Schedule 13D

(Amendment No. 1)

Item 1. Security and Issuer.

Common Stock, \$.01 par value ("Common Stock")
Rational Software Corporation (formerly Verdix Corporation)
2800 San Tomas Expressway
Santa Clara, California 95051.

Item 2. Identity and Background.

Lockheed Martin Corporation as successor in interest to
Lockheed Corporation and Martin Marietta Corporation.
6801 Rockledge Drive
Bethesda, Maryland 20817

Incorporated in Maryland.

Lockheed Martin Corporation is a diversified enterprise principally engaged in the conception, design, manufacturer and integration of advanced technology products and services for the United States government and private industry. Lockheed Martin Corporation also manages significant facilities for the Department of Energy and produces construction aggregates and specialty chemical products.

Lockheed Martin Corporation has not, during the last five years, been convicted in a criminal proceeding. On January 27, 1995, Lockheed Corporation, one of the corporations that combined to form Lockheed Martin Corporation, entered into a plea agreement pursuant to which Lockheed Corporation agreed to plead guilty to one count of conspiracy to violate the bribery provisions of the Foreign Corrupt Practices Act and conspiracy to falsify its books, records and accounts.

Lockheed Martin Corporation has not, during the last five years, been subject to a judgment, decree or final order in joining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or other Consideration.

Not Applicable.

Item 4. Purpose of Transaction.

In connection with the combination of the businesses of Lockheed Corporation with the businesses of Martin Marietta Corporation on March 15, 1995, Lockheed Martin became the beneficial owner of an aggregate of 1,426,281 shares of Common Stock representing 11.5% of the then outstanding shares.

Of these shares, a portion was beneficially owned by Martin Marietta Corporation which had filed a Schedule 13D and amendments thereto with respect to such shares. The rest of the shares were beneficially owned by Lockheed Corporation. Subsequent to that date, Lockheed Martin disposed of 730,281 shares in a registered public offering. Accordingly the total number of shares of Common Stock currently owned by Lockheed Martin is 696,000 representing 4.4% of the issued and outstanding shares. This Amendment to Schedule 13D is filed pursuant to Reg. (S) 240.13d-2 as Lockheed Martin is no longer the beneficial owner of five percent or more of the Issuer.

Lockheed Martin presently has no plans or proposals that relate to or would result in (i) the acquisition or disposition of securities of the Issuer by any person; (ii) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (iii) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (iv) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (v) any material change in the present capitalization or dividend policy of the Issuer; (vi) any other material change in the Issuer's business or corporate structure; (vii) changes in the Issuer's articles of incorporation or bylaws or other actions which may impede the acquisition of control of the Issuer by any person; (viii) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (ix) causing a class of equity securities to become eligible for termination of registration pursuant to Section 12(g)(4) of the Act, as amended; or (x) any action similar to any of those enumerated in clauses (i) through (ix) of this sentence.

Item 5. Interest in Securities of the Issuer.

The 696,000 shares of Common Stock (4.4% of the class) beneficially owned by Lockheed Martin Corporation are held of record by Martin Marietta Investments Inc., a wholly-owned subsidiary of Lockheed Martin Corporation.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect

to Securities of the Issuer.

Not Applicable.

Item 7. Material to be Filed as Exhibits.

Not Applicable.
