that series (or to convert such Securities into other Securities at the option of the Holder), and the period or periods within which, the price or prices at which, the currency or currency unit in which, and the terms and conditions upon which Securities of that series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;

(9) if denominated in Dollars and in denominations other than denominations of \$1,000 and any multiple of \$1,000, the denominations in which Securities of that series shall be issuable;

(10) if denominated in other than Dollars, the currency or currencies, including composite currencies, in which the Securities of that series are denominated and the denominations in which Securities of that series shall be issuable;

(11) if the principal of and interest, if any, on the Securities of that series are to be payable, at the election of the Corporation or a Holder thereof, in a currency or currency unit other than that in which the Securities are denominated or stated to be payable, in accordance with provisions in addition to or in lieu of or in accordance with the provisions of Section 2.13, the period or periods within which (including the Election Date), and the terms and conditions upon which, such election may be made, and the time and manner of determining the exchange rate between the currency or currency unit in which the Securities are denominated or stated to be payable and the currency or currency unit in which the Securities are to be so payable;

(12) the index, if any, used to determine the amount of payments of principal of or interest, if any, on the Securities of that series;

(13) if the amount of payments of the principal of and interest, if any, on the Securities of that series may be determined with reference to an index based on a currency or currencies other than that in which the Securities of that series are denominated, the manner in which such amounts shall be determined;

(14) if other than the full principal amount, the portion of the principal amount of Securities of that series which shall be payable upon a declaration of acceleration of the maturity pursuant to Section 6.02;

(15) if convertible into or exchangeable for Securities of another series or other securities of the Corporation or another issuer, the terms upon which the Securities of that series will be convertible into or exchangeable for such securities;

(16) the right, if any, of the Corporation to redeem all or any part of the Securities of that series before maturity and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of that series may be redeemed;

(17) the provisions, if any, restricting defeasance of the Securities of that series;

(18) if other than or in addition to the events specified in Section 6.01, events of default with respect to the Securities of that series;

(19) if the Securities of that series are to be issued in whole or in part in the form of one or more Global Securities, the Depositary for such Global Security or Securities and whether beneficial owners of interests in any such Global Securities may exchange such interests for other Securities of such series in the manner provided in Section 2.07, and the manner and the circumstances under which and the place or places where any such exchanges may occur if other than in the manner provided in Section 2.07, and any other terms of the series relating to the global nature of the Securities of such series and the exchange, registration or transfer thereof and the payment of any principal thereof or interest, if any, thereon;

(20) the designation of the original Currency Determination Agent, if any, with respect to the Securities of that series; and

(21) any other terms of or relating to the Securities of that series (which terms shall not be inconsistent with the provisions of this Indenture).

All Securities of any particular series shall be identical as to currency of denomination and otherwise shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to the relevant Board Resolution or Resolutions.

The Trustee need not authenticate the Securities of any series if their terms impose on the Trustee duties in addition to those imposed on the Trustee by this Indenture. If the Trustee does authenticate any such Securities, the authentication will evidence the Trustee's agreement to comply with any such additional duties.

Each Depositary designated pursuant to this Section for a Global Security in registered form shall, if required, at the time of its designation and at all times while it serves as a Depositary, be a clearing agency registered under the Exchange Act and any other applicable statute or regulation.

SECTION 2.04. Registrar and Paying Agent.

The Corporation shall maintain an office or agency where Securities may be presented for registration of transfer or for exchange ("Registrar") and an office or agency where Securities may be presented for payment ("Paying Agent"). The Registrar shall keep a register of the Securities and of their transfer and exchange. The Corporation may have one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent. There may be separate Registrars and Paying Agents for different series of Securities.

The Corporation shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Corporation shall notify the Trustee of the name and address of any such Agent. If the Corporation fails to maintain a Registrar or Paying Agent, the Trustee shall act as such.

The Corporation initially appoints the Trustee as Registrar and Paying Agent.

SECTION 2.05. Paying Agent to Hold Money in Trust.

Each Paying Agent for any series of Securities shall hold in trust for the benefit of Holders of Securities of the same series or the Trustee all money held by the Paying Agent for the payment of principal of or interest, if any, on such Securities and shall notify the Trustee of any default by the Corporation in making such payment. If the Corporation or a Subsidiary acts as Paying Agent with respect to a series of Securities, it shall segregate the money for that series and hold it as a separate trust fund. The Corporation at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon doing so the Paying Agent shall have no further liability for the money.

SECTION 2.06. Securityholder Lists.

For each series of Securities, the Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of Securities of that series. If the Trustee is not the Registrar, the Corporation shall furnish or cause to be furnished to the Trustee on or before each interest payment date for each series of Securities and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders of Securities of that series.

SECTION 2.07. Transfer and Exchange.

Where a Security (other than a Global Security, except as set forth herein) is presented to the Registrar or a co-registrar with a request to register a transfer, the Registrar shall register the transfer as requested if the requirements of Section 8-401(1) of the Uniform Commercial Code (or any successor provision) are met. Where Securities (other than a Global Security, except as set forth herein) of any series are presented to the Registrar or a co-registrar with a request to exchange them for an equal principal amount of Securities of other denominations of the same series with identical terms as the Securities exchanged, the Registrar shall make the exchange as requested if the same requirements are met. To permit transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. The Corporation may charge a reasonable fee for any transfer or exchange, but not for any exchange pursuant to Section 2.10, 3.07 or 9.05. The Corporation shall not be required to make transfers or exchanges of Securities of any series for a period of 15 days before a selection of Securities of the same series to be redeemed or before an interest payment.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for Securities in definitive form, a Global Security representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depositary for such series to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

None of the Corporation, the Trustee, the Paying Agent, the Registrar or any co-registrar shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

If at any time the Depositary for the Securities of a series notifies the Corporation that it is unwilling or unable to continue as Depositary for the Securities of such series or if at any time the Depositary for the Securities of such series no longer shall be eligible under Section 2.03, the Corporation shall appoint a successor Depositary with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Corporation within 90 days after the Corporation receives such notice or becomes aware of such ineligibility, the Corporation's election pursuant to Section 2.03(19) no longer shall be effective with respect to the Securities of such series and the Corporation will execute, and the Trustee, upon receipt of an order of the Corporation for the authentication and delivery of definitive Securities of such series, will authenticate and deliver Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

The Corporation may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities no longer shall be represented by such Global Security or Securities. In such event the Corporation will execute, and the Trustee, upon receipt of an order of the Corporation for the authentication and delivery of definitive Securities of such series, will authenticate and deliver Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing such series in exchange for such Global Security or Securities.

If specified by the Corporation pursuant to Section 2.03 with respect to a series of Securities, the Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for the Securities of such series in definitive form on such terms as are acceptable to the Corporation and such Depositary. Thereupon, the Corporation shall execute, and the Trustee shall authenticate and deliver:

(1) to each party specified by such Depositary a new Security or Securities of the same series, of any authorized denomination as requested by such party in aggregate principal amount equal to and in exchange for such party's beneficial interest in the Global Security; and

(2) to such Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to Holders thereof.

Upon the exchange of the Global Security for Securities in definitive form, such Global Security shall be canceled by the Trustee. Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the parties in whose names such Securities are so registered.

SECTION 2.08. Replacement Securities.

If the Holder of a Security claims that the Security has been mutilated, destroyed, lost or stolen, the Corporation may issue and the Trustee shall authenticate a replacement Security of the same series with identical terms as the Securities exchanged if the requirements of Section 8-405 of the Uniform Commercial Code (or any successor provision) are met. Such Holder shall furnish an indemnity bond sufficient in the judgment of the Corporation and the Trustee to protect the Corporation, the Trustee, the Paying Agent, the Registrar and any co-registrar from any loss that any of them may suffer if a Security is replaced. The Corporation and the Trustee may charge for their expenses in replacing a Security.

In case any such mutilated, destroyed, lost or stolen Security has become due and payable, the Corporation in its discretion may, instead of issuing a new Security, pay such Security (without surrender thereof, except in the case of a mutilated Security) if the applicant for such payment shall furnish to the Corporation, the Trustee, the Paying Agent, the Registrar and any co-registrar for such Security such security or indemnity as may be required by them to hold each of them harmless, and in case of destruction, loss or theft, evidence satisfactory to the Corporation, the Trustee, the Paying Agent, the Registrar and any co-registrar, and any agent of any of them, of the destruction, loss or theft of such Security and the ownership thereof.

