Notes to Consolidated Financial Statements (unaudited)

NOTE 1 - BASIS OF PRESENTATION

We prepared these consolidated financial statements in accordance with U.S. generally accepted accounting principles (GAAP) for interim financial information, the instructions to Form 10-Q and Article 10 of U.S. Securities and Exchange Commission (SEC) Regulation S-X. Accordingly, they do not include all of the information and notes required by GAAP for complete financial statements.

In the opinion of management, these consolidated financial statements reflect all adjustments that are of a normal recurring nature necessary for a fair presentation of our results of operations, financial condition, and cash flows for the interim periods presented. The preparation of these consolidated financial statements requires us to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. We base these estimates on historical experience and on various other assumptions that we believe are reasonable under the circumstances, the results of which form the basis for making judgments about the carrying amounts of assets and liabilities that are not readily apparent from other sources. Our actual results may differ materially from these estimates. Significant estimates inherent in the preparation of our consolidated financial statements include, but are not limited to, accounting for sales and cost recognition; postretirement benefit plans; environmental liabilities and assets for the portion of environmental costs that are probable of future recovery; evaluation of goodwill, intangible assets, investments and other assets for impairment; income taxes including deferred tax assets; fair value measurements; and contingencies. The consolidated financial statements include the accounts of subsidiaries we control and variable interest entities if we are the primary beneficiary. We eliminate intercompany balances and transactions in consolidation.

We close our books and records on the last Sunday of the interim calendar quarter to align our financial closing with our business processes. The consolidated financial statements and tables of financial information included herein are labeled based on that convention. This practice only affects interim periods as our fiscal year ends on December 31.

The results of operations for the interim periods presented are not necessarily indicative of results to be expected for the full year or future periods. Unless otherwise noted, we present all per share amounts cited in these consolidated financial statements on a "per diluted share" basis. These consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2021 (2021 Form 10-K).

NOTE 2 - EARNINGS PER COMMON SHARE

The weighted average number of shares outstanding used to compute earnings per common share were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Weighted average common shares outstanding for basic computations	268.3	279.0
Weighted average dilutive effect of equity awards	0.9	1.0
Weighted average common shares outstanding for diluted computations	269.2	280.0

We compute basic and diluted earnings per common share by dividing net earnings by the respective weighted average number of common shares outstanding for the periods presented. Our calculation of diluted earnings per common share also includes the dilutive effects for the assumed vesting of outstanding restricted stock units (RSUs) and performance stock units (PSUs) based on the treasury stock method. There were no significant anti-dilutive equity awards during the quarters ended March 27, 2022 and March 28, 2021. Basic and diluted weighted average common shares outstanding have decreased in 2022 and 2021 due to share repurchases. See "Note 9 - Stockholders' Equity" for more information.

NOTE 3 - INFORMATION ON BUSINESS SEGMENTS**Overview**

We operate in four business segments: Aeronautics, Missiles and Fire Control (MFC), Rotary and Mission Systems (RMS) and Space. We organize our business segments based on the nature of products and services offered.

Selected Financial Data by Business Segment

Net sales and operating profit of our business segments exclude intersegment sales, cost of sales, and profit as these activities are eliminated in consolidation and thus not included in management's evaluation of performance of each segment. Business segment operating profit includes our share of earnings or losses from equity method investees as the operating activities of the equity method investees are closely aligned with the operations of our business segments.

Summary operating results for each of our business segments were as follows (in millions):

	Quarters Ended

Notes to Consolidated Financial Statements (unaudited) (continued)

Unallocated Items

Business segment operating profit also excludes the FAS/CAS pension operating adjustment, a portion of corporate costs not considered allowable or allocable to contracts with the U.S. Government under the applicable U.S. Government cost accounting standards (CAS) or federal acquisition regulations (FAR), and other items not considered part of management's evaluation of segment operating performance such as a portion of management and administration costs, legal fees and settlements, environmental costs, stock-based compensation expense, retiree benefits, significant severance actions, significant asset impairments, gains or losses from divestitures, and other miscellaneous corporate activities. Excluded items are included in the reconciling item "Unallocated items" between operating profit from our business segments and our consolidated operating profit. See "Note 10 - Other" for a discussion related to certain factors that may impact the comparability of net sales and operating profit of our business segments.

FAS/CAS Pension Adjustment

We recover CAS pension and other postretirement benefit plan cost through the pricing of our products and services on U.S. Government contracts and, therefore, recognize CAS pension cost in each of our business segment's net sales and cost of sales. Our consolidated financial statements must present FAS pension and other postretirement benefit plan income calculated in accordance with FAS requirements under U.S. GAAP. The operating portion of the net FAS/CAS pension adjustment represents the difference between the service cost component of FAS pension (expense) income and total CAS pension cost. The non-service FAS pension (expense) income components are included in non-service FAS pension (expense) income in our consolidated statements of earnings. As a result, to the extent that CAS pension cost exceeds the service cost component of FAS pension (expense) income, we have a favorable FAS/CAS pension operating adjustment.

Total FAS/CAS pension adjustment for the quarters ended March 27, 2022 and March 28, 2021, including the service and non-service cost components of FAS pension (expense) income for our qualified defined benefit pension plans, were as follows (in millions):

	Quarters Ended

Total FAS pension income	\$ 116	\$ 66

Total FAS/CAS pension operating adjustment	426	489
Non-service FAS pension income	140	93

NOTE 4 - CONTRACT ASSETS AND LIABILITIES

Contract assets include unbilled amounts typically resulting from sales under contracts when the percentage-of-completion cost-to-cost method of revenue recognition is utilized and revenue recognized exceeds the amount billed to the customer. Contract liabilities include advance payments and billings in excess of revenue recognized. Contract assets and contract liabilities were as follows (in millions):

	March 27, 2022	December 31, 2021
Contract assets	\$ 12,130	\$ 10,579
Contract liabilities	7,902	8,107

Contract assets increased \$1.6 billion during the quarter ended March 27, 2022, due to the recognition of revenue related to the satisfaction or partial satisfaction of performance obligations during the quarter ended March 27, 2022 for which we have not yet billed our customers (primarily on the F-35 program at Aeronautics). There were no significant credit or impairment losses related to our contract assets during the quarters ended March 27, 2022 and March 28, 2021.

Contract liabilities decreased \$205 million during the quarter ended March 27, 2022, primarily due to revenue recognized in excess of payments received on these performance obligations. During the quarter ended March 27, 2022, we recognized \$2.1 billion of our contract liabilities at December 31, 2021 as revenue. During the quarter ended March 28, 2021, we recognized \$2.3 billion of our contract liabilities at December 31, 2020 as revenue.

identify and contract award is probable, the costs generate or enhance resources that will be used in satisfying performance obligations, and the costs are recoverable (referred to as pre-contract costs). Pre-contract costs that are initially capitalized in inventory are generally recognized as cost of sales consistent with the transfer of products and services to the customer upon the receipt of the anticipated contract. All other pre-contract costs, including start-up costs, are expensed as incurred. As of March 27, 2022 and December 31, 2021, \$749 million and \$634 million of pre-contract costs were included in inventories.

We record the service cost component of FAS (expense) income for our qualified defined benefit pension plans and retiree medical and life insurance plans in the cost of sales accounts on our consolidated statement of earnings; the non-service components of our FAS (expense) income for our qualified defined benefit pension plans in the non-service FAS pension income account on our consolidated statement of earnings; and the non-service components of our FAS (expense) income for our retiree medical and life insurance plans as part of the other non-operating income, net account on our consolidated statements of earnings.

The recognized net actuarial losses or gains and amortization of prior service credits or costs in the table above, along with similar costs related to our other postretirement benefit plans (\$5 million for the quarter ended March 27, 2022 and \$4 million for the quarter ended March 28, 2021) were reclassified from accumulated other comprehensive loss (AOCL) and recorded as a component of FAS income for the periods presented. These costs totaled \$61 million (\$48 million, net of tax) during the quarter ended March 27, 2022, and \$178 million (\$140 million, net of tax) during the quarter ended March 28, 2021 and were recorded on our consolidated statements of comprehensive income as an increase to other comprehensive income.

The required funding of our qualified defined benefit pension plans is determined in accordance with the Employee Retirement Income Security Act of 1974 (ERISA), as amended, along with consideration of CAS and Internal Revenue

NOTE 7 - LEGAL PROCEEDINGS AND CONTINGENCIES

We are a party to litigation and other proceedings that arise in the ordinary course of our business, including matters arising under provisions relating to the protection of the environment, and are subject to contingencies related to certain businesses we previously owned. These types of matters could result in fines, penalties, cost reimbursements or contributions, compensatory or treble damages or non-monetary sanctions or relief. We believe the probability is remote that the outcome of each of these matters, including the legal proceedings described below, will have a material adverse effect on the corporation as a whole, notwithstanding that the unfavorable resolution of any matter may have a material effect on our net earnings and cash flows in any particular interim reporting period. Among the factors that we consider in this assessment are the nature of existing legal proceedings and claims, the asserted or possible damages or loss contingency (if estimable), the progress of the case, existing law and precedent, the opinions or views of legal counsel and other advisers, our experience in similar cases and the experience of other companies, the facts available to us at the time of assessment and how we intend to respond to the proceeding or claim. Our assessment of these factors may change over time as individual proceedings or claims progress.

Although we cannot predict the outcome of legal or other proceedings with certainty, where there is at least a reasonable possibility that a loss may have been incurred, GAAP requires us to disclose an estimate of the reasonably possible loss or range of loss or make a statement that such an estimate cannot be made. We follow a thorough process in which we seek to estimate the reasonably possible loss or range of loss, and only if we are unable to make such an estimate do we conclude and disclose that an estimate cannot be made. Accordingly, unless otherwise indicated below in our discussion of legal proceedings, a reasonably possible loss or range of loss associated with any individual legal proceeding cannot be estimated.

Legal Proceedings

United States of America, ex rel. Patzer; Cimma v. Sikorsky Aircraft Corp., et al.

As a result of our acquisition of Sikorsky Aircraft Corporation (Sikorsky), we assumed the defense of and any potential liability for two civil False Claims Act lawsuits pending in the U.S. District Court for the Eastern District of Wisconsin. In October 2014, the U.S. Government filed a complaint in intervention in the first suit, which was brought by qui tam relator Mary Patzer, a former Derco Aerospace (Derco) employee. In May 2017, the U.S. Government filed a complaint in intervention in a second suit, which was brought by qui tam relator Peter Cimma, a former Sikorsky Support Services, Inc. (SSSI) employee. In November 2017, the Court consolidated the cases into a single action for discovery and trial.

The U.S. Government alleges that Sikorsky and two of its wholly-owned subsidiaries, Derco and SSSI, violated the civil False Claims Act and the Truth in Negotiations Act in connection with a contract the U.S. Navy awarded to SSSI in June 2006 to support the Navy's T-34 and T-44 fixed-wing turboprop training aircraft. SSSI subcontracted with Derco, primarily to procure and manage spare parts for the training aircraft. The U.S. Government contends that SSSI overbilled the Navy on the contract as the result of Derco's use of prohibited cost-plus-percentage-of-cost (CPPC) pricing to add profit and overhead costs as a percentage of the price of the spare parts that Derco procured and then sold to SSSI. The U.S. Government also alleges that Derco's claims to SSSI, SSSI's claims to the Navy, and SSSI's yearly Certificates of Final Indirect Costs from 2006 through 2012 were false and that SSSI submitted inaccurate cost or pricing data in violation of the Truth in Negotiations Act for a sole-sourced, follow-on "bridge" contract. The U.S. Government's complaints assert common law claims for breach of contract and unjust enrichment. On November 29, 2021, the District Court granted the U.S. Government's motion for partial summary judgment, finding that the Derco-SSSI agreement was a CPPC contract.

We believe that we have legal and factual defenses to the U.S. Government's remaining claims. The U.S. Government seeks damages of approximately \$52 million, subject to trebling, plus statutory penalties. Although we continue to evaluate our liability and exposure, we do not currently believe that it is probable that we will incur a material loss. If, contrary to our expectations, the U.S. Government prevails on the remaining issues in this matter and proves damages at or near \$52 million and is successful in having such damages trebled, the outcome could have an adverse effect on our results of operations in the period in which a liability is recognized and on our cash flows for the period in which any damages are paid.

Lockheed Martin v. Metropolitan Transportation Authority

On April 24, 2009, we filed a declaratory judgment action against the New York Metropolitan Transportation Authority and its Capital Construction Company (collectively, the MTA) asking the U.S. District Court for the Southern District of New York to find that the MTA is in material breach of our agreement based on the MTA's failure to provide access to sites where work must be performed and the customer-furnished equipment necessary to complete the contract. The MTA filed an answer and counterclaim alleging that we breached the contract and subsequently terminated the contract for alleged default. The primary damages sought by the MTA are the costs to complete the contract and potential re-procurement costs. While we are unable to estimate the cost of another contractor to complete the contract and the costs of re-procurement, we note that our contract with the MTA had a total value of \$323 million, of which \$241 million was paid to us, and that the MTA is seeking damages of approximately \$190 million. We dispute the MTA's allegations and are defending against them. Additionally, following an investigation, our sureties on a performance bond related to this matter, who were represented by independent counsel, concluded that the MTA's termination of the contract was improper. Finally, our declaratory judgment action was later amended to include claims for monetary damages against the MTA of approximately \$95 million. This matter was taken under submission by the District Court in December 2014, after a five-week bench trial and the filing of post-trial pleadings by the parties. We continue to await a decision from the District Court. Although this matter relates to our former Information Systems & Global Solutions (IS&GS) business, we retained responsibility for the litigation when we divested IS&GS in 2016.

Environmental Matters

We are involved in proceedings and potential proceedings relating to soil, sediment, surface water, and groundwater contamination, disposal of hazardous substances, and other environmental matters at several of our current or former facilities, facilities for which we may have contractual responsibility, and at third-party sites where we have been designated as a potentially responsible party (PRP). A substantial portion of environmental costs will be included in our net sales and cost of sales in future periods pursuant to U.S. Government regulations. At the time a liability is recorded for future environmental costs, we record assets for estimated future recovery considered probable through the pricing of products and services to agencies of the U.S. Government, regardless of the contract form (e.g., cost-reimbursable, fixed-price). We continually evaluate the recoverability of our assets for the portion of environmental costs that are probable of future recovery by assessing, among other factors, U.S. Government regulations, our U.S. Government business base and contract mix, our history of receiving reimbursement of such costs, and efforts by some U.S. Government representatives to limit such reimbursement. We include the portions of those environmental costs expected to be allocated to our non-U.S. Government contracts, or determined not to be recoverable under U.S. Government contracts, in our cost of sales at the time the liability is established or adjusted.

At March 27, 2022 and December 31, 2021, the aggregate amount of liabilities recorded relative to environmental matters was \$729 million and \$742 million, most of which are recorded in other noncurrent liabilities on our consolidated balance sheets. We have recorded assets for the portion of environmental costs that are probable of future recovery totaling \$632 million and \$645 million at March 27, 2022 and December 31, 2021, most of which are recorded in other noncurrent assets on our consolidated balance sheets.

Environmental remediation activities usually span many years, which makes estimating liabilities a matter of judgment because of uncertainties with respect to assessing the extent of the contamination as well as such factors as changing remediation technologies and changing regulatory environmental standards. We are monitoring or investigating a number of former and present operating facilities for potential future remediation. We perform quarterly reviews of the status of our environmental remediation sites and the related liabilities and receivables. Additionally, in our quarterly reviews, we consider these and other factors in estimating the timing and amount of any future costs that may be required for remediation activities, and we record a liability when it is probable that a loss has occurred or will occur for a particular site and the loss can be reasonably estimated. The amount of liability recorded is based on our estimate of the costs to be incurred for remediation for that site. We do not discount the recorded liabilities, as the amount and timing of future cash payments are not fixed or cannot be reliably determined. We cannot reasonably determine the extent of our financial exposure in all cases as, although a loss may be probable or reasonably possible, in some cases it is not possible at this time to estimate the reasonably possible loss or range of loss. We project costs and recovery of costs over approximately 20 years.

Lockheed Martin Corporation
Notes to Consolidated Financial Statements (unaudited) (continued)

We also pursue claims for recovery of costs incurred or for contribution to site remediation costs against other PRPs, including the U.S. Government, and are conducting remediation activities under various consent decrees, orders, and agreements relating to soil, groundwater, sediment, or surface water contamination at certain sites of former or current operations. Under agreements related to certain sites in California, New York, United States Virgin Islands and Washington, the U.S. Government and/or a private party reimburses us an amount equal to a percentage, specific to each site, of expenditures for certain remediation activities in their capacity as PRPs under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).

In addition to the proceedings and potential proceedings discussed above, potential new regulations of perchlorate and hexavalent chromium at the federal and state level could adversely affect us. The California State Water Resources Control Board, a branch of the California Environmental Protection Agency, recently announced its proposed maximum contaminant level for hexavalent chromium in drinking water of 10 parts per billion (ppb) after such standard was previously challenged as being too high. We expect that a 10 ppb standard, if adopted, would have minimal impact on Lockheed Martin's liability at its remediation sites in California. The U.S. Environmental Protection Agency (EPA) is considering whether to regulate hexavalent chromium at the federal level. In June 2020, the EPA decided not to regulate perchlorate in drinking water at the federal level and confirmed this decision in April 2022 after the original decision was challenged. Despite the EPA's decision, the California State Water Resources Control Board continues to reevaluate its existing drinking water standard of 6 ppb for perchlorate.

If substantially lower standards are adopted for perchlorate (in California) or for hexavalent chromium (at the federal level), we expect a material increase in our estimates for environmental liabilities and the related assets for the portion of the increased costs that are probable of future recovery in the pricing of our products and services for the U.S. Government. The amount that would be allocable to our non-U.S. Government contracts or that is determined not to be recoverable under U.S. Government contracts would be expensed, which may have a material effect on our earnings in any particular interim reporting period.

We also are evaluating the potential impact of existing and contemplated legal requirements addressing a class of chemicals known generally as per- and polyfluoroalkyl substances (PFAS). PFAS have been used ubiquitously, such as in fire-fighting foams, manufacturing processes, and stain- and stick-resistant products (e.g., Teflon, stain-resistant fabrics). Because we have used products and processes over the years containing some of those compounds, they likely exist as contaminants at many of our environmental remediation sites. Governmental authorities have announced plans, and in some instances have begun, to regulate certain of these compounds at extremely low concentrations in drinking water, which could lead to increased cleanup costs at many of our environmental remediation sites.

Letters of Credit, Surety Bonds and Third-Party Guarantees

We have entered into standby letters of credit and surety bonds issued on our behalf by financial institutions, and we have directly issued guarantees to third parties primarily relating to advances received from customers and the guarantee of future performance on certain contracts. Letters of credit and surety bonds generally are available for draw down in the event we do not perform. In some cases, we may guarantee the contractual performance of third parties such as joint venture partners. We had total outstanding letters of credit, surety bonds and third-party guarantees aggregating \$3.5 billion and \$3.6 billion at March 27, 2022 and December 31, 2021. Third-party guarantees do not include guarantees issued on behalf of subsidiaries and other consolidated entities.

At March 27, 2022 and December 31, 2021, third-party guarantees totaled \$829 million and \$838 million, of which approximately 69% related to guarantees of contractual performance of joint ventures to which we currently are or previously were a party. These amounts represent our estimate of the maximum amounts we would expect to incur upon the contractual non-performance of the joint venture, joint venture partners or divested businesses. Generally, we also have cross-indemnities in place that may enable us to recover amounts that may be paid on behalf of a joint venture partner.

In determining our exposures, we evaluate the reputation, performance on contractual obligations, technical capabilities and credit quality of our current and former joint venture partners and the transferee under novation agreements all of which include a guarantee as required by the FAR. At March 27, 2022 and December 31, 2021, there were no material amounts recorded in our financial statements related to third-party guarantees or novation agreements.

Other

As a U.S. Government contractor, we are subject to various audits and investigations by the U.S. Government to determine whether our operations are being conducted in accordance with applicable regulatory requirements. U.S. Government investigations of us, whether relating to government contracts or conducted for other reasons, could result in administrative, civil, or criminal liabilities, including repayments, fines or penalties being imposed upon us, suspension, proposed debarment, debarment from eligibility for future U.S. Government contracting, or suspension of export privileges. Suspension or debarment could have a material adverse effect on us because of our dependence on contracts with the U.S. Government. U.S. Government investigations often take years to complete and many result in no adverse action against us. We also provide products and services to customers outside of the U.S., which are subject to U.S. and foreign laws and regulations and foreign procurement policies and practices. Our compliance with local regulations or applicable U.S. Government regulations also may be audited or investigated.

In the normal course of business, we provide warranties to our customers associated with certain product sales. We record estimated warranty costs in the period in which the related products are delivered. The warranty liability recorded at each balance sheet date is based generally on the number of months of warranty coverage remaining for the products delivered and the average historical monthly warranty payments. Warranty obligations incurred in connection with long-term production contracts are accounted for within the contract estimates at completion.

NOTE 8 - FAIR VALUE MEASUREMENTS

Assets and liabilities measured and recorded at fair value on a recurring basis consisted of the following (in millions):

	March 27, 2022			December 31, 2021		
	Total	Level 1	Level 2	Total	Level 1	Level 2

Mutual funds	\$ 1,327	\$ 1,327	\$ —	\$ 1,434	\$ 1,434	\$ —

Liabilities						
Derivatives	74	—	74	60	—	60
Assets measured at NAV ^(a)						
Other commingled funds	20			20		

^(a) Net Asset Value (NAV) is the total value of the fund divided by the number of the fund's shares outstanding.

Substantially all assets measured at fair value, other than derivatives, represent investments held in a separate trust to fund certain of our non-qualified deferred compensation plans and are recorded in other noncurrent assets on our consolidated balance sheets. The fair values of mutual funds and certain other securities are determined by reference to the quoted market price per unit in active markets multiplied by the number of units held without consideration of transaction costs. The fair values of U.S. Government and certain other securities are determined using pricing models that use observable inputs (e.g., interest rates and yield curves observable at commonly quoted intervals), bids provided by brokers or dealers or quoted prices of securities with similar characteristics. The fair values of derivative instruments, which consist of foreign currency forward contracts, including embedded derivatives, and interest rate swap contracts, are primarily determined based on the present value of future cash flows using model-derived valuations that use observable inputs such as interest rates, credit spreads and foreign currency exchange rates.

Lockheed Martin Corporation
Notes to Consolidated Financial Statements (unaudited) (continued)

We use derivative instruments principally to reduce our exposure to market risks from changes in foreign currency exchange rates and interest rates. We do not enter into or hold derivative instruments for speculative trading purposes. We transact business globally and are subject to risks associated with changing foreign currency exchange rates. We enter into foreign currency hedges such as forward and option contracts that change in value as foreign currency exchange rates change. Our most significant foreign currency exposures relate to the British pound sterling, the euro, the Canadian dollar, the Australian dollar, the Norwegian kroner and the Polish zloty. These contracts hedge forecasted foreign currency transactions in order to mitigate fluctuations in our earnings and cash flows associated with changes in foreign currency exchange rates. We designate foreign currency hedges as cash flow hedges. We also are exposed to the impact of interest rate changes primarily through our borrowing activities. For fixed rate borrowings, we may use variable interest rate swaps, effectively converting fixed rate borrowings to variable rate borrowings in order to hedge changes in the fair value of the debt. These swaps are designated as fair value hedges. For variable rate borrowings, we may use fixed interest rate swaps, effectively converting variable rate borrowings to fixed rate borrowings in order to mitigate the impact of interest rate changes on earnings. These swaps are designated as cash flow hedges. We also may enter into derivative instruments that are not designated as hedges and do not qualify for hedge accounting, which are intended to mitigate certain economic exposures.

The aggregate notional amount of our outstanding interest rate swaps was \$500 million at both March 27, 2022 and December 31, 2021. The aggregate notional amount of our outstanding foreign currency hedges was \$5.9 billion and \$4.0 billion at March 27, 2022 and December 31, 2021. The fair values of our outstanding interest rate swaps and foreign currency hedges at March 27, 2022 and December 31, 2021 were not significant. Derivative instruments did not have a material impact on net earnings and comprehensive income during the quarters ended March 27, 2022 and March 28, 2021. The impact of derivative instruments on our consolidated statements of cash flows is included in net cash provided by operating activities. Substantially all of our derivatives are designated for hedge accounting.

We also hold investments in public companies, primarily as a result of certain companies in which Lockheed Martin Ventures invested going public. These investments have quoted market prices in active markets (Level 1) and are recorded at fair value at the end of each reporting period and reflected in other securities in the table above. See "Note 10 - Other - Lockheed Martin Ventures Fund" for more information on Lockheed Martin Ventures investments.

In addition to the financial instruments listed in the table above, we hold other financial instruments, including cash and cash equivalents, receivables, accounts payable and debt. The carrying amounts for cash and cash equivalents, receivables and accounts payable approximated their fair values. The estimated fair value of our outstanding debt was \$13.7 billion and \$15.4 billion at March 27, 2022 and December 31, 2021. The outstanding principal amount of debt was \$12.8 billion at both March 27, 2022 and December 31, 2021, excluding \$1.2 billion and \$1.1 billion of unamortized discounts and issuance costs at March 27, 2022 and December 31, 2021. The estimated fair values of our outstanding debt were determined based on the present value of future cash flows using model-derived valuations that use observable inputs such as interest rates and credit spreads (Level 2).

NOTE 9 - STOCKHOLDERS' EQUITY

Repurchases of Common Stock

During the quarter ended March 27, 2022, we entered into an accelerated share repurchase (ASR) agreement to purchase \$2.0 billion of our common stock pursuant to Rule 10b5-1 of the Securities Exchange Act of 1934. Under the terms of the ASR agreement, we paid \$2.0 billion and received an initial delivery of 4.1 million shares of our common stock. Subsequent to our first quarter 2022, upon final settlement of the ASR agreement on April 14, 2022, we received an additional 0.6 million shares of our common stock for no additional consideration. In addition, as previously disclosed, in January 2022, we received an additional 2.2 million shares of our common stock for no additional consideration upon final settlement of the ASR we entered into in the fourth quarter of 2021.

The total remaining authorization for future common share repurchases under our share repurchase program was \$1.9 billion as of March 27, 2022. As we repurchase our common shares, we reduce common stock for the \$1 of par value of the shares repurchased, with the excess purchase price over par value recorded as a reduction of additional paid-in capital. If additional paid-in capital is reduced to zero, we record the remainder of the excess purchase price over par value as a reduction of retained earnings.

Dividends

We declared cash dividends totaling \$749 million (\$2.80 per share) during the quarter ended March 27, 2022.

Lockheed Martin Corporation
Notes to Consolidated Financial Statements (unaudited) (continued)

The total amount declared may differ from the total amount of dividends paid during a period due to the timing of dividend-equivalents paid on RSUs and PSUs. These dividend-equivalents are accrued during the vesting period and are paid upon the vesting of the RSUs and PSUs, which primarily occurs in the first quarter each year.

NOTE 10 - OTHER

Changes in Estimates

Significant estimates and assumptions are made in estimating contract sales and costs, including the profit booking rate. At the outset of a long-term contract, we identify and monitor risks to the achievement of the technical, schedule and cost aspects of the contract, as well as variable consideration, and assess the effects of those risks on our estimates of sales and total costs to complete the contract. The estimates consider the technical requirements (e.g., a newly-developed product versus a mature product), the schedule and associated tasks (e.g., the number and type of milestone events), and costs (e.g., material, labor, subcontractor, overhead, general and administrative and the estimated costs to fulfill our industrial cooperation agreements, sometimes referred to as offset or localization agreements, required under certain contracts with international customers). The initial profit booking rate of each contract considers risks surrounding the ability to achieve the technical requirements, schedule and costs in the initial estimated total costs to complete the contract. Profit booking rates may increase during the performance of the contract if we successfully retire risks surrounding the technical, schedule and cost aspects of the contract, which decreases the estimated total costs to complete the contract or may increase the variable consideration we expect to receive on the contract. Conversely, our profit booking rates may decrease if the estimated total costs to complete the contract increase or our estimates of variable consideration we expect to receive decrease. All of the estimates are subject to change during the performance of the contract and may affect the profit booking rate. When estimates of total costs to be incurred on a contract exceed total estimates of the transaction price, a provision for the entire loss is determined at the contract level and is recorded in the period in which the loss is determined.

Lockheed Martin Corporation
Notes to Consolidated Financial Statements (unaudited) (continued)

In addition, comparability of our segment sales, operating profit and operating margin may be impacted favorably or unfavorably by changes in profit booking rates on our contracts for which we recognize revenue over time using the percentage-of-completion cost-to-cost method to measure progress towards completion. Increases in the profit booking rates, typically referred to as favorable profit adjustments, usually relate to revisions in the estimated total costs to fulfill the performance obligations that reflect improved conditions on a particular contract. Conversely, conditions on a particular contract may deteriorate, resulting in an increase in the estimated total costs to fulfill the performance obligations and a reduction in the profit booking rate and are typically referred to as unfavorable profit adjustments. Increases or decreases in profit booking rates are recognized in the current period and reflect the inception-to-date effect of such changes. Segment operating profit and margin may also be impacted favorably or unfavorably by other items, which may or may not impact sales. Favorable items may include the positive resolution of contractual matters, cost recoveries on severance and restructuring charges, insurance recoveries and gains on sales of assets. Unfavorable items may include the adverse resolution of contractual matters; restructuring charges, except for significant severance actions, which are excluded from segment operating results; reserves for disputes; certain asset impairments; and losses on sales of certain assets.

Our consolidated net adjustments not related to volume, including net profit booking rate adjustments and other matters, increased segment operating profit by approximately \$405 million during the quarter ended March 27, 2022 and \$495 million during the quarter ended March 28, 2021. These adjustments increased net earnings by approximately \$320 million (\$1.19 per share) during the quarter ended March 27, 2022 and \$391 million (\$1.40 per share) during the quarter ended March 28, 2021. We recognized net sales from performance obligations satisfied in prior periods of approximately \$416 million during the quarter ended March 27, 2022, and \$492 million during the quarter ended March 28, 2021, which primarily relate to changes in profit booking rates that impacted revenue.

We have experienced performance issues on a classified fixed-price incentive fee contract that involves highly complex design and systems integration at our Aeronautics business segment. As of March 27, 2022, cumulative losses remained at approximately \$225 million. We will continue to monitor our performance, any future changes in scope, and estimated costs to complete the program and may have to record additional losses in future periods if we experience further performance issues, increases in scope, or cost growth, which could be material to our operating results. In addition, we and our industry team will incur advanced procurement costs (also referred to as precontract costs) in order to enhance our ability to achieve the revised schedule and certain milestones. We will monitor the recoverability of precontract costs, which could be impacted by the customer's decision regarding future phases of the program.

We are responsible for a program to design, develop and construct a ground-based radar at our RMS business segment. The program has experienced performance issues for which we have periodically accrued reserves. As of March 27, 2022, cumulative losses remained at approximately \$280 million. We will continue to monitor our performance, any future changes in scope, and estimated costs to complete the program and may have to record additional losses in future periods if we experience further performance issues, increases in scope, or cost growth. However, based on the losses previously recorded and our current estimate of the sales and costs to complete the program, at this time we do not anticipate that additional losses, if any, would be material to our operating results or financial condition.