Upon the issuance of any new Security under this Section, the Corporation may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses in connection therewith (including all fees and expenses of the Trustee, the Paying Agent, the Registrar and any co-registrar for such Security).

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security or in exchange for any mutilated Security, shall constitute an original additional obligation of the Corporation, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 2.09. Outstanding Securities.

Securities outstanding at any time are all Securities authenticated by the Trustee (and, in the case of Global Securities, endorsed by the Trustee) except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Corporation, or an affiliate of the Corporation, holds the Security.

If a Security is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Security is held by a bona fide purchaser.

If the Paying Agent holds on a redemption date or maturity date money sufficient to pay Securities payable on that date, then on and after that date such Securities cease to be outstanding and interest on them ceases to accrue.

If a Security is called for redemption, the Corporation and the Trustee need not treat the Security as outstanding in determining whether Holders of the required principal amount of Securities have concurred in any direction, waiver or consent.

SECTION 2.10. Temporary Securities.

Until definitive Securities of any series are ready for delivery or a permanent Global Security or Securities are prepared, as the case may be, the Corporation may prepare and the Trustee shall authenticate temporary Securities or one or more temporary Global Securities, as the case may be, of the same series. Temporary Securities of any series shall be substantially in the form of definitive Securities or permanent Global Securities, as the case may be, of the same series, but may have variations that the Corporation considers appropriate for temporary Securities. Without unreasonable delay, the Corporation shall prepare and the Trustee shall authenticate definitive Securities or a permanent Global Security or Securities, as the case may be, of the same series in exchange for temporary Securities. Until so exchanged, the temporary Securities of any series shall be entitled to the same benefits under this Indenture as definitive Securities or permanent Global Securities of such series.

SECTION 2.11. Cancellation.

The Corporation at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for transfer, exchange or payment. The Trustee and no one else shall cancel and dispose of all Securities surrendered for transfer, exchange, payment or cancellation, and shall so certify to the Corporation upon its written request therefor. The Corporation may not issue new Securities to replace Securities it has paid or it has delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest.

If the Corporation defaults in a payment of interest on any Securities of any series, it shall pay the defaulted interest to the persons who are Holders of those Securities on a subsequent special record date. The Corporation shall fix the special record date and the payment date in

respect thereof. At least 15 days before the special record date, the Corporation shall give notice to each Holder of Securities of that series a notice that states the special record date, the payment date and the amount of defaulted interest to be paid. The Corporation may pay defaulted interest in any other lawful manner.

SECTION 2.13. Currency and Manner of Payments in Respect of Securities.

(a) With respect to Securities of any series not permitting the election provided for in subsection (b) below or the Holders of which have not made the election provided for in subsection (b) below, except as provided in subsection (d) below, payment of the principal of and interest, if any, on any Security of such series will be made in the currency or currency unit in which such Security is payable.

(b) It may be provided pursuant to Section 2.03 with respect to Securities of any series that Holders shall have the option, subject to subsections (d) and (e) below, to receive payments of principal of or interest, if any, on such Securities in any of the currencies or currency units that may be designated for such election by delivering to the Trustee for such series of Securities a written election with signature guarantees and in form and substance satisfactory to such Trustee, not later than the close of business on the Election Date immediately preceding the applicable payment date. If a Holder so elects to receive payments in any such currency or currency unit, such election will remain in effect for such Holder until changed by such Holder by written notice to the Trustee for such series of Securities (but any such change must be made not later than the close of business on the Election Date immediately preceding the next payment date to be effective for the payment to be made on such payment date and no such change of election may be made with respect to payments to be made on any Security of such series with respect to which an Event of Default has occurred or notice of redemption has been given by the Corporation pursuant to Article 3). In the event any Holder makes any such election pursuant to the preceding sentence, such election will not be effective on any transferee of such Holder and such transferee shall be paid in the currency or currency unit indicated pursuant to subsection (a) above unless such transferee makes an election pursuant to the preceding sentence; provided, however, that such election, if in effect while funds are on deposit with respect to the Securities of such series as described in Section 8.01, 8.02 or 8.03, will be effective on any transferee of such Holder unless otherwise specified pursuant to Section 2.03 for the Securities of such series. Any Holder of any such Security who shall not have delivered any such election to the Trustee of such series of Securities not later than the close of business on the applicable Election Date will be paid the amount due on the applicable payment date in the relevant currency or currency unit as provided in subsection (a) above. In no case may a Holder of Securities of any series elect to receive payments in any currency or currency unit as described in this subsection following a deposit of funds with respect to the Securities of such series as described in Section 8.01, 8.02 or 8.03.

(c) If the election referred to in subsection (b) above has been provided for pursuant to Section 2.03, then not later than the fourth Business Day after the Election Date for each payment date for Securities of any series, the Currency Determination Agent for that series will deliver to the Corporation a written notice specifying, in the currency or currency unit in which Securities of such series are payable, the respective aggregate amounts of principal of and interest, if any, on the Securities to be made on such payment date, and specifying the amounts in

such currency or currency unit so payable with respect to the Securities of such series as to which the Holders thereof shall have elected to be paid in a currency or currency unit other than that in which such series is denominated as provided in subsection (b) above. If the election referred to in subsection (b) above has been provided for pursuant to Section 2.03 and if at least one Holder has made such election, then, on the second Business Day preceding such payment date the Corporation will deliver to the Trustee for such series of Securities an Exchange Rate Officers' Certificate with respect to the Dollar, Foreign Currency or currency unit payments to be made on such payment date. The Dollar, Foreign Currency or currency unit amount receivable by Holders of Securities who have elected payment in a currency or currency unit as provided in subsection (b) above shall, unless otherwise provided pursuant to Section 2.03, be determined by the Corporation on the basis of the applicable Market Exchange Rate in effect on the third Business Day (the "Valuation Date") immediately preceding each payment date.

(d) If a Conversion Event occurs with respect to a Foreign Currency or any currency unit in which any of the Securities are denominated or payable other than pursuant to an election provided for pursuant to subsection (b) above, then with respect to each date for the payment of principal of and interest, if any, on the applicable Securities denominated or payable in such Foreign Currency or such currency unit occurring after the last date on which such Foreign Currency or such currency unit was available (the "Conversion Date"), the Dollar shall be the currency of payment for use on each such payment date. The Dollar amount to be paid by the Corporation to the Trustee of each such series of Securities and by such Trustee or any Paying Agent to the Holders of such Securities with respect to such payment date shall be the amount that would have been payable in Foreign Currency or currency units but expressed in Dollars according to the Dollar Equivalent of the Foreign Currency or, in the case of a currency unit, the Dollar Equivalent of the Currency Unit, in each case as determined by the Currency Determination Agent in the manner provided in subsection (f) or (g) below.

(e) If the Holder of a Security denominated in any currency or currency unit shall have elected to be paid in another currency or currency unit as provided in subsection (b) above, and a Conversion Event occurs with respect to such elected currency or currency unit, such Holder shall receive payment in the currency or currency unit in which payment would have been made in the absence of such election. If a Conversion Event occurs with respect to the currency or currency unit in which payment would have been made in the absence of such election, such Holder shall receive payment in Dollars as provided in subsection (d) above.

(f) The "Dollar Equivalent of the Foreign Currency" shall be determined by the Currency Determination Agent and shall be obtained for each subsequent payment after the Conversion Date by converting the specified Foreign Currency into Dollars at the Market Exchange Rate on the Conversion Date.

(g) The "Dollar Equivalent of the Currency Unit" shall be determined by the Currency Determination Agent and subject to the provisions of subsection (h) below shall be the sum of each amount obtained by converting the Specified Amount of each Component Currency into Dollars at the Market Exchange Rate for such Component Currency on the Valuation Date with respect to each payment.

(h) For purposes of this Section the following terms shall have the following meanings:

A “Component Currency” shall mean any currency which, on the Conversion Date, was a component currency of the relevant currency unit.