We have a program, EADGE-T, to design, integrate and install an air missile defense command, control, communications, computers - intelligence (C4I) system for an international customer that has experienced performance issues and for which we have periodically accrued reserves at our RMS business segment. We last recorded a charge and accrued reserves for this program in 2017. As of March 27, 2022, cumulative losses remained at approximately \$260 million. We continue to monitor program requirements and our performance. At this time, we do not anticipate additional charges that would be material to our operating results or financial condition.

Backlog

Backlog (i.e., unfulfilled or remaining performance obligations) represents the sales we expect to recognize for our products and services for which control has not yet transferred to the customer. Our backlog includes both funded (firm orders for our products and services for which funding has been both authorized and appropriated by the customer) and unfunded (firm orders for which funding has not been appropriated) amounts. We do not include unexercised options or potential orders under indefinite-delivery, indefinite-quantity agreements in our backlog. For our cost-reimbursable and fixed-priced-incentive contracts, the estimated consideration we expect to receive pursuant to the terms of the contract may exceed the contractual award amount. The estimated consideration is determined at the outset of the contract and is continuously reviewed throughout the contract period. In determining the estimated consideration, we consider the risks

Lockheed Martin Corporation
Notes to Consolidated Financial Statements (unaudited) (continued)

related to the technical, schedule and cost impacts to complete the contract and an estimate of any variable consideration. Periodically, we review these risks and may increase or decrease backlog accordingly. As the risks on such contracts are successfully retired, the estimated consideration from customers may be reduced, resulting in a reduction of backlog without a corresponding recognition of sales. As of March 27, 2022, our ending backlog was \$134.2 billion. We expect to recognize approximately 38% of our backlog over the next 12 months and approximately 61% over the next 24 months as revenue with the remainder recognized thereafter.

Lockheed Martin Ventures Fund

Through our Lockheed Martin Ventures Fund, we make strategic investments in companies that we believe are advancing or developing new technologies applicable to our business. These investments may be in the form of common or preferred stock, warrants, convertible debt securities or investments in funds. Most of the investments are in equity securities without readily determinable fair values, which are measured initially at cost and are then adjusted to fair value only if there is an observable price change or reduced for impairment, if applicable. Investments with quoted market prices in active markets (Level 1) are recorded at fair value at the end of each reporting period. The carrying amounts of investments held in our Lockheed Martin Ventures Fund were \$575 million and \$465 million at March 27, 2022 and December 31, 2021. During the quarters ended March 27, 2022 and March 28, 2021, we recorded net gains of \$103 million (\$77 million, or \$0.29 per share, after-tax) and \$68 million (\$51 million, or \$0.18 per share, after-tax) due to changes in fair value and/or sales of investments which are reflected in the other non-operating income, net account on our consolidated statements of earnings.

Income Taxes

Our effective income tax rate was 15.9% and 16.9% for the quarters ended March 27, 2022 and March 28, 2021. The rate for the first quarter of 2022 is lower due to increased tax deductions for employee equity awards and foreign derived intangible income compared to the first quarter of 2021. The rates for both periods benefited from the research and development tax credit and dividends paid to our defined contribution plans with an employee stock ownership plan feature.

Severance and Restructuring Charges

During the first quarter of 2021, we recorded severance and restructuring charges of \$36 million (\$28 million, or \$0.10 per share, after-tax) related to workforce reductions and facility exit costs within our RMS business segment. These actions were taken to consolidate certain operations in order to improve the efficiency of RMS' manufacturing operations and affordability of its products and services. Employees terminated as part of these actions were to receive lump-sum severance payments upon separation primarily based on years of service.

NOTE 11 - RECENT ACCOUNTING PRONOUNCEMENTS*Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting*

In 2017, the United Kingdom's Financial Conduct Authority (FCA) announced that after 2021 it would no longer compel banks to submit the rates required to calculate the London Interbank Offered Rate (LIBOR), which have been widely used as reference rates for various securities and financial contracts, including loans, debt and derivatives. This announcement indicates that the continuation of LIBOR on the current basis is not guaranteed after 2021. Subsequently in March 2021, the FCA announced some USD LIBOR tenors (overnight, 1 month, 3 month, 6 month and 12 month) will continue to be published until June 30, 2023. Regulators in the U.S. and other jurisdictions have been working to replace these rates with alternative reference interest rates that are supported by transactions in liquid and observable markets, such as the Secured Overnight Financing Rate (SOFR) for USD LIBOR. Currently, our credit facility and certain of our derivative instruments reference LIBOR-based rates. Our credit facility contains provisions specifying alternative interest rate calculations to be employed when LIBOR ceases to be available as a benchmark and we have adhered to the ISDA 2020 IBOR Fallbacks Protocol, which will govern our derivatives upon the final cessation of USD LIBOR. ASU 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting*, as amended, helps limit the accounting impact from contract modifications, including hedging relationships, due to the transition from LIBOR to alternative reference rates that are completed by December 31, 2022. We do not expect a significant impact to our financial results, financial position or cash flows from the transition from LIBOR to alternative reference interest rates, but we will continue to monitor the impact of this transition until it is completed.

Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers

In October 2021, the FASB issued ASU 2021-08, *Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers*, which requires entities to recognize and measure contract assets and contract liabilities acquired in a business combination in accordance with ASC 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The update will generally result in an entity recognizing contract assets and contract liabilities at amounts consistent with those recorded by the acquiree immediately before the acquisition date rather than at fair value. The new standard is effective on a prospective basis for fiscal years beginning after December 15, 2022, with early adoption permitted. We adopted the new standard effective January 1, 2022. The adoption of the new standard did not have an impact to our financial results, financial position, or cash flows.

Government Assistance (Topic 832): Disclosures by Business Entities About Government Assistance

In November 2021, the FASB issued ASU 2021-10, *Government Assistance (Topic 832), Disclosures by Business Entities About Government Assistance*, which requires entities to provide disclosures on material government assistance transactions for annual reporting periods. The disclosures include information about the nature of the assistance, the related accounting policies used to account for government assistance, the effect of government assistance on the entity's financial statements, and any significant terms and conditions of the agreements, including commitments and contingencies. We adopted the new standard effective January 1, 2022. The financial impact of our government assistance transactions within the scope of this standard are currently not material for disclosure.

Results of Review of Interim Financial Statements

We have reviewed the accompanying consolidated balance sheet of Lockheed Martin Corporation (the Corporation) as of March 27, 2022, the related consolidated statements of earnings, comprehensive income, cash flows and equity for the quarters ended March 27, 2022 and March 28, 2021, and the related notes (collectively referred to as the “consolidated interim financial statements”). Based on our reviews, we are not aware of any material modifications that should be made to the consolidated interim financial statements for them to be in conformity with U.S. generally accepted accounting principles.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheet of the Corporation as of December 31, 2021, the related consolidated statements of earnings, comprehensive income, cash flows and equity for the year then ended, and the related notes (not presented herein); and in our report dated January 25, 2022, we expressed an unqualified audit opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2021, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

Basis for Review Results

These financial statements are the responsibility of the Corporation’s management. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Corporation in accordance with the U.S. federal securities laws and the applicable rules and regulations of the SEC and the PCAOB. We conducted our review in accordance with the standards of the PCAOB. A review of interim financial statements consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

ITEM 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

BUSINESS OVERVIEW

We are a global security and aerospace company principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services. We also provide a broad range of management, engineering, technical, scientific, logistics, system integration and cybersecurity services. We serve both U.S. and international customers with products and services that have defense, civil and commercial applications, with our principal customers being agencies of the U.S. Government. During the quarter ended March 27, 2022, 72% of our \$15.0 billion in net sales were from the U.S. Government, either as a prime contractor or as a subcontractor (including 63% from the Department of Defense (DoD)), 27% were from international customers (including foreign military sales (FMS) contracted through the U.S. Government) and 1% were from U.S. commercial and other customers. Our main areas of focus are in defense, space, intelligence, homeland security and information technology, including cybersecurity.

The following discussion is a supplement to and should be read in conjunction with the accompanying consolidated financial statements and notes thereto and with our Annual Report on Form 10-K for the year ended December 31, 2021 (2021 Form 10-K).

COVID-19

The COVID-19 pandemic continued to cause business impacts in the first quarter of 2022 primarily driven by the emergence of the Omicron variant in late 2021 with a resulting increase in COVID cases in early 2022. During the first quarter of 2022, our performance was adversely affected by supply chain disruptions and delays, as well as labor challenges associated with employee absences, travel restrictions, site access, quarantine restrictions, remote work, and adjusted work schedules. Attendance for employees required to be onsite has fluctuated based on pandemic developments. We are actively engaging with our customers and are continuing to take measures to protect the health and safety of our employees by encouraging them to get vaccinated, including booster shots. In our on-going effort to mitigate supply chain risks, we accelerated payments of \$1.0 billion to our suppliers as of March 27, 2022, that are due according to contractual terms in future periods, while consistently prioritizing small businesses, which make up over half of our active supply base, as well as at-risk businesses.

The ultimate impact of COVID-19 on our operations and financial performance in future periods, including our ability to execute our programs in the expected timeframe, remains uncertain and will depend on future pandemic-related developments, including the duration of the pandemic, potential subsequent waves of COVID-19 infection or potential new variants (e.g. Ba.2), the effectiveness and adoption of COVID-19 vaccines and therapeutics, supplier impacts and related government actions to prevent and manage disease spread, including the implementation of any federal, state, local or foreign vaccine mandates, all of which are uncertain and cannot be predicted. The long-term impacts of COVID-19 on government budgets and other funding priorities, including international priorities, that impact demand for our products and services are also difficult to predict but could negatively affect our future results and performance.

For additional risks to the corporation related to the COVID-19 pandemic, see Item 1A, Risk Factors of our 2021 Form 10-K.

Termination of Agreement to Acquire Aerojet Rocketdyne Holdings, Inc.

On February 13, 2022, we announced that we had terminated our agreement to acquire Aerojet Rocketdyne Holdings, Inc. following the filing by the Federal Trade Commission on January 25, 2022, of complaints to block the closing of the transaction. No termination penalties were incurred by either party in connection with the termination of the transaction. The termination did not have an impact to our operating results, financial position or cash flows.

INDUSTRY CONSIDERATIONS

U.S. Government Funding

On March 15, 2022, the President signed the Consolidated Appropriations Act, 2022, providing annual funding for the DoD and other government departments and agencies. The appropriation provided \$781 billion for national defense, which includes the DoD, Department of Energy (DoE) nuclear weapons-related activities, and the national security activities of the Coast Guard, Federal Bureau of Investigation, and others. The DoD portion was \$742.3 billion, \$25 billion more than the President's Fiscal Year (FY) 2022 request. Additionally, the legislation included \$13.6 billion in supplemental funding to support Ukraine, including \$3.5 billion for defense articles and \$650 million in Foreign Military Financing (FMF) for Ukraine and other Eastern European allies. Our programs continued to be well supported and funded through the FY 2022 budget process. It is also anticipated that future FY 2022 Ukraine supplemental requests will be submitted to Congress.

On March 28, 2022, the Administration submitted to Congress the President's FY 2023 budget request, which proposes \$813 billion for national defense. The DoD portion of this request is \$773 billion, a 4% increase above the FY 2022 enacted amount.

See also the discussion of U.S. Government funding risks within "Item 1A, Risk Factors" included in our 2021 Form 10-K.

CONSOLIDATED RESULTS OF OPERATIONS

Our operating cycle is primarily long-term and involves many types of contracts for the design, development and manufacture of products and related activities with varying delivery schedules. Consequently, the results of operations of a particular period, or period-to-period comparisons of sales and profits, may not be indicative of future operating results. The following discussions of comparative results among periods should be reviewed in this context. All per share amounts cited in these discussions are presented on a “per diluted share” basis, unless otherwise noted. Our consolidated results of operations were as follows (in millions, except per share data):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Net sales	\$ 14,964	\$ 16,258
Cost of sales	(13,055)	(14,072)
Gross profit	1,909	2,186
Other income (expense), net	24	(4)
Operating profit	1,933	2,182
Interest expense	(135)	(140)
Non-service FAS pension income	140	93
Other non-operating income, net	123	76
Earnings before income taxes	2,061	2,211
Income tax expense	(328)	(374)
Net earnings	\$ 1,733	\$ 1,837
Diluted earnings per common share	\$ 6.44	\$ 6.56

Certain amounts reported in other income (expense), net, including our share of earnings or losses from equity method investees, are included in the operating profit of our business segments. Accordingly, such amounts are included in the discussion of our business segment results of operations.

Net Sales

We generate sales from the delivery of products and services to our customers. Our consolidated net sales were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Products	\$ 12,494	\$ 13,753
% of total net sales	83.5 %	84.6 %
Services	2,470	2,505
% of total net sales	16.5 %	15.4 %
Total net sales	\$ 14,964	\$ 16,258

Substantially all of our contracts are accounted for using the percentage-of-completion cost-to-cost method. Under the percentage-of-completion cost-to-cost method, we record net sales on contracts over time based upon our progress towards completion on a particular contract, as well as our estimate of the profit to be earned at completion. The following discussion of material changes in our consolidated net sales should be read in tandem with the subsequent discussion of changes in our consolidated cost of sales and our business segment results of operations because changes in our sales are typically accompanied by a corresponding change in our cost of sales due to the nature of the percentage-of-completion cost-to-cost method. Overall, our sales were negatively affected in the first quarter of 2022 because of supply chain impacts.

Product Sales

Product sales decreased \$1.3 billion, or 9%, during the quarter ended March 27, 2022 compared to the same period in 2021. The decrease is primarily attributable to lower product sales of approximately \$510 million at RMS due to lower net sales for training and logistics solutions (TLS) programs due to the delivery of an international pilot training system in the first quarter of 2021 and lower production volume on Black Hawk; about \$450 million mostly at Space due to the previously announced renationalization of the Atomic Weapons Establishment (AWE) program on June 30, 2021, which was no longer included in the company's financial results beginning in the third quarter of 2021; and approximately \$235 million at MFC due to lower volume on Terminal High Altitude Area Defense (THAAD), Patriot Advanced Capability-3 (PAC-3) and air dominance weapon systems.

Service Sales

Service sales decreased \$35 million, or 1%, during the quarter ended March 27, 2022 compared to the same period in 2021. The decrease in service sales was primarily due to lower sales of approximately \$60 million at MFC and \$45 million at RMS, partially offset by higher sales of about \$75 million at Aeronautics.

Cost of Sales

Cost of sales, for both products and services, consist of materials, labor, subcontracting costs and an allocation of indirect costs (overhead and general and administrative), as well as the costs to fulfill our industrial cooperation agreements, sometimes referred to as offset agreements, required under certain contracts with international customers. For each of our contracts, we monitor the nature and amount of costs at the contract level, which form the basis for estimating our total costs to complete the contract. Our consolidated cost of sales were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Cost of sales – products	\$ (11,161)	\$ (12,281)
% of product sales	89.3 %	89.3 %
Cost of sales – services	(2,175)	(2,230)
% of service sales	88.1 %	89.0 %
Severance and restructuring charges	—	(36)
Other unallocated, net	281	475
Total cost of sales	\$ (13,055)	\$ (14,072)

The following discussion of material changes in our consolidated cost of sales for products and services should be read in tandem with the preceding discussion of changes in our consolidated net sales and our business segment results of operations. Except for potential impacts to our programs resulting from COVID-19, including related supply chain impacts, we have not identified any additional developing trends in cost of sales for products and services that would have a material impact on our future operations.

Product Costs

Product costs decreased \$1.1 billion, or 9%, during the quarter ended March 27, 2022 compared to the same period in 2021. The decrease was primarily attributable to lower product costs of approximately \$450 million at RMS due to the delivery of an international pilot training system in the first quarter of 2021 and lower production volume on Black Hawk; about \$420 million at Space primarily due to the renationalization of AWE; and approximately \$225 million at MFC due to lower volume on THAAD, PAC-3 and air dominance weapon systems.

Service Costs

Service costs decreased \$55 million, or 2%, during the quarter ended March 27, 2022 compared to the same period in 2021. The decrease was primarily attributable to lower service costs of approximately \$60 million at MFC, and about \$30 million at RMS, partially offset by higher service costs of approximately \$50 million at Aeronautics.

Severance and Restructuring Charges

During the first quarter of 2021, we recorded severance and restructuring charges of \$36 million (\$28 million, or \$0.10 per share, after-tax) associated with plans to close and consolidate certain facilities and reduce total workforce within our RMS business segment.

Other Unallocated, Net

Other unallocated, net primarily includes the FAS/CAS pension operating adjustment (which represents the difference between CAS pension cost recorded in our business segment's results of operations and the service cost component of FAS pension (expense) income), stock-based compensation expense and other corporate costs. These items are not allocated to the business segments and, therefore, are not allocated to cost of sales for products or services. Other unallocated, net reduced cost of sales by \$281 million during the quarter ended March 27, 2022, compared to \$475 million during the quarter ended March 28, 2021. Other unallocated, net during the quarter ended March 27, 2022 was lower primarily due to declines in the fair value of investments held in a trust for deferred compensation plans during the quarter ended March 27, 2022 compared to the quarter ended March 28, 2021, a decrease in our FAS/CAS pension operating adjustment due to lower CAS cost from the American Rescue Plan Act of 2021 (ARPA) legislation, and fluctuations in costs associated with various corporate items, none of which were individually significant.

Other Income (Expense), Net

Other income (expense), net primarily includes earnings generated by equity method investees. Other income, net was \$24 million during the quarter ended March 27, 2022, compared to other (expense), net of \$4 million during the quarter ended March 28, 2021. Other income (expense), net during the quarter ended March 27, 2022 included \$35 million of higher equity earnings from our equity method investment in ULA driven by higher launch volume compared to the quarter ended March 28, 2021.

Non-Service FAS Pension Income

Non-service FAS pension income was \$140 million for the quarter ended March 27, 2022, compared to \$93 million during the quarter ended March 28, 2021. The increase was primarily due to lower net recognized actuarial losses.

Other Non-operating Income, Net

Other non-operating income, net primarily includes gains or losses related to changes in the fair value of strategic investments in companies made by our Lockheed Martin Ventures Fund. During the quarter ended March 27, 2022, other non-operating income, net was \$123 million compared to \$76 million during the quarter ended March 28, 2021. The increase during the quarter ended March 27, 2022 was primarily due to higher increases in the fair value of investments held in this fund. See "Note 10 - Other" included in our Notes to Consolidated Financial Statements for additional information.

Income Tax Expense

Our effective income tax rate was 15.9% for the quarter ended March 27, 2022 and 16.9% for the quarter ended March 28, 2021. The rate for the first quarter of 2022 is lower due to increased tax deductions for employee equity awards and foreign derived intangible income compared to the first quarter of 2021. The rates for both periods benefited from the research and development tax credit and dividends paid to our defined contribution plans with an employee stock ownership plan feature.

Changes in U.S. (federal or state) or foreign tax laws and regulations, or their interpretation and application, including those with retroactive effect, including the amortization for research or experimental expenditures, could significantly impact our provision for income taxes, the amount of taxes payable, our deferred tax asset and liability balances, and stockholders' equity. Proposals to increase the U.S. corporate income tax rate would require us to increase our net deferred tax assets upon enactment of new tax legislation, with a corresponding material, one-time, noncash decrease in income tax expense, but our income tax expense and payments would likely be materially increased in subsequent years. Our net deferred tax assets were \$2.7 billion and \$2.3 billion at March 27, 2022 and December 31, 2021, based on a 21% federal statutory income tax rate, and primarily relate to our postretirement benefit plans. In addition to future changes in tax laws, the amount of net deferred tax assets will change periodically based on several factors, including the measurement of our postretirement benefit plan obligations, actual cash contributions to our postretirement benefit plans and the reevaluation of uncertain tax positions.

Beginning in 2022, the Tax Cuts and Jobs Act of 2017 eliminates the option to deduct research and development expenditures immediately in the year incurred and requires taxpayers to amortize such expenditures over five years. While it is possible that Congress may defer, modify, or repeal this provision, potentially with retroactive effect, and we continue to have ongoing discussions with members of Congress, both on our own and with other industries through coalitions, we have no assurance that this provision will be deferred, modified, or repealed. Furthermore, in anticipation of the new provision taking effect, we have analyzed the provision and worked with our advisors to evaluate its application to our business. If this provision is not deferred, modified, or repealed with retroactive effect to January 1, 2022, we estimate it will decrease our cash from operations in 2022 by approximately \$500 million. The actual impact on 2022 cash from operations will depend on if and when this provision is deferred, modified, or repealed by Congress, including if retroactively, and the amount of research and development expenses paid or incurred in 2022 among other factors. While the largest impact will be to 2022 cash from operations, the impact would continue over the five year amortization period, but would decrease over the period and be immaterial in year six.

We are regularly under audit or examination by tax authorities, including foreign tax authorities (including in, amongst others, Australia, Canada, India, Italy, Japan, Poland, and the United Kingdom). The final determination of tax audits and any related litigation could similarly result in unanticipated increases in our tax expense and affect profitability and cash flows.

Net Earnings

We reported net earnings from continuing operations of \$1.7 billion (\$6.44 per share) during the quarter ended March 27, 2022, compared to \$1.8 billion (\$6.56 per share) during the quarter ended March 28, 2021. Net earnings and earnings per share for the quarter ended March 27, 2022 were affected by the factors mentioned above. Earnings per share also benefited from a net decrease of approximately 10.8 million weighted average common shares outstanding during the quarter ended March 27, 2022, compared to the same period in 2021. The reduction in weighted average common shares was a result of share repurchases, partially offset by share issuance under our stock-based awards and certain defined contribution plans.

BUSINESS SEGMENT RESULTS OF OPERATIONS

We operate in four business segments: Aeronautics, MFC, RMS and Space. We organize our business segments based on the nature of products and services offered.

Net sales and operating profit of our business segments exclude intersegment sales, cost of sales, and profit as these activities are eliminated in consolidation and thus not included in management's evaluation of performance of each segment. Business segment operating profit includes our share of earnings or losses from equity method investees as the operating activities of the equity method investees are closely aligned with the operations of our business segments.

Business segment operating profit also excludes the FAS/CAS pension operating adjustment, a portion of corporate costs not considered allowable or allocable to contracts with the U.S. Government under the applicable U.S. Government cost accounting standards (CAS) or federal acquisition regulations (FAR), and other items not considered part of management's evaluation of segment operating performance such as a portion of management and administration costs, legal fees and settlements, environmental costs, stock-based compensation expense, retiree benefits, significant severance actions, significant asset impairments, gains or losses from divestitures, and other miscellaneous corporate activities.

Excluded items are included in the reconciling item "Unallocated items" between operating profit from our business segments and our consolidated operating profit. See "Note 10 - Other" (under the caption "Changes in Estimates") included in our Notes to Consolidated Financial Statements for a discussion related to certain factors that may impact the comparability of net sales and operating profit of our business segments.

Summary operating results for each of our business segments were as follows (in millions):

	Quarters Ended

We recover CAS pension and other postretirement benefit plan cost through the pricing of our products and services on U.S. Government contracts and, therefore, recognize CAS pension cost in each of our business segment's net sales and cost of sales. Our consolidated financial statements must present FAS pension and other postretirement benefit plan income calculated in accordance with FAS requirements under U.S. GAAP. The operating portion of the net FAS/CAS pension adjustment represents the difference between the service cost component of FAS pension (expense) income and total CAS pension cost. The non-service FAS pension (expense) income components are included in non-service FAS pension (expense) income in our consolidated statements of earnings. As a result, to the extent that CAS

pension cost exceeds the service cost component of FAS pension (expense) income, we have a favorable FAS/CAS pension operating adjustment.

Total FAS/CAS pension adjustment for the quarters ended March 27, 2022 and March 28, 2021, including the service and non-service cost components of FAS pension (expense) income for our qualified defined benefit pension plans, were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Total FAS income and CAS cost		
Total FAS pension income	\$ 116	\$ 66
Less: CAS pension cost	450	516
Total FAS/CAS pension adjustment	\$ 566	\$ 582
Service and non-service cost reconciliation		
FAS pension service cost	\$ (24)	\$ (27)
Less: CAS pension cost	450	516
Total FAS/CAS pension operating adjustment	426	489
Non-service FAS pension income	140	93
Total FAS/CAS pension adjustment	\$ 566	\$ 582

Management evaluates performance on our contracts by focusing on net sales and operating profit and not by type or amount of operating expense. Consequently, our discussion of business segment performance focuses on net sales and operating profit, consistent with our approach for managing the business. This approach is consistent throughout the life cycle of our contracts, as management assesses the bidding of each contract by focusing on net sales and operating profit and monitors performance on our contracts in a similar manner through their completion.

We regularly provide customers with reports of our costs as the contract progresses. The cost information in the reports is accumulated in a manner specified by the requirements of each contract. For example, cost data provided to a customer for a product would typically align to the subcomponents of that product (such as a wing-box on an aircraft) and for services would align to the type of work being performed (such as aircraft sustainment). Our contracts generally allow for the recovery of costs in the pricing of our products and services. Most of our contracts are bid and negotiated with our customers under circumstances in which we are required to disclose our estimated total costs to provide the product or service. This approach for negotiating contracts with our U.S. Government customers generally allows for recovery of our actual costs plus a reasonable profit margin. We also may enter into long-term supply contracts for certain materials or components to coincide with the production schedule of certain products and to ensure their availability at known unit prices.

Many of our contracts span several years and include highly complex technical requirements. At the outset of a contract, we identify and monitor risks to the achievement of the technical, schedule and cost aspects of the contract and assess the effects of those risks on our estimates of total costs to complete the contract. The estimates consider the technical requirements (e.g., a newly-developed product versus a mature product), the schedule and associated tasks (e.g., the number and type of milestone events) and costs (e.g., material, labor, subcontractor, overhead and the estimated costs to fulfill our industrial cooperation agreements, sometimes referred to as offset agreements, required under certain contracts with international customers). The initial profit booking rate of each contract considers risks surrounding the ability to achieve the technical requirements, schedule and costs in the initial estimated total costs to complete the contract. Profit booking rates may increase during the performance of the contract if we successfully retire risks related to the technical, schedule and cost aspects of the contract, which decreases the estimated total costs to complete the contract. Conversely, our profit booking rates may decrease if the estimated total costs to complete the contract increase. All of the estimates are subject to change during the performance of the contract and may affect the profit booking rate.

We have a number of programs that are designated as classified by the U.S. Government which cannot be specifically described. The operating results of these classified programs are included in our consolidated and business segment results and are subjected to the same oversight and internal controls as our other programs.

Our net sales are primarily derived from long-term contracts for products and services provided to the U.S. Government as well as FMS contracted through the U.S. Government. We recognize revenue as performance obligations are satisfied and the customer obtains control of the products and services. For performance obligations to deliver products with continuous transfer of control to the customer, revenue is recognized based on the extent of progress towards completion of the performance obligation, generally using the percentage-of-completion cost-to-cost measure of progress for our contracts because it best depicts the transfer of control to the customer as we incur costs on our contracts. For performance obligations in which control does not continuously transfer to the customer, we recognize revenue at the point in time in which each performance obligation is fully satisfied. In the first quarter of 2022, lower supply chain activity negatively affected our net sales for the period.

Changes in net sales and operating profit generally are expressed in terms of volume. Changes in volume refer to increases or decreases in sales or operating profit resulting from varying production activity levels, deliveries or service levels on individual contracts. Volume changes in segment operating profit are typically based on the current profit booking rate for a particular contract.

In addition, comparability of our segment sales, operating profit and operating margin may be impacted favorably or unfavorably by changes in profit booking rates on our contracts for which we recognize revenue over time using the percentage-of-completion cost-to-cost method to measure progress towards completion. Increases in the profit booking rates, typically referred to as favorable profit adjustments, usually relate to revisions in the estimated total costs to fulfill the performance obligations that reflect improved conditions on a particular contract. Conversely, conditions on a particular contract may deteriorate, resulting in an increase in the estimated total costs to fulfill the performance obligations and a reduction in the profit booking rate and are typically referred to as unfavorable profit adjustments. Increases or decreases in profit booking rates are recognized in the current period and reflect the inception-to-date effect of such changes. Segment operating profit and margin may also be impacted favorably or unfavorably by other items, which may or may not impact sales. Favorable items may include the positive resolution of contractual matters, cost recoveries on severance and restructuring charges, insurance recoveries and gains on sales of assets. Unfavorable items may include the adverse resolution of contractual matters; restructuring charges, except for significant severance actions, which are excluded from segment operating results; reserves for disputes; certain asset impairments; and losses on sales of certain assets.

Our consolidated net adjustments not related to volume, including net profit booking rate adjustments and other matters, increased segment operating profit by approximately \$405 million during the quarter ended March 27, 2022 and \$495 million during the quarter ended March 28, 2021.

We periodically experience performance issues and record losses for certain programs. For further discussion on the programs at Aeronautics and RMS, see "Note 10 - Other" included in our Notes to Consolidated Financial Statements.

Aeronautics

Summary operating results for our Aeronautics business segment were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Net sales	\$ 6,401	\$ 6,387
Operating profit	679	693
Operating margin	10.6 %	10.9 %

Aeronautics' net sales during the quarter ended March 27, 2022 were comparable to the same period in 2021. Net sales increased by approximately \$80 million for the F-16 program due to higher volume on production contracts that was partially offset by an unfavorable profit adjustment on a modernization contract. This increase was offset by lower net sales of approximately \$65 million for the F-35 program due to lower net favorable profit adjustments and volume on production contracts that were partially offset by an unfavorable profit adjustment on a development contract in the first quarter of 2021 that did not recur in the first quarter of 2022.

Aeronautics' operating profit during the quarter ended March 27, 2022 decreased \$14 million, or 2%, compared to the same period in 2021. The decrease was primarily attributable to lower operating profit of approximately \$50 million for the F-35 program due to lower net favorable profit adjustments and volume on production contracts that were partially

offset by an unfavorable profit adjustment on a development contract in the first quarter of 2021 that did not recur in the first quarter of 2022; and about \$25 million for the F-16 program due to an unfavorable profit adjustment on a modernization contract. These decreases were partially offset by an increase of approximately \$30 million for the F-22 program due to higher net favorable profit adjustments; and about \$20 million for classified contracts due to higher net favorable profit adjustments. Adjustments not related to volume, including net profit booking rate adjustments, were \$25 million lower in the first quarter of 2022 compared to the same period in 2021.

Missiles and Fire Control

Summary operating results for our MFC business segment were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Net sales	\$ 2,452	\$ 2,749
Operating profit	384	396
Operating margin	15.7 %	14.4 %

MFC's net sales during the quarter ended March 27, 2022 decreased \$297 million, or 11%, compared to the same period in 2021. The decrease was primarily attributable to lower net sales of approximately \$115 million for integrated air and missile defense programs due to lower volume and net favorable profit adjustments (THAAD and PAC-3); about \$80 million for tactical and strike missile programs due to lower volume (air dominance weapon systems, Army Tactical Missile System (ATACMS) and hypersonics); and approximately \$75 million for sensors and global sustainment programs due to lower volume (Special Operations Forces Global Logistics Support Services (SOF GLSS) and lower volume and net favorable profit adjustments on Sniper Advanced Targeting Pod (SNIPER®)), partially offset by the effect of a favorable profit adjustment on an international program as a result of a requirements modification in the first quarter of 2022.

MFC's operating profit during the quarter ended March 27, 2022 decreased \$12 million, or 3%, compared to the same period in 2021. The decrease was primarily attributable to lower operating profit of approximately \$45 million for integrated air and missile defense programs due to lower net favorable profit adjustments and volume (THAAD and PAC-3), and about \$10 million for tactical and strike missile programs due to lower volume (ATACMS and hypersonics). These decreases were partially offset by an increase of about \$50 million for sensors and global sustainment programs primarily due to the effect of a favorable profit adjustment on an international program described above, partially offset by lower net favorable profit adjustments (SNIPER). Adjustments not related to volume, including net profit booking rate adjustments, were \$15 million higher in the first quarter of 2022 compared to the same period in 2021.

Rotary and Mission Systems

Summary operating results for our RMS business segment were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Net sales	\$ 3,552	\$ 4,107
Operating profit	348	433
Operating margin	9.8 %	10.5 %

RMS' net sales during the quarter ended March 27, 2022 decreased \$555 million, or 14%, compared to the same period in 2021. The decrease was primarily attributable to lower net sales of approximately \$315 million for TLS programs primarily due to the delivery of an international pilot training system in the first quarter of 2021 that did not recur in the first quarter of 2022; about \$150 million for integrated warfare systems and sensors (IWSS) programs due to lower volume (Littoral Combat Ship (LCS), TPQ-53, and Aegis); approximately \$50 million for various C6ISR (command, control, communications, computers, cyber, combat systems, intelligence, surveillance, and reconnaissance) programs due to lower volume; and approximately \$40 million for Sikorsky helicopter programs due to lower production volume on the Black Hawk and VH-92A programs that was partially offset by higher production volume on the Combat Rescue Helicopter (CRH), Seahawk and CH-53K programs.

RMS' operating profit during the quarter ended March 27, 2022 decreased \$85 million, or 20%, compared to the same period in 2021. The decrease was primarily attributable to approximately \$35 million for various C6ISR programs due to lower net favorable profit adjustments, about \$30 million for IWSS programs due to lower net favorable profit adjustments (Aegis); and approximately \$15 million for Sikorsky helicopter programs due to lower net favorable profit adjustments (Black Hawk). Operating profit for TLS programs was comparable due to the delivery of an international pilot training system in the first quarter of 2021 that did not recur in the first quarter of 2022, offset by higher net favorable profit adjustments on various other programs. Adjustments not related to volume, including net profit booking rate adjustments, were \$55 million lower in the first quarter of 2022 compared to the same period in 2021.

Space

Summary operating results for our Space business segment were as follows (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Net sales	\$ 2,559	\$ 3,015
Operating profit	245	227
Operating margin	9.6 %	7.5 %

Space's net sales during the quarter ended March 27, 2022 decreased \$456 million, or 15%, compared to the same period in 2021. The decrease was primarily attributable to lower net sales of approximately \$440 million due to the previously announced renationalization of the AWE program on June 30, 2021, which was no longer included in the company's financial results beginning in the third quarter of 2021; and about \$95 million for commercial civil space programs due to lower volume (Orion and human lander system (HLS) programs). These decreases were partially offset by higher net sales of about \$100 million for strategic and missile defense programs due to higher development volume (Next Generation Interceptor (NGI)).

Space's operating profit during the quarter ended March 27, 2022 increased \$18 million, or 8%, compared to the same period in 2021. The increase was primarily attributable to approximately \$35 million of higher equity earnings from the company's investment in United Launch Alliance (ULA) driven by higher launch volume. This increase was partially offset by a decrease of approximately \$30 million for commercial civil space programs due to lower net favorable profit adjustments and volume (the HLS program). Operating profit for the AWE program was comparable as its operating profit in the first quarter of 2021 was mostly offset by accelerated amortization expense for intangible assets as a result of the renationalization. Adjustments not related to volume, including net profit booking rate adjustments, were \$25 million lower in the first quarter of 2022 compared to the same period in 2021.

Total equity earnings/(losses) (primarily ULA) represented approximately \$30 million, or 12%, of Space's operating profit in the first quarter of 2022, compared to approximately \$(5) million, or (2)%, in the first quarter of 2021.

FINANCIAL CONDITION

Liquidity and Cash Flows

At March 27, 2022, we had cash and cash equivalents of \$1.9 billion. Our principal source of liquidity is our cash from operations. However, we also have access to credit markets, if needed, for liquidity or general corporate purposes, including our revolving credit facility or the ability to issue commercial paper, and letters of credit to support customer advance payments and for other trade finance purposes such as guaranteeing our performance on particular contracts. We believe our cash and cash equivalents, our expected cash flow generated from operations and our access to credit markets will be sufficient to meet our cash requirements and cash deployment plans over the next twelve months and beyond based on our current business plans.

Cash received from customers, either from the payment of invoices for work performed or for advances from non-U.S. Government customers in excess of costs incurred, is our primary source of cash. We generally do not begin work on contracts until funding is appropriated by the customer. However, we may determine to fund customer programs ourselves.

pending government appropriations. If we incur costs in excess of funds obligated on the contract or in advance of a contract award, we may be at risk for reimbursement of the excess costs.

Billing timetables and payment terms on our contracts vary based on a number of factors, including the contract type. We generally bill and collect cash more frequently under cost-reimbursable contracts, which represented approximately 38% of the sales we recorded during the quarter ended March 27, 2022, as we are authorized to bill as the costs are incurred. A number of our fixed-price contracts may provide for performance-based payments, which allow us to bill and collect cash as we perform on the contract. The amount of performance-based payments and the related milestones are encompassed in the negotiation of each contract. The timing of such payments may differ from the timing of the costs incurred related to our contract performance, thereby affecting our cash flows.

The U.S. Government has indicated that it would consider progress payments as the baseline for negotiating payment terms on fixed-price contracts, rather than performance-based payments. In contrast to negotiated performance-based payment terms, progress payment provisions correspond to a percentage of the amount of costs incurred during the performance of the contract and are invoiced regularly as costs are incurred. Our cash flows may be affected if the U.S. Government changes its payment policies or decides to withhold payments on our billings. While the impact of policy changes or withholding payments may delay the receipt of cash, the cumulative amount of cash collected during the life of the contract should not vary.

To date, the effects of COVID-19 have resulted in some negative impacts on our cash flows, partially due to supplier delays. The U.S. Government has taken certain actions and enacted legislation to mitigate the impacts of COVID-19 on public health, the economy, state and local governments, individuals, and businesses. Since the pandemic began, Lockheed Martin has remained committed to accelerating payments to the supplier chain with a focus on small and at risk businesses. As of March 27, 2022, we have accelerated \$1.0 billion of payments to our suppliers that are due by their terms in future periods. We will continue to monitor risk driven by the pandemic and, based on our current assessment, we will continue to accelerate payments to our suppliers based on risk assessed need through the end of 2022.

In addition, we have a balanced cash deployment strategy to invest in our business and key technologies to provide our customers with enhanced capabilities, enhance stockholder value, and position ourselves to take advantage of new business opportunities when they arise. Consistent with that strategy, we have continued to invest in our business and technologies through capital expenditures, independent research and development, and selective business acquisitions and investments. We have returned cash to stockholders through dividends and share repurchases. Our total remaining authorization for future common share repurchases under our program was \$1.9 billion as of March 27, 2022.

We also continue to actively manage our debt levels, including maturities and interest rates, and our pension obligations. We expect to continue to opportunistically manage our pension liabilities through the purchase of group annuity contracts for portions of our outstanding defined benefit pension obligations using assets from the pension trust. Future pension risk transfer transactions could also be significant and result in us making additional contributions to the pension trust and/or require us to recognize noncash pension settlement charges in earnings in the applicable reporting period.

Also as previously disclosed, the President signed the American Rescue Plan Act of 2021 (ARPA) into law on March 11, 2021. ARPA reduced the amount of CAS pension costs allocated to our U.S. Government contracts beginning in 2022 due to the enhanced interest rate stabilization. This also has the effect, along with extending the amortization period of funding shortfalls, of reducing the minimum funding requirements for our single-employer defined benefit pension plans. The lower pension contributions will be partially offset by lower tax deductions.

The following table provides a summary of our cash flow information followed by a discussion of the key elements (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Cash and cash equivalents at beginning of year	\$ 3,604	\$ 3,160
Operating activities		
Net earnings	1,733	1,837
Noncash adjustments	(28)	482
Changes in working capital	(654)	(577)
Other, net	359	6
Net cash provided by operating activities	1,410	1,748
Net cash used for investing activities	(251)	(169)
Net cash used for financing activities	(2,880)	(1,806)
Net change in cash and cash equivalents	(1,721)	(227)
Cash and cash equivalents at end of period	\$ 1,883	\$ 2,933

Operating Activities

Net cash provided by operating activities during the quarter ended March 27, 2022 decreased \$338 million compared to the same period in 2021. The decrease was primarily due to lower cash at Aeronautics and MFC partially offset by higher cash at RMS. The decrease at Aeronautics was primarily due to the timing of performance based payments on the F-35 program partially offset by lower accounts payable accelerations across the segment. The decrease at MFC was primarily due to higher receipts of international advances on the PAC-3 program in 2021. The increase at RMS was primarily due to the timing of international advances on radar programs.

Non-GAAP Financial Measure - Free Cash Flow

Free cash flow is a non-GAAP financial measure that we define as cash from operations less capital expenditures. Our capital expenditures are comprised of equipment and facilities infrastructure and information technology (inclusive of costs for the development or purchase of internal-use software). We use free cash flow to evaluate our business performance and overall liquidity and is a performance goal in our annual and long-term incentive plans. We believe free cash flow is a useful measure for investors because it represents the amount of cash generated from operations after reinvesting in the business and that may be available to return to stockholders and creditors (through dividends, stock repurchase and debt repayments) or available to fund acquisitions. The entire amount of free cash flow is not necessarily available for discretionary expenditures, however, because it does not account for certain mandatory expenditures, such as the repayment of maturing debt. While management believes that free cash flow as a non-GAAP financial measure may be useful in evaluating the financial performance of the company, it should be considered supplemental to, and not a substitute for, financial information prepared in accordance with GAAP and may not be comparable to similarly titled measures used by other companies.

The following table reconciles net cash provided by operating activities to free cash flow (in millions):

	Quarters Ended	
	March 27, 2022	March 28, 2021
Cash from operations	\$ 1,410	\$ 1,748
Capital expenditures	(268)	(281)
Free cash flow	\$ 1,142	\$ 1,467

Investing Activities

Net cash used for investing activities during the quarter ended March 27, 2022 increased \$82 million compared to the same period in 2021. The increase in cash used for investing activities is due to cash proceeds in the first quarter of

2021 from the sale of our ownership interest in Advanced Military Maintenance, Repair and Overhaul Center (AMMROC) which was completed in the fourth quarter of 2020. Capital expenditures totaled \$268 million and \$281 million during the quarters ended March 27, 2022 and March 28, 2021. The majority of our capital expenditures were for equipment and facilities infrastructure that generally are incurred to support new and existing programs across all of our business segments. We also incur capital expenditures for information technology to support programs and general enterprise information technology infrastructure, inclusive of costs for the development or purchase of internal-use software.

Financing Activities

Net cash used for financing activities was \$2.9 billion during the quarter ended March 27, 2022, compared to \$1.8 billion during the same period in 2021.

During the quarters ended March 27, 2022 and March 28, 2021, we paid dividends totaling \$767 million (\$2.80 per share) and \$739 million (\$2.60 per share).

During the quarter ended March 27, 2022, we paid \$2.0 billion to repurchase 4.7 million shares of our common stock, of which 0.6 million shares were received upon settlement in April 2022. During the quarter ended March 28, 2021, we paid \$1.0 billion to repurchase 2.9 million shares of our common stock, of which 1.0 million shares were received upon settlement in April 2021.

Capital Resources

At March 27, 2022, we held cash and cash equivalents of \$1.9 billion that was generally available to fund ordinary business operations without significant legal, regulatory, or other restrictions.

At March 27, 2022, we had a \$3.0 billion revolving credit facility (the Revolving Credit Facility) with various banks with an expiration date of August 24, 2026 that is available for general corporate purposes including supporting commercial paper borrowings. We may request and the banks may grant, at their discretion, an increase in the borrowing capacity under the Revolving Credit Facility of up to an additional \$500 million. There were no borrowings outstanding under the Revolving Credit Facility at March 27, 2022.

We have agreements in place with financial institutions to provide for the issuance of commercial paper. The outstanding balance of commercial paper can fluctuate daily and the amount outstanding during the period may be greater than or less than the amount reported at the end of the period. There were no commercial paper borrowings outstanding as of March 27, 2022 and December 31, 2021. We may, as conditions warrant, from time to time issue commercial paper backed by our Revolving Credit Facility to manage the timing of cash flows. However, depending on market conditions, commercial paper may not be available on favorable terms or at all.

Our outstanding debt, net of unamortized discounts and issuance costs was \$11.6 billion as of March 27, 2022 and is in the form of publicly-issued notes that bear interest at fixed rates. As of March 27, 2022, we were in compliance with all covenants contained in our debt and credit agreements. There were no material changes during the quarter ended March 27, 2022 to our contractual commitments as presented in "Management's Discussion and Analysis of Financial Condition and Results of Operations" of our 2021 Form 10-K that were outside the ordinary course of our business.

OTHER MATTERS

Status of the F-35 Program

The F-35 program primarily consists of production contracts, sustainment activities, and new development efforts. Production of the aircraft is expected to continue for many years given the U.S. Government's current inventory objective of 2,456 aircraft for the U.S. Air Force, U.S. Marine Corps, and U.S. Navy; commitments from our seven international partner countries and seven international customers; as well as expressions of interest from other countries. During the first quarter of 2022, Finland became the seventh international customer to join the F-35 program, and Germany announced its intention to purchase 35 F-35 aircraft. On March 28, 2022, the Government of Canada selected the F-35 as the preferred bidder to move into the Finalization Phase of the competitive process to replace their fighter fleet. In the Finalization Phase, they will collaborate with the F-35 team to deliver unique requirements and a delivery profile before moving forward with contracting with the U.S. Government for the procurement of 88 aircraft.

We remain in negotiations with the U.S. Government on the Lot 15-17 production contracts. Without additional contractual direction from the U.S. Government, we will exceed the current contractual authorization and funding on the Lot 15-17 advance acquisition contract during the second quarter of 2022. If this occurs, it could negatively impact our results of operations, cash flows, and financial condition. We continue to engage with the U.S. Government to reach a mutually agreeable solution.

On April 24, 2022, our five-year contract with the International Association of Machinists and Aerospace Workers (IAM) covering approximately 5,000 represented employees that primarily work on F-35 production in Fort Worth, Texas, concludes. We are currently negotiating the next contract period with the goal of reaching an agreement before the existing agreement concludes, however, if there are work stoppages or other disruptions related to the contract negotiations, our ability to perform under certain contracts could be adversely affected which could negatively impact our results of operations, cash flows, and financial condition.

During the quarter ended March 27, 2022, we delivered 26 production aircraft to our U.S. and international partner countries, and international customers, resulting in total deliveries of 779 production aircraft. We have 204 production aircraft in backlog, including orders from our international partner customers and countries.

In response to F-35 delays caused by COVID-19 and in conjunction with the F-35 JPO, we tapered our production rate in 2020. In 2021, the F-35 JPO and the Lockheed Martin industry team agreed on an F-35 production re-baseline that improves predictability and stability in the production process while recovering the aircraft shortfall resulting from the COVID-19 pandemic. With this agreement, we anticipate delivering 148-153 aircraft in 2022. In 2023 and 2024, we anticipate delivering 156 aircraft each year. This delivery profile requires adequate funding from not only the U.S. Government's, but also the international partner countries' and international customers' budgeting process.

Given the size and complexity of the F-35 program, we anticipate that there will be continual reviews related to aircraft performance, program schedule, cost, and requirements as part of the DoD, Congressional, and international countries' oversight and budgeting processes. Current program challenges include supplier, Lockheed Martin and partner performance (including COVID-19 performance-related challenges), software development, the receipt of funding for contracts on a timely basis, execution of future flight tests and findings resulting from testing and operating the aircraft, the level of cost associated with life cycle operations, sustainment and potential contractual obligations, and the ability to continue to reduce the unit production costs and improve affordability.

Contingencies

See "Note 7 - Legal Proceedings and Contingencies" included in our Notes to Consolidated Financial Statements for information regarding our contingent obligations, including off-balance sheet arrangements.

Critical Accounting Policies

There have been no significant changes to the critical accounting policies disclosed in "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our 2021 Form 10-K.

Goodwill and Intangible Assets

The carrying value of our goodwill balance was \$10.8 billion at March 27, 2022, including \$2.7 billion of goodwill at our Sikorsky reporting unit. In the fourth quarter of 2021, we performed our annual impairment test for goodwill, and the results of that test indicated no impairment existed. As of the date of our 2021 annual impairment test, we estimated that the fair value of our Sikorsky reporting unit exceeded its carrying value for goodwill by a margin of approximately 30%. We will perform our next annual goodwill impairment test during the fourth quarter of 2022 and will perform a quantitative assessment of the fair value of our Sikorsky reporting unit.

The fair value of our Sikorsky reporting unit can be significantly impacted by its performance, the amount and timing of expected future cash flows, contract terminations, changes in expected future orders, general market pressures, including U.S. Government budgetary constraints, discount rates, long term growth rates, and changes in U.S. (federal or state) or foreign tax laws and regulations, or their interpretation and application, including those with retroactive effect, along with other significant judgments. Based on our assessment of these circumstances, we have determined that goodwill at our Sikorsky reporting unit is at risk for impairment should there be a deterioration of projected cash flows of the reporting unit.

We do not currently anticipate any material impairments on our assets as a result of COVID-19. See Item 1A, Risk Factors of our 2021 Form 10-K for a discussion of the potential impacts of COVID-19 on the fair value of our assets.

Recent Accounting Pronouncements

See “Note 11 - Recent Accounting Pronouncements” included in our Notes to Consolidated Financial Statements for information related to new accounting standards.

ITEM 3. Quantitative and Qualitative Disclosures About Market Risk

As disclosed in “Item 7A, Quantitative and Qualitative Disclosures About Market Risk” of our 2021 Form 10-K, we transact business globally and are subject to risks associated with changing foreign currency exchange rates. We enter into foreign currency hedges such as forward and option contracts that change in value as foreign currency exchange rates change. Our exposures to market risk have not changed materially since December 31, 2021. See “Note 8 - Fair Value Measurements” included in our Notes to Consolidated Financial Statements for additional discussion.

ITEM 4. Controls and Procedures

We performed an evaluation of the effectiveness of our disclosure controls and procedures as of March 27, 2022. The evaluation was performed with the participation of senior management of each business segment and key corporate functions, under the supervision of the Chief Executive Officer (CEO) and Chief Financial Officer (CFO). Based on this evaluation, the CEO and CFO concluded that our disclosure controls and procedures were operating and effective as of March 27, 2022.

There were no changes in our internal control over financial reporting during the quarter ended March 27, 2022 that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Forward-Looking Statements

This Form 10-Q contains statements that, to the extent they are not recitations of historical fact, constitute forward-looking statements within the meaning of the federal securities laws, and are based on our current expectations and assumptions. The words “believe,” “estimate,” “anticipate,” “project,” “intend,” “expect,” “plan,” “outlook,” “scheduled,” “forecast” and similar expressions are intended to identify forward-looking statements. These statements are not guarantees of future performance and are subject to risks and uncertainties. Actual results may differ materially due to factors such as:

- the impact of COVID-19 or future epidemics on our business, including supply chain disruptions and delays, labor challenges associated with employee absences, travel restrictions, site access, program delays, changes in customer payment policies and the impacts of potential vaccine mandates or other requirements;
- budget uncertainty, the risk of future budget cuts, the debt ceiling and the potential for government shutdowns and changing funding and acquisition priorities;
- our reliance on contracts with the U.S. Government, which are dependent on U.S. Government funding and can be terminated for convenience, and our ability to negotiate favorable contract terms;
- risks related to the development, production, sustainment, performance, schedule, cost and requirements of complex and technologically advanced programs, including the F-35 program;
- planned production rates and orders for significant programs, compliance with stringent performance and reliability standards, and materials availability;
- performance and financial viability of key suppliers, teammates, joint ventures and partners, subcontractors and customers;
- economic, industry, business and political conditions including their effects on governmental policy and government actions that disrupt our supply chain or prevent the sale or delivery of our products (such as delays in approvals for exports requiring Congressional notification);
- trade policies or sanctions (including potential Chinese sanctions on us or our suppliers, teammates or partners, U.S. Government sanctions on Turkey and its removal from the F-35 program, and potential indirect effects of sanctions on Russia);
- our success expanding into and doing business in adjacent markets and internationally and the differing risks posed by international sales;
- changes in foreign national priorities and foreign government budgets and planned orders;

- the competitive environment for our products and services, including competition from emerging competitors including startups and non-traditional defense contractors;
- the timing of contract awards as well as the timing and customer acceptance of product deliveries and performance milestones;
- our ability to develop new technologies and products, including emerging digital and network technologies and capabilities;
- our ability to attract and retain a highly skilled workforce, the impact of work stoppages or other labor disruptions;
- cyber or other security threats or other disruptions faced by us or our suppliers;
- our ability to implement and continue, and the timing and impact of, capitalization changes such as share repurchases, dividend payments and financing transactions;
- our ability to recover costs under U.S. Government contracts, the mix of fixed-price and cost-reimbursable contracts, and the impacts of cost overruns and significant increases in inflation;
- the accuracy of our estimates and projections;
- the impact of pension risk transfers, including potential noncash settlement charges, timing and estimates regarding pension funding and movements in interest rates and other changes that may affect pension plan assumptions, stockholders' equity, the level of the FAS/CAS adjustment, and actual returns on pension plan assets and the impact of pension related legislation;
- realizing the anticipated benefits of acquisitions or divestitures, investments, joint ventures, teaming arrangements or internal reorganizations, and market volatility affecting the fair value of investments in our Lockheed Martin Ventures Fund that are marked to market;
- our efforts to increase the efficiency of our operations and improve the affordability of our products and services;
- the risk of an impairment of our assets, including the potential impairment of goodwill recorded at the Sikorsky line of business;
- the availability and adequacy of our insurance and indemnities;
- our ability to benefit fully from or adequately protect our intellectual property rights;
- procurement and other regulations and policies affecting our industry, export of its products, cost allowability or recovery, preferred contract type, and performance and progress payments policy;
- climate change and changes to laws, regulations, policies, markets and customer requirements in response to climate change concerns;
- changes in accounting, U.S. or foreign tax, export or other laws, regulations, and policies and their interpretation or application; and
- the outcome of legal proceedings, bid protests, environmental remediation efforts, audits, government investigations or government allegations that we have failed to comply with law, other contingencies and U.S. Government identification of deficiencies in our business systems.

These are only some of the factors that may affect the forward-looking statements contained in this Form 10-Q. For a discussion identifying additional important factors that could cause actual results to differ materially from those anticipated in the forward-looking statements, see our filings with the U.S. Securities and Exchange Commission (SEC) including, but not limited to, "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2021 and subsequent Quarterly Reports on Form 10-Q. PART II. OTHER INFORMATION

ITEM 1. Legal Proceedings

We are a party to litigation and other proceedings that arise in the ordinary course of our business, including matters arising under provisions relating to the protection of the environment, and are subject to contingencies related to certain businesses we previously owned. These types of matters could result in fines, penalties, cost reimbursements or contributions, compensatory or treble damages or non-monetary sanctions or relief. We believe the probability is remote that the outcome of each of these matters will have a material adverse effect on the corporation as a whole, notwithstanding that the unfavorable resolution of any matter may have a material effect on our net earnings and cash flows in any particular interim reporting period. We cannot predict the outcome of legal or other proceedings with certainty. These matters include the proceedings summarized in “Note 7 - Legal Proceedings and Contingencies” included in our Notes to Consolidated Financial Statements and “Note 15 – Legal Proceedings, Commitments and Contingencies” in our Annual Report on Form 10-K for the year ended December 31, 2021 (2021 Form 10-K) filed with the U.S. Securities and Exchange Commission.

We are subject to federal, state, local and foreign requirements for the protection of the environment, including those for discharge of hazardous materials and remediation of contaminated sites. Due in part to the complexity and pervasiveness of these requirements, we are a party to or have property subject to various lawsuits, proceedings and remediation obligations. The extent of our financial exposure cannot in all cases be reasonably estimated at this time. For information regarding the matters discussed above, including current estimates of the amounts that we believe are required for remediation or clean-up to the extent estimable, see “Note 7 - Legal Proceedings and Contingencies” included in our Notes to Consolidated Financial Statements. See also “Critical Accounting Policies – Environmental Matters” in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and “Note 15 – Legal Proceedings, Commitments and Contingencies”, each in our 2021 Form 10-K, for a description of previously reported matters.

As a U.S. Government contractor, we are subject to various audits and investigations by the U.S. Government to determine whether our operations are being conducted in accordance with applicable regulatory requirements. U.S. Government investigations of us, whether relating to government contracts or conducted for other reasons, could result in administrative, civil or criminal liabilities, including repayments, fines or penalties being imposed upon us, suspension, proposed debarment, debarment from eligibility for future U.S. Government contracting or suspension of export privileges. Suspension or debarment could have a material adverse effect on us because of our dependence on contracts with the U.S. Government. U.S. Government investigations often take years to complete and many result in no adverse action against us. We also provide products and services to customers outside of the U.S., which are subject to U.S. and foreign laws and regulations and foreign procurement policies and practices. Our compliance with local regulations or applicable U.S. Government regulations also may be audited or investigated.

ITEM 1A. Risk Factors

There have been no material changes to the risk factors disclosed in “Item 1A, Risk Factors” of our 2021 Form 10-K. These risks and uncertainties have the potential to materially affect our business, results of operations, financial condition, cash flows, projected results and future prospects. These risks are not exclusive and additional risks to which we are subject include the factors mentioned under “Forward-Looking Statements” and the risks described in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in this Quarterly Report on Form 10-Q.

ITEM 2. Unregistered Sales of Equity Securities and Use of Proceeds

There were no sales of unregistered equity securities during the quarter ended March 27, 2022.

The following table provides information about our repurchases of our common stock that is registered pursuant to Section 12 of the Securities Exchange Act of 1934 during the quarter ended March 27, 2022.

- (a) We close our books and records on the last Sunday of each month to align our financial closing with our business processes, except for the month of December, as our fiscal year ends on December 31. As a result, our fiscal months often differ from the calendar months. For example, March 27, 2022 was the last day of our March 2022 fiscal month.
- (b) In October 2010, our Board of Directors approved a share repurchase program pursuant to which we are authorized to repurchase our common stock in privately negotiated transactions or in the open market at prices per share not exceeding the then-current market prices. From time to time, our Board of Directors authorizes increases to our share repurchase program. The total remaining authorization for future common share repurchases under our share repurchase program was \$1.9 billion as of March 27, 2022. Under the program, management has discretion to determine the dollar amount of shares to be repurchased and the timing of any repurchases in compliance with applicable law and regulation. This includes purchases pursuant to Rule 10b5-1 plans, including accelerated share repurchases. The program does not have an expiration date.
- (c) During the fourth quarter of 2021, we entered into an accelerated share repurchase (ASR) agreement to repurchase \$2.0 billion of our common stock. Under the terms of the ASR agreement we entered into in October 2021, we paid \$2.0 billion and received an initial delivery of 3,621,111 shares of our common stock. Upon final settlement of the ASR agreement in January 2022, we received an additional 2,183,284 shares of our common stock based on the average price paid per share of \$344.57, calculated with reference to the volume-weighted average price (VWAP) of our common stock over the term of the agreement, less a negotiated discount. Average Price Paid Per Share in the table above does not include ASR shares.
- (d) During the first quarter of 2022, we entered into an ASR agreement to repurchase \$2.0 billion of our common stock. Under the terms of the ASR agreement, we paid \$2.0 billion and received an initial delivery of 4,130,738 shares of our common stock in February 2022. Upon final settlement of the ASR agreement in April 2022, we received an additional 550,270 shares of our common stock based on the average price paid per share of \$427.26, calculated with reference to the volume-weighted average price (VWAP) of our common stock over the term of the agreement, less a negotiated discount. Average Price Paid Per Share in the table above does not include ASR shares.
- (e) During the quarter ended March 27, 2022, the total number of shares purchased included 287,548 shares that were transferred to us by employees in satisfaction of tax withholding obligations associated with the vesting of restricted stock units and performance stock units. These purchases were made pursuant to a separate authorization by our Board of Directors and are not included within the program.

Award Date: February 23, 2022

**RESTRICTED STOCK UNIT AWARD AGREEMENT (ANNUAL)
GRANTED UNDER THE LOCKHEED MARTIN CORPORATION
2020 INCENTIVE PERFORMANCE AWARD PLAN**

**THIS DOCUMENT CONSTITUTES PART OF A PROSPECTUS COVERING
SECURITIES THAT HAVE BEEN REGISTERED UNDER THE
SECURITIES ACT OF 1933**

This Award Agreement applies to the Restricted Stock Units ("RSUs") granted by Lockheed Martin Corporation to you as of the Award Date (defined above) under the Lockheed Martin Corporation 2020 Incentive Performance Award Plan ("Plan"). The term Restricted Stock Unit or RSU as used in this Award Agreement refers only to the Restricted Stock Units awarded to you under this Award Agreement. References to the "Corporation" include Lockheed Martin Corporation and its Subsidiaries.

Each RSU entitles you, upon satisfaction of the continuous employment and other requirements set forth in this Award Agreement and the Plan, to receive from the Corporation: (i) one (1) share of the Corporation's common stock, par value \$1.00 per share ("Stock"); and (ii) a cash payment equal to the sum of any cash dividends paid to stockholders of the Corporation during the Restricted Period (as defined below), each in accordance with the terms of this Award Agreement, the Plan, and any rules and procedures adopted by the Management Development and Compensation Committee ("Committee") of the Board of Directors.

This Award Agreement sets forth some of the terms and conditions of your Award under the Plan, as determined by the Committee. Additional terms and conditions, including tax information, are contained in the Plan and in the Prospectus relating to the Plan of which the Plan and this Award Agreement are a part. In the event of a conflict between this Award Agreement and the Plan, the Plan document will control. The number of RSUs applicable to your Award are set forth in the electronic stock plan award recordkeeping system ("Stock Plan System") maintained by the Corporation or its designee at <http://www.stockplanconnect.com>. The Prospectus is also available at this website.

Except as described in Section 9, your Award is not effective or enforceable until you properly acknowledge your acceptance of the Award by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than May 31, 2022 ("Acceptance Deadline"). **Except as described in Section 9, if you do not properly acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited.**

Assuming prompt and proper acknowledgement of your acceptance of this Award Agreement as described above and in Section 9, this Award will be effective as of the Award Date. Acceptance of this Award Agreement constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award and your agreement to be bound by the restrictions contained in Section 9 and Exhibit A ("Post-Employment Conduct Agreement") and Exhibit B ("Stock Ownership Requirements"), as amended from time to time.