A “Specified Amount” of a Component Currency shall mean the number of units of such Component Currency or fractions thereof which were represented in the relevant currency unit on the Conversion Date. If after the Conversion Date the official unit of any Component Currency is altered by way of combination or subdivision, the Specified Amount of such Component Currency shall be divided or multiplied in the same proportion. If after the Conversion Date two or more Component Currencies are consolidated into a single currency, the respective Specified Amounts of such Component Currencies shall be replaced by an amount in such single currency equal to the sum of the respective Specified Amounts of such consolidated Component Currencies expressed in such single currency, and such amount thereafter shall be a Specified Amount and such single currency shall thereafter be a Component Currency. If after the Conversion Date any Component Currency shall be divided into two or more currencies, the Specified Amount of such Component Currency shall be replaced by amounts of such two or more currencies, each of whose Dollar Equivalent at the Market Exchange Rate on the date of such replacement shall be equal to the Dollar Equivalent of the Specified Amount of such former Component Currency at the Market Exchange Rate on such date divided by the number of currencies into which such Component Currency was divided, and such amounts shall thereafter be Specified Amounts and such currencies shall thereafter be Component Currencies. If, after the Conversion Date of the relevant currency unit a Conversion Event (other than any event referred to above in this definition of “Specified Amount”) occurs with respect to any Component Currency of such currency unit and is continuing on the applicable Valuation Date, the Specified Amount of such Component Currency shall, for purposes of calculating the Dollar Equivalent of the Currency Unit, be converted into Dollars at the Market Exchange Rate in effect on the Conversion Date of such Component Currency.

“Election Date” shall mean any date for any series of Securities as specified pursuant to Section 2.03(11) by which the written election referred to in Section 2.13(b) may be made, such date to be not later than the regular record date for the earliest payment for which such election may be effective.

All decisions and determinations of the Currency Determination Agent regarding the Dollar Equivalent of the Foreign Currency, the Dollar Equivalent of the Currency Unit, the Market Exchange Rate and changes in the Specified Amounts as specified above shall be in its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and irrevocably binding upon the Corporation, the Trustee for the applicable series of Securities and all Holders of such Securities denominated or payable in the relevant currency or currency units. The Currency Determination Agent shall promptly give written notice to the Corporation and the Trustee for the applicable series of Securities of any such decision or determination.

In the event of a Conversion Event with respect to a Foreign Currency, the Corporation, after learning thereof, will immediately give written notice thereof to the Trustee of the appropriate series of Securities and the Currency Determination Agent with respect to such series (and such Trustee will promptly thereafter give notice to the Holders) specifying the Conversion Date. In the event of a Conversion Event with respect to any currency unit in which Securities are denominated or payable, the Corporation, after learning thereof, will immediately give written notice thereof to the Trustee of the applicable series of Securities and the Currency Determination Agent with respect to such series (and such Trustee promptly thereafter will give notice to the Holders) specifying the Conversion Date and the Specified Amount of each Component Currency on the Conversion Date. In the event of any subsequent change in any Component Currency as set forth in the definition of Specified Amount above, the Corporation, after learning thereof, similarly will give written notice to the Trustee of the applicable series of Securities and the Currency Determination Agent.

The Trustee of the applicable series of Securities shall be fully justified and protected in relying and acting upon information received by it from the Corporation and the Currency Determination Agent and shall not otherwise have any duty or obligation to determine such information independently.

SECTION 2.14. Appointment and Resignation of Currency Determination Agent.

(a) If and so long as the Securities of any series (i) are denominated in a currency unit or a currency other than Dollars or (ii) may be payable in a currency unit or a currency other than Dollars, or so long as it is required under any other provision of this Indenture, then the Corporation will maintain with respect to each such series of Securities, or as so required, a Currency Determination Agent. The Corporation will cause the Currency Determination Agent to make the necessary foreign exchange determinations at the time and in the manner specified pursuant to Sections 2.03 and 2.13 for the purpose of determining the applicable rate of exchange and for the purpose of converting the issued currency or currency unit into the applicable payment currency or currency unit for the payment of principal and interest, if any, pursuant to Section 2.13.

(b) No resignation of the Currency Determination Agent and no appointment of a successor Currency Determination Agent pursuant to this Section shall become effective until the acceptance of appointment by the successor Currency Determination Agent as evidenced by a written instrument delivered to the Corporation and the Trustee of the applicable series of Securities accepting such appointment executed by the successor Currency Determination Agent.

(c) If the Currency Determination Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Currency Determination Agent for any cause, with respect to the Securities of one or more series, the Corporation, by a Board Resolution, shall promptly appoint a successor Currency Determination Agent or Currency Determination Agents with respect to the Securities of that or those series (it being understood that any such successor Currency Determination Agent may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall only be one Currency Determination Agent with respect to the Securities of any particular series).

ARTICLE 3

REDEMPTION

SECTION 3.01. Applicability of this Article.

Securities of any series that are redeemable at the option of the Corporation prior to their maturity shall be redeemable in accordance with their terms (except as otherwise specified in this Indenture for Securities of any series) and in accordance with this Article.

SECTION 3.02. Notices to Trustee.

If the Corporation elects to redeem any Securities, it shall notify the Trustee of the redemption date and the principal amount of Securities to be redeemed in accordance with the terms of the Securities. If the redemption is of less than all the outstanding Securities of a series, the Corporation shall furnish to the Trustee a written statement signed by an Officer of the Corporation stating that with respect to that series there exists no Event of Default and no circumstance that, after notice or the passage of time or both, would constitute an Event of Default. The Corporation shall give the notice provided for in this Section at least 50 days before the redemption date.

SECTION 3.03. Selection of Securities to be Redeemed.

If, at the option of the Corporation, less than all the Securities of a series are to be redeemed, the Trustee shall select the Securities to be redeemed by a method the Trustee considers fair and appropriate, subject to any applicable stock exchange requirements. The Trustee shall make the selection from outstanding Securities not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities that have a denomination larger than \$1,000 (or the applicable minimum denomination for such Securities). Securities and portions of them it selects shall be in amounts of \$1,000 (or the applicable minimum denomination for such Securities in the event the Securities are payable in a Foreign Currency or Currencies) or a multiple of \$1,000 (or the applicable minimum denomination for such Securities in the event the Securities are payable in a Foreign Currency or Currencies). Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption.

The Trustee for the Securities of any series to be redeemed shall promptly notify the Corporation in writing of the Securities of such series selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities that has been or is to be redeemed.

SECTION 3.04. Notice of Redemption.

At least 20 days but not more than 60 days before a date of redemption of Securities at the option of the Corporation, the Corporation shall give notice of redemption to each Holder of Securities to be redeemed.

The notice shall identify the Securities to be redeemed and shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) the name and address of the Paying Agent;
- (4) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price; and
- (5) that interest, if any, on Securities called for redemption ceases to accrue on and after the redemption date.

At the Corporation's request, the Trustee shall give the notice of redemption in the Corporation's name and at its expense. In such event, the Corporation will provide the Trustee with the information required by clauses (1) through (5) above at least five Business Days prior to the date chosen for giving such notice, or such lesser period if permitted by the Trustee in its discretion.

SECTION 3.05. Effect of Notice of Redemption.

Once notice of redemption is given, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest, if any, to the redemption date; provided, however, that any regular payment of interest becoming due on the redemption date shall be payable to the Holder of any such Security being redeemed as provided in the Security.

SECTION 3.06. Deposit of Redemption Price.

By the opening of business on the redemption date, the Corporation shall deposit with the Paying Agent money sufficient to pay the redemption price of and accrued interest, if any, on all Securities to be redeemed at the option of the Corporation on that date.

SECTION 3.07. Securities Redeemed in Part.

Upon surrender of a Security that is redeemed in part, the Trustee shall authenticate for the Holder a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE 4

COVENANTS

SECTION 4.01. Certain Definitions.

“Attributable Debt” for a lease means the carrying value of the capitalized rental obligation determined under generally accepted accounting principles. The carrying value may be reduced by the capitalized value of the rental obligations, calculated on the same basis, that any sublessee has for all or part of the same property. This term does not include any obligation to make payments arising from the transfer of tax benefits under the Economic Recovery Tax Act of 1981 (as it may from time to time be amended, or any successor statute) to the extent such obligation is offset by or conditioned upon receipt of payments from another person. A lease obligation shall be counted only once even if the Corporation and one or more of its Subsidiaries may be responsible for the obligation.

“Consolidated Net Tangible Assets” means total assets less (1) total current liabilities (excluding any Debt which, at the option of the borrower, is renewable or extendable to a term exceeding 12 months and which is included in current liabilities and further excluding any deferred income taxes that are included in current liabilities) and (2) goodwill, patents and trademarks, all as reflected in the Corporation’s most recent consolidated balance sheet preceding the date of a determination under Section 4.03(11).