1. CONSIDERATION FOR AWARD

The consideration for the RSUs is your continued service to the Corporation as an Employee during the Restricted Period set forth below. If you do not continue to perform services for the Corporation as an Employee during the entire Restricted Period as set forth below under "RESTRICTED PERIOD, FORFEITURE," your Award will be forfeited in whole or in part.

2. RIGHTS OF OWNERSHIP, RESTRICTIONS ON TRANSFER

During the Restricted Period, your RSUs will be subject to forfeiture. Until the Restricted Period ends with respect to a particular RSU and a share of Stock is delivered to you, you generally will not have the rights and privileges of a stockholder. In particular, you will not have the right to vote your RSUs on any matter put to the stockholders of the Corporation; you may not sell, transfer, assign, pledge, use as collateral or otherwise dispose of or encumber RSUs; and you will not have the right to receive any dividends paid to stockholders or dividend equivalents on the RSUs.

Upon expiration or termination of the Restricted Period with respect to your RSUs, and subject to the forfeiture provisions set forth below, each RSU for which the restrictions have lapsed will be exchanged for a certificate (either in paper or book entry form) evidencing one (1) share of Stock issued in your name and a cash amount equal to the dividends that would have been paid to you had you owned such share from the Award Date until the expiration or termination of the Restricted Period ("Deferred Dividend Equivalents" or "DDEs"). Your shares and the cash payment for the DDEs will be delivered to you as soon as practicable, but not later than sixty (60) days after the expiration or termination of the Restricted Period, and in no event later than the March 15 following the expiration or termination of such Restricted Period (or, for taxpayers in Canada or as otherwise required by local country law, in no event later than the December 31 following the expiration or termination of such Restricted Period).

The certificates delivered to you may contain any legend the Corporation determines is appropriate under the securities laws.

You are responsible for payment of all Taxes imposed on you as a result of the Award. The Corporation will comply with all applicable U.S. Tax withholding requirements applicable to the RSUs, the DDEs, and associated Stock. Please see the Prospectus for the Plan for a discussion of certain material U.S. Tax consequences of the Award. Any withholding Tax on shares of Stock (and associated DDEs) deliverable to you will be satisfied by means of the Corporation's reducing the number of shares of Stock (and associated DDEs) deliverable to you in respect of a vested Award. If you are an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate. If you are not an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate, unless you elect otherwise in accordance with procedures established by the Corporation during an election window that may be offered by the Corporation. If you elect a lower tax rate for withholding, then you may owe additional taxes as a result of the payment of the Award.

If any Tax withholding is required with respect to any Award (including with respect to associated DDEs) during the Restricted Period, the Corporation generally shall reduce the Award by the number of shares of Stock and/or the amount of associated DDEs with a value equal to the Tax withholding obligation and such shares of Stock and/or DDEs will be used to satisfy the Tax withholding obligation.

The Corporation shall also have the right to (i) offset any other obligation of the Corporation to you (including but not limited to by withholding from your salary) by an amount sufficient to satisfy the Tax withholding obligation, or (ii) require you (or your estate) to pay the Corporation an amount equal to the Tax withholding obligation.

If you are a taxpayer in a country other than the U.S., you agree to make appropriate arrangements with the Corporation or its subsidiaries for the satisfaction of all income and employment tax withholding requirements, as well as social insurance contributions applicable to the RSUs, the DDEs, and associated Stock. Please see the tax summary for your country on the Stock Plan System at <http://www.stockplanconnect.com>. If you are a taxpayer in a country other than the U.S., you represent that you will consult with your own tax advisors in connection with this Award and that you are not relying on the Corporation for any tax advice.

If a payment under this Award constitutes nonqualified deferred compensation under Section 409A of the Code, no payment due upon termination of employment shall be made unless the termination of employment is a "separation from service" as defined in Section 409A of the Code and accompanying regulations. In the event Code section 409A(a)(2)(B)(i) applies because you are a specified employee receiving a distribution on account of a termination of employment, delivery of Stock and the DDEs may be delayed for six months from such date. Similarly, if you are an Insider subject to the reporting provisions of Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act"), delivery of Stock following the expiration of the Restricted Period for any reason may be delayed for six months. For example, if the delivery of the Stock would result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, delivery will be delayed until the earliest date upon which the delivery either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act.

After the Stock is delivered to you, you will enjoy all of the rights and privileges associated with ownership of the shares, including the right to vote on any matter put to stockholder vote, to receive dividends, and to encumber, sell or otherwise transfer the shares. You should note, however, that, while the shares would thus be free of the restrictions imposed during the Restricted Period, your ability to sell or pledge the shares may be limited under the federal securities laws or corporate policy.

In the event of your death, the Stock and cash payment for the DDEs in respect of your RSUs will be transferred to your Beneficiary (as defined in the Plan).

3. RESTRICTED PERIOD, FORFEITURE

Except as otherwise provided in Section 4 below or as required to satisfy a Tax withholding obligation as provided in Section 2 above, all of your RSUs will be forfeited and all of your rights to the RSUs and to receive Stock for your RSUs and to receive cash payment for the DDEs will cease without further obligation on the part of the Corporation unless (i) except as described in Section 9, you personally accept this Award Agreement as provided in Section 9 by the Acceptance Deadline, and (ii) you provide services to the Corporation as an Employee of the Corporation throughout the entire Restricted Period. The Restricted Period begins on the Award Date and terminates on February 23, 2025 (the "Vesting Date"), subject only to the specific exceptions provided below.

4. DEATH, DISABILITY, LAYOFF, RETIREMENT

(a) Death and Disability

Your RSUs and the DDEs will immediately vest and no longer be subject to the continuing employment requirement if:

- (i) you die while still employed by the Corporation; or
- (ii) you terminate employment as a result of your total disability. Your employment will be treated as terminating because of a total disability on the date you commence receiving a benefit under the Corporation's long-term disability plan in which you participate (or, if you are not enrolled in

the Corporation's long-term disability plan, on the date on which long-term disability benefits would have commenced under the plan under which you would have been covered, had you enrolled, using the standards set forth in that plan).

The vested RSUs will be exchanged for shares of Stock, and the DDEs will be paid in cash as soon as practicable, but no later than sixty (60) days after the date of your termination of employment, on account of death or total disability, and in no event later than the March 15 next following the year in which such termination occurs (or, for taxpayers in Canada or as otherwise required by local country law, in no event later than the December 31 following such termination).

Except as otherwise determined by the Corporation in its discretion in accordance with Section 9, in the event that you die and have not properly acknowledged acceptance of the Award prior to your death (or by the Acceptance Deadline, whichever comes first), you will forfeit all of your RSUs granted hereunder and all of your rights to the RSUs and to receive Stock for your RSUs and the DDEs will cease without further obligation on the part of the Corporation.

(b) Retirement

If you retire from the Corporation and the effective date of your retirement is after August 23, 2022 (the "Minimum Service Date"), but before the Vesting Date, you will continue to vest in your RSUs and the DDEs as if you had remained employed by the Corporation until the Vesting Date. The effective date of your retirement is the first day following the date you terminate service with the Corporation.

The vested RSUs will be exchanged for shares of Stock, and the related DDEs associated with the vested portion of your RSUs will be paid in cash, on or as soon as practicable after the Vesting Date, but in no event later than the March 15 following the end of the Restricted Period (or, for taxpayers in Canada or as otherwise required by local country law, in no event later than the December 31 following the end of the Restricted Period).

For purposes of this provision, the term "retirement" means retirement from service following attainment of (i) age 55 and ten years of service (at the time of termination), or (ii) age 65.

(c) Layoff

If you are laid off by the Corporation (including through a voluntary separation program that constitutes a window program under Section 409A of the Code) and the effective date of your layoff is after the Minimum Service Date, but before the Vesting Date, you will be eligible to receive a fraction of your RSUs and the associated DDEs on such fraction, with the numerator of such fraction being the number of days in the Restricted Period before your employment as an Employee terminated due to layoff, and the denominator being the total number of days in the Restricted Period. Fractional shares shall be rounded up to the next whole share. Notwithstanding the foregoing, if you are an employee who has been identified by the Corporation as subject to Divestiture (as defined in Section 6 below), and the effective date of your layoff is after the Award Date but before the Minimum Service Date, you will be eligible for pro-rata vesting as described in this Section 4(c).

As a condition to the vesting of any RSUs (and associated DDEs) upon your layoff in accordance with this Section, you will be required to execute and deliver to the Corporation a general release of claims against the Corporation in a form acceptable to the Corporation within the time period specified by the Corporation in such release and not revoke such release within any revocation period provided for therein. Except as otherwise expressly provided by the Corporation in writing, a failure to satisfy this condition will result in forfeiture of such RSUs (and associated DDEs) upon your layoff during the Restricted Period.

The vested portion of your RSUs will be exchanged for shares of Stock, and the related DDEs associated with the vested portion of your RSUs will be paid in cash, on or as soon as practicable after the Vesting Date, but in no event later than the March 15 following the end of the Restricted Period (or, for taxpayers in Canada or as otherwise required by local country law, in no event later than the December 31 following the end of the Restricted Period).

If you are employed in Canada, for purposes of the Award Agreement, the date of termination of employment will be the last day of actual and active employment. For the avoidance of doubt, except as may be required by applicable minimum standards legislation, no period of notice or payment in lieu of notice that is given or that ought to have been given under any applicable law or contract in respect of such termination of employment that follows or is in respect of a period after your last day of actual and active employment, if any, will be considered as extending your period of employment for purposes of determining your entitlement under this Award Agreement.

5. RESIGNATION OR TERMINATION BEFORE THE VESTING DATE

Except where prohibited by law, if you resign or your employment otherwise terminates before the Vesting Date, other than on account of death, total disability, layoff, or retirement (as described above), or Divestiture or Change in Control (as described below), you will forfeit your RSUs and the related DDEs on the date of your termination.

Except where prohibited by law, if your employment terminates for any reason before the Vesting Date, by action of the Corporation due to your misconduct, then you will forfeit your RSUs and the associated DDEs on the date of your termination. If your employment terminates due to your misconduct after the Minimum Service Date, but before the Vesting Date, then you will not be eligible for continued vesting under Section 4(b) of the Award Agreement, even if at the time of your termination due to misconduct you have attained (i) age 55 and ten years of service, or (ii) age 65. The business area or Enterprise Operations review committee responsible for determinations of misconduct, or the Committee if you are an Elected Officer, will determine if your employment terminates due to misconduct.

6. DIVESTITURE

In the event of a Divestiture (as defined below) of all or substantially all of a business operation of the Corporation and such Divestiture results in the termination of your employment with the Corporation or its subsidiaries and the transfer of such employment to the other party to the Divestiture or the entity resulting from the Divestiture (or its affiliate), then the Committee may arrange for such other party or entity to assume or continue your RSUs or substitute equivalent restricted securities for your RSUs, with the same terms and conditions that apply to your RSUs pursuant to this Award Agreement, and the remainder of this Section 6 shall not apply.

If (i) such assumption, continuance or substitution of your RSUs does not occur, (ii) the Divestiture results in the termination of your employment with the Corporation or its subsidiaries, and (iii) your employment transfers to the other party to the Divestiture or the entity resulting from the Divestiture (or its affiliate), then the following rules will apply:

(a) Pro-rata Vesting. You shall be eligible to receive a fraction of your RSUs and the associated DDEs with respect to such fraction. The numerator of such fraction shall equal the number of days in the Restricted Period before your employment as an Employee terminated due to the Divestiture, and the denominator shall equal the total number of days in the Restricted Period. Fractional shares shall be rounded up to the next whole share.

(b) Special Rule if Retirement Eligible. Notwithstanding Section 6(a) immediately above, if at the time your employment with the Corporation or its subsidiaries terminates due to Divestiture and transfers to the other party to the Divestiture or the resulting entity to the Divestiture (or its affiliate), you are eligible for retirement treatment under Section 4(b) above (without regard to whether your termination occurs after the Minimum Service Date), then the

Corporation will treat you as having retired and apply the vesting provision in Section 4(b) above to your RSUs.

(c) No Further Rights. The Committee shall have complete and absolute discretion to make the determinations called for under this Section 6, and all such determinations shall be binding on you and on any person who claims all or any part of your RSUs and associated DDEs on your behalf as well as on the Corporation. If you terminate employment during the Restricted Period due to Divestiture but are eligible to receive a portion of your RSUs and associated DDEs as a result of this Section 6, payment of such portion of your RSUs and associated DDEs shall be in full satisfaction of all rights you have under this Award Agreement and you will receive shares of Stock in exchange for RSUs and the cash payment for the DDEs as soon as practicable, but no later than sixty (60) days after your termination of employment with the Corporation.

For the purposes of this Section 6, the term "Divestiture" shall mean a transaction that results in the transfer of control of the business operation divested to any person, corporation, association, partnership, joint venture, limited liability company or other business entity of which less than 50% of the voting stock or other equity interests (in the case of entities other than corporations), is owned or controlled directly or indirectly by the Corporation, by one or more of the Corporation's subsidiaries or by a combination thereof.

7. CHANGE IN CONTROL DURING THE RESTRICTED PERIOD

In the event of a consummation of a Change in Control during the Restricted Period, the number of RSUs subject to this Award and associated DDEs will become vested (i) on the effective date of the Change in Control if the RSUs are not assumed, continued, or equivalent restricted securities are not substituted for the RSUs by the Corporation or its successor, or (ii) if the RSUs are assumed, continued or substituted by the Corporation or its successor, on the effective date of your involuntary termination by the Corporation or its successor other than for Cause (as defined herein, not including death or total disability) or your voluntary termination with Good Reason (as defined herein), in either case, within the 24-month period following the consummation of the Change in Control.

In the event the RSUs and associated DDEs vest in accordance with this Section 7 (whether immediately following the Change in Control or following your termination), the shares of Stock or equivalent substituted securities in which you have become vested and the associated DDEs (less any Tax withholding) shall be delivered to you within 14 days of the date on which you become vested.

(a) "Cause" shall mean either of the following:

- (i) Conviction for an act of fraud, embezzlement, theft or other act constituting a felony (other than traffic-related offenses or as a result of vicarious liability); or
- (ii) Willful misconduct that is materially injurious to the Corporation's financial position, operating results or reputation; provided, however that no act or failure to act shall be considered "willful" unless done, or omitted to be done, by you (a) in bad faith; (b) for the purpose of receiving an actual improper personal benefit in the form of money, property or services; or (c) in circumstances where you had reasonable cause to believe that the act or failure to act was unlawful.

(b) "Good Reason" shall mean, without your express written consent, the occurrence of any one or more of the following after the Change in Control:

- (i) A material and substantial reduction in the nature or status of your authority or responsibilities;
- (ii) A material reduction in your annualized rate of base salary;
- (iii) A material reduction in the aggregate value of your level of participation in any short or long term incentive cash compensation plan, employee benefit or retirement plan or compensation practices, arrangements, or policies;
- (iv) A material reduction in the aggregate level of participation in equity-based incentive compensation plans; or
- (v) Your principal place of employment is relocated to a location that is greater than 50 miles from your principal place of employment on the date the Change in Control is consummated.

Your continued employment following an event that would constitute a basis for voluntary termination with Good Reason shall not constitute Good Reason if you consent to, or waive your rights with respect to any circumstances constituting Good Reason. In addition, the occurrence of an event described in (i) through (v) shall constitute the basis for voluntary termination for Good Reason only if you provide written notice of your intent to terminate employment within 90 days of the first occurrence of such event and the Corporation has had at least 30 days from the date on which such notice is provided to cure such occurrence. If you do not terminate employment for Good Reason within 180 days after the first occurrence of the applicable grounds, then you will be deemed to have waived your right to terminate for Good Reason with respect to such grounds.

8. AMENDMENT AND TERMINATION OF PLAN OR AWARDS

As provided in Section 9 of the Plan, subject to certain limitations contained within Section 9, the Board of Directors may at any time amend, suspend or discontinue the Plan and the Committee may at any time deviate from or amend this Award Agreement. Notwithstanding Section 9 of the Plan, no such amendment, suspension or discontinuance of the Plan or deviation from or amendment of Award Agreements will, except with your express written consent, adversely affect your rights under this Award Agreement. This Award Agreement shall not be amended or interpreted in a manner that is reasonably believed to result in the imposition of Tax under Section 409A of the Code.

9. ACCEPTANCE OF AWARD AGREEMENT; ELECTRONIC DELIVERY

No Award is enforceable until you properly acknowledge your acceptance of this Award Agreement by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than the Acceptance Deadline. Acceptance of this Award Agreement must be made only by you personally or by a person acting pursuant to a power of attorney in the event of your inability to acknowledge your acceptance (and not by your estate, your spouse or any other person) and constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award. Notwithstanding the foregoing, this Award will be enforceable and deemed accepted, and will not be forfeited, if you are unable to accept this Award Agreement personally by the Acceptance Deadline, due to your death, disability, incapacity, deployment in the Armed Forces, or similar unforeseen circumstance as determined

by the Corporation in its discretion. If you desire to accept this Award, you must acknowledge your acceptance and receipt of this Award Agreement electronically on or before the Acceptance Deadline, by going to the Stock Plan System at <http://www.stockplanconnect.com>.

Assuming prompt and proper acknowledgment of this Award Agreement as described above, this Award will be effective as of the Award Date.

By accepting this Award Agreement, you consent to receive copies of the Prospectus applicable to this Award from the Stock Plan System (<http://www.stockplanconnect.com>) as well as to electronic delivery of the Corporation's annual report on Form 10-K, proxy statement and quarterly reports on Form 10-Q. This consent can only be withdrawn by written notice to the Vice President of Total Rewards at Lockheed Martin Corporation, Mail Point 126, 6801 Rockledge Drive, Bethesda, MD 20817.

The Corporation will deliver any documents related to RSUs awarded under the Plan or future RSUs that may be awarded under the Plan through the Stock Plan System. The Corporation will request your consent to participate in the Plan through the Stock Plan System. You hereby consent to receive such documents and agree to participate in the Plan through the Stock Plan System.

Except as described above, if you do not personally acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited as noted above.

10. POST-EMPLOYMENT COVENANTS

Except where prohibited by law, by accepting this Award Agreement as described in Section 9, you agree to the terms of the Post-Employment Conduct Agreement contained in Exhibit A to this Award Agreement.

11. STOCK OWNERSHIP REQUIREMENTS

Except where prohibited by law, by accepting this Award Agreement through the procedure described in Section 9, you acknowledge receipt of the Stock Ownership Requirements ("Ownership Requirements") attached as Exhibit B and agree to comply with such Ownership Requirements as amended from time to time. If you are not a Vice President (or above) on the Award Date, but you are promoted to Vice President (or above) prior to the Vesting Date, the Ownership Requirements as in effect at that time shall become applicable to you on the date of your promotion to Vice President (or above).

12. DATA PRIVACY CONSENT FOR EMPLOYEES LOCATED OUTSIDE OF THE UNITED STATES

To the extent recognized under applicable law, if you are located outside of the United States, then by accepting this Award Agreement as described in Section 9, you hereby explicitly and unambiguously consent to, and acknowledge the need for, the collection, use and transfer, in electronic or other form, of your Personal Data (defined below) as described in this Award Agreement by and among the Corporation for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Corporation collects, holds, uses, and processes certain information about you, including, but not limited to, your name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares or directorships held in the Corporation, details of all awards or any other entitlement to shares awarded, canceled, exercised, vested, unvested or outstanding in your favor, for the purpose of implementing, administering and managing the Plan ("Personal Data"). The Corporation acts as the controller/owner of this Personal Data, and processes this Personal Data for purposes of implementing, administering, and managing the Plan. The Corporation

protects the Personal Data that it receives in the United States from the European Union ("EU"), or any other location outside the United States, in accordance with data transfer agreements based on EU-approved Standard Contractual Clauses.

You understand that Personal Data may be transferred to any third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in your country or elsewhere, and that the recipient's country may have different, including less stringent, data privacy laws and protections than your country. You may request a list with the names and addresses of any third-party recipients of the Personal Data at any time by contacting your local human resources representative. When disclosing Personal Data to these third parties, the Corporation provides appropriate safeguards for protecting the transfer of your Personal Data, such as establishing standard data protection clauses with the third parties as adopted by the European Commission. You may request a copy of, or information about, such safeguards by contacting your local human resources representative. You recognize that the Corporation and any other possible recipients including any present or future third-party recipients must receive, possess, use, retain and transfer your Personal Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan, including any requisite transfer of such Personal Data as may be required to a broker or other third party with whom the Corporation may elect to administer the settlement of any award. You understand that Personal Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan and comply with applicable legal requirements.

To the extent provided by your local law, you may, at any time, have the right to request: access to your Personal Data, rectification of your Personal Data, erasure of your Personal Data, restriction of processing of your Personal Data, portability of your Personal Data and information about the storage and processing of your Personal Data. You may also have the right to object, on grounds related to a particular situation, to the processing of your Personal Data, as well as to refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand, however, that refusing or withdrawing your consent may affect your ability to participate in the Plan. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

- (c) all determinations with respect to such future RSUs, if any, including but not limited to the times when RSUs shall be granted or when RSUs shall vest, will be at the sole discretion of the Committee or its delegate;

- (e) the value of the RSUs is an extraordinary item of compensation, which is outside the scope of your employment contract (if any), except as may otherwise be explicitly provided in your employment contract;

14. ENGLISH LANGUAGE

You have received the terms and conditions of this Award Agreement and any other related communications, and you consent to having received these documents in English. If you have received this Award Agreement or any other documents related to the Plan translated into a language other than English, and if the translated version is different from the English version, the English version will control.

Quebec Residents Only: The Parties have agreed that this Award Agreement, the Plan as well as any notice, document or instrument relating to them be drawn up in English only. You acknowledge that, upon your reasonable request, the Corporation will provide a French translation of such documents to you. Les parties aux présentes ont convenu que la présente accord, le "Plan," ainsi que tous autres avis, actes ou documents s'y rattachant soient rédigés en anglais seulement. Vous reconnaissez que, à votre demande raisonnable, "the Corporation" fournit une traduction française de ces documents à vous.

15. CURRENCY EXCHANGE RISK

If your functional currency is not the U.S. dollar, you agree and acknowledge that you will bear any and all risk associated with the exchange or fluctuation of currency associated with the RSUs, including without limitation sale of the Stock and payment of DDEs (the "Currency Exchange Risk"). Any cash payments due to you under this Award Agreement will be converted to your functional currency at the rate determined by the Corporation, in its discretion, on the last day of the Restricted Period. You waive and release the Corporation and its subsidiaries from any potential claims arising out of the Currency Exchange Risk.

16. EXCHANGE CONTROL REQUIREMENTS

You agree and acknowledge that you will comply with any and all exchange control requirements applicable to the RSUs and the sale of Stock and any resulting funds including, without limitation, reporting or repatriation requirements. You further agree and acknowledge that you will determine whether any such requirements are applicable to the Award and any resulting funds, and that you are not relying on the Corporation for any advice in this regard.

17. MISCELLANEOUS

If you are on leave of absence, for the purposes of the Plan, you will be considered to still be in the employ of the Corporation unless otherwise provided in an agreement between you and the Corporation.

Nothing contained in this Award Agreement shall confer upon you any right of continued employment by the Corporation or guarantee that any future awards will be made to you under the Plan. In addition, nothing in this Award Agreement limits in any way the right of the Corporation to terminate your employment at any time. Neither the value of the RSUs awarded to you nor the DDEs will be taken into account for other benefits offered by the Corporation, including but not limited to retirement benefits. Notwithstanding any other provision of this Award Agreement to the contrary, no Stock will be issued to you pursuant to this Award Agreement within six months from the Award Date.

Transactions involving Stock delivered under this Award Agreement are subject to the securities laws and CPS 722 (a copy of which has been made available to you). Among other things, CPS 722 prohibits employees of the Corporation from engaging in transactions that violate securities laws or involve hedging or pledging stock. Insiders are subject to additional restrictions. **The Corporation recommends that Insiders consult with the Senior Vice President, General Counsel and Corporate Secretary or staff before entering into any transactions involving Stock or RSUs.**

You have no rights as a stockholder to any securities covered by this Award Agreement until the date on which you become the holder of record of such securities. Capitalized terms used, but not defined herein, shall have the meanings ascribed to them in the Plan.

Exhibit A
Post-Employment Conduct Agreement
(Annual RSU Grant)

This Post-Employment Conduct Agreement (this "PECA") attached as Exhibit A to the Award Agreement with an Award Date of February 23, 2022 (the "Award Agreement"), is entered into in consideration of, among other things, the grant of restricted stock units to me under the Award Agreement (the "RSUs") pursuant to the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (the "Plan") and the consideration set forth in Section 2 below. References to the "Corporation" shall include Lockheed Martin Corporation and its Subsidiaries. By accepting the RSUs, I agree as follows:

1. Restrictions Following Termination of Employment.

(a) Covenant Not To Compete – Without the express written consent of the "Required Approver" (as defined in Section 6), during the "Restricted Period" (as defined in Section 6) I will not, directly or indirectly, be employed by, provide services to, or advise a "Restricted Company" (as defined in Section 6), whether as an employee, advisor, director, officer, partner or consultant, or in any other position, function or role that, in any such case,

- (i) oversees, controls or affects the design, operation, research, manufacture, marketing, sale or distribution of "Competitive Products or Services" (as defined in Section 6) of or by the Restricted Company, or
- (ii) would involve a substantial risk that the "Confidential or Proprietary Information" (as defined in Section 1(c) below) of the Corporation (including but not limited to technical information or intellectual property, strategic plans, information relating to pricing offered to the Corporation by vendors or suppliers or to prices charged or pricing contemplated to be charged by the Corporation, information relating to employee performance, promotions or identification for promotion, or information relating to the Corporation's cost base) could be used to the disadvantage of the Corporation.

I acknowledge and agree that: (A) enforcement of this PECA pursuant to Sections 1(a)(i) and (ii) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Sections 1(a)(i) and (ii) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct (such as the ABA Model Rules of Professional Conduct and state versions thereof), Sections 1(a)(i) and (ii) and Section 1(b) relating to non-solicitation, shall apply to individuals who are employed by the Corporation in an attorney position and whose occupation during the Restricted Period does not include practicing law.

In lieu of Section 1(a)(i) and (ii), as well as Section 1(b) relating to non-solicitation, the following Section 1(a)(iii) shall apply to individuals who are employed by the Corporation in an attorney position, and whose occupation during the Restricted Period includes practicing law.

- (iii) Post-Employment Activity As a Lawyer – I acknowledge that as counsel to the Corporation, I owe ethical and fiduciary obligations to the Corporation and that at least some of these obligations will continue even after the "Termination Date" (as defined in Section 6). I agree that after my Termination Date I will comply fully with all applicable ethical and fiduciary obligations that I owe to the Corporation. To the extent permitted by

applicable law, including but not limited to any applicable rules governing attorney conduct, I agree that I will not:

- a. Represent any client in the same or a substantially related matter in which I represented the Corporation where the client's interests are materially adverse to the Corporation; or
- b. Disclose confidential information relating to my representation of the Corporation, including the disclosure of information that is to the disadvantage of the Corporation, except for information that is or becomes generally known.

The Corporation's Senior Vice President, General Counsel, and Corporate Secretary or the General Tax Counsel, as applicable, will determine in their discretion whether an individual is employed by the Corporation in an attorney position.

(b) Non-Solicit – Without the express written consent of the Required Approver, during the two-year period following the Termination Date, I will not (i) cause or attempt to cause, directly or indirectly, the complete or partial loss of any contract in effect before the Termination Date between the Corporation and any customer, supplier, distributor or manufacturer of or to the Corporation with which I was responsible, in whole or in part, for soliciting, negotiating, implementing, managing, or overseeing or (ii) induce or attempt to induce, directly or indirectly, any person who is an employee of the Corporation with whom I worked or interacted with within two years prior to the Termination Date to cease employment with the Corporation in order to perform work or services for any entity other than the Corporation.

I acknowledge and agree that: (A) the enforcement of this PECA pursuant to Section 1(b)(i) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(b)(i) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

(c) Protection of Proprietary Information – Except to the extent required by law, following my Termination Date, I will have a continuing obligation to comply with the terms of any non-disclosure or similar agreements that I signed while employed by the Corporation committing to hold confidential the "Confidential or Proprietary Information" (as defined below) of the Corporation or any of its affiliates, subsidiaries, related companies, joint ventures, partnerships, customers, suppliers, partners, contractors or agents, in each case in accordance with the terms of such agreements. I will not use or disclose or allow the use or disclosure by others to any person or entity of Confidential or Proprietary Information of the Corporation or others to which I had access or that I was responsible for creating or overseeing during my employment with the Corporation. In the event I become legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or otherwise) to disclose any proprietary or confidential information, I will immediately notify the Corporation's Senior Vice President, General Counsel and Corporate Secretary as to the existence of the obligation and will cooperate with any reasonable request by the Corporation for assistance in seeking to protect the information. All materials to which I have had access, or which were furnished or otherwise made available to me in connection with my employment with the Corporation shall be and remain the property of the Corporation. For purposes of this PECA, "Confidential or Proprietary Information" means trade secrets, as defined by the federal Defend Trade Secrets Act of 2016 and/or applicable state trade secret law, and Sensitive Information within the meaning of CRX-015 (a copy of which has been made available to me), including but not limited to information that a person or entity desires to protect from unauthorized disclosure to third parties that can provide the person or entity with a business, technological, or economic advantage over its competitors, or which, if known or used by third parties or if used by the person's or entity's employees or agents in an unauthorized manner, might be detrimental to the

person's or entity's interests. Confidential or Proprietary Information may include, but is not limited to:

- (i) existing and contemplated business, marketing and financial business information such as business plans and methods, marketing information, cost estimates, forecasts, financial data, cost or pricing data, bid and proposal information, customer identification, sources of supply, contemplated product lines, proposed business alliances, and information about customers and competitors,
- (ii) existing and contemplated technical information and documentation pertaining to technology, know how, equipment, machines, devices and systems, computer hardware and software, compositions, formulas, products, processes, methods, designs, specifications, mask works, testing or evaluation procedures, manufacturing processes, production techniques, research and development activities, inventions, discoveries, and improvements, and
- (iii) human resources and personnel information.

(d) No Disparagement – Following the Termination Date, I will not make any statements, whether verbal or written, that disparage or reasonably may be interpreted to disparage the Corporation or its directors, officers, employees, technology, products or services with respect to any matter whatsoever.

(e) Cooperation in Litigation and Investigations – Following the Termination Date, I will, to the extent reasonably requested, cooperate with the Corporation in any pending or future litigation (including alternative dispute resolution proceedings) or investigations in which the Corporation or any of its subsidiaries or affiliates is a party or is required or requested to provide testimony and regarding which, as a result of my employment with the Corporation, I reasonably could be expected to have knowledge or information relevant to the litigation or investigation. Notwithstanding any other provision of this PECA, nothing in this PECA shall affect my obligation to cooperate with any governmental inquiry or investigation or to give truthful testimony in court.

(f) Communications with Regulatory Authorities – Nothing in this PECA prohibits or restricts me (or my attorney) from initiating communications directly with, responding to an inquiry from, or providing testimony before the Securities and Exchange Commission or any other federal or state regulatory authority regarding a possible securities law violation.

(g) Notices under the Defend Trade Secrets Act and NLRA – Notwithstanding anything in this PECA to the contrary:

- (i) I will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (1) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and solely for the purpose of reporting or investigating a suspected violation of law; or (2) in a complaint or other document that is filed under seal in a lawsuit or other proceeding.
- (ii) If I file a lawsuit for retaliation by the Corporation for reporting a suspected violation of law, I may disclose the Corporation's trade secrets to my attorney and use the trade secret information in the court proceeding if I (1) file any document containing the trade secret under seal; and (2) do not disclose the trade secret, except pursuant to court order.
- (iii) Nothing in this PECA in any way prohibits or is intended to restrict or impede, and shall not be interpreted or understood as restricting or

impeding, me from exercising my rights under Section 7 of the National Labor Relations Act (NLRA).

2. Consideration and Acknowledgement. I acknowledge and agree that the benefits and compensation opportunities being made available to me under the Award Agreement are in addition to the benefits and compensation opportunities that otherwise are or would be available to me in connection with my employment by the Corporation and that the grant of the RSUs is expressly made contingent upon my agreements with the Corporation set forth in this PECA. I acknowledge that the scope and duration of the restrictions in Section 1 are necessary to be effective and are fair and reasonable in light of the value of the benefits and compensation opportunities being made available to me under the Award Agreement. I further acknowledge and agree that as a result of the high level executive and management positions I hold with the Corporation and the access to and extensive knowledge of the Corporation's Confidential or Proprietary Information, employees, suppliers and customers, these restrictions are reasonably required for the protection of the Corporation's legitimate business interests, including, but not limited to, the Corporation's Confidential or Proprietary Information.

3. Remedies For Breach of Section 1; Additional Remedies of Clawback and Recoupment.

(a) I agree, upon demand by the Corporation, to forfeit, return or repay to the Corporation the "Benefits and Proceeds" (as defined below) in the event any of the following occur:

- (i) I breach any of the covenants or agreements in Section 1;
- (ii) The Corporation determines that either (a) my intentional misconduct or gross negligence, or (b) my failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation, contributed to the Corporation having to restate all or a portion of its financial statements filed for any period with the Securities and Exchange Commission;
- (iii) The Corporation determines that I engaged in fraud, bribery, or any other illegal act, or that my intentional misconduct or gross negligence (including the failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation) contributed to another person's fraud, bribery, or other illegal act, which in any such case adversely affected the Corporation's financial position or reputation;
- (iv) The Corporation determines that my intentional misconduct or gross negligence caused severe reputational or financial harm to the Corporation;
- (v) The Corporation determines that I misappropriated Confidential or Proprietary Information, as defined in Section 1(c), and I (A) intended to use the misappropriated Confidential or Proprietary Information to cause severe reputational or financial harm to the Corporation or (B) used the misappropriated Confidential or Proprietary Information in a manner that caused severe reputational or financial harm to the Corporation; or
- (vi) Under such other circumstances specified by final regulation issued by the Securities and Exchange Commission entitling the Corporation to recapture or clawback "Benefits and Proceeds" (as defined below).

(b) The remedy provided in Section 3(a) shall not be the exclusive remedy available to the Corporation for any of the conduct described in Section 3(a) and shall not limit the Corporation from seeking damages or injunctive relief. For purposes of Section 3(a), a

determination by the Corporation means, with respect to an Elected Officer, a determination by the Management Development and Compensation Committee of the Board of Directors of the Corporation (the "Committee") and, with respect to any other employee, a determination by a review committee consisting of the Senior Vice President, Chief Human Resources Officer, the Senior Vice President, Ethics and Enterprise Assurance, and the Senior Vice President, General Counsel and Corporate Secretary (the "Review Committee").

(c) For purposes of this Section 3, "Benefits and Proceeds" means (i) to the extent I own Stock issued in respect of vested RSUs, such Stock; (ii) to the extent I no longer own the shares of Stock of the Corporation issued in respect of the RSUs, cash in an amount equal to the greater of (x) the value of such Stock on the date the associated RSUs vested (which, unless otherwise determined by the Committee or the Review Committee, as applicable, shall be equal to the closing price of the shares of Stock as finally reported by the New York Stock Exchange on such date), and (y) the proceeds received in connection with the disposition of such Stock; and (iii) to the extent I have not earned the RSUs fully, all of my remaining rights, title or interest in my Award and any accrued dividend equivalents with respect thereto.

4. Injunctive Relief. I acknowledge that the Corporation's remedies at law may be inadequate to protect the Corporation against any actual or threatened breach of the provisions of Section 1 or the conduct described in Section 3(a), and, therefore, without prejudice to any other rights and remedies otherwise available to the Corporation at law or in equity (including but not limited to, an action under Section 3(a)), the Corporation shall be entitled to the granting of injunctive relief in its favor and to specific performance without proof of actual damages and without the requirement of the posting of any bond or similar security.

5. Invalidity; Unenforceability. It is the desire and intent of the parties that the provisions of this PECA shall be enforced to the fullest extent permissible. The covenants in each section of this PECA are independent of any other provisions of this PECA. Each term in this PECA constitutes a separate covenant between the parties, and each term is fully severable from any other term. The parties agree if any particular paragraphs, subparagraphs, phrases, words, or other portions of this PECA are determined by an appropriate court to be invalid or unenforceable as written, they shall be modified as necessary to comport with the reasonable intent and expectations of the parties and in favor of providing reasonable protection to all of the Corporation's legitimate business interests, and such modification shall not affect the remaining provisions of this PECA, or if they cannot be modified to be made valid or enforceable, then they shall be severed from this PECA, and all remaining terms and provisions shall remain enforceable.

6. Definitions. Capitalized terms not defined in this PECA have the meaning given to them in the Plan, as applicable. For purposes of this PECA, the following terms have the meanings given below:

(a) "Restricted Company" means The Boeing Company, General Dynamics Corporation, Northrop Grumman Corporation, Raytheon Technologies Corporation, Honeywell International Inc., BAE Systems Inc., L3Harris Technologies, Inc., Thales, Airbus Group, Inc., Textron Inc., Leonardo S.p.A., Leidos Holdings, Inc., Space Exploration Technologies Corp. and (i) any entity directly or indirectly controlling, controlled by, or under common control with any of the foregoing, and (ii) any successor to all or part of the business of any of the foregoing as a result of a merger, reorganization, consolidation, spin-off, split-up, acquisition, divestiture, or similar transaction, or as a result of a name change.

(b) "Competitive Products or Services" means products or services that compete with, or are an alternative or potential alternative to, products sold or services provided by a subsidiary, business area, division or operating unit or business of the Corporation as of the Termination Date and at any time within the two-year period ending on the Termination Date; provided, that, (i) if I had direct responsibility for the business of, or function with respect to, a subsidiary, or for a business area, division or operating unit or business of the Corporation at any time within the two-year period ending on the Termination Date, Competitive Products or

Services includes the products so sold or the services so provided during that two-year period by the subsidiary, business area, division or operating unit of the Corporation for which I had responsibility, and (ii) if I did not have direct responsibility for the business of, or function with respect to, a subsidiary, or for a business area, division or operating unit or business of the Corporation at any time within the two-year period ending on the Termination Date, Competitive Products or Services includes the products so sold or the services so provided by a subsidiary, business area, division or operating unit of the Corporation for which I had access (or was required or permitted such access in the performance of my duties or responsibilities with the Corporation) to Confidential or Proprietary Information of the Corporation at any time during the two-year period ending on the Termination Date.

(f) "Termination Date" means the date of my termination of employment with the Corporation.

7. Miscellaneous.

(a) The Plan, the Award Agreement (with Exhibit B) and this PECA constitute the entire agreement governing the terms of the award of the RSUs to me.

(b) This PECA shall be governed by Maryland law, without regard to its provisions governing conflicts of law. Any enforcement of, or challenge to, this PECA may only be brought in the United States District Court for the District of Maryland, unless it is determined that such court does not have subject matter jurisdiction, in which case any such enforcement or challenge must be brought in the Circuit Court of Montgomery County in the State of Maryland. Both parties consent to the proper jurisdiction and venue of such court, as applicable, for the purpose of enforcing or challenging this PECA. This Section 7(b) shall not apply to residents of California.

(c) This PECA shall inure to the benefit of the Corporation's successors and assigns and may be assigned by the Corporation without my consent.

(d) This PECA provides for certain obligations on my part following the Termination Date and shall not, by implication or otherwise, affect in any way my obligations to the Corporation during the term of my employment by the Corporation, whether pursuant to written

agreements between the Corporation and me, the provisions of applicable Corporate policies that may be adopted from time to time or applicable law or regulation.

(e) The restrictive covenants and other terms in this PECA are to be read consistent with the terms of any other restrictive covenants or other agreements that I have executed with the Corporation; provided, however, to the extent there is a conflict between/among such agreements, such agreements shall be construed as providing the broadest possible protections to the Corporation, even if such construction would require provisions of more than one such agreement to be given effect.

(f) The obligations I have undertaken in this PECA shall survive the Termination Date and no dispute regarding any other provisions of this PECA or regarding my employment or the termination of my employment shall prevent the operation and enforcement of these obligations.

This PECA is effective as of the acceptance by me of the award of RSUs under the Award Agreement and is not contingent on the vesting of my RSUs.

Exhibit B

Stock Ownership Requirements

Lockheed Martin's Stock Ownership Requirements for Key Employees apply to all senior level positions of Vice President and above. This reflects the expectations of our major shareholders that management demonstrate its confidence in Lockheed Martin through a reasonable level of personal share ownership. This practice is consistent with other major U.S. corporations which link some portion of personal financial interests of key employees with those of shareholders.

Award Date: February 23, 2022

**PERFORMANCE STOCK UNIT AWARD AGREEMENT GRANTED
UNDER THE LOCKHEED MARTIN CORPORATION
2020 INCENTIVE PERFORMANCE AWARD PLAN FOR
THE 2022 – 2024 PERFORMANCE PERIOD**

**THIS DOCUMENT CONSTITUTES PART OF A PROSPECTUS COVERING
SECURITIES THAT HAVE BEEN REGISTERED UNDER THE
SECURITIES ACT OF 1933**

This Award Agreement applies to the Performance Stock Unit (“PSUs”) Award granted by Lockheed Martin Corporation to you as of the Award Date (defined above) under the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (“Plan”). The term “Target Award” as used in this Award Agreement refers only to the Target Award awarded to you under this Award Agreement and the term “Award” refers only to PSUs set forth in this Award Agreement. References to the “Corporation” include Lockheed Martin Corporation and its Subsidiaries.

This Award Agreement sets forth your Target Award as well as some of the terms and conditions of your Award under the Plan, as determined by the Management Development and Compensation Committee (“Committee”) of the Board of Directors. Additional terms and conditions, including tax information, are contained in the Plan and in the Prospectus relating to the Plan of which the Plan and this Award Agreement are a part. Your Target Award is identified in the electronic stock plan award recordkeeping system (“Stock Plan System”) maintained by the Corporation or its designee at <http://www.stockplanconnect.com>. The Prospectus is also available at this website.

Except as described in Section 18, your Award is not effective or enforceable until you properly acknowledge your acceptance of the Award by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than May 31, 2022 (the “Acceptance Deadline”). **Except as described in Section 18, if you do not properly acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited.**

Assuming prompt and proper acknowledgement of your acceptance of this Award Agreement as described above and in Section 18, this Award will be effective as of the Award Date. Acceptance of this Award Agreement constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award and your agreement to be bound by the restrictions contained in Section 18, Exhibit A (“Post-Employment Conduct Agreement”) and Exhibit B (“Stock Ownership Requirements”), as amended from time to time.

You are responsible for payment of all Taxes imposed on you as a result of the Award. The Corporation will comply with all applicable U.S. Tax withholding requirements applicable to the PSUs, the DDEs, and associated Stock. **Please see the Prospectus for the Plan for a discussion of certain material U.S. Tax consequences of the Award.**

Any withholding Tax on your Award will be satisfied by means of the Corporation reducing the number of shares of Stock (and associated DDEs) deliverable to you in respect of a vested Award. If you are an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate. If you are not an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate, unless you elect otherwise in accordance with procedures established by the Corporation during an election window that may be offered by the Corporation. If you elect a lower tax rate for withholding, then you may owe additional taxes as a result of the payment of the Award. The Corporation shall also have the right to (i) offset any other obligation of the Corporation to you (including but not limited to, by withholding from your salary) by an amount sufficient to satisfy the Tax withholding obligation, or (ii) require you (or your estate) to pay the Corporation an amount equal to the Tax withholding obligation.

If you are a taxpayer in a country other than the U.S., you agree to make appropriate arrangements with the Corporation or its subsidiaries for the satisfaction of all income and employment tax withholding requirements, as well as social insurance contributions applicable to the PSUs, the DDEs, and associated Stock. Please see the tax summary for your country available on the Stock Plan System at <http://www.stockplanconnect.com>. If you are a taxpayer in a country other than the U.S., you represent that you will consult with your own tax advisors in connection with this Award and that you are not relying on the Corporation for any tax advice.

Notwithstanding any other provision of this Award Agreement to the contrary, no Stock will be issued to you pursuant to this Award Agreement within six months from the Award Date. You have no rights as a stockholder to any securities covered by this Award Agreement until the date on which you become the holder of record of such securities.

Transactions involving Stock delivered under this Award Agreement are subject to the securities laws and CPS 722 (a copy of which has been made available to you). Among other things, CPS 722 prohibits employees of the Corporation from engaging in transactions that violate securities laws or involve hedging or pledging stock. Insiders are subject to additional restrictions. **The Corporation recommends that Insiders consult with the Senior Vice President, General Counsel and Corporate Secretary or staff before entering into any transactions involving Stock or PSUs.**

Capitalized terms used in this Award Agreement shall be defined in this Award Agreement or if not defined in this Award Agreement shall have the meaning given to the term in the Plan. Appendix I contains an index of all capitalized terms used in this Award Agreement.

Section 1. Shares Awarded; Performance Period; Vesting Period; Payment of Award.

1.1 Shares Awarded.

(a) **Target Award.** Your Target Award for the Performance Period under this Award Agreement shall be the number of whole shares of Stock identified as your Performance Stock Unit ("PSU") Target Award in your account in the Stock Plan System at <http://www.stockplanconnect.com>.

The Award paid to you shall be calculated in accordance with Section 2.1.

(b) **Maximum Award.** Your Maximum Award for the Performance Period under this Award Agreement shall be the number of shares of Stock equal to 200% of your Target Award, subject to the provisions of Section 2.1 and the caps contained therein.

(c) **Deferred Dividend Equivalents ("DDEs").** Your Award shall include a cash amount equal to the cash that would have been paid to you had you owned the number of whole shares of Stock equal to your final Award as determined under Section 2.1(d), from the Award Date until the end of the Performance Period.

1.2 Performance Period. The “Performance Period” under this Award Agreement is the three-year performance period that runs from January 1, 2022, until December 31, 2024.

1.3 Vesting Period. The “Vesting Period” under this Award Agreement is the period that runs from February 23, 2022 until February 23, 2025.

1.4 Payment of Award. Your Award will be paid to you in whole shares of Stock (either in book entry or paper form) pursuant to Section 5. The final number of whole shares, if any, payable to you under your Award is dependent upon the Corporation’s performance with respect to each of the metrics described in Section 3 and Section 4, the limits described in Sections 1.1(b) and 2 and your continued employment with the Corporation in accordance with Section 5. As a result of these requirements, the number of whole shares of Stock you receive at the end of the Vesting Period will be between 0% and 200% of your Target Award (as described in Section 2.1 below) and may be smaller than your Maximum Award (e.g., the performance factors could result in no payment in respect of your Award). Any certificates delivered to you may contain any legend the Corporation determines is appropriate under the securities laws. If you are an Insider subject to the reporting provisions of Section 16(a) of the Exchange Act, delivery of Stock in payment of your Award for any reason may be delayed for six months. For example, if the delivery of the Stock would result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, delivery will be delayed until the earliest date upon which the delivery either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act.

Section 2. Calculation of Award Payments.

2.1 End of Performance Period Calculation. Following the end of the Performance Period and prior to any shares of Stock being issued,

- (a) The Committee will calculate the Total Stockholder Return Performance Factor based on the Corporation’s performance during the Performance Period relative to the performance of other corporations which compose the Peer Performance Group.
- (b) The Committee will calculate the ROIC Performance Factor based on the Corporation’s ROIC during the Performance Period as compared to the projected ROIC for the Performance Period as set forth in the February 23, 2022 Committee resolution (“ROIC Target”).
- (c) The Committee will calculate the Free Cash Flow Performance Factor based on the Corporation’s cumulative Free Cash Flow during the Performance Period as compared to the projected cumulative Free Cash Flow for the Performance Period as set forth in the February 23, 2022 Committee resolution (“Free Cash Flow Target”).
- (d) Your “Earned Award” shall be calculated by multiplying the weighted average of the Total Stockholder Return Performance Factor, the ROIC Performance Factor, and the Free Cash Flow Performance Factor by your Target Award. Any resulting fractional share shall be rounded up to the nearest whole share. The Total Stockholder Return Performance Factor, the ROIC Performance Factor, and the Free Cash Flow Performance Factor shall be weighted as follows in determining the weighted average of the three performance factors:

Total Stockholder Return Performance Factor	50%
ROIC Performance Factor	25%
Free Cash Flow Performance Factor	25%

Notwithstanding the foregoing, the number of shares of Stock you receive as your final Award shall be reduced to the extent necessary so that the Fair Market Value of your Earned Award on the last day of the Vesting Period does not exceed the product of (a) the Fair Market

Value of a share of Stock on the Award Date, multiplied by (b) 400%, multiplied by (c) the number of shares in your Earned Award.

You must (except as specified in Section 5) remain employed by the Corporation through the last day of the Vesting Period to receive your Award. No portion of your Award will be payable until it is fully vested in accordance with Sections 5.1 and 5.2.

2.2 Adjustment of ROIC Target and Free Cash Flow Target. The Committee will adjust the ROIC Target and Free Cash Flow Target established as described in Section 2.1(b) and Section 2.1(c), respectively, to account for the impact of any acquisition or divestiture during the Performance Period with a transaction value in excess of \$1 billion at the time of the closing of the transaction. In adjusting any ROIC Target and Free Cash Flow Target to account for the impact of any acquisition or disposition with a transaction value in excess of \$1 billion, the Committee shall also adjust the ROIC Target and Free Cash Flow Target for any related divestiture(s) that may be required by any regulatory authorities in connection with or as a condition to approval or completion of such transaction (notwithstanding that any such divestiture may have a transaction value of less than \$1 billion).

Section 3. Total Stockholder Return Performance Factor.

3.1. Peer Performance Group. The Total Stockholder Return Performance Factor will be based upon the relative ranking of the Corporation's TSR (as defined in Section 3.2) for the Performance Period to the TSR for the Performance Period for each company in the "Peer Performance Group." The "Peer Performance Group" shall consist of the following companies (each a "Peer Company"):

Company	Ticker	Company	Ticker
AECOM	ACM	L3Harris Technologies, Inc.	LHX
AGCO Corporation	AGCO	Northrop Grumman Corporation	NOC
Builders FirstSource, Inc.	BLDR	Otis Worldwide Corporation	OTIS
Carrier Global Corporation	CARR	PACCAR Inc.	PCAR
Caterpillar Inc.	CAT	Parker-Hannifin Corporation	PH
Cummins Inc.	CMI	Quanta Services, Inc.	PWR
Deere & Company	DE	Raytheon Technologies Corporation	RTX
Eaton Corporation plc	ETN	Stanley Black & Decker, Inc.	SWK
Emerson Electric Co.	EMR	Textron Inc.	TXT
General Dynamics Corporation	GD	The Boeing Company	BA
General Electric Company	GE	3M Company	MMM
Honeywell International Inc.	HON	Trane Technologies plc	TT
Illinois Tool Works Inc.	ITW	W.W. Grainger, Inc.	GWW
Johnson Controls International plc	JCI	WESCO International, Inc.	WCC

The following rules apply to the composition and relative ranking of the Peer Performance Group during the Performance Period:

- (a) If, on or before the last trading day of the twenty-fourth month of the Performance Period (i.e., on or before December 31, 2023), a Peer Company publicly announces that it has entered into a definitive agreement to be acquired (including, without limitation, a merger or other business combination of a Peer Company with another entity in which the Peer Company is not the survivor or the sale of all or substantially all of a Peer Company's assets), then that Peer Company will be immediately removed from the Peer Performance Group as of the beginning of the Performance Period. In the case of the

public announcement of a merger or other business combination involving two Peer Companies in which following the closing of such transaction neither Peer Company will survive, both Peer Companies will be immediately removed from the Peer Performance Group as of the beginning of the Performance Period.

(b) If, after the last trading day of the twenty-fourth month of the Performance Period (i.e., after December 31, 2023), a Peer Company publicly announces that it has entered into a definitive agreement to be acquired (including, without limitation, a merger or other business combination of a Peer Company with another entity in which the Peer Company is not the survivor or the sale of all or substantially all of a Peer Company's assets), then that Peer Company's TSR ranking will be fixed at its ranking relative to the Corporation's TSR (i.e., ranking either above or below the Corporation) as of the date of the announcement. In the case of the public announcement of a merger or other business combination involving two Peer Companies in which following the closing of such transaction neither Peer Company will survive, both Peer Companies' TSR ranking will be fixed at its ranking relative to the Corporation's TSR as of the date of the announcement. For purposes of this Section 3.1(b), TSR will be calculated in accordance with Section 3.2, with the "Ending Price" determined using the average closing price of a share of common stock (as quoted in the principal market on which it is traded as of the beginning and the ending of the Performance Period) during the twenty (20) day trading period ending on the day before the announcement.

(c) If as a result of a public announcement of a transaction involving a Peer Company, a Peer Company is removed from the Peer Performance Group pursuant to Section 3.1(a) above or its TSR is fixed pursuant to Section 3.1(b) above and such transaction closes during the Performance Period and following the closing of such transaction the survivor is publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then subsequent to the closing the Peer Company will be added back to the Peer Performance Group for the entire Performance Period. If both parties to the transaction are Peer Companies, then Section 3.1(a) or 3.1(b) will apply to one Peer Company and Section 3.1(a), 3.1(b), or 3.1(c) will apply to the other Peer Company. For example, if two Peer Companies announce a merger in which neither Peer Company is the survivor before the last trading day of the twenty-fourth month of the Performance Period, then (i) both Peer Companies will be removed immediately from the Peer Performance Group under Section 3.1(a), and (ii) one Peer Company will be added back into the Peer Performance Group only if the merger closes during the Performance Period and the post-merger entity continues to trade under the Peer Company's pre-merger ticker symbol or a new ticker symbol that includes the Peer Company's pre-transaction trading history.

(d) If during the Performance Period a transaction involving one Peer Company that was announced prior to the start of the Performance Period closes, and the survivor is publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then the Peer Company will remain in the Peer Performance Group. If, on or before the last trading day of the twenty-fourth month of the Performance Period (i.e., on or before December 31, 2023), a transaction involving one Peer Company that was announced prior to the start of the Performance Period closes, and the survivor is not publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then the Peer Company will be immediately removed from the Peer Performance Group as of the beginning of the

Performance Period. If, after the last trading day of the twenty-fourth month of the Performance Period (i.e., after December 31, 2023), a transaction involving one Peer Company that was announced prior to the start of the Performance Period closes and the survivor is not publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then that Peer Company's TSR ranking will be fixed at its ranking relative to the Corporation's TSR (i.e., ranking either above or below the Corporation) as of the closing of the transaction. For purposes of the previous sentence of this Section 3.1(d), TSR will be calculated in accordance with Section 3.2, with the "Ending Price" determined using the average closing price of a share of common stock (as quoted in the principal market on which it is traded as of the beginning and the ending of the Performance Period) during the twenty (20) day trading period ending on the day before the closing of the transaction.

(e) If a Peer Company files for bankruptcy under the US Bankruptcy Code (Title 11 of the United States Code) at any time during the Performance Period, then that Peer Company will be ranked last for purposes of the end of Performance Period calculation described in Section 3.2.

3.2. Calculation of Total Stockholder Return Performance Factor.

Your Total Stockholder Return Performance Factor, expressed as a percentage, will be determined in accordance with the table below based on the Corporation's Percentile Ranking of TSR against the Peer Performance Group for the Performance Period; provided, however, that, notwithstanding anything in this Award Agreement to the contrary, if the Corporation's TSR for the three-year Performance Period is negative, the maximum Total Stockholder Return Performance Factor shall not exceed 100%. At the end of the Performance Period, each company's TSR shall be ranked among the TSRs for each other company in the Peer Performance Group on a percentile basis (using the Excel PERCENTRANK function), taking into account any changes to the Peer Performance Group or ranking changes made during the Performance Period in accordance with Section 3.1(a) – (e) (the "Percentile Ranking").

<u>Band</u>	<u>Percentile Ranking</u>	<u>Total Stockholder Return Performance Factor</u>
One	75th - 100 th	200% (Maximum)
Two	60 th	150%
Three	50 th	100%
Four	40 th	50%
Five	35 th	25% (Threshold)

If the Corporation's TSR puts the Corporation over the listed Percentile Ranking for the applicable Band (other than Band One) in the above table, your Total Stockholder Return Performance Factor shall be interpolated on a linear basis.

For purposes of this Award Agreement, "Total Shareholder Return" or "TSR" means on a percentage basis, with respect to the Corporation or any Peer Company, the price appreciation of such company's common stock plus the value of reinvested dividends, calculated using the Beginning Price and the Ending Price, where

"Ending Price" means the average closing price of a share of common stock during the twenty (20) day trading period ending December 31, 2024 (or another ending date specified in Section 3.1); and

“Beginning Price” means the average closing price of a share of common stock during the twenty (20) day trading period ending December 31, 2021.

The Committee, in its sole discretion, may adjust TSR as necessary for any changes in equity structure, including but not limited to stock splits or other stock dividends. The Total Stockholder Return for the Corporation and each Peer Company shall be computed from data available to the public using the tool the Corporation has designated in its discretion for computing Total Stockholder Return. The Corporation’s Total Stockholder Return will be based on the performance of the Stock. With respect to the Peer Companies, the Total Stockholder Return of each company that is taken into account in computing each Peer Company’s Total Stockholder Return will be based on the equity security of the relevant company that is traded using the ticker symbol indicated in the chart in Section 3.1 to the right of the Peer Company’s name, or a successor ticker symbol determined as described in Section 3.1(c) or Section 3.1(d).

Section 4. ROIC Performance Factor and Free Cash Flow Performance Factor.

4.1 ROIC Performance Factor. The ROIC Performance Factor will be determined by comparing the Corporation’s ROIC for the Performance Period to the ROIC Target and then identifying the ROIC Performance Factor based upon the factor associated with the percentage of ROIC Target on the following table:

<u>ROIC Band</u>	<u>ROIC Performance Factor</u>
112% of Target	200% (Maximum)
ROIC Target	100%
90% of Target	25% (Threshold)

(a) ROIC Definition. For purposes of this Award Agreement, “ROIC” means return on invested capital for the Performance Period calculated as (A) average annual (i) net income (excluding any charge or addition to net income resulting solely from adjustment of deferred tax assets and liabilities for the effect of enactment of corporate tax reform and related legislation and regulations that change the top United States federal corporate income tax rate by two or more percentage points after the Award Date (“Tax Reform”)), plus (ii) interest expense times one minus the weighted average of the highest marginal federal corporate income tax rates over the three year Performance Period, adjusted to reflect any applicable limitations on deductibility of the Corporation’s interest expense, divided by (B) the average thirteen quarter-end investment balances (beginning with the quarter-end immediately preceding the beginning of the Performance Period) consisting of (i) debt (including current maturities of long-term debt) plus (ii) stockholders’ equity plus the postretirement plans amounts determined quarterly as included in the Corporation’s Statement of Stockholders’ Equity. For any year in which net income would otherwise be affected by (I) Tax Reform; or (II) a change in law or interpretation of law related to the amortization of research or experimental expenditures under Section 174 of the Code, as amended from time to time, as reflected in any future Long Range Plan, financial statement or tax return, net income shall be adjusted by substituting the effective tax rate assumed in the 2022 Long Range Plan for the actual effective tax rate (and ignoring the adjustment under clause (A)(i) above, if any, to the extent necessary to avoid double counting of tax impacts). Net income also shall be adjusted to exclude any non-cash settlement charge to earnings resulting solely from one or more risk transfer transactions to manage the Corporation’s pension liabilities that were not included in the 2022 Long Range Plan, including any transactions involving the purchase of a group annuity contract for a portion of the Corporation’s outstanding defined benefit pension obligations that are treated as a settlement for accounting purposes.

(b) ROIC Determination. Each component of ROIC and the calculation of any postretirement plans amounts recorded in the Corporation's Statement of Stockholders' Equity shall be determined by the Committee in accordance with generally accepted accounting principles in the United States and be based upon the comparable numbers reported on the Corporation's audited consolidated financial statements or, if audited financial statements are not available for the date or period on which ROIC is being determined, the Committee shall make its determination in a manner consistent with the historical practices used by the Corporation in determining the components of ROIC and postretirement plans amounts recorded in the Corporation's Statement of Stockholders' Equity for purposes of reporting those items on its audited financial statements, as modified by this paragraph. Notwithstanding the foregoing, ROIC will be adjusted to exclude the impact of any change in accounting standards or adoption of any new accounting standard that was not included in the 2022 Long Range Plan that is required under generally accepted accounting principles in the United States and that is reported in the Corporation's filings with the Securities and Exchange Commission as having a material effect on the Corporation's consolidated financial statements. ROIC, as included in the 2022 Long Range Plan, and the change in ROIC for purposes of the ROIC Performance Factor, will be determined in accordance with this Section 4.1(b).

4.2 Free Cash Flow Performance Factor. The Free Cash Flow Performance Factor will be determined by comparing the Corporation's cumulative Free Cash Flow during the Performance Period to the Free Cash Flow Target, and then identifying the Free Cash Flow Performance Factor based upon the factor associated with the change from the Free Cash Flow Target on the following table:

<u>Free Cash Flow Band</u>	<u>Free Cash Flow Performance Factor</u>
130% of Target	200% (Maximum)
Free Cash Flow Target	100%
85% of Target	25% (Threshold)

(a) Free Cash Flow Definition. For purposes of this Award Agreement, "Free Cash Flow" means net cash flow from operations less capital expenditures, adjusted to exclude the impact of: (i) the aggregate after tax difference between the amount forecasted in the Corporation's 2022 Long Range Plan to be contributed by the Corporation to the Corporation's defined benefit pension plans during the Performance Period and the actual amounts contributed by the Corporation during the Performance Period; (ii) any tax payments or tax benefits during the Performance Period associated with the divestiture of business units, other than tax payments or tax benefits that were included in the Corporation's 2022 Long Range Plan; and (iii) for any year in which Free Cash Flow would otherwise be affected by (I) Tax Reform; or (II) an annual net change in cash tax liability resulting from a change in law or interpretation of law related to the amortization of research or experimental expenditures under Section 174 of the Code, as amended from time to time, as reflected in any future Long Range Plan, financial statement or tax return, the aggregate difference between the tax payments forecasted in the 2022 Long Range Plan and the actual tax payments (and adjusting the amount under clause (i) above, if any, to the extent necessary to avoid double counting of tax impacts).