“Debt” means all indebtedness for borrowed money reported as debt in the consolidated financial statements or any guarantee of such a debt and includes purchase money obligations. This term does not include any obligation to make payments arising from the transfer of tax benefits under the Economic Recovery Tax Act of 1981 (as it may from time to time be amended, or any successor statute) to the extent such obligation is offset by or conditioned upon receipt of payments from another person. A Debt shall be counted only once even if the Corporation and one or more of its Subsidiaries may be responsible for the obligation.

“Lien” means any mortgage, pledge, security interest or lien. This term does not include any obligation arising from the transfer of tax benefits under the Economic Recovery Tax Act of 1981 (as it may from time to time be amended, or any successor statute) to the extent such obligation is offset by or conditioned upon receipt of payments from another person.

“Long-Term Debt” means Debt that by its terms matures on a date more than 12 months after the date it was created or Debt that the obligor may extend or renew without the obligee’s consent to a date more than 12 months after the Debt was created.

“Principal Property” means, as to any particular series of Securities, any manufacturing facility located in the United States and owned by the Corporation or by one or more Restricted Subsidiaries from the date Securities of that series are first issued and which has, as of the date the Lien is incurred, a net book value (after deduction of depreciation and other similar charges) greater than 3% of Consolidated Net Tangible Assets, except (1) any such facility or property that is financed by obligations of any State, political subdivision of any State or the District of Columbia under terms that permit the interest payable to the holders of the obligations to be

excluded from gross income as a result of the plant, facility or property satisfying the conditions of Section 103(b)(4)(C), (D), (E), (F) or (H) of the Internal Revenue Code of 1954, as amended, Section 103(b)(6) of the Internal Revenue Code of 1954, as amended, Section 142(a) or Section 144(a) of the Internal Revenue Code of 1986, or of any successors to such provisions, or (2) any such facility or property which, in the opinion of the Board of Directors of the Corporation, is not of material importance to the total business conducted by the Corporation and its Subsidiaries taken as a whole. However, the Chief Executive Officer or Chief Financial Officer of the Corporation may at any time declare any manufacturing facility or other property to be a Principal Property by delivering a certificate to that effect to the Trustee.

“Restricted Property” means, as to any particular series of Securities, any Principal Property, any Debt of a Restricted Subsidiary owned by the Corporation or a Restricted Subsidiary on the date Securities of that series are first issued or secured by a Principal Property (including any property received upon a conversion or exchange of such Debt), or any shares of stock of the Corporation or a Restricted Subsidiary owned by the Corporation or a Restricted Subsidiary (including any property or shares received upon a conversion, stock split or other distribution with respect to the ownership of such stock).

“Restricted Subsidiary” means a Subsidiary that has substantially all its assets located in, or carries on substantially all its business in, the United States and that owns a Principal Property. Notwithstanding the preceding sentence, a Subsidiary shall not be a Restricted Subsidiary during such period of time as it (or any corporation (other than the Corporation) or other entity that, directly or indirectly, beneficially owns a majority of the Voting Stock of the Subsidiary) has shares of capital stock registered under the Exchange Act or it files reports and other information with the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

“Sale-Leaseback Transaction” means an arrangement whereby the Corporation or a Restricted Subsidiary now owns or hereafter acquires a Principal Property, transfers it to a person and contemporaneously leases it back from the person. This term does not include any transaction arising from the transfer of tax benefits under the Economic Recovery Tax Act of 1981 (as it may from time to time be amended, or any successor statute) to the extent the obligation to make rental payments is offset or conditioned upon receipt of payments from another person.

“Subsidiary” means a corporation a majority of the Voting Stock of which is owned by the Corporation, the Corporation and one or more Subsidiaries, or one or more Subsidiaries.

“United States” means the United States of America. The Commonwealth of Puerto Rico, the Virgin Islands and other territories and possessions are not part of the United States.

“Voting Stock” means capital stock having voting power under ordinary circumstances to elect directors.

SECTION 4.02. Payment of Securities.

The Corporation shall promptly pay the principal of and interest, if any, on the Securities on the dates and in the manner provided in the Securities.

To the extent lawful, the Corporation shall pay interest on overdue principal, if any, at the rate borne by the Securities and shall pay interest on overdue installments of interest, if any, at the same rate.

SECTION 4.03. Limitation on Liens.

The Corporation shall not, and shall not permit any Restricted Subsidiary to, incur a Lien on Restricted Property to secure a Debt unless:

(1) the Lien equally and ratably secures the Securities and the Debt. The Lien may equally and ratably secure the Securities and any other obligation of the Corporation or a Subsidiary. The Lien may not secure an obligation of the Corporation that is subordinated to any Securities; or

(2) the Lien is on property, Debt or shares of stock of a corporation at the time such corporation becomes a Restricted Subsidiary; or

(3) the Lien is on property at the time the Corporation or a Restricted Subsidiary acquires the property. However, the Lien may not extend to any other Restricted Property owned by the Corporation or a Restricted Subsidiary at the time the property is acquired; or

(4) the Lien secures the payment of all or any part of the purchase price of property upon the acquisition of such property by the Corporation or a Restricted Subsidiary or secures any Debt incurred or guaranteed by the Corporation or a Restricted Subsidiary prior to, at the time of, or within one year after the later of the acquisition, completion of construction (including any improvements on an existing property) or commencement of full operation of such property, which Debt is incurred or guaranteed for the purpose of financing all or any part of the purchase price thereof or construction or improvements thereon, and which Debt may be in the form of obligations incurred in connection with industrial revenue bonds or similar financings and letters of credit issued in connection therewith; provided, however, that in the case of any such acquisition, construction or improvement the Lien shall not apply to any property theretofore owned by the Corporation or a Restricted Subsidiary, other than, in the case of any such construction or improvement, any theretofore unimproved real property on which the property so constructed or the improvement made is located; or

(5) the Lien secures Debt of a Restricted Subsidiary owed to the Corporation or another Restricted Subsidiary; or

(6) the Lien is on property of a corporation or other entity at the time such corporation or other entity merges into, or consolidates or enters into a share exchange with, the Corporation or a Restricted Subsidiary; or

(7) the Lien is on property of a person at the time the person transfers or leases all or substantially all its assets to the Corporation or a Restricted Subsidiary; or

(8) the Lien is in favor of any customer (including any government or governmental authority) to secure partial, progress, advance or other payments or performance pursuant to any contract or statute or to secure any related indebtedness or to secure Debt guaranteed by a government or governmental authority; or

(9) the Lien arises pursuant to any order of attachment, distraint or similar legal process arising in connection with court proceedings so long as the execution or other enforcement thereof is effectively stayed and the claims secured thereby are being contested in good faith by appropriate proceedings or the Lien is a materialmen's, suppliers', tax or other similar Lien arising in the ordinary course of business securing obligations which are not overdue or are being contested in good faith by appropriate proceedings; or

(10) as to any particular series of Securities, the Lien extends, renews or replaces in whole or in part a Lien ("existing Lien") permitted by any of the clauses (1) through (9) or a Lien existing on the date that Securities of such series are first issued. The Lien may not extend beyond the property subject to the existing Lien. The Debt secured by the Lien may not exceed the Debt secured at the time by the existing Lien unless the existing Lien or a predecessor Lien was incurred under clause (1) or (5); or

(11) the Debt secured by the Lien plus all other Debt secured by Liens on Restricted Property, excluding Debt secured by a Lien permitted by any of the clauses (1) through (10) and any Debt secured by a Lien existing at the date of this Indenture, at the time does not exceed 10% of Consolidated Net Tangible Assets. Attributable Debt for any lease entered into under clause (4) of Section 4.04 shall be included in the determination and treated as Debt secured by a Lien on Restricted Property not otherwise permitted by any of the clauses (1) through (10).

SECTION 4.04. Limitation on Sale-Leaseback Transactions.