(b) Free Cash Flow Determination. Free Cash Flow shall be determined by the Committee using amounts reported on the Corporation's audited consolidated financial statements or, if audited financial statements are not available for the period for which Free Cash Flow is being determined, the Committee shall determine Free Cash Flow in a manner consistent with the historical practices used by the Corporation in determining net cash provided by operating activities and capital expenditures as reported in its audited consolidated statement of cash flows, in either case as modified by this paragraph. Notwithstanding the foregoing, Free Cash Flow will be adjusted to exclude

the impact of any change in accounting standards or adoption of any new accounting standard that was not included in the 2022 Long Range Plan that is required under generally accepted accounting principles in the United States and that is reported in the Corporation's filings with the Securities and Exchange Commission as having a material effect on the Corporation's consolidated financial statements.

4.3 Interpolation of ROIC and Free Cash Flow Metrics. If the Corporation's ROIC or Free Cash Flow falls above or below Target and between the two percentages of Target listed in the applicable table in Section 4.1 or 4.2, the appropriate performance factor will be interpolated on a linear basis. Notwithstanding the foregoing, the ROIC Performance Factor will always be zero if the ROIC for the Performance Period is less than 90% of the ROIC Target and the Free Cash Flow Performance Factor will always be zero if the aggregate Free Cash Flow for the Performance Period is less than 85% of the Free Cash Flow Target.

4.4 For purposes of this Section 4, all references to the 2022 Long Range Plan shall be to the 2022 Long Range Plan as was in effect on February 22, 2022.

Section 5. Payment of Award.

5.1. Employment Requirement.

(a) General Rule. In order to be eligible to receive payment of your final Award as determined under Section 2.1(d), you must accept this Award Agreement as described in Section 18 and remain employed by the Corporation through the last day of the Vesting Period. Except as provided below or where prohibited by law, if your employment as an Employee terminates during the Vesting Period, you shall forfeit your right to receive all or any part of your Award. If you are on Corporation-approved leave of absence at any point during the Vesting Period, for purposes of this Award Agreement, you will be considered to still be in the employ of the Corporation, unless otherwise provided in an agreement between you and the Corporation.

(b) Exceptions. Notwithstanding Section 5.1(a), if the Committee determines

(i) that your employment as an Employee terminated, as a result of your death, Total Disability or Retirement, or a Divestiture, or

(ii) that the Corporation terminated your employment involuntarily after August 23, 2022 (the "Minimum Service Date"), (except that, if you are an employee who has been identified by the Corporation as subject to Divestiture, "after the Minimum Service Date," does not apply to you) as a result of a layoff, including through a voluntary layoff program that constitutes a window program under Section 409A of the Code,

you shall be eligible to receive a fraction of your Award and the DDEs with respect to such fraction. The numerator of such fraction shall equal the number of days from the Award Date to the date your employment as an Employee terminated, and the denominator shall equal the total number of days from the Award Date to the end of the Vesting Period.

As a condition to being eligible to receive a portion of your Award and the DDEs with respect to such portion as a result of your layoff in accordance with Section 5.1(b)(2), you will be required to execute and deliver to the Corporation a general release of claims against the Corporation in a form acceptable to the Corporation within the time period specified by the Corporation in such release and not revoke such release within any revocation period provided for therein. Except as otherwise expressly provided by the Corporation in writing, a failure to satisfy this condition will result in forfeiture of your right to receive all or any part of your Award on the date of your layoff.

The Committee shall have complete and absolute discretion to make the determinations called for under this Section 5.1(b), and all such determinations shall be binding on you and on any person who claims all or any part of your Award on your behalf as well as on the Corporation.

(c) Special Definitions. For purposes of this Award Agreement:

(i) Your employment as an Employee shall be treated as terminating because of a "Total Disability" on the date you commence receiving a benefit under the Corporation's long-term disability plan in which you participate, or if you are not enrolled in the Corporation's long-term disability plan, the date on which long-term disability benefits would commence under the plan under which you would have been covered, had you enrolled, using the standards set forth in that plan;

(ii) Your employment as an Employee shall be treated as terminating as a result of Divestiture if the Corporation divests all or substantially all of a business operation of the Corporation and such divestiture results in the termination of your employment with the Corporation and a transfer of such employment to the other party in the Divestiture. A "Divestiture" shall mean a transaction that results in the transfer of control of the business operation divested to any person, corporation, association, partnership, joint venture, limited liability company or other business entity of which less than 50% of the voting stock or other equity interests are directly or indirectly owned or controlled by the Corporation, by one or more of the Corporation's Subsidiaries or by any combination thereof; and

(iii) Your employment as an Employee shall be treated as terminating because of "Retirement" if the effective date of your termination of employment is after the Minimum Service Date, and (1) after you reach age 65, or (2) after you reach age 55 and have (at the time of your termination) completed at least ten years of service with the Corporation. For this purpose, the effective date of your termination of employment is the day next following your last day worked.

(d) Resignation or Termination before the Last Day of the Vesting Period.

(i) Except where prohibited by law, if you resign or your employment otherwise terminates before the last day of the Vesting Period, other than on account of death, Total Disability, layoff, Retirement or Divestiture (as described above) or Change in Control (as described below), you will forfeit your right to receive all or any part of your Award on the date of your termination.

(ii) Except where prohibited by law, if your employment terminates for any reason before last day of the Vesting Period, by action of the Corporation due to your misconduct, then you will forfeit your right to receive all or any part of your Award on the date of your termination, even if at the time of your termination due to misconduct you have attained (i) age 55 and ten years of service, or (ii) age 65. The business area or Enterprise Operations review committee responsible for determinations of misconduct, or the Committee if you are an Elected Officer, will determine if your employment terminates due to misconduct.

5.2. Payment Rules.

(a) Vesting. If you are eligible to receive an Award under Section 5.1(a) or a fraction of an Award under Section 5.1(b), your Award shall vest on the last day of the Vesting Period.

(b) Method of Payment. Your Award shall be paid in whole shares of Stock. DDEs on the shares underlying your Award, if any, shall be paid in cash. In the event of your death, your payment will be made to your Beneficiary.

(c) Timing of Payment. You shall have the right to receive your Award plus DDEs as soon as administratively practicable following the Vesting Period, but no later than the March 15 following the last day of the Vesting Period (for taxpayers in Canada or as otherwise required by local country law, no later than December 31st following the last day of the Vesting Period).

(d) Special Rules for Certain Employees Terminated During Performance Period. If you terminate employment during the Vesting Period but are eligible to receive a portion of your Award as a result of an exception under Section 5.1(b), payment of such portion of your Award and DDEs shall be in full satisfaction of all rights you have under this Award Agreement. The portion of your Award and DDEs payable to you following a termination of employment during the Vesting Period under circumstances described in Section 5.1(b) shall be paid to you or, in the event of your death, to your Beneficiary, at the time specified in Section 5.2(c).

(e) Payment Rules Applicable to Canadian Employees. If you are employed in Canada, for purposes of the Award Agreement, the date of termination of employment will be the last day of actual and active employment. For the avoidance of doubt, except as may be required by applicable minimum standards legislation, no period of notice or payment in lieu of notice that is given or that ought to have been given under any applicable law or contract in respect of such termination of employment that follows or is in respect of a period after your last day of actual and active employment, if any, will be considered as extending your period of employment for the purposes of determining your entitlement under this Agreement.

5.3. Cutback. Any payment called for under Section 5.2 will be reduced to the extent that such payment together with payments attributable to any other Share-Based Awards that are granted during 2022 as Performance-Based Awards exceeds 1,000,000 shares of Stock. Amounts in excess of 1,000,000 shares shall be forfeited. Any DDEs on forfeited shares shall also be forfeited.

Section 6. No Assignment – General Creditor Status.

You shall have no right to assign any interest you might have in all or any part of the Target Award or Award which has been granted to you under this Award Agreement and any attempt to do so shall be null and void and shall have no force or effect whatsoever. Furthermore, all payments called for under this Award Agreement shall be made from the Corporation's general assets, and your right to payment from the Corporation's general assets shall be the same as the right of a general and unsecured creditor of the Corporation. Until a share of Stock is delivered to you, you generally will not have the rights and privileges of a stockholder. In particular, you will not have the right to vote your PSUs on any matter put to the stockholders of the Corporation; you may not sell, transfer, assign, pledge, use as collateral or otherwise dispose of or encumber PSUs; and you will not have the right to receive any dividends paid to stockholders or dividend equivalents on the PSUs.

Section 7. Plan.

This Award Agreement shall be subject to all of the terms and conditions set forth in the Plan.

Section 8. Change in Control.

8.1. Change in Control during the Performance Period.

(a) In the event of a consummation of a Change in Control during the Performance Period, your Target Award (and DDEs) will become vested (i) on the effective date of the Change in Control if the PSUs are not assumed, continued, or equivalent restricted securities are not substituted for your PSUs by the Corporation or its successor, or (ii) if the PSUs are assumed, continued or substituted by the Corporation or its successor, on the effective date of your involuntary termination other than for Cause (not including death or Total Disability) or your voluntary termination with Good Reason, in either case, within the 24-month period following the consummation of the Change in Control; provided that any such termination is also a "separation from service" under Section 409A of the Code.

(b) In the event the PSUs vest in accordance with this Section 8.1 (whether immediately following the Change in Control or following your termination), the shares of Stock or equivalent substituted securities in which you have become vested and DDEs shall be delivered to you within 14 days of the date on which you become vested.

8.2. Change in Control after the End of the Performance Period and before the End of the Vesting Period.

(a) In the event of a consummation of a Change in Control after the end of the Performance Period but during the Vesting Period, you will vest in your Target Award (and DDEs) (i) on the effective date of the Change in Control, if the PSUs are not assumed or continued or equivalent restricted securities are not substituted for your PSUs by the Corporation or its successor, or (ii) on the earlier of the end of the Vesting Period or the effective date of your involuntary termination other than for Cause (not including death or Total Disability) or your voluntary termination with Good Reason, in either case, prior to the end of the Vesting Period, if the PSUs are assumed, continued or substituted.

(b) In the event the PSUs vest in accordance with this Section 8.2 (whether immediately following the Change in Control or following your termination), the shares of Stock or equivalent substituted securities in which you have become vested and DDEs shall be delivered to you within 14 days of the date on which you become vested.

8.3 Special Definitions. For purposes of this Award Agreement:

(a) "Cause" shall mean either of the following:

(i) Conviction for an act of fraud, embezzlement, theft or other act constituting a felony (other than traffic-related offenses or as a result of vicarious liability); or

(ii) Willful misconduct that is materially injurious to the Corporation's financial position, operating results or reputation; provided, however that no act or failure to act shall be considered "willful" unless done, or omitted to be done, by you (a) in bad faith; (b) for the purpose of receiving an actual improper personal benefit in the form of money, property or services; or (c) in circumstances where you had reasonable cause to believe that the act or failure to act was unlawful.

(b) "Good Reason" shall mean, without your express written consent, the occurrence of any one or more of the following after the Change in Control:

(i) A material and substantial reduction in the nature or status of your authority or responsibilities;

(ii) A material reduction in your annualized rate of base salary;

- (iii) A material reduction in the aggregate value of your level of participation in any short- or long-term incentive cash compensation plan, employee benefit or retirement plan or compensation practices, arrangements, or policies;
- (iv) A material reduction in the aggregate level of participation in equity-based incentive compensation plans; or
- (v) Your principal place of employment is relocated to a location that is greater than fifty (50) miles from your principal place of employment on the date the Change in Control is consummated.

Your continued employment following an event that would constitute a basis for voluntary termination with Good Reason shall not constitute Good Reason if you consent to, or waive your rights with respect to any circumstances constituting Good Reason. In addition, the occurrence of an event described in (i) through (v) shall constitute the basis for voluntary termination for Good Reason only if you provide written notice of your intent to terminate employment within 90 days of the first occurrence of such event and the Corporation has had at least 30 days from the date on which such notice is provided to cure such occurrence. If you do not terminate employment for Good Reason within 180 days after the first occurrence of the applicable grounds, then you will be deemed to have waived your right to terminate for Good Reason with respect to such grounds.

8.4. Special Rule. Notwithstanding Section 8.1 or 8.2, if a payment in accordance with those provisions would result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, then the date of distribution to you shall be delayed until the earliest date upon which the distribution either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act.

Section 9. Amendment and Termination.

As provided in Section 9 of the Plan, the Board of Directors may at any time amend, suspend or discontinue the Plan and the Committee may at any time deviate from or amend this Award Agreement. Notwithstanding the foregoing, no such action by the Board of Directors or the Committee shall amend Sections 1, 2, 3, 4, or 5 in a manner adverse to you or reduce the amount payable hereunder in a material manner without your written consent. For this purpose, a change in the amount payable hereunder that occurs solely by reason of a change in the date or form of payment due to Section 409A of the Code or Section 16 of the Exchange Act shall in no case be treated as a reduction prohibited by this Section 9. Thus, for example, if an amount payable by reason of Section 8 is delayed by an amendment to this Award Agreement or other action undertaken to comply with Section 409A of the Code and the amount payable is reduced solely by reason of a corresponding delay in the date of valuation of a share of Stock, such a change shall not be treated as a reduction prohibited by this Section 9. This Section 9 shall be construed and applied so as to permit the Committee to amend this Award Agreement at any time in any manner reasonably necessary or appropriate in order to comply with the requirements of Section 16 of the Exchange Act and of Section 409A of the Code, including amendments regarding the timing and form of payments hereunder.

Section 10. Data Privacy Consent For Employees Located Outside Of The United States.

To the extent recognized under applicable law, if you are located outside of the United States, then by accepting this Award Agreement as described in Section 18, you hereby explicitly and unambiguously consent to, and acknowledge the need for, the collection, use and transfer, in electronic or other form, of your Personal Data (defined below) as described in this Award Agreement by and among the Corporation for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Corporation collects, holds, uses and processes certain information about you, including, but not limited to, your name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares or directorships held in the Corporation, details of all awards or any other entitlement to shares awarded, canceled, exercised, vested, unvested or outstanding in your favor, for the purpose of implementing, administering and managing the Plan ("Personal Data"). The Corporation acts as the controller/owner of this Personal Data, and processes this Personal Data for purposes of implementing, administering, and managing the Plan. The Corporation protects the Personal Data that it receives in the United States from the European Union ("EU"), or any other location outside the United States, in accordance with data transfer agreements based on EU-approved Standard Contractual Clauses.

You understand that Personal Data may be transferred to any third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in your country or elsewhere, and that the recipient's country may have different, including less stringent, data privacy laws and protections than your country. You may request a list with the names and addresses of any third-party recipients of the Personal Data at any time by contacting your local human resources representative. When disclosing Personal Data to these third parties, the Corporation provides appropriate safeguards for protecting the transfer of your Personal Data, such as establishing standard data protection clauses with the third parties as adopted by the European Commission. You may request a copy of, or information about, such safeguards by contacting your local human resources representative. You recognize that the Corporation and any other possible recipients including any present or future third-party recipients must receive, possess, use, retain and transfer your Personal Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan, including any requisite transfer of such Personal Data as may be required to a broker or other third party with whom the Corporation may elect to administer the settlement of any award. You understand that Personal Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan and comply with applicable legal requirements.

To the extent provided by your local law, you may, at any time, have the right to request: access to your Personal Data, rectification of your Personal Data, erasure of your Personal Data, restriction of processing of your Personal Data, portability of your Personal Data and information about the storage and processing of your Personal Data. You may also have the right to object, on grounds related to a particular situation, to the processing of your Personal Data, as well as to refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand, however, that refusing or withdrawing your consent may affect your ability to participate in the Plan. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

Section 11. No Assurance of Employment; No Right to an Award; Value of Award.

Nothing contained in the Plan or in this Award Agreement shall confer upon you any right to continue in the employ or other service of the Corporation or constitute any contract (of employment or otherwise) or limit in any way the right of the Corporation to change your compensation or other benefits or to terminate your employment with or without cause. You acknowledge and agree that:

- (a) the Plan is discretionary in nature and the Board of Directors may amend, suspend, or terminate it at any time;
- (b) the grant of the PSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of any PSUs, or benefits in lieu of any PSUs even if PSUs have been granted repeatedly in the past;

- (c) all determinations with respect to such future PSUs, if any, including but not limited to the times when PSUs shall be granted or when PSUs shall vest, will be at the sole discretion of the Committee or its delegate;
- (d) your participation in the Plan is voluntary;
- (e) the value of the PSUs is an extraordinary item of compensation, which is outside the scope of your employment contract (if any), except as may otherwise be explicitly provided in your employment contract;
- (f) the PSUs are not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating termination, severance, resignation, redundancy, end of service, or similar payments, or bonuses, long-service awards, pension or retirement benefits;
- (g) the PSUs shall expire upon termination of your employment for any reason except as may otherwise be explicitly provided in the Plan and this Award Agreement;
- (h) the future value of the shares is unknown and cannot be predicted with certainty;
- (i) no claim or entitlement to compensation or damages arises from the termination of the PSUs in accordance with the Plan and this Award Agreement or diminution in value of the PSUs or Stock and you irrevocably release the Corporation from any such claim that may arise;
- (j) if you are a resident of Turkey, that the offer of this Award has been made by the Corporation to you personally in connection with your existing relationship with the Corporation or one or more of its affiliates, subsidiaries and/or related companies, and further, that the Award, the related shares of the Stock and the related offer thereof are not subject to regulation by any securities regulator in Turkey, or otherwise outside of the U.S.;
- (k) if you are a resident of Hong Kong, that the Award and any Stock issued thereunder do not constitute a public offer of securities under Hong Kong law; and
- (l) If you are a resident of Israel, you will hold any Stock issued to you upon the vesting of the Award with the Corporation's designated broker, and you may not transfer such Stock to an account with another broker or request that share certificates be issued to you until such time as you sell the Stock.

Section 12. Conflict.

In the event of a conflict between this Award Agreement and the Plan, the Plan document shall control.

Section 13. Compliance with Section 409A of the Code.

It is the intent of the Corporation that your Award not be subject to taxation under Section 409A(a)(1) of the Code. Nevertheless, in the event that your Award is subject to Section 409A of the Code, as determined by the Senior Vice President, Chief Human Resources Officer or delegate, in consultation with the General Tax Counsel or delegate, the following rules apply: (i) the Award will be interpreted and administered to meet the requirements of Sections 409A(a)(2), (3) and (4) of the Code and thus to be exempt from taxation under Section 409A(a)(1) of the Code; (ii) no Award payment will be made on account of your termination of employment unless the termination of employment constitutes a "separation from service" under Section 409A(a)(2)(a)(i) of the Code; and (iii) if you are a "specified employee" within the meaning of Section 409A of the Code, any payment in respect of this Award made on account of a termination of employment will be delayed for six (6) months following such termination of employment, and then made at the earliest date permitted by Section 409A of the Code.

Section 14. Post-Employment Covenants & Stock Ownership Requirements.

Except where prohibited by law, by accepting this Award Agreement as described in Section 18, you agree to the terms of the Post-Employment Conduct Agreement contained in Exhibit A to this Award Agreement and you acknowledge receipt of the Stock Ownership Requirements attached as Exhibit B to this Award Agreement and agree to comply with such Stock Ownership Requirements as amended from time to time. If you are not a Vice President (or above) on the Award Date, but you are promoted to Vice President (or above) prior to the last day of the Vesting Period, the Stock Ownership Requirements as in effect at that time shall become applicable to you on the date of your promotion to Vice President (or above).

Section 15. English Language.

You have received the terms and conditions of this Award Agreement and any other related communications, and you consent to having received these documents, in English. If you have received this Award Agreement or any other documents related to the Plan translated into a language other than English, and if the translated version is different from the English version, the English version will control.

Quebec Residents Only: The Parties have agreed that this Award Agreement, the Plan as well as any notice, document or instrument relating to them be drawn up in English only. You acknowledge that, upon your reasonable request, the Corporation will provide a French translation of such documents to you. Les parties aux présentes ont convenu que la présente accord, le "Plan," ainsi que tous autres avis, actes ou documents s'y rattachant soient rédigés en anglais seulement. Vous reconnaissez que, à votre demande raisonnable, "the Corporation" fournit une traduction française de ces documents à vous.

Section 16. Currency Exchange Risk.

If your functional currency is not the U.S. dollar, you agree and acknowledge that you will bear any and all risk associated with the exchange or fluctuation of currency associated with the Award (the "Currency Exchange Risk"). You waive and release the Corporation and its subsidiaries from any potential claims arising out of the Currency Exchange Risk.

Section 17. Exchange Control Requirements.

You agree and acknowledge that you will comply with any and all exchange control requirements applicable to the Award and any resulting funds including, without limitation, reporting or repatriation requirements. You further agree and acknowledge that you will determine whether any such requirements are applicable to the Award and any resulting funds, and that you are not relying on the Corporation for any advice in this regard.

Section 18. Acceptance of Award Agreement; Electronic Delivery.

By accepting this Award Agreement, you consent to receive copies of the Prospectus applicable to this Award through the Stock Plan System at <http://www.stockplanconnect.com> as well as to electronic delivery of the Corporation's annual report on Form 10-K, proxy statement and quarterly reports on Form 10-Q. This consent can only be withdrawn by written notice to the Vice President of Total Rewards at Lockheed Martin Corporation, Mail Point 126, 6801 Rockledge Drive, Bethesda, MD 20817. The Corporation will deliver any documents related to the Award under the Plan or future Awards that may be awarded under the Plan through the Stock Plan System. The Corporation will request your consent to participate in the Plan through the Stock Plan System. You hereby consent to receive such documents and agree to participate in the Plan through the Stock Plan System.

No Award is enforceable until you properly acknowledge your acceptance of this Award Agreement by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than the Acceptance Deadline. Acceptance of this Award Agreement must be made only by you personally or by a person acting pursuant to a power of attorney in the event of your inability to acknowledge your acceptance (and not by your estate, your spouse or any other person) and constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award. Notwithstanding the foregoing, this Award will be enforceable and deemed accepted, and will not be forfeited, if you are unable to accept this Award Agreement personally by the Acceptance Deadline, due to your death, disability, incapacity, deployment in the Armed Forces, or similar unforeseen circumstance as determined by the Corporation in its discretion. If you desire to accept this Award, you must acknowledge your acceptance and receipt of this Award Agreement electronically on or before the Acceptance Deadline, by going to the Stock Plan System at <http://www.stockplanconnect.com>.

Assuming prompt and proper acknowledgment of this Award Agreement as described in this Section 18, this Award will be effective as of the Award Date.

Exhibit A

Post-Employment Conduct Agreement
(PSU Grant)

This Post-Employment Conduct Agreement (this "PECA") attached as Exhibit A to the Award Agreement with an Award Date of February 23, 2022, (the "Award Agreement") is entered into in consideration of, among other things, the grant of performance restricted stock units to me under the Award Agreement (the "PSUs") pursuant to the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (the "Plan") and the consideration set forth in Section 2 below. References to the "Corporation" shall include Lockheed Martin Corporation and its Subsidiaries. By accepting the PSUs, I agree as follows:

1. Restrictions Following Termination of Employment.

(a) Covenant Not To Compete - Without the express written consent of the "Required Approver" (as defined in Section 6), during the "Restricted Period" (as defined in Section 6), I will not, directly or indirectly, be employed by, provide services to, or advise a "Restricted Company" (as defined in Section 6), whether as an employee, advisor, director, officer, partner or consultant, or in any other position, function or role that, in any such case,

- (i) oversees, controls or affects the design, operation, research, manufacture, marketing, sale or distribution of "Competitive Products or Services" (as defined in Section 6) of or by the Restricted Company, or
- (ii) would involve a substantial risk that the "Confidential or Proprietary Information" (as defined in Section 1(c)) of the Corporation (including but not limited to technical information or intellectual property, strategic plans, information relating to pricing offered to the Corporation by vendors or suppliers or to prices charged or pricing contemplated to be charged by the Corporation, information relating to employee performance, promotions or identification for promotion, or information relating to the Corporation's cost base) could be used to the disadvantage of the Corporation.

I acknowledge and agree that: (A) enforcement of this PECA pursuant to Sections 1(a)(i) and (ii) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(a)(i) and (ii) shall not apply to me if I am a resident of or work in California or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct (such as the ABA Model Rules of Professional Conduct and state versions thereof), Sections 1(a)(i) and (ii) and Section 1(b) relating to non-solicitation, shall apply to individuals who are employed by the Corporation in an attorney position and whose occupation during the Restricted Period does not include practicing law.

In lieu of Section 1(a)(i) and (ii), as well as Section 1(b) relating to non-solicitation, the following Section 1(a)(iii) shall apply to individuals who are employed by the Corporation in an attorney position, and whose occupation during the Restricted Period includes practicing law.

- (iii) Post-Employment Activity As a Lawyer – I acknowledge that as counsel to the Corporation, I owe ethical and fiduciary obligations to the Corporation and that at least some of these obligations will continue even after my Termination Date (as defined in Section 6) with the Corporation. I agree that after my

Termination Date I will comply fully with all applicable ethical and fiduciary obligations that I owe to the Corporation. To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct, I agree that I will not:

- (a) Represent any client in the same or a substantially related matter in which I represented the Corporation where the client's interests are materially adverse to the Corporation; or
- (b) Disclose confidential information relating to my representation of the Corporation, including the disclosure of information that is to the disadvantage of the Corporation, except for information that is or becomes generally known.

The Corporation's Senior Vice President, General Counsel, and Corporate Secretary or the General Tax Counsel, as applicable, will determine in their discretion whether an individual is employed by the Corporation in an attorney position.

(b) Non-Solicit – Without the express written consent of the Required Approver, during the two-year period following the Termination Date, I will not (i) cause or attempt to cause, directly or indirectly, the complete or partial loss of any contract in effect before the Termination Date between the Corporation and any customer, supplier, distributor or manufacturer of or to the Corporation with which I was responsible, in whole or in part, for soliciting, negotiating, implementing, managing, or overseeing or (ii) induce or attempt to induce, directly or indirectly, any person who is an employee of the Corporation with whom I worked or interacted with within two years prior to the Termination Date to cease employment with the Corporation in order to perform work or services for any entity other than the Corporation.

I acknowledge and agree that: (A) the enforcement of this PECA pursuant to Section 1(b)(i) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(b)(i) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

(c) Protection of Proprietary Information – Except to the extent required by law, following my Termination Date, I will have a continuing obligation to comply with the terms of any non-disclosure or similar agreements that I signed while employed by the Corporation committing to hold confidential the "Confidential or Proprietary Information" (as defined below) of the Corporation or any of its affiliates, subsidiaries, related companies, joint ventures, partnerships, customers, suppliers, partners, contractors or agents, in each case in accordance with the terms of such agreements. I will not use or disclose or allow the use or disclosure by others to any person or entity of Confidential or Proprietary Information of the Corporation or others to which I had access or that I was responsible for creating or overseeing during my employment with the Corporation. In the event I become legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or otherwise) to disclose any proprietary or confidential information, I will immediately notify the Corporation's Senior Vice President, General Counsel and Corporate Secretary as to the existence of the obligation and will cooperate with any reasonable request by the Corporation for assistance in seeking to protect the information. All materials to which I have had access, or which were furnished or otherwise made available to me in connection with my employment with the Corporation shall be and remain the property of the Corporation. For purposes of this PECA, "Confidential or Proprietary Information" means trade secrets, as defined by the federal Defend Trade Secrets Act of 2016 and/or applicable state trade secret law, and Sensitive Information within the meaning of CRX-015 (a copy of which has been made available to me), including but not limited to information that a person or entity desires to protect from unauthorized disclosure to third parties that can provide the person or entity with a business, technological, or economic advantage over its competitors, or which, if known or used by third parties or if used by the

person's or entity's employees or agents in an unauthorized manner, might be detrimental to the person's or entity's interests. Confidential or Proprietary Information may include, but is not limited to:

- (i) existing and contemplated business, marketing and financial business information such as business plans and methods, marketing information, cost estimates, forecasts, financial data, cost or pricing data, bid and proposal information, customer identification, sources of supply, contemplated product lines, proposed business alliances, and information about customers or competitors, and
- (ii) existing and contemplated technical information and documentation pertaining to technology, know how, equipment, machines, devices and systems, computer hardware and software, compositions, formulas, products, processes, methods, designs, specifications, mask works, testing or evaluation procedures, manufacturing processes, production techniques, research and development activities, inventions, discoveries, and improvements, and
- (iii) human resources and personnel information.

(d) No Disparagement – Following the Termination Date, I will not make any statements, whether verbal or written, that disparage or reasonably may be interpreted to disparage the Corporation or its directors, officers, employees, technology, products or services with respect to any matter whatsoever.

(e) Cooperation in Litigation and Investigations – Following the Termination Date, I will, to the extent reasonably requested, cooperate with the Corporation in any pending or future litigation (including alternative dispute resolution proceedings) or investigations in which the Corporation or any of its subsidiaries or affiliates is a party or is required or requested to provide testimony and regarding which, as a result of my employment with the Corporation, I reasonably could be expected to have knowledge or information relevant to the litigation or investigation. Notwithstanding any other provision of this PECA, nothing in this PECA shall affect my obligation to cooperate with any governmental inquiry or investigation or to give truthful testimony in court.

(f) Communications with Regulatory Authorities – Nothing in this PECA prohibits or restricts me (or my attorney) from initiating communications directly with, responding to an inquiry from, or providing testimony before the Securities and Exchange Commission or any other federal or state regulatory authority regarding a possible securities law violation.

(g) Notices under the Defend Trade Secrets Act and NLRA – Notwithstanding anything in this PECA to the contrary:

- (i) I will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (1) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and solely for the purpose of reporting or investigating a suspected violation of law; or (2) in a complaint or other document that is filed under seal in a lawsuit or other proceeding.
- (ii) If I file a lawsuit for retaliation by the Corporation for reporting a suspected violation of law, I may disclose the Corporation's trade secrets to my attorney and use the trade secret information in the court proceeding if I (1) file any document containing the trade secret under seal; and (2) do not disclose the trade secret, except pursuant to court order.

- (iii) Nothing in this PECA in any way prohibits or is intended to restrict or impede, and shall not be interpreted or understood as restricting or impeding, me from exercising my rights under Section 7 of the National Labor Relations Act (NLRA).

2. Consideration and Acknowledgement. I acknowledge and agree that the benefits and compensation opportunities being made available to me under the Award Agreement are in addition to the benefits and compensation opportunities that otherwise are or would be available to me in connection with my employment by the Corporation and that the grant of the PSUs is expressly made contingent upon my agreements with the Corporation set forth in this PECA. I acknowledge that the scope and duration of the restrictions in Section 1 are necessary to be effective and are fair and reasonable in light of the value of the benefits and compensation opportunities being made available to me under the Award Agreement. I further acknowledge and agree that as a result of the high level executive and management positions I hold with the Corporation and the access to and extensive knowledge of the Corporation's Confidential or Proprietary Information, employees, suppliers and customers, these restrictions are reasonably required for the protection of the Corporation's legitimate business interests, including, but not limited to, the Corporation's Confidential or Proprietary Information.