The Corporation shall not, and shall not permit any Restricted Subsidiary to, enter into a Sale-Leaseback Transaction unless:

- (1) the lease has a term of three years or less; or
- (2) the lease is between the Corporation and a Restricted Subsidiary or between Restricted Subsidiaries; or
- (3) the Corporation or a Restricted Subsidiary under clauses (2) through (10) of Section 4.03 could create a Lien on the property to secure Debt at least equal in amount to the Attributable Debt for the lease; or
- (4) the Corporation or a Restricted Subsidiary under clause (11) of Section 4.03 could create a Lien on the property to secure Debt at least equal in amount to the Attributable Debt for the lease; or
- (5) the Corporation or a Subsidiary owns or acquires other property which will be made a Principal Property and is determined by the Board of Directors of the Corporation to have a fair value equal to or greater than the Attributable Debt incurred; or

(6) (A) the Corporation or a Restricted Subsidiary makes an optional repayment in cash of its Debt at least equal in amount to the Attributable Debt for the lease,

(B) the prepayment is made within 120 days of the effective date of the lease,

(C) the Debt prepaid is not owned by the Corporation or a Restricted Subsidiary, and

(D) the Debt prepaid was Long-Term Debt at the time it was created.

SECTION 4.05. No Lien Created, etc.

This Indenture and the Securities do not create a Lien, charge or encumbrance on any property of the Corporation or any Subsidiary.

SECTION 4.06. Compliance Certificate.

The Corporation shall deliver to the Trustee within 120 days after the end of each fiscal year of the Corporation an Officers' Certificate stating whether or not the signers know of any default by the Corporation in performing its covenants in Section 4.03 or 4.04. If they do know of such a default, the certificate shall describe the default. The certificate need not comply with Section 10.05.

SECTION 4.07. SEC Reports.

The Corporation shall deliver to the Trustee within 15 days after it files them with the SEC, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) which the Corporation is required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act. The Corporation also shall comply with the other provisions of TIA Section 314(a). Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Corporation's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

ARTICLE 5

SUCCESSOR CORPORATION

SECTION 5.01. When the Corporation May Merge, etc.

The Corporation shall not consolidate with or merge into, or transfer all or substantially all its assets to another corporation, unless (1) the resulting, surviving or transferee corporation assumes by supplemental indenture all the obligations of the Corporation under the Securities and this Indenture, (2) immediately after giving effect to such transaction no Event of Default and no circumstances which, after notice or lapse of time or both, would become an Event of

Default, shall have happened and be continuing, and (3) the Corporation shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture comply with this Indenture, and thereafter all such obligations of the Corporation shall terminate.

SECTION 5.02. When Securities Must be Secured.

If upon any such consolidation, merger or transfer a Restricted Property would become subject to an attaching Lien that secures Debt, then, at the time or before the consolidation, merger or transfer occurs, the Corporation by supplemental indenture shall secure the Securities by a direct lien on the Restricted Property. The direct Lien shall have priority over all Liens on the Restricted Property except those already on it, provided that the direct Lien also may equally and ratably secure the Securities and any other obligation of the Corporation or a Subsidiary. However, the Corporation need not comply with this Section if:

- (1) upon the consolidation, merger or transfer the attaching Lien will secure the Securities equally and ratably with or prior to Debt secured by the attaching Lien; or
- (2) the Corporation or a Restricted Subsidiary under any of the clauses (2) through (11) of Section 4.03 could create a Lien on the Restricted Property to secure Debt at least equal in amount to that secured by the attaching Lien.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default.

An "Event of Default" occurs with respect to a series of Securities if:

- (1) the Corporation defaults in the payment of interest on any Security of that series when the same becomes due and payable and the default continues for a period of 30 days;
- (2) the Corporation defaults in the payment of the principal of any Security of that series when the same becomes due and payable at maturity, upon redemption or otherwise;
- (3) the Corporation fails to comply with any of its other agreements in the Securities of that series or this Indenture for the benefit of that series and the default continues for the period and after the notice specified in this Section;
- (4) the Corporation pursuant to or within the meaning of any Bankruptcy Law:
 - (A) commences a voluntary case,
 - (B) consents to the entry of an order for relief against it in an involuntary case,
 - (C) consents to the appointment of a Custodian of it or for all or substantially all of its property, or

- (D) makes a general assignment for the benefit of its creditors;
- (5) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (A) is for relief against the Corporation in an involuntary case,
 - (B) appoints a Custodian of the Corporation or for all or substantially all of the property of the Corporation, or
 - (C) orders the winding up or liquidation of the Corporation, and the order or decree remains unstayed and in effect for 90 days; or
- (6) there occurs any other event specifically described as an Event of Default by the Securities of that series.

The term "Bankruptcy Law" means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term "Custodian" means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A default under clause (3) is not an Event of Default with respect to a series of Securities until the Trustee or the Holders of at least 25% in principal amount of the Securities of that series notify the Corporation of the default and the Corporation does not cure the default within 90 days after receipt of the notice. The notice must specify the default, demand that it be remedied and state that the notice is a "Notice of Default." Subject to Sections 7.01 and 7.02 the Trustee shall not be charged with knowledge of any default unless written notice thereof shall have been given to the Trustee by the Corporation, the Paying Agent, the Holder of a Security or an agent of such Holder.

SECTION 6.02. Acceleration.

If an Event of Default with respect to a series of Securities occurs and is continuing, the Trustee, by notice to the Corporation or the Holders of at least 25% in principal amount of the Securities of that series by notice to the Corporation and the Trustee, may declare the principal (or, in the case of Discounted Securities, such amount of principal as may be provided for in such Securities) of and accrued interest, if any, on all the Securities of that series to be due and payable immediately. Upon such a declaration such principal and interest, if any, shall be due and payable immediately. The Holders of a majority in principal amount of the Securities of any series by notice to the Trustee may rescind an acceleration (and upon such rescission any Event of Default caused by such acceleration shall be deemed cured) with respect to that series and its consequences if all existing Events of Default with respect to the series have been cured or waived, if the rescission would not conflict with any judgment or decree, and if all payments due to the Trustee and any predecessor Trustee under Section 7.07 have been made.

SECTION 6.03. Other Remedies.

If an Event of Default with respect to a series of Securities occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of (or, in the case of Discounted Securities, such amount of principal as may be provided for in such Securities) or interest, if any, on the Securities of that series or to enforce the performance of any provision of such Securities or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Securityholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults.

Subject to Section 9.02 the Holders of a majority in principal amount of the Securities of a series by notice to the Trustee may waive an existing Default or Event of Default with respect to that series and its consequences. When a Default or Event of Default is waived, it is cured and stops continuing, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority.

The Holders of a majority in principal amount of the Securities of a series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on it with respect to that series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of other Holders of Securities of the same series or would involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits.

No Holder of a Security of any series may pursue any remedy with respect to this Indenture or the Securities unless:

- (1) the Holder gives to the Trustee written notice stating that an Event of Default with respect to the Securities of the series is continuing;
- (2) the Holders of at least 25% in principal amount of the Securities of that series make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity; and
- (5) during such 60-day period the Holders of a majority in principal amount of the Securities of that series do not give the Trustee a direction inconsistent with the request.

A Securityholder may not use this Indenture to prejudice the rights of another Securityholder or to obtain a preference or priority over any other Securityholder.

SECTION 6.07. Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest, if any, on the Security on or after the respective due dates expressed in the Security, or to bring suit for the enforcement of any such payment on or after such respective date, shall not be impaired or affected without the consent of the Holder.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default in payment of interest or principal specified in Section 6.01(1) or (2) occurs and is continuing, subject to Sections 6.02 and 6.04 the Trustee may recover judgment in its own name and as trustee of an express trust against the Corporation for the whole amount of principal and interest, if any, remaining unpaid.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Securityholders allowed in any judicial proceedings relative to the Corporation, or any of its creditors or property, and unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other person performing similar functions.

SECTION 6.10. Priorities.

If the Trustee collects any money pursuant to this Article with respect to the Securities of any series, it shall pay out the money in the following order:

First: to the Trustee for amounts due under Section 7.07;

Second: to Holders of Securities of that series for amounts due and unpaid on such Securities for principal and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and interest, if any, respectively; and

Third: to the Corporation.

The Trustee may fix a record date and payment date for any payment to Securityholders pursuant to this Section.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit other than the Trustee of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including

reasonable attorneys' fees and expenses, against any party litigant in the suit including the Trustee, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities of any series.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall with respect to Securities exercise its rights and powers and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee need perform only those duties that are specifically set forth in this Indenture and no others; and

(2) in the absence of bad faith on its part, the Trustee may rely conclusively, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, notices or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates, notices or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates, notices and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this subsection does not limit the effect of subsection (b) above;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to subsections (a), (b) and (c) above.

(e) The Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree with the Corporation.

SECTION 7.02. Rights of Trustee.

(a) Subject to Section 7.01 the Trustee may rely conclusively on any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by the Trustee in compliance with such request or direction.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities and this Indenture.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder.

(h) The Trustee may request that the Corporation deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03. Individual Rights of Trustee, etc.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Corporation or any of its affiliates with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee makes no representations as to the validity or adequacy of this Indenture or the Securities, it shall not be accountable for the Corporation's use of the proceeds from the Securities, and it shall not be responsible for any statement in the Securities other than its certificate of authentication.

SECTION 7.05. Notice of Defaults.

If a Default occurs with respect to a series of Securities and is continuing and if it is known to the Trustee, the Trustee shall give notice of the Default to each Holder of Securities of that series within 90 days after it occurs. Except in the case of a default in payment on any Security, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of such Holders.

SECTION 7.06. Reports by Trustee to Holders.

If required pursuant to TIA Section 313(a), the Trustee, within 60 days after each May 15, shall mail to each Securityholder a brief report dated as of May 15 that complies with TIA Section 313(a). The Trustee also shall comply with the reporting obligations of TIA Section 313(b).

A copy of each report at the time of its mailing to Securityholders shall be filed with the SEC and each stock exchange on which the Securities are listed. The Corporation agrees to notify the Trustee whenever the Securities become listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity.

The Corporation shall pay to the Trustee from time to time reasonable compensation for its services. The Corporation shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel. The Corporation shall fully indemnify the Trustee against any and all losses, claims, damages, expenses or liabilities incurred by it in connection with the administration of this trust and its duties hereunder. The Trustee, upon a Trust Officer becoming aware thereof, shall notify the Corporation promptly of any claim for which it may seek indemnity. The Corporation need not pay for any settlement made without its consent. The Corporation need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee through its own gross negligence, bad faith, or willful misconduct.

To secure the Corporation's payment obligations in this Section, the Trustee shall have a senior claim to which the Securities are hereby made subordinate on all money or property held or collected by the Trustee, except that held in trust to pay principal of and interest, if any, on particular Securities. The provisions of this Section shall survive the termination of this Indenture or the resignation or removal of the Trustee.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(4) or (5) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The benefits of this Section 7.07 shall survive the termination of this Indenture.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign with respect to the Securities of one or more series by so notifying the Corporation. The Holders of a majority in principal amount of the Securities of any series may remove the Trustee with respect to that series by so notifying the removed Trustee and may appoint a successor Trustee with the Corporation's consent. The Corporation may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of trustee for any reason, the Corporation shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Corporation. Immediately thereafter, the retiring Trustee shall transfer all property held by it as Trustee for the benefit of the series with respect to which it is retiring to the successor Trustee, the resignation or removal of the retiring Trustee shall then become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture with respect to that series. A successor Trustee shall give notice of its succession to each Holder of the Securities of the series affected.

If pursuant to Section 2.03(5) a trustee, other than the Trustee initially named in this Indenture (or any successor thereto), is appointed with respect to one or more series of Securities, the Corporation, the Trustee initially named in this Indenture (or any successor thereto) and such newly appointed trustee shall execute and deliver a supplement to this Indenture which shall contain such provisions as shall be necessary or desirable to confirm that all the rights, powers, trusts and duties of the Trustee initially named in this Indenture (or any successor thereto) with respect to the Securities of any series as to which the Trustee is continuing as trustee hereunder shall continue to be vested in the Trustee initially named in this Indenture (or any successor thereto), and shall add to, supplement or change any of the provisions of this Indenture as shall be necessary or desirable to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts relating to the separate series of Securities as if it were acting under a separate indenture.

If a successor Trustee with respect to a series of Securities does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Corporation or the Holders of a majority in principal amount of the Securities of that series may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee with respect to a series of Securities fails to comply with Section 7.10, any Holder of Securities of that series may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

If there are two or more Trustees at any time under this Indenture, each will be the Trustee of a separate trust held under this Indenture for the benefit of the series of Securities for which it is acting as Trustee and the rights and obligations of each Trustee will be determined as if it were acting under a separate indenture.

SECTION 7.09. Successor Trustee by Merger, etc.

If the Trustee consolidates with, merges or converts into or transfers all or substantially all its corporate trust assets to another corporation, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee that satisfies the requirements of TIA Section 310(a). The Trustee shall have a combined capital and surplus of at least \$5,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with TIA Section 310(b), provided that the question whether the Trustee has a conflicting interest shall be determined as if each series of Securities were separate issues of securities issued under separate indentures.

SECTION 7.11. Preferential Collection of Claims Against Corporation.

The Trustee shall comply with TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated therein.

ARTICLE 8

SATISFACTION, DISCHARGE AND DEFEASANCE

SECTION 8.01. Satisfaction and Discharge Under Limited Circumstances.

If at any time (a) all Securities of a series previously authenticated (other than any Securities destroyed, lost or stolen and replaced or paid as provided in Section 2.08) shall have been delivered to the Trustee for cancellation, or (b) all the Securities of a series not previously delivered to the Trustee for cancellation shall have become due and payable, the Corporation has deposited or caused to be deposited with the Trustee as trust funds the entire amount (other than moneys paid to the Corporation in accordance with Section 8.05) sufficient to pay at maturity or upon redemption all Securities of that series not previously delivered to the Trustee for cancellation, including principal and interest, if any, due, and if, in either case, the Corporation also shall pay all other sums then payable under this Indenture by the Corporation, then this Indenture shall cease to be of further effect with respect to Securities of that series, and the Trustee, on demand of and at the cost and expense of the Corporation, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to Securities of that series. The Corporation will reimburse the Trustee for any subsequent costs or expenses reasonably and properly incurred by the Trustee in connection with this Indenture or the Securities.

SECTION 8.02. Satisfaction and Discharge of Indenture.

The Corporation may take any action provided for in this Section unless the Securities of the affected series specifically provide that this Section shall not apply to the series. The Corporation at any time at its option may terminate all of its obligations under the Securities of a series previously authenticated and its obligations under this Indenture with respect to such series (except as provided below), and the Trustee, at the expense of the Corporation, shall, upon the request of the Corporation, execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to Securities of that series, effective on the date the following conditions are satisfied:

(1) with reference to this Section, the Corporation has deposited or caused to be deposited with the Trustee, as trust funds in trust, specifically pledged as security for and dedicated solely to the benefit of the Holders of the Securities of that series, (a) lawful money, in the currency or currencies in which Securities of that series are payable, in an amount, or (b) if the Securities of that series are payable in Dollars, U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms (and, as to callable U.S. Government Obligations, regardless of when they are called) will provide not later than the opening of business on the due dates of any payment of the principal of and interest, if any, on the Securities of that series lawful money of the United States in an amount, or (c) a combination thereof, sufficient to pay and discharge the principal of and interest, if any, on the Securities of that series on the date on which such payments are due and payable in accordance with the terms of this Indenture and of the Securities of that series and 91 days have passed during which no Event of Default under Section 6.01(4) or 6.01(5) has occurred;

(2) if the Securities of that series are then listed on any national securities exchange, the Corporation shall have delivered to the Trustee an Opinion of Counsel to the effect that such deposit, defeasance and discharge will not cause such Securities to be delisted;

(3) the Corporation has delivered to the Trustee an Opinion of Counsel, to the effect that, based on applicable U.S. federal income tax law or a ruling published by the United States Internal Revenue Service, the discharge will not be deemed, or result in, a taxable event with respect to the Holders; and

(4) the Corporation has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, complying with Section 10.04 relating to the Corporation's exercise of such option.

The trust established pursuant to clause (1) above shall be irrevocable and shall be made under the terms of an escrow trust agreement in form and substance satisfactory to the Trustee. The escrow trust agreement may, at the Corporation's election, grant the Corporation the right to substitute U.S. Government Obligations from time to time for

any or all of the U.S. Government Obligations deposited with the Trustee pursuant to this Section and the escrow trust agreement; provided, that the condition specified in clause (1) above is satisfied immediately following any such substitution or substitutions. If any Securities of a series are to be redeemed prior to their stated maturity pursuant to optional redemption provisions the applicable escrow trust agreement shall provide therefor and the Corporation shall make such arrangements as are satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Corporation.