3. Remedies For Breach of Section 1; Additional Remedies of Clawback and Recoupment.

(a) I agree, upon demand by the Corporation, to forfeit, return or repay to the Corporation the "Benefits and Proceeds" (as defined below) in the event any of the following occur:

- (i) I breach any of the covenants or agreements in Section 1;
- (ii) The Corporation determines that either (a) my intentional misconduct or gross negligence, or (b) my failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation, contributed to the Corporation having to restate all or a portion of its financial statements filed for any period with the Securities and Exchange Commission;
- (iii) The Corporation determines that I engaged in fraud, bribery or any other illegal act or that my intentional misconduct or gross negligence (including the failure to report the acts of another person of which I had knowledge during the period I was employed by the Corporation) contributed to another person's fraud, bribery or other illegal act, which in any such case adversely affected the Corporation's financial position or reputation;
- (iv) The Corporation determines that my intentional misconduct or gross negligence caused severe reputational or financial harm to the Corporation;
- (v) The Corporation determines that I misappropriated Confidential or Proprietary Information, as defined in Section 1(c), and I (A) intended to use the misappropriated Confidential or Proprietary Information to cause severe reputational or financial harm to the Corporation or (B) used the misappropriated Confidential or Proprietary Information in a manner that caused severe reputational or financial harm to the Corporation; or
- (vi) Under such other circumstances specified by final regulation issued by the Securities and Exchange Commission entitling the Corporation to recapture or clawback "Benefits and Proceeds" (as defined below).

(b) The remedy provided in Section 3(a) shall not be the exclusive remedy available to the Corporation for any of the conduct described in Section 3(a) and shall not limit the Corporation from seeking damages or injunctive relief. For purposes of Section 3(a), a determination by the Corporation means, with respect to an Elected Officer, a determination by the Management Development and Compensation Committee of the Board of Directors of the Corporation (the "Committee") and, with respect to any other employee, a determination by a review committee consisting of the Senior Vice President, Chief Human Resources Officer, the Senior Vice President, Ethics and Enterprise Assurance, and the Senior Vice President, General Counsel and Corporate Secretary (the "Review Committee").

(c) For purposes of this Section 3, "Benefits and Proceeds" means (i) to the extent I own Stock issued in respect of vested PSUs, such Stock; (ii) to the extent I no longer own the shares of Stock of the Corporation issued in respect of the PSUs, cash in an amount equal to the greater of (x) the value of such Stock on the date the associated PSUs vested (which, unless otherwise determined by the Committee or the Review Committee, shall be equal to the closing price of the shares of Stock as finally reported by the New York Stock Exchange on such date), and (y) the proceeds received in connection with the disposition of such Stock; and (iii) to the extent I have not earned the PSUs fully, all of my remaining rights, title or interest in my Award and any accrued dividend equivalents with respect thereto.

4. Injunctive Relief. I acknowledge that the Corporation's remedies at law may be inadequate to protect the Corporation against any actual or threatened breach of the provisions of Section 1 or the conduct described in Section 3(a), and, therefore, without prejudice to any other rights and remedies otherwise available to the Corporation at law or in equity (including but not limited to, an action under Section 3(a)), the Corporation shall be entitled to injunctive relief in its favor and to specific performance without proof of actual damages and without the requirement of the posting of any bond or similar security.

5. Invalidity; Unenforceability. It is the desire and intent of the parties that the provisions of this PECA shall be enforced to the fullest extent permissible. The covenants in each section of this PECA are independent of any other provisions of this PECA. Each term in this PECA constitutes a separate covenant between the parties, and each term is fully severable from any other term. The parties agree if any particular paragraphs, subparagraphs, phrases, words, or other portions of this PECA are determined by an appropriate court to be invalid or unenforceable as written, they shall be modified as necessary to comport with the reasonable intent and expectations of the parties and in favor of providing reasonable protection to all of the Corporation's legitimate business interests, and such modification shall not affect the remaining provisions of this PECA, or if they cannot be modified to be made valid or enforceable, then they shall be severed from this PECA, and all remaining terms and provisions shall remain enforceable.

6. Definitions. Capitalized terms not defined in this PECA have the meaning given to them in the Plan, as applicable. For purposes of this PECA, the following terms have the meanings given below:

(a) "Restricted Company" means The Boeing Company, General Dynamics Corporation, Northrop Grumman Corporation, Raytheon Technologies Corporation, Honeywell International Inc., BAE Systems Inc., L3Harris Technologies, Inc., Thales S.A., Airbus Group, Inc., Textron Inc., Leonardo S.p.A., Leidos Holdings, Inc., Space Exploration Technologies Corp. and (i) any entity directly or indirectly controlling, controlled by, or under common control with any of the foregoing, and (ii) any successor to all or part of the business of any of the foregoing as a result of a merger, reorganization, consolidation, spin-off, split-up, acquisition, divestiture, or similar transaction, or as a result of a name change.

7. Miscellaneous.

(a) The Plan, the Award Agreement (with Exhibit B) and this PECA constitute the entire agreement governing the terms of the award of the PSUs to me.

(b) This PECA shall be governed by Maryland law, without regard to its provisions governing conflicts of law. Any enforcement of, or challenge to, this PECA may only be brought in the United States District Court for the District of Maryland, unless it is determined that such court does not have subject matter jurisdiction, in which case any such enforcement or challenge must be brought in the Circuit Court of Montgomery County in the State of Maryland. Both parties consent to the proper jurisdiction and venue of such court, as applicable, for the purpose of enforcing or challenging this PECA. This Section 7(b) shall not apply to residents of California.

(c) This PECA shall inure to the benefit of the Corporation's successors and assigns and may be assigned by the Corporation without my consent.

(e) The restrictive covenants and other terms in this PECA are to be read consistent with the terms of any other restrictive covenants or other agreements that I have executed with the Corporation; provided, however, to the extent there is a conflict between/among such agreements, such agreements shall be construed as providing the broadest possible protections to the Corporation, even if such construction would require provisions of more than one such agreement to be given effect.

(f) The obligations I have undertaken in this PECA shall survive the Termination Date and no dispute regarding any other provisions of this PECA or regarding my employment or the termination of my employment shall prevent the operation and enforcement of these obligations.

This PECA is effective as of the acceptance by me of the award of PSU under the Award Agreement and is not contingent on the vesting of my PSU Award.

Exhibit B

Stock Ownership Requirements

Lockheed Martin's Stock Ownership Requirements for Key Employees apply to all senior level positions of Vice President and above. This reflects the expectations of our major stockholders that management demonstrate its confidence in Lockheed Martin through a reasonable level of personal share ownership. This practice is consistent with other major U.S. corporations which link some portion of personal financial interests of key employees with those of shareholders.

Stock Ownership Requirements

Title	Annual Base Pay Multiple
Chairman, President and Chief Executive Officer	6 times
Chief Operating Officer; Chief Financial Officer	4 times
Executive Vice Presidents	3 times
Senior Vice Presidents	2 times
Other Elected Officers	2 times

Covered employees must retain net vested Restricted Stock Units and Performance Stock Units and the net shares resulting from any exercise of stock options if the ownership requirements are not yet satisfied.

Covered employees are asked to report annually on their progress toward attainment of their share ownership goals.

SECURITIES THAT HAVE BEEN REGISTERED UNDER THE
SECURITIES ACT OF 1933**

This Award Agreement applies to the Long-Term Incentive Performance (“LTIP”) Award granted by Lockheed Martin Corporation to you as of the Award Date (defined above) under the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (“Plan”). The term “Target Award” as used in this Award Agreement refers only to the Target Award awarded to you under this Award Agreement and the term “Award” refers only to the LTIP Award set forth in this Award Agreement. References to the “Corporation” include Lockheed Martin Corporation and its Subsidiaries.

This Award Agreement sets forth your Target Award as well as some of the terms and conditions of your Award under the Plan, as determined by the Management Development and Compensation Committee (“Committee”) of the Board of Directors. Additional terms and conditions, including tax information, are contained in the Plan and in the Prospectus relating to the Plan of which the Plan and this Award Agreement are a part. Your Target Award is identified in the electronic stock plan award recordkeeping system (“Stock Plan System”) maintained by the Corporation or its designee at <http://www.stockplanconnect.com>. The Prospectus is also available at this website.

Except as described in Section 18, your Award is not effective or enforceable until you properly acknowledge your acceptance of the Award by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than May 31, 2022 (the “Acceptance Deadline”). **Except as described in Section 18, if you do not properly acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited.**

Assuming prompt and proper acknowledgement of your acceptance of this Award Agreement as described above and in Section 18, this Award will be effective as of the Award Date. Acceptance of this Award Agreement constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award and your agreement to be bound by the restrictions contained in Section 18, Exhibit A (“Post-Employment Conduct Agreement”) and Exhibit B (“Stock Ownership Requirements”), as amended from time to time.

You are responsible for payment of all Taxes imposed on you as a result of the Award. The Corporation will comply with all applicable U.S. Tax withholding requirements applicable to the Award. **Please see the Prospectus for the Plan for a discussion of certain material U.S. Tax consequences of the Award.**

In general, the Corporation will reduce the amount paid to you under this Award Agreement by an amount sufficient to satisfy any applicable Tax withholding obligation, generally at the highest individual tax rate, unless you elect otherwise in accordance with procedures established by the Corporation during an election window that may be offered by the Corporation. If you elect a lower tax rate for withholding, then you may owe additional taxes as a result of the payment of the Award. The Corporation shall also have the right to (i) offset any other obligation of the Corporation to you (including but not limited to, by withholding from your salary) by an amount sufficient to satisfy the Tax withholding obligation, or (ii) require you (or your estate) to pay the Corporation an amount equal to the Tax withholding obligation.

If you are a taxpayer in a country other than the U.S., you agree to make appropriate arrangements with the Corporation or its subsidiaries for the satisfaction of all income and employment tax withholding requirements, as well as social insurance contributions applicable to the Award. Please see the tax summary for your country available on the Stock Plan System at <http://www.stockplanconnect.com>. If you are a taxpayer in a country other than the U.S., you represent that you will consult with your own tax advisors in connection with this Award and that you are not relying on the Corporation for any tax advice. If you are a taxpayer in Australia, any payment under this Award Agreement will be inclusive of superannuation.

Capitalized terms used in this Award Agreement shall be defined in this Award Agreement or if not defined in this Award Agreement shall have the meaning given to the term in the Plan. Appendix I contains an index of all capitalized terms used in this Award Agreement.

Section 1. Target Award; Performance Period.

1.1 Target Award. Your Target Award for the Performance Period under this Award Agreement shall be the U.S. dollar amount identified as your Target Award in your account in the Stock Plan System at <http://www.stockplanconnect.com>.

1.2 Performance Period. The Performance Period under this Award Agreement is the three-year performance period that runs from January 1, 2022, until December 31, 2024.

1.3 Payment of Award. The amount payable to you under your Award is dependent upon the Corporation's performance as compared to the metrics described in Section 3 and Section 4 of this Award Agreement and your continued employment with the Corporation in accordance with Section 5 of this Award Agreement. As a result of these requirements, any payments you receive may be larger or smaller than your Target Award (e.g., the performance factors could result in no payment in respect of your Award). With respect to US-based Employees, when an Award becomes vested in accordance with Section 5.2(a), the Award amount will be paid to the Participant in US Dollars. With respect to non-US based employees, when an Award becomes vested in accordance with Section 5.2(a), the amount payable to the Participant in cash will be the amount of the Participant's Award converted into the Participant's functional currency at the conversion rate determined by the Corporation in its discretion as of the date the Award becomes vested in accordance with Section 5.2(a).

Section 2. Calculation of Award Payments.

2.1 End of Performance Period Calculation. Following the end of the Performance Period and prior to any payments being made,

(a) The Committee will calculate the Total Stockholder Return Performance Factor based on the Corporation's performance during the Performance Period relative to the performance of other corporations which compose the Peer Performance Group.

(b) The Committee will calculate the ROIC Performance Factor based on the Corporation's ROIC during the Performance Period as compared to the projected ROIC for the Performance Period as set forth in the February 23, 2022 Committee resolution ("ROIC Target").

(c) The Committee will calculate the Free Cash Flow Performance Factor based on the Corporation's cumulative Free Cash Flow during the Performance Period as compared to the projected cumulative Free Cash Flow for the Performance Period as set forth in the February 23, 2022 Committee resolution ("Free Cash Flow Target").

(d) Your "Potential Award" shall be calculated by multiplying the weighted average of the Total Stockholder Return Performance Factor, the ROIC Performance Factor, and the Free Cash Flow Performance Factor by your Target Award. The Total Stockholder Return Performance Factor, the ROIC Performance Factor, and the Free Cash Flow Performance Factor shall be weighted as follows in determining the weighted average of the three performance factors:

Total Stockholder Return Performance Factor	50%
ROIC Performance Factor	25%
Free Cash Flow Performance Factor	25%

You must (except as specified in Section 5) remain employed by the Corporation through the last day of the Performance Period to receive your Potential Award.

2.2 Adjustment of ROIC Target and Free Cash Flow Target. The Committee will adjust the ROIC Target and Free Cash Flow Target established as described in Section 2.1(b) and Section 2.1(c), respectively, to account for the impact of any acquisition or divestiture during the Performance Period with a transaction value in excess of \$1 billion at the time of the closing of the transaction. In adjusting any ROIC Target and Free Cash Flow Target to account for the impact of any acquisition or disposition with a transaction value in excess of \$1 billion, the Committee shall also adjust the ROIC Target and Free Cash Flow Target for any related divestiture(s) that may be required by any regulatory authorities in connection with or as a condition to approval or completion of such transaction (notwithstanding that any such divestiture may have a transaction value of less than \$1 billion).

Section 3. Total Stockholder Return Performance Factor.

3.1. Peer Performance Group. The Total Stockholder Return Performance Factor will be based upon the relative ranking of the Corporation's TSR (as defined in Section 3.2) for the Performance Period to the TSR for the Performance Period for each company in the "Peer Performance Group." The "Peer Performance Group" shall consist of the following companies (each a "Peer Company"):

Company	Ticker	Company	Ticker
AECOM	ACM	L3Harris Technologies, Inc.	LHX
AGCO Corporation	AGCO	Northrop Grumman Corporation	NOC
Builders FirstSource, Inc.	BLDR	Otis Worldwide Corporation	OTIS
Carrier Global Corporation	CARR	PACCAR Inc.	PCAR
Caterpillar Inc.	CAT	Parker-Hannifin Corporation	PH
Cummins Inc.	CMI	Quanta Services, Inc.	PWR
Deere & Company	DE	Raytheon Technologies Corporation	RTX
Eaton Corporation plc	ETN	Stanley Black & Decker, Inc.	SWK
Emerson Electric Co.	EMR	Textron Inc.	TXT
General Dynamics Corporation	GD	The Boeing Company	BA
General Electric Company	GE	3M Company	MMM
Honeywell International Inc.	HON	Trane Technologies plc	TT
Illinois Tool Works Inc.	ITW	W.W. Grainger, Inc.	GWW
Johnson Controls International plc	JCI	WESCO International, Inc.	WCC

The following rules apply to the composition and relative ranking of the Peer Performance Group during the Performance Period:

(a) If, on or before the last trading day of the twenty-fourth month of the Performance Period (i.e., on or before December 31, 2023), a Peer Company publicly announces that it has entered into a definitive agreement to be acquired (including, without limitation, a merger or other business combination of a Peer Company with another entity in which the Peer Company is not the survivor or the sale of all or substantially all of a Peer Company's assets), then that Peer Company will be immediately removed from the Peer Performance Group as of the beginning of the Performance Period. In the case of the public announcement of a merger or other business combination involving two Peer Companies in which following the closing of such transaction neither Peer Company will survive, both Peer Companies will be immediately removed from the Peer Performance Group as of the beginning of the Performance Period.

(b) If, after the last trading day of the twenty-fourth month of the Performance Period (i.e., after December 31, 2023), a Peer Company publicly announces that it has entered into a definitive agreement to be acquired (including, without limitation, a merger or other business combination of a Peer Company with another entity in which the Peer Company is not the survivor or the sale of all or substantially all of a Peer Company's assets), then that Peer Company's TSR ranking will be fixed at its ranking relative to the Corporation's TSR (i.e., ranking either above or below the Corporation) as of the date of the announcement. In the case of the public announcement of a merger or other business combination involving two Peer Companies in which following the closing of such transaction neither Peer Company will survive, both Peer Companies' TSR ranking will be fixed at its ranking relative to the Corporation's TSR as of the date of the announcement. For purposes of this Section 3.1(b), TSR will be calculated in accordance with Section 3.2, with the "Ending Price" determined using the average closing price of a share of common stock (as quoted in the principal market on which it is traded as of the beginning and the ending of the Performance Period) during the twenty (20) day trading period ending on the day before the announcement.

(c) If as a result of a public announcement of a transaction involving a Peer Company, a Peer Company is removed from the Peer Performance Group pursuant to Section 3.1(a) above or its TSR is fixed pursuant to Section 3.1(b) above and such transaction closes during the Performance Period and following the closing of such transaction the survivor is publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then subsequent to the closing the Peer Company will be added back to the Peer Performance Group for the entire Performance Period. If both parties to the transaction are Peer Companies, then Section 3.1(a) or 3.1(b) will apply to one Peer Company and Section 3.1(a), 3.1(b), or 3.1(c) will apply to the other Peer Company. For example, if two Peer Companies announce a merger in which neither Peer Company is the survivor before the last trading day of the twenty-fourth month of the Performance Period, then (i) both Peer Companies will be removed immediately from the Peer Performance Group under Section 3.1(a), and (ii) one Peer Company will be added back into the Peer Performance Group only if the merger closes during the Performance Period and the post-merger entity continues to trade under the Peer Company's pre-merger ticker symbol or a new ticker symbol that includes the Peer Company's pre-transaction trading history.

(d) If during the Performance Period a transaction involving one Peer Company that was announced prior to the start of the Performance Period closes, and the survivor is publicly traded on a securities exchange under the Peer Company's pre-transaction

ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then the Peer Company will remain in the Peer Performance Group. If, on or before the last trading day of the twenty-fourth month of the Performance Period (i.e., on or before December 31, 2023), a transaction involving one Peer Company that was announced prior to the start of the Performance Period closes, and the survivor is not publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then the Peer Company will be immediately removed from the Peer Performance Group as of the beginning of the Performance Period. If, after the last trading day of the twenty-fourth month of the Performance Period (i.e., after December 31, 2023), a transaction involving one Peer Company that was announced prior to the start of the Performance Period closes and the survivor is not publicly traded on a securities exchange under the Peer Company's pre-transaction ticker symbol or under another ticker symbol that includes the Peer Company's pre-transaction trading history, as determined by the Corporation using the tool the Corporation has designated in its discretion for computing Total Stockholder Return, then that Peer Company's TSR ranking will be fixed at its ranking relative to the Corporation's TSR (i.e., ranking either above or below the Corporation) as of the closing of the transaction. For purposes of the previous sentence of this Section 3.1(d), TSR will be calculated in accordance with Section 3.2, with the "Ending Price" determined using the average closing price of a share of common stock (as quoted in the principal market on which it is traded as of the beginning and the ending of the Performance Period) during the twenty (20) day trading period ending on the day before the closing of the transaction.

(e) If a Peer Company files for bankruptcy under the US Bankruptcy Code (Title 11 of the United States Code) at any time during the Performance Period, then that Peer Company will be ranked last for purposes of the end of Performance Period calculation described in Section 3.2.

3.2. Calculation of Total Stockholder Return Performance Factor.

Your Total Stockholder Return Performance Factor, expressed as a percentage, will be determined in accordance with the table below based on the Corporation's Percentile Ranking of TSR against the Peer Performance Group for the Performance Period; provided, however, that, notwithstanding anything in this Award Agreement to the contrary, if the Corporation's TSR for the three-year Performance Period is negative, the maximum Total Stockholder Return Performance Factor shall not exceed 100%. At the end of the Performance Period, each company's TSR shall be ranked among the TSRs for each other company in the Peer Performance Group on a percentile basis (using the Excel PERCENTRANK function), taking into account any changes to the Peer Performance Group or ranking changes made during the Performance Period in accordance with Section 3.1(a) – (e) (the "Percentile Ranking").

<u>Band</u>	<u>Percentile Ranking</u>	<u>Total Stockholder Return Performance Factor</u>
One	75 th - 100 th	200% (Maximum)
Two	60 th	150%
Three	50 th	100%
Four	40 th	50%
Five	35 th	25% (Threshold)

If the Corporation's TSR puts the Corporation over the listed Percentile Ranking for the applicable Band (other than Band One) in the above table, your Total Stockholder Return Performance Factor shall be interpolated on a linear basis.

For purposes of this Award Agreement, "Total Shareholder Return" or "TSR" means on a percentage basis, with respect to the Corporation or any Peer Company, the price appreciation of such company's common stock plus the value of reinvested dividends, calculated using the Beginning Price and the Ending Price, where

"Ending Price" means the average closing price of a share of common stock during the twenty (20) day trading period ending December 31, 2024 (or another ending date specified in Section 3.1); and

"Beginning Price" means the average closing price of a share of common stock during the twenty (20) day trading period ending December 31, 2021.

The Committee, in its sole discretion, may adjust TSR as necessary for any changes in equity structure, including but not limited to stock splits or other stock dividends. The Total Stockholder Return for the Corporation and each Peer Company shall be computed from data available to the public using the tool the Corporation has designated in its discretion for computing Total Stockholder Return. The Corporation's Total Stockholder Return will be based on the performance of the Stock. With respect to the Peer Companies, the Total Stockholder Return of each company that is taken into account in computing each Peer Company's Total Stockholder Return will be based on the equity security of the relevant company that is traded using the ticker symbol indicated in the chart in Section 3.1 to the right of the Peer Company's name, or a successor ticker symbol determined as described in Section 3.1(c) or Section 3.1(d).

Section 4. ROIC Performance Factor and Free Cash Flow Performance Factor.

4.1 ROIC Performance Factor. The ROIC Performance Factor will be determined by comparing the Corporation's ROIC for the Performance Period to the ROIC Target and then identifying the ROIC Performance Factor based upon the factor associated with the percentage of ROIC Target on the following table:

<u>ROIC Band</u>	<u>ROIC Performance Factor</u>
112% of Target	200% (Maximum)
ROIC Target	100%
90% of Target	25% (Threshold)

(a) ROIC Definition. For purposes of this Award Agreement, "ROIC" means return on invested capital for the Performance Period calculated as (A) average annual (i) net income (excluding any charge or addition to net income resulting solely from adjustment of deferred tax assets and liabilities for the effect of enactment of corporate tax reform and related legislation and regulations that change the top United States federal corporate income tax rate by two or more percentage points after the Award Date ("Tax Reform")), plus (ii) interest expense times one minus the weighted average of the highest marginal federal corporate income tax rates over the three year Performance Period, adjusted to reflect any applicable limitations on deductibility of the Corporation's interest expense, divided by (B) the average thirteen quarter-end investment balances (beginning with the quarter-end immediately preceding the beginning of the Performance Period) consisting of (i) debt (including current maturities of long-term debt) plus (ii) stockholders' equity plus the postretirement plans amounts determined quarterly as included in the Corporation's Statement of Stockholders' Equity. For any year in which net income would otherwise be affected by (I) Tax Reform; or (II) a change in law or

interpretation of law related to the amortization of research or experimental expenditures under Section 174 of the Code, as amended from time to time, as reflected in any future Long Range Plan, financial statement or tax return, net income shall be adjusted by substituting the effective tax rate assumed in the 2022 Long Range Plan for the actual effective tax rate (and ignoring the adjustment under clause (A)(i) above, if any, to the extent necessary to avoid double counting of tax impacts). Net income also shall be adjusted to exclude any non-cash settlement charge to earnings resulting solely from one or more risk transfer transactions to manage the Corporation's pension liabilities that were not included in the 2022 Long Range Plan, including any transactions involving the purchase of a group annuity contract for a portion of the Corporation's outstanding defined benefit pension obligations that are treated as a settlement for accounting purposes.

(b) ROIC Determination. Each component of ROIC and the calculation of any postretirement plans amounts recorded in the Corporation's Statement of Stockholders' Equity shall be determined by the Committee in accordance with generally accepted accounting principles in the United States and be based upon the comparable numbers reported on the Corporation's audited consolidated financial statements or, if audited financial statements are not available for the date or period on which ROIC is being determined, the Committee shall make its determination in a manner consistent with the historical practices used by the Corporation in determining the components of ROIC and postretirement plans amounts recorded in the Corporation's Statement of Stockholders' Equity for purposes of reporting those items on its audited financial statements, as modified by this paragraph. Notwithstanding the foregoing, ROIC will be adjusted to exclude the impact of any change in accounting standards or adoption of any new accounting standard that was not included in the 2022 Long Range Plan that is required under generally accepted accounting principles in the United States and that is reported in the Corporation's filings with the Securities and Exchange Commission as having a material effect on the Corporation's consolidated financial statements. ROIC, as included in the 2022 Long Range Plan, and the change in ROIC for purposes of the ROIC Performance Factor, will be determined in accordance with this Section 4.1(b).

4.2 Free Cash Flow Performance Factor. The Free Cash Flow Performance Factor will be determined by comparing the Corporation's cumulative Free Cash Flow during the Performance Period to the Free Cash Flow Target, and then identifying the Free Cash Flow Performance Factor based upon the factor associated with the change from the Free Cash Flow Target on the following table:

<u>Free Cash Flow Band</u>	<u>Free Cash Flow Performance Factor</u>
130% of Target	200% (Maximum)
Free Cash Flow Target	100%
85% of Target	25% (Threshold)

(a) Free Cash Flow Definition. For purposes of this Award Agreement, "Free Cash Flow" means net cash flow from operations less capital expenditures, adjusted to exclude the impact of: (i) the aggregate after tax difference between the amount forecasted in the Corporation's 2022 Long Range Plan to be contributed by the Corporation to the Corporation's defined benefit pension plans during the Performance Period and the actual amounts contributed by the Corporation during the Performance Period; (ii) any tax payments or tax benefits during the Performance Period associated with the divestiture of business units, other than tax payments or tax benefits that were included in the Corporation's 2022 Long Range Plan; and (iii) for any year in which Free Cash Flow would otherwise be affected by Tax Reform or an annual net change in cash tax liability resulting from a change in law or interpretation of law related to the amortization of research or experimental expenditures under Section 174 of the Code, as amended from time to time, as reflected in any future Long Range Plan, financial

statement or tax return, the aggregate difference between the tax payments forecasted in the 2022 Long Range Plan and the actual tax payments (and adjusting the amount under clause (i) above, if any, to the extent necessary to avoid double counting of tax impacts).

(b) Free Cash Flow Determination. Free Cash Flow shall be determined by the Committee using amounts reported on the Corporation's audited consolidated financial statements or, if audited financial statements are not available for the period for which Free Cash Flow is being determined, the Committee shall determine Free Cash Flow in a manner consistent with the historical practices used by the Corporation in determining net cash provided by operating activities and capital expenditures as reported in its audited consolidated statement of cash flows, in either case as modified by this paragraph. Notwithstanding the foregoing, Free Cash Flow will be adjusted to exclude the impact of any change in accounting standards or adoption of any new accounting standard that was not included in the 2022 Long Range Plan that is required under generally accepted accounting principles in the United States and that is reported in the Corporation's filings with the Securities and Exchange Commission as having a material effect on the Corporation's consolidated financial statements.

4.3 Interpolation of ROIC and Free Cash Flow Metrics. If the Corporation's ROIC or Free Cash Flow falls above or below Target and between the two percentages of Target listed in the applicable table in Section 4.1 or 4.2, the appropriate performance factor will be interpolated on a linear basis. Notwithstanding the foregoing, the ROIC Performance Factor will always be zero if the ROIC for the Performance Period is less than 90% of the ROIC Target and the Free Cash Flow Performance Factor will always be zero if the aggregate Free Cash Flow for the Performance Period is less than 85% of the Free Cash Flow Target.

4.4 For purposes of this Section 4, all references to the 2022 Long Range Plan shall be to the 2022 Long Range Plan as was in effect on February 22, 2022.

Section 5. Payment of Award.

5.1. Employment Requirement.

(a) General Rule. In order to be eligible to receive payment of your Award as determined under Sections 2.1(d), 5.2 and 5.3, you must accept this Award Agreement as described in Section 18 and remain employed by the Corporation through the last day of the Performance Period. Except as provided below or where prohibited by law, if your employment as an Employee terminates during the Performance Period, you shall forfeit your right to receive all or any part of your Award. If you are on Corporation-approved leave of absence at any point during the Performance Period, for purposes of this Award Agreement, you will be considered to still be in the employ of the Corporation, unless otherwise provided in an agreement between you and the Corporation.

(b) Exceptions. Notwithstanding Section 5.1(a), if the Committee determines

(1) that your employment as an Employee terminated as a result of your death, Total Disability or Retirement, or a Divestiture, or

(2) that the Corporation terminated your employment involuntarily after August 23, 2022 (the "Minimum Service Date"), (except that, if you are an employee who has been identified by the Corporation as subject to Divestiture, "after the Minimum Service Date," does not apply to you) as a result of a layoff, including through a voluntary layoff program that constitutes a window program under Section 409A of the Code,

you shall be eligible to receive a fraction of your Potential Award. The numerator of such fraction shall equal the number of days from the Award Date to the date your

employment as an Employee terminated, and the denominator shall equal the total number of days from the Award Date to the end of the Performance Period.

As a condition to being eligible to receive a portion of your Potential Award as a result of your layoff in accordance with Section 5.1(b)(2), you will be required to execute and deliver to the Corporation a general release of claims against the Corporation in a form acceptable to the Corporation within the time period specified by the Corporation in such release and not revoke such release within any revocation period provided for therein. Except as otherwise expressly provided by the Corporation in writing, a failure to satisfy this condition will result in forfeiture of your right to receive all or any part of your Award on the date of your layoff.

The Committee shall have complete and absolute discretion to make the determinations called for under this Section 5.1(b), and all such determinations shall be binding on you and on any person who claims all or any part of your Award on your behalf as well as on the Corporation.

(c) Special Definitions. For purposes of this Award Agreement:

(1) Your employment as an Employee shall be treated as terminating because of a "Total Disability" on the date you commence receiving a benefit under the Corporation's long-term disability plan in which you participate, or if you are not enrolled in the Corporation's long-term disability plan, the date on which long-term disability benefits would commence under the plan under which you would have been covered, had you enrolled, using the standards set forth in that plan;

(2) Your employment as an Employee shall be treated as terminating as a result of Divestiture if the Corporation divests all or substantially all of a business operation of the Corporation and such divestiture results in the termination of your employment with the Corporation and a transfer of such employment to the other party in the Divestiture. A "Divestiture" shall mean a transaction that results in the transfer of control of the business operation divested to any person, corporation, association, partnership, joint venture, limited liability company or other business entity of which less than 50% of the voting stock or other equity interests are directly or indirectly owned or controlled by the Corporation, by one or more of the Corporation's Subsidiaries or by any combination thereof; and

(3) Your employment as an Employee shall be treated as terminating because of "Retirement" if the effective date of your termination of employment is after the "Minimum Service Date, and (i) after you reach age 65, or (ii) after you reach age 55 and have (at the time of your termination) completed at least ten years of service with the Corporation. For this purpose, the effective date of your termination of employment is the day next following your last day worked.