Upon the satisfaction of the conditions set forth in this Section with respect to a series of the Securities, the terms and conditions of the Securities of that series, including the terms and conditions with respect thereto set forth in this Indenture, no longer shall be binding upon, or applicable to, the Corporation.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Corporation under Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.10, 7.07 and 7.08 with respect to the Securities of that series shall survive until the Securities of that series no longer are outstanding. Thereafter, the Corporation's obligations in Section 7.07 shall survive such satisfaction and discharge.

"U.S. Government Obligations" means the following obligations:

(1) direct obligations of the United States for the payment of which its full faith and credit is pledged; or

(2) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States.

SECTION 8.03. Defeasance of Certain Obligations.

The Corporation may take any action provided for in this Section unless the Securities of the affected series specifically provide that this Section shall not apply to the series. The Corporation at any time at its option may cease to be under any obligation to comply with Sections 4.03, 4.04, 4.06, 4.07, 5.01, 5.02 and 6.02, or to comply with any other covenants or agreements of the Corporation applicable to Securities of that series as to which the provisions of this Section are expressly made applicable by the Board Resolution or Resolutions or supplemental indenture contemplated by Sections 2.01 and 2.03, with respect to Securities of a series effective on the date the following conditions are satisfied:

(1) with reference to this Section, the Corporation has deposited or caused to be deposited with the Trustee irrevocably, as trust funds in trust, specifically pledged as security for and dedicated solely to the benefit of the Holders of the Securities of that series, (a) lawful money, in the currency or currencies in which Securities of that series are payable, in an amount, or (b) if the Securities of that series are payable in Dollars, U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms (and, as to callable U.S. Government Obligations, regardless of when they are called) will provide not later than the opening of

business on the due dates of any payment of principal of and interest, if any, on the Securities of that series lawful money of the United States in an amount, or (c) a combination thereof, sufficient to pay and discharge the principal of and interest, if any, on the Securities of that series on the day on which such payments are due and payable in accordance with the terms of this Indenture and of the Securities of that series;

(2) the Corporation has delivered to the Trustee an Opinion of Counsel, to the effect that, based on applicable U.S. federal income tax law or a ruling published by the United States Internal Revenue Service, the defeasance will not be deemed, or result in, a taxable event with respect to the Holders; and

(3) the Corporation has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel complying with Section 10.04 relating to the Corporation's exercise of such option.

The trust established pursuant to clause (1) above shall be irrevocable and shall be made under the terms of an escrow trust agreement in form and substance satisfactory to the Trustee. The escrow trust agreement may, at the Corporation's election, grant the Corporation the right to substitute U.S. Government Obligations from time to time for any or all of the U.S. Government Obligations deposited with the Trustee pursuant to this Section and the escrow trust agreement; provided, that the condition specified in clause (1) above is satisfied immediately following any such substitution or substitutions. If any Securities of a series are to be redeemed prior to their stated maturity pursuant to optional redemption provisions the applicable escrow trust agreement shall provide therefor and the Corporation shall make such arrangements as are satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Corporation.

The Corporation's exercise of its option under this Section shall not preclude the Corporation from subsequently exercising its option under Section 8.02 hereof and the Corporation may so exercise that option by providing the Trustee with written notice to such effect.

SECTION 8.04. Application of Trust Money.

The Trustee shall hold in trust money and U.S. Government Obligations deposited with it pursuant to Section 8.01, 8.02 or 8.03. It shall apply the deposited money and U.S. Government Obligations through the Paying Agent and in accordance with this Indenture, to the payment of principal and interest, if any, on the Securities of the series for the payment of which such money and U.S. Government Obligations has been deposited. The Holder of any Security replaced pursuant to Section 2.08 shall not be entitled to any such payment and shall look only to the Corporation for any payment which such Holder may be entitled to collect. In connection with the satisfaction and discharge of this Indenture or the defeasance of certain obligations under this Indenture with respect to Securities of a series pursuant to Section 8.02 or Section 8.03 hereof, respectively, the escrow trust agreement may, at the Corporation's election, (1) enable the Corporation to direct the Trustee to invest any money received by the Trustee on the U.S. Government Obligations deposited in trust thereunder in

additional U.S. Government Obligations and (2) enable the Corporation to withdraw monies or U.S. Government Obligations from the trust from time to time; provided, that the condition specified in Section 8.02(1) or 8.03(1) is satisfied immediately following any investment of such money by the Trustee or the withdrawal of monies or U.S. Government Obligations from the trust by the Corporation as the case may be.

SECTION 8.05. Repayment to Corporation.

The Trustee and the Paying Agent shall promptly pay to the Corporation upon request any excess money or securities held by them at any time. The Trustee and the Paying Agent shall pay, unless otherwise prohibited by mandatory provisions of applicable escheat or abandoned or unclaimed property law, to the Corporation upon request any money held by them for the payment of principal or interest, if any, that remains unclaimed for two years.

ARTICLE 9

AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 9.01. Without Consent of Holders.

The Corporation may amend or supplement this Indenture or the Securities of any series without notice to or consent of any Securityholder:

- (1) to cure any ambiguity, omission, defect or inconsistency;
 - (2) to comply with Article 5;
 - (3) to provide for uncertificated Securities in addition to or in place of certificated Securities;
 - (4) to effectuate or comply with the provisions of Section 2.03(5) or 7.08;
 - (5) to change or eliminate any of the provisions of this Indenture; provided, however, that any such change or elimination shall become effective only when there is no outstanding Security of any series created prior to the execution of such amendment or supplement that is entitled to the benefit of such provision;
 - (6) to make any change that does not materially adversely affect the rights of any Holder of any Security of that series;
 - (7) to add or change or eliminate any provisions of this Indenture as shall be necessary or desirable in accordance with any amendments to the TIA;
- or
- (8) to establish the form or forms (or global form) of Securities of any series pursuant to Section 2.01 or the terms and conditions of Securities of any series pursuant to section 2.03.

The Trustee may waive compliance by the Corporation with any provision of this Indenture or the Securities of any series without notice to or consent of any Securityholder if the waiver does not materially adversely affect the rights of any Holder of any Securities of that series.

SECTION 9.02. With Consent of Holders.

The Corporation may amend or supplement this Indenture or the Securities without notice to any Securityholder but with the written consent of the Holders of not less than a majority in principal amount of the Securities of each series affected and the Trustee shall execute any such amendment or supplement at the direction of the Corporation. The Holders of a majority in principal amount of the Securities of each series affected may waive compliance by the Corporation with any provision of this Indenture or the Securities of each such series without notice to any Securityholder. However, without the consent of each Securityholder affected, an amendment, supplement or waiver, including a waiver pursuant to Section 6.04, may not:

- (1) reduce the amount of Securities of any series whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the rate of or extend the time for payment of interest on any Security;
- (3) reduce the principal of or extend the fixed maturity of any Security;
- (4) reduce the portion of the principal amount of a Discounted Security payable upon acceleration of its maturity; or
- (5) make any Security payable in a currency or currency unit other than that stated in the Security.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplement or amendment, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 9.03. Compliance with Trust Indenture Act of 1939.

Every amendment to or supplement of this Indenture or the Securities shall comply with the TIA as then in effect.

SECTION 9.04. Revocation and Effect of Consents.

A consent to an amendment, supplement or waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of the Security, provided that the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective.

After an amendment, supplement or waiver becomes effective, it shall bind every Securityholder unless it makes a change described in clauses (2), (3), (4) or (5) of Section 9.02. In that case the amendment, supplement or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security.

SECTION 9.05. Notation on or Exchange of Securities.

If an amendment, supplement or waiver changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security about the changed terms and return it to the Holder. Alternatively, if the Corporation or the Trustee so determine, the Corporation in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms.

SECTION 9.06. Trustee to Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment, supplement or waiver the Trustee shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture. The Corporation may not sign an amendment or supplement unless authorized by an appropriate Board Resolution.

Unless otherwise specified in an Officers' Certificate delivered pursuant to Section 2.01 of this Indenture with respect to a particular series of Securities, whenever for purposes of this Indenture any action may be taken by the holders of a specified percentage in aggregate principal amount of Securities of all series at the time outstanding and, at such time, there are outstanding Securities of any series which are denominated in a Foreign Currency, then the principal amount of Securities of such series which shall be deemed to be outstanding for the purpose of taking such action shall be that amount of Dollars that could be obtained for such amount at the Market Exchange Rate on the record date fixed for such action or, if no record date is fixed, on the New York Business Day immediately preceding the date of such action.

SECTION 10.13. Judgment Currency.

If, for the purpose of obtaining a judgment in any court with respect to any obligation of the Corporation hereunder or under any Security or any related coupon it shall become necessary to convert into any other currency or currency unit any amount in the currency or currency unit due hereunder or under such Security or coupon then such conversion shall be made by the Currency Determination Agent at the Market Exchange Rate as in effect on the date of entry of the judgment (the "Judgment Date"). If pursuant to any such judgment, conversion shall be made on a date (the "Substitute Date") other than the Judgment Date and there shall occur a change between the Market Exchange Rate as in effect on the Judgment Date and the Market Exchange Rate as in effect on the Substitute Date, the Corporation agrees to pay such additional amounts (if any) as may be necessary to ensure that the amount paid is equal to the amount in such other currency or currency unit which, when converted at the Market Exchange Rate as in effect on the Judgment Date, is the amount due hereunder or under such Security or coupon. Any amount due from the Corporation under this Section shall be due as a separate debt and is not to be affected by or merged into any judgment being obtained for any other sums due hereunder or with respect to any Security or coupon. In no event, however, shall the Corporation be required to pay more in the currency or currency unit due hereunder or under such Security or coupon at the Market Exchange Rate as in effect on the Judgment Date than the amount of currency or currency unit stated to be due hereunder or under such Security or coupon so that in any event the Corporation's obligations hereunder or under such Security or coupon will be effectively maintained as obligations in such currency or currency unit, and the Corporation shall be entitled to withhold (or be reimbursed for, as the case may be) any excess of the amount actually realized upon any such conversion on the Substitute Date over the amount due and payable on the Judgment Date.

SECTION 10.14. Successors.

All agreements of the Corporation in this Indenture and the Securities shall bind its successor. All agreements of the Trustee in this Indenture shall bind its successor.

SECTION 10.15. Duplicate Originals.

The parties may sign any number of copies of this Indenture. One signed copy is enough to prove this Indenture.

SECTION 10.16. Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Corporation. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 7.1(e)) conclusive in favor of the Trustee and the Corporation, if made in the manner provided in this Section.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgements of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The Corporation may, in the circumstances permitted by the TIA, fix any day as the record date for the purpose of determining the Holders of Securities of any series entitled to give or take any request, demand, authorization, direction, notice, consent, waiver or other action, or to vote on any action, authorized or permitted to be given or taken by Holders of Securities of such series. If not set by the Corporation prior to the first solicitation of a Holder of Securities of such series made by any person in respect of any such action, or, in the case of any such vote, prior to such vote, the record date for any such action or vote shall be the 30th day (or, if later, the date of the most recent list of Holders required to be provided pursuant to Section 2.6) prior to such first solicitation or vote, as the case may be. With regard to any record date for action to be taken by the Holders of one or more series of Securities, only the Holders of Securities of such series on such date (or their duly designated proxies) shall be entitled to give or take, or vote on, the relevant action.

SECTION 10.17. Waiver of Jury Trial.

EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTION CONTEMPLATED HEREBY.

SECTION 10.18. Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 10.19. Counterparts.

This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

The parties may sign any number of copies of this Indenture. One signed copy is sufficient to prove this Indenture.

SECTION 10.20. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act (the "Patriot Act"), the Trustee is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they shall provide the Trustee with such information as it may reasonably request in order for the Trustee to satisfy the requirements of the Patriot Act.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, as of the day and year first above written.

Board of Directors
 Lockheed Martin Corporation
 6801 Rockledge Drive
 Bethesda, Maryland 20817

Ladies and Gentlemen:

We are acting as counsel to Lockheed Martin Corporation, a Maryland corporation (the "Corporation"), in connection with its registration statement on Form S-3 (the "Registration Statement"), filed with the Securities and Exchange Commission relating to the proposed public offering of one or more series of debt securities of the Corporation (the "Debt Securities"), all of which may be sold from time to time and on a delayed or continuous basis, as set forth in the prospectus which forms a part of the Registration Statement, and as to be set forth in one or more supplements to the prospectus. This opinion letter is furnished to you at your request to enable you to fulfill the requirements of Item 601(b)(5) of Regulation S-K, 17 C.F.R. § 229.601(b)(5), in connection with the Registration Statement.

For purposes of this opinion letter, we have examined copies of such agreements, instruments and documents as we have deemed an appropriate basis on which to render the opinions hereinafter expressed. In our examination of the aforesaid documents, we have assumed the genuineness of all signatures, the legal capacity of all natural persons, the accuracy and completeness of all documents submitted to us, the authenticity of all original documents, and the conformity to authentic original documents of all documents submitted to us as copies (including telecopies). As to all matters of fact, we have relied on the representations and statements of fact made in the documents so reviewed, and we have not independently established the facts so relied on. This opinion letter is given, and all statements herein are made, in the context of the foregoing.

For purposes of this opinion letter, we have assumed that (i) the issuance, sale, amount and terms of any Debt Securities of the Corporation to be offered from time to time will have been duly authorized and established by proper action of the board of directors of the Corporation or a duly authorized committee of such board ("Board Action") consistent with the procedures and terms described in the Registration Statement and in accordance with the Corporation's charter and bylaws and applicable Maryland corporate law, in a manner that does not violate any law, government or court-imposed order or restriction or agreement or instrument then binding on the Corporation or otherwise impair the legal or binding nature of the obligations represented by the applicable Debt Securities; (ii) at the time of offer, issuance and sale of any Debt Securities, the

Registration Statement will have become effective under the Securities Act of 1933, as amended, and no stop order suspending its effectiveness will have been issued and remain in effect; (iii) any Debt Securities will be issued pursuant to an indenture for Debt Securities substantially in the form of the indenture filed as Exhibit 4.1 to the Registration Statement; (iv) the indenture under which any Debt Securities are issued will be qualified under the Trust Indenture Act of 1939, as amended; (v) the Debt Securities will be delivered against payment of valid consideration therefor and in accordance with the terms of the applicable Board Action authorizing such sale and any applicable underwriting agreement or purchase agreement and as contemplated by the Registration Statement and/or the applicable prospectus supplement; and (vi) the Corporation will remain a Maryland corporation.

To the extent that the obligations of the Corporation with respect to the Debt Securities may be dependent upon such matters, we assume for purposes of this opinion that the trustee under the indenture for any Debt Securities is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; that such trustee is duly qualified to engage in the activities contemplated by such indenture; that such indenture has been duly authorized, executed and delivered by such trustee and constitutes the legal, valid and binding obligation of such trustee enforceable against such trustee in accordance with its terms; that such trustee is in compliance, with respect to performance of its obligations under such indenture, with all applicable laws and regulations; and that such trustee has the requisite organizational and legal power and authority to perform its obligations under such indenture.

This opinion letter is based as to matters of law solely on the laws of the State of Maryland as currently in effect. We express no opinion herein as to any other laws, statutes, ordinances, rules or regulations (and in particular, we express no opinion as to any effect that such other laws, statutes, ordinances, rules or regulations may have on the opinions expressed herein).

Based upon, subject to and limited by the foregoing, we are of the opinion that the Debt Securities, upon due execution and delivery of an indenture relating thereto on behalf of the Corporation and the trustee named therein and upon authentication by such trustee and due execution and delivery on behalf of the Corporation in accordance with the indenture and any supplemental indenture relating thereto, will constitute valid and binding obligations of the Corporation.

The opinions expressed above with respect to the valid and binding nature of obligations may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other laws affecting creditors' rights (including, without limitation, the effect of statutory and other law regarding fraudulent conveyances, fraudulent transfers and preferential transfers) and by the exercise of judicial discretion and the application of principles of equity, good faith, fair dealing, reasonableness, conscionability and materiality (regardless of whether the Debt Securities are considered in a proceeding in equity or at law).

This opinion letter has been prepared for use in connection with the Registration Statement. We assume no obligation to advise you of any changes in the foregoing subsequent to the effective date of the Registration Statement.

We hereby consent to the filing of this opinion letter as Exhibit 5.1 to the Registration Statement and to the reference to this firm under the caption "Legal Matters" in the prospectus constituting a part of the Registration Statement. In giving this consent, we do not thereby admit that we are an "expert" within the meaning of the Securities Act of 1933, as amended.

Very truly yours,

/s/ Hogan Lovells US LLP