(d) Resignation or Termination before the Last Day of the Performance Period.

(1) Except where prohibited by law, if you resign or your employment otherwise terminates before the last day of the Performance Period, other than on account of death, Total Disability, layoff, Retirement or Divestiture (as described above) or Change in Control (as described below), you will forfeit your right to receive all or any part of your Award on the date of your termination.

(2) Except where prohibited by law, if your employment terminates for any reason before the last day of the Performance Period by action of the Corporation due to your misconduct, then you will forfeit your right to receive all or any part of your Award on the date of your termination, even if at the time of your termination due to misconduct you have attained (i) age 55 and ten years of

service, or (ii) age 65. The business area or Enterprise Operations review committee responsible for determinations of misconduct, or the Committee if you are an Elected Officer, will determine if your employment terminates due to misconduct.

5.2. Payment Rules.

(a) General Rule: Vesting; Method of Payment; Timing of Payment. If you are eligible to receive all, or a portion of, your Potential Award under Section 5.1, up to \$10,000,000 of your Potential Award shall be fully vested on the date on which the Committee certifies in writing that your Target Award has become a Potential Award for the Performance Period. This portion of your award shall be known as the "Payable Portion" of your Potential Award. The Payable Portion of your Potential Award shall be (i) paid to you in cash as soon as administratively practicable after the certification date described above, but not later than March 15, 2025, or (ii) deferred in accordance with Section 5.2(c), if applicable. Subject to any deferral election under Section 5.2(c), in the event of your death, the Payable Portion of your Potential Award will be made to your Beneficiary.

(b) Special Rules for Certain Employees Terminated During Performance Period. If you terminate employment during the Performance Period but are eligible to receive a portion of your Potential Award as a result of an exception under Section 5.1(b), payment of such portion of your Potential Award shall be in full satisfaction of all rights you have under this Award Agreement. The portion of your Potential Award payable to you following a termination of employment during the Performance Period under circumstances described in Section 5.1(b) shall be paid to you or, in the event of your death, to your Beneficiary, at the time specified in Section 5.2(a) (subject to Section 5.2(c)).

(c) Deferral. You may be given an opportunity to elect to defer any amounts payable under Section 5.2 of this Award Agreement. In such event, such election shall be irrevocable, shall be made in accordance with the terms of the Lockheed Martin Corporation Deferred Management Incentive Compensation Plan ("DMICP") and the requirements of Section 409A of the Code, and shall be subject to such additional terms and conditions as are set by the Committee. A deferral election form and the terms and conditions for any deferral will be furnished to you in due course. The beneficiary designation for the DMICP shall govern any amounts deferred under the terms of the DMICP. This Section 5.2(c) shall not apply if you are a taxpayer in a country other than the United States or are not otherwise eligible to participate in the DMICP.

(d) Payment Rules Applicable to Canadian Employees. If you are employed in Canada, for purposes of the Award Agreement, the date of termination of employment will be the last day of actual and active employment. For the avoidance of doubt, except as may be required by applicable minimum standards legislation, no period of notice or payment in lieu of notice that is given or that ought to have been given under any applicable law or contract in respect of such termination of employment that follows or is in respect of a period after your last day of actual and active employment, if any, will be considered as extending your period of employment for the purposes of determining your entitlement under this Agreement.

5.3. Cutback. Any portion of your Potential Award in excess of the Payable Portion of your Potential Award will be forfeited to the extent that such portion, together with payments attributable to any other Cash-Based Awards that are granted during 2021 as Performance Based Awards, exceeds \$10,000,000. Amounts in excess of any Plan limits also shall be forfeited.

Section 6. No Assignment – General Creditor Status.

You shall have no right to assign any interest you might have in all or any part of the Target Award or Potential Award which has been granted to you under this Award Agreement and any attempt to do so shall be null and void and shall have no force or effect whatsoever. Furthermore, all payments called for under this Award Agreement shall be made in cash from the Corporation's general assets, and your right to payment from the Corporation's general assets shall be the same as the right of a general and unsecured creditor of the Corporation.

Section 7. Plan.

This Award Agreement shall be subject to all of the terms and conditions set forth in the Plan.

Section 8. Change in Control.

8.1. Vesting of Award Upon Change in Control. In the event of a consummation of a Change in Control during the Performance Period, your Target Award will become vested (i) on the effective date of the Change in Control if the LTIP Award is not assumed or continued, or equivalent cash incentives are not substituted for your LTIP Award by the Corporation or its successor, or (ii) if the LTIP is assumed, continued or substituted, upon your involuntary termination other than for Cause (not including death or Total Disability) or your voluntary termination with Good Reason, in either case, within the 24-month period following the consummation of the Change in Control. The cash payment in which you have become vested shall be delivered to you within fourteen (14) days of the date on which you become vested.

8.2. Special Definitions. For purposes of this Award Agreement:

(a) Cause shall mean either of the following:

- 1) Conviction for an act of fraud, embezzlement, theft or other act constituting a felony (other than traffic-related offenses or as a result of vicarious liability); or
- 2) Willful misconduct that is materially injurious to the Corporation's financial position, operating results or reputation; provided, however that no act or failure to act shall be considered "willful" unless done, or omitted to be done, by you (a) in bad faith; (b) for the purpose of receiving an actual improper personal benefit in the form of money, property or services; or (c) in circumstances where you had reasonable cause to believe that the act or failure to act was unlawful.

(b) Good Reason shall mean, without your express written consent, the occurrence of any one or more of the following after the Change in Control:

- 1) A material and substantial reduction in the nature or status of your authority or responsibilities;
- 2) A material reduction in your annualized rate of base salary;
- 3) A material reduction in the aggregate value of your level of participation in any short- or long- term incentive cash compensation plan, employee benefit or retirement plan or compensation practices, arrangements, or policies;
- 4) A material reduction in the aggregate level of participation in equity-based incentive compensation plans; or

- 5) Your principal place of employment is relocated to a location that is greater than fifty (50) miles from your principal place of employment on the date the Change in Control is consummated.

Your continued employment following an event that would constitute a basis for voluntary termination with Good Reason shall not constitute Good Reason if you consent to, or waive your rights with respect to, any circumstances constituting Good Reason. In addition, the occurrence of an event described in 1) through 5) shall constitute the basis for voluntary termination for Good Reason only if you provide written notice of your intent to terminate employment within 90 days of the first occurrence of such event and the Corporation has had at least 30 days from the date on which such notice is provided to cure such occurrence. If you do not terminate employment for Good Reason within 180 days after the first occurrence of the applicable grounds, then you will be deemed to have waived your right to terminate for Good Reason with respect to such grounds.

8.3. Special Rule. Notwithstanding Section 8.1, if a payment in accordance with those provisions would result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, then the date of distribution to you shall be delayed until the earliest date upon which the distribution either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act.

Section 9. Amendment and Termination.

As provided in Section 9 of the Plan, the Board of Directors may at any time amend, suspend or discontinue the Plan and the Committee may at any time deviate from or amend this Award Agreement. Notwithstanding the foregoing, no such action by the Board of Directors or the Committee shall amend Sections 1, 2, 3, 4, or 5 in a manner adverse to you or reduce the amount payable hereunder in a material manner without your written consent. For this purpose, a change in the amount payable hereunder that occurs solely by reason of a change in the date or form of payment due to Section 409A of the Code or Section 16 of the Exchange Act shall in no case be treated as a reduction prohibited by this Section 9. Thus, for example, if an amount payable by reason of Section 8 is delayed by an amendment to this Award Agreement or other action undertaken to comply with Section 409A of the Code, such a change shall not be treated as a reduction prohibited by this Section 9. This Section 9 shall be construed and applied so as to permit the Committee to amend this Award Agreement at any time in any manner reasonably necessary or appropriate in order to comply with the requirements of Section 16 of the Exchange Act and of Section 409A of the Code, including amendments regarding the timing and form of payments hereunder.

Section 10. Data Privacy Consent For Employees Located Outside Of The United States.

To the extent recognized under applicable law, if you are located outside of the United States, then by accepting this Award Agreement as described in Section 18, you hereby explicitly and unambiguously consent to, and acknowledge the need for, the collection, use and transfer, in electronic or other form, of your Personal Data (defined below) as described in this Award Agreement by and among the Corporation for the exclusive purpose of implementing, administering and managing your participation in the Plan.

You understand that the Corporation collects, holds, uses, and processes certain information about you, including, but not limited to, your name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any shares or directorships held in the Corporation, details of all awards or any other entitlement to shares awarded, canceled, exercised, vested, unvested or outstanding in your favor, for the purpose of implementing, administering and managing the Plan ("Personal Data"). The Corporation acts as the controller/owner of this Personal Data, and processes this Personal Data for purposes of implementing, administering, and managing the Plan. The Corporation protects the Personal Data that it receives in the United States from the European Union ("EU"),

or any other location outside the United States, in accordance with data transfer agreements based on EU-approved Standard Contractual Clauses.

You understand that Personal Data may be transferred to any third parties assisting in the implementation, administration and management of the Plan, that these recipients may be located in your country or elsewhere, and that the recipient's country may have different, including less stringent, data privacy laws and protections than your country. You may request a list with the names and addresses of any third-party recipients of the Personal Data at any time by contacting your local human resources representative. When disclosing Personal Data to these third parties, the Corporation provides appropriate safeguards for protecting the transfer of your Personal Data, such as establishing standard data protection clauses with the third parties as adopted by the European Commission. You may request a copy of, or information about, such safeguards by contacting your local human resources representative. You recognize that the Corporation and any other possible recipients including any present or future third-party recipients must receive, possess, use, retain and transfer your Personal Data, in electronic or other form, for the purposes of implementing, administering and managing your participation in the Plan, including any requisite transfer of such Personal Data as may be required to a broker or other third party with whom the Corporation may elect to administer the settlement of any award. You understand that Personal Data will be held only as long as is necessary to implement, administer and manage your participation in the Plan and comply with applicable legal requirements.

To the extent provided by your local law, you may, at any time, have the right to request: access to your Personal Data, rectification of your Personal Data, erasure of your Personal Data, restriction of processing of your Personal Data, portability of your Personal Data and information about the storage and processing of your Personal Data. You may also have the right to object, on grounds related to a particular situation, to the processing of your Personal Data, as well as to refuse or withdraw the consents herein, in any case without cost, by contacting in writing your local human resources representative. You understand, however, that refusing or withdrawing your consent may affect your ability to participate in the Plan. For more information on the consequences of your refusal to consent or withdrawal of consent, you understand that you may contact your local human resources representative.

Section 11. No Assurance of Employment; No Right to an Award; Value of Award.

Nothing contained in the Plan or in this Award Agreement shall confer upon you any right to continue in the employ or other service of the Corporation or constitute any contract (of employment or otherwise) or limit in any way the right of the Corporation to change your compensation or other benefits or to terminate your employment with or without cause. You acknowledge and agree that:

- (a) the Plan is discretionary in nature and the Board of Directors may amend, suspend, or terminate it at any time;
- (b) the grant of the Award is voluntary and occasional and does not create any contractual or other right to receive future grants of any Awards, or benefits in lieu of any Award even if Awards have been granted repeatedly in the past;
- (c) all determinations with respect to such future Awards, if any, including but not limited to the times when Awards shall be granted or when Awards shall vest, will be at the sole discretion of the Committee or its delegate;
- (d) your participation in the Plan is voluntary;
- (e) the value of the Award is an extraordinary item of compensation, which is outside the scope of your employment contract (if any), except as may otherwise be explicitly provided in your employment contract;

- (f) the Award is not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating termination, severance, resignation, redundancy, end of service, or similar payments, or bonuses, long-service awards, pension or retirement benefits;
- (g) the Award shall expire upon termination of your employment for any reason except as may otherwise be explicitly provided in the Plan and this Award Agreement;
- (h) the future value of the Award is unknown and cannot be predicted with certainty; and
- (i) no claim or entitlement to compensation or damages arises from the termination of the Award in accordance with the Plan and this Award Agreement or diminution in value of the Award and you irrevocably release the Corporation from any such claim that may arise.

Section 12. Conflict.

In the event of a conflict between this Award Agreement and the Plan, the Plan document shall control.

Section 13. Compliance with Section 409A of the Code.

It is the intent of the Corporation that your Award not be subject to taxation under Section 409A(a)(1) of the Code. Nevertheless, in the event that your Award is subject to Section 409A of the Code, as determined by the Senior Vice President, Chief Human Resources Officer or delegate, in consultation with the General Tax Counsel or delegate, the following rules apply: (i) the Award will be interpreted and administered to meet the requirements of Sections 409A(a)(2), (3) and (4) of the Code and thus to be exempt from taxation under Section 409A(a)(1) of the Code; (ii) no Award payment will be made on account of your termination of employment unless the termination of employment constitutes a "separation from service" under Section 409A(a)(2)(a)(i) of the Code; and (iii) if you are a "specified employee" within the meaning of Section 409A of the Code, any payment in respect of this Award made on account of a termination of employment will be delayed for six (6) months following such termination of employment, and then made at the earliest date permitted by Section 409A of the Code.

Section 14. Post-Employment Covenants & Stock Ownership Requirements.

Except where prohibited by law, by accepting this Award Agreement as described in Section 18, you agree to the terms of the Post-Employment Conduct Agreement contained in Exhibit A to this Award Agreement and you acknowledge receipt of the Stock Ownership Requirements attached as Exhibit B to this Award Agreement and agree to comply with such Stock Ownership Requirements as amended from time to time. If you are not a Vice President (or above) on the Award Date, but you are promoted to Vice President (or above) prior to the last day of the Performance Period, the Stock Ownership Requirements as in effect at that time shall become applicable to you on the date of your promotion to Vice President (or above).

Section 15. English Language.

You have received the terms and conditions of this Award Agreement and any other related communications, and you consent to having received these documents, in English. If you have received this Award Agreement or any other documents related to the Plan translated into a language other than English, and if the translated version is different from the English version, the English version will control.

Quebec Residents Only: The Parties have agreed that this Award Agreement, the Plan as well as any notice, document or instrument relating to them be drawn up in English only. You acknowledge that, upon your reasonable request, the Corporation will provide a French

translation of such documents to you. Les parties aux présentes ont convenu que la présente accord, le "Plan," ainsi que tous autres avis, actes ou documents s'y rattachant soient rédigés en anglais seulement. Vous reconnaissez que, à votre demande raisonnable, "the Corporation" fournit une traduction française de ces documents à vous.

Section 16. Currency Exchange Risk.

If your functional currency is not the U.S. dollar, you agree and acknowledge that you will bear any and all risk associated with the exchange or fluctuation of currency associated with the Award (the "Currency Exchange Risk"). You waive and release the Corporation and its subsidiaries from any potential claims arising out of the Currency Exchange Risk.

Section 17. Exchange Control Requirements.

You agree and acknowledge that you will comply with any and all exchange control requirements applicable to the Award and any resulting funds including, without limitation, reporting or repatriation requirements. You further agree and acknowledge that you will determine whether any such requirements are applicable to the Award and any resulting funds, and that you are not relying on the Corporation for any advice in this regard.

Section 18. Acceptance of Award Agreement; Electronic Delivery.

By accepting this Award Agreement, you consent to receive copies of the Prospectus applicable to this Award through the Stock Plan System at <http://www.stockplanconnect.com>) as well as to electronic delivery of the Corporation's annual report on Form 10-K, proxy statement and quarterly reports on Form 10-Q. This consent can only be withdrawn by written notice to the Vice President of Total Rewards at Lockheed Martin Corporation, Mail Point 126, 6801 Rockledge Drive, Bethesda, MD 20817. The Corporation will deliver any documents related to the Award under the Plan or future Awards that may be awarded under the Plan through the Stock Plan System. The Corporation will request your consent to participate in the Plan through the Stock Plan System. You hereby consent to receive such documents and agree to participate in the Plan through the Stock Plan System.

No Award is enforceable until you properly acknowledge your acceptance of this Award Agreement by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than the Acceptance Deadline. Acceptance of this Award Agreement must be made only by you personally or by a person acting pursuant to a power of attorney in the event of your inability to acknowledge your acceptance (and not by your estate, your spouse or any other person) and constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award. Notwithstanding the foregoing, this Award will be enforceable and deemed accepted, and will not be forfeited, if you are unable to accept this Award Agreement personally by the Acceptance Deadline, due to your death, disability, incapacity, deployment in the Armed Forces, or similar unforeseen circumstance as determined by the Corporation in its discretion. If you desire to accept this Award, you must acknowledge your acceptance and receipt of this Award Agreement electronically on or before the Acceptance Deadline, by going to the Stock Plan System at <http://www.stockplanconnect.com>.

Assuming prompt and proper acknowledgment of this Award Agreement as described in this Section 18, this Award will be effective as of the Award Date.

Exhibit A
Post-Employment Conduct Agreement
(LTIP Grant)

This Post-Employment Conduct Agreement (this "PECA") attached as Exhibit A to the Award Agreement with an Award Date of February 23, 2022, (the "Award Agreement") is entered into in consideration of, among other things, the grant of a Long Term Incentive Performance Award to me under the Award Agreement (the "LTIP") pursuant to the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (the "Plan") and the consideration set forth in Section 2 below. References to the "Corporation" shall include Lockheed Martin Corporation and its Subsidiaries. By accepting the LTIP, I agree as follows:

1. Restrictions Following Termination of Employment.

(a) Covenant Not To Compete – Without the express written consent of the "Required Approver" (as defined in Section 6), during the "Restricted Period" (as defined in Section 6), I will not, directly or indirectly, be employed by, provide services to, or advise a "Restricted Company" (as defined in Section 6), whether as an employee, advisor, director, officer, partner or consultant, or in any other position, function or role that, in any such case,

- (i) oversees, controls or affects the design, operation, research, manufacture, marketing, sale or distribution of "Competitive Products or Services" (as defined in Section 6) of or by the Restricted Company, or
- (ii) would involve a substantial risk that the "Confidential or Proprietary Information" (as defined in Section 1(c)) of the Corporation (including but not limited to technical information or intellectual property, strategic plans, information relating to pricing offered to the Corporation by vendors or suppliers or to prices charged or pricing contemplated to be charged by the Corporation, information relating to employee performance, promotions or identification for promotion, or information relating to the Corporation's cost base) could be used to the disadvantage of the Corporation.

I acknowledge and agree that: (A) enforcement of this PECA pursuant to Sections 1(a)(i) and (ii) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(a)(i) and (ii) shall not apply to me if I am a resident of or work in California or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct (such as the ABA Model Rules of Professional Conduct and state versions thereof), Sections 1(a)(i) and (ii) and Section 1(b) relating to non-solicitation, shall apply to individuals who are employed by the Corporation in an attorney position and whose occupation during the Restricted Period does not include practicing law.

In lieu of Section 1(a)(i) and (ii), as well as Section 1(b) relating to non-solicitation, the following Section 1(a)(iii) shall apply to individuals who are employed by the Corporation in an attorney position, and whose occupation during the Restricted Period includes practicing law.

- (iii) Post-Employment Activity As a Lawyer – I acknowledge that as counsel to the Corporation, I owe ethical and fiduciary obligations to the Corporation and that at least some of these obligations will continue even after my Termination Date (as defined in Section 6) with the Corporation. I agree that after my Termination Date I will comply fully with all applicable ethical and fiduciary obligations that I owe to the Corporation. To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct, I agree that I will not:

- (a) Represent any client in the same or a substantially related matter in which I represented the Corporation where the client's interests are materially adverse to the Corporation; or
- (b) Disclose confidential information relating to my representation of the Corporation, including the disclosure of information that is to the disadvantage of the Corporation, except for information that is or becomes generally known.

The Corporation's Senior Vice President, General Counsel, and Corporate Secretary or the General Tax Counsel, as applicable, will determine in their discretion whether an individual is employed by the Corporation in an attorney position.

(b) Non-Solicit – Without the express written consent of the Required Approver, during the two-year period following the Termination Date, I will not (i) cause or attempt to cause, directly or indirectly, the complete or partial loss of any contract in effect before the Termination Date between the Corporation and any customer, supplier, distributor or manufacturer of or to the Corporation with which I was responsible, in whole or in part, for soliciting, negotiating, implementing, managing, or overseeing or (ii) induce or attempt to induce, directly or indirectly, any person who is an employee of the Corporation with whom I worked or interacted with within two years prior to the Termination Date to cease employment with the Corporation in order to perform work or services for any entity other than the Corporation.

I acknowledge and agree that: (A) the enforcement of this PECA pursuant to Section 1(b)(i) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(b)(i) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

(c) Protection of Proprietary Information – Except to the extent required by law, following my Termination Date, I will have a continuing obligation to comply with the terms of any non-disclosure or similar agreements that I signed while employed by the Corporation committing to hold confidential the "Confidential or Proprietary Information" (as defined below) of the Corporation or any of its affiliates, subsidiaries, related companies, joint ventures, partnerships, customers, suppliers, partners, contractors or agents, in each case in accordance with the terms of such agreements. I will not use or disclose or allow the use or disclosure by others to any person or entity of Confidential or Proprietary Information of the Corporation or others to which I had access or that I was responsible for creating or overseeing during my employment with the Corporation. In the event I become legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or otherwise) to disclose any proprietary or confidential information, I will immediately notify the Corporation's Senior Vice President, General Counsel, and Corporate Secretary as to the existence of the obligation and will cooperate with any reasonable request by the Corporation for assistance in seeking to protect the information. All materials to which I have had access, or which were furnished or otherwise made available to me in connection with my employment with the Corporation shall be and remain the property of the Corporation. For purposes of this PECA, "Confidential or Proprietary Information" means trade secrets, as defined by the federal Defend Trade Secrets Act of 2016 and/or applicable state trade secret law, and Sensitive Information within the meaning of CRX-015 (a copy of which has been made available to me), including but not limited to information that a person or entity desires to protect from unauthorized disclosure to third parties that can provide the person or entity with a business, technological, or economic advantage over its competitors, or which, if known or used by third parties or if used by the person's or entity's employees or agents in an unauthorized manner, might be detrimental to the person's or entity's interests. Confidential or Proprietary Information may include, but is not limited to:

- (i) existing and contemplated business, marketing and financial business information such as business plans and methods, marketing information, cost estimates,

forecasts, financial data, cost or pricing data, bid and proposal information, customer identification, sources of supply, contemplated product lines, proposed business alliances, and information about customers or competitors, and

(ii) existing and contemplated technical information and documentation pertaining to technology, know how, equipment, machines, devices and systems, computer hardware and software, compositions, formulas, products, processes, methods, designs, specifications, mask works, testing or evaluation procedures, manufacturing processes, production techniques, research and development activities, inventions, discoveries, and improvements, and

(iii) human resources and personnel information.

(d) No Disparagement – Following the Termination Date, I will not make any statements, whether verbal or written, that disparage or reasonably may be interpreted to disparage the Corporation or its directors, officers, employees, technology, products or services with respect to any matter whatsoever.

(e) Cooperation in Litigation and Investigations – Following the Termination Date, I will, to the extent reasonably requested, cooperate with the Corporation in any pending or future litigation (including alternative dispute resolution proceedings) or investigations in which the Corporation or any of its subsidiaries or affiliates is a party or is required or requested to provide testimony and regarding which, as a result of my employment with the Corporation, I reasonably could be expected to have knowledge or information relevant to the litigation or investigation. Notwithstanding any other provision of this PECA, nothing in this PECA shall affect my obligation to cooperate with any governmental inquiry or investigation or to give truthful testimony in court.

(f) Communications with Regulatory Authorities – Nothing in this PECA prohibits or restricts me (or my attorney) from initiating communications directly with, responding to an inquiry from, or providing testimony before the Securities and Exchange Commission or any other federal or state regulatory authority regarding a possible securities law violation.

(g) Notices under the Defend Trade Secrets Act and NLRA – Notwithstanding anything in this PECA to the contrary:

(i) I will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (1) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and solely for the purpose of reporting or investigating a suspected violation of law; or (2) in a complaint or other document that is filed under seal in a lawsuit or other proceeding.

(ii) If I file a lawsuit for retaliation by the Corporation for reporting a suspected violation of law, I may disclose the Corporation's trade secrets to my attorney and use the trade secret information in the court proceeding if I (1) file any document containing the trade secret under seal; and (2) do not disclose the trade secret, except pursuant to court order.

(iii) Nothing in this PECA in any way prohibits or is intended to restrict or impede, and shall not be interpreted or understood as restricting or impeding, me from exercising my rights under Section 7 of the National Labor Relations Act (NLRA).

2. Consideration and Acknowledgement. I acknowledge and agree that the benefits and compensation opportunities being made available to me under the Award Agreement are in addition to the benefits and compensation opportunities that otherwise are or would be available to me in connection with my employment by the Corporation and that the grant of the LTIP is expressly made contingent upon my agreements with the Corporation set forth in this PECA. I

acknowledge that the scope and duration of the restrictions in Section 1 are necessary to be effective and are fair and reasonable in light of the value of the benefits and compensation opportunities being made available to me under the Award Agreement. I further acknowledge and agree that as a result of the high level executive and management positions I hold with the Corporation and the access to and extensive knowledge of the Corporation's Confidential or Proprietary Information, employees, suppliers and customers, these restrictions are reasonably required for the protection of the Corporation's legitimate business interests, including, but not limited to, the Corporation's Confidential or Proprietary Information.

3. Remedies For Breach of Section 1; Additional Remedies of Clawback and Recoupment.

(a) I agree, upon demand by the Corporation, to forfeit, return or repay to the Corporation the "Benefits and Proceeds" (as defined below) in the event any of the following occur:

- (i) I breach any of the covenants or agreements in Section 1;
- (ii) The Corporation determines that either (a) my intentional misconduct or gross negligence, or (b) my failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation, contributed to the Corporation having to restate all or a portion of its financial statements filed for any period with the Securities and Exchange Commission;
- (iv) The Corporation determines that I engaged in fraud, bribery or any other illegal act or that my intentional misconduct or gross negligence (including the failure to report the acts of another person of which I had knowledge during the period I was employed by the Corporation) contributed to another person's fraud, bribery or other illegal act, which in any such case adversely affected the Corporation's financial position or reputation;
- (v) The Corporation determines that my intentional misconduct or gross negligence caused severe reputational or financial harm to the Corporation;
- (vi) The Corporation determines that I misappropriated Confidential or Proprietary Information, as defined in Section 1(c), and I (A) intended to use the misappropriated Confidential or Proprietary Information to cause severe reputational or financial harm to the Corporation or (B) used the misappropriated Confidential or Proprietary Information in a manner that caused severe reputational or financial harm to the Corporation; or
- (vi) Under such other circumstances specified by final regulation issued by the Securities and Exchange Commission entitling the Corporation to recapture or clawback "Benefits and Proceeds" (as defined below).

(b) The remedy provided in Section 3(a) shall not be the exclusive remedy available to the Corporation for any of the conduct described in Section 3(a) and shall not limit the Corporation from seeking damages or injunctive relief. For purposes of Section 3(a), a determination by the Corporation means, with respect to an Elected Officer, a determination by the Management Development and Compensation Committee of the Board of Directors of the Corporation (the "Committee") and, with respect to any other employee, a determination by a review committee consisting of the Senior Vice President, Chief Human Resources Officer, the Senior Vice President, Ethics and Enterprise Assurance, and the Senior Vice President, General Counsel and Corporate Secretary.

(c) For purposes of this Section 3, "Benefits and Proceeds" means (i) to the extent I have earned any of the LTIP, any cash paid to me, whether paid currently or deferred; and (ii) to the extent I have not earned the LTIP fully, all of my remaining rights, title or interest in the LTIP.

4. Injunctive Relief. I acknowledge that the Corporation's remedies at law may be inadequate to protect the Corporation against any actual or threatened breach of the provisions of Section 1 or the conduct described in Section 3(a), and, therefore, without prejudice to any other rights and remedies otherwise available to the Corporation at law or in equity (including but not limited to, an action under Section 3(a)), the Corporation shall be entitled to injunctive relief in its favor and to specific performance without proof of actual damages and without the requirement of the posting of any bond or similar security.

5. Invalidity; Unenforceability. It is the desire and intent of the parties that the provisions of this PECA shall be enforced to the fullest extent permissible. The covenants in each section of this PECA are independent of any other provisions of this PECA. Each term in this PECA constitutes a separate covenant between the parties, and each term is fully severable from any other term. The parties agree if any particular paragraphs, subparagraphs, phrases, words, or other portions of this PECA are determined by an appropriate court to be invalid or unenforceable as written, they shall be modified as necessary to comport with the reasonable intent and expectations of the parties and in favor of providing reasonable protection to all of the Corporation's legitimate business interests, and such modification shall not affect the remaining provisions of this PECA, or if they cannot be modified to be made valid or enforceable, then they shall be severed from this PECA, and all remaining terms and provisions shall remain enforceable.

6. Definitions. Capitalized terms not defined in this PECA have the meaning given to them in the Plan, as applicable. For purposes of this PECA, the following terms have the meanings given below:

(a) "Restricted Company" means The Boeing Company, General Dynamics Corporation, Northrop Grumman Corporation, Raytheon Technologies Corporation, Honeywell International Inc., BAE Systems Inc., L3Harris Technologies, Inc., Thales S.A., Airbus Group, Inc., Textron Inc., Leonardo S.p.A., Leidos Holdings, Inc., Space Exploration Technologies Corp. and (i) any entity directly or indirectly controlling, controlled by, or under common control with any of the foregoing, and (ii) any successor to all or part of the business of any of the foregoing as a result of a merger, reorganization, consolidation, spin-off, split-up, acquisition, divestiture, or similar transaction, or as a result of a name change.

(b) "Competitive Products or Services" means products or services that compete with, or are an alternative or potential alternative to, products sold or services provided by a subsidiary, business area, division or operating unit or business of the Corporation as of the Termination Date and at any time within the two-year period ending on the Termination Date; provided, that, (i) if I had direct responsibility for the business of, or function with respect to, a subsidiary, or for a business area, division or operating unit or business of the Corporation at any time within the two-year period ending on the Termination Date, Competitive Products or Services includes the products so sold or the services so provided during that two-year period by the subsidiary, business area, division or operating unit of the Corporation for which I had responsibility, and (ii) if I did not have direct responsibility for the business of, or function with respect to, a subsidiary, or for a business area, division or operating unit or business of the Corporation at any time within the two-year period ending on the Termination Date, Competitive Products or Services includes the products so sold or the services so provided by a subsidiary, business area, division or operating unit of the Corporation for which I had access (or was required or permitted such access in the performance of my duties or responsibilities with the Corporation) to Confidential or Proprietary Information of the Corporation at any time during the two-year period ending on the Termination Date.

(c) "Required Approver" means:

(i) with respect to the Chairman, President and Chief Executive Officer, the Management Development and Compensation Committee of the Corporation's Board of Directors;

(f) "Termination Date" means the date of my termination of employment with the Corporation.

7. Miscellaneous.

(a) The Plan, the Award Agreement (with Exhibit B) and this PECA constitute the entire agreement governing the terms of the award of the LTIP to me.

(b) This PECA shall be governed by Maryland law, without regard to its provisions governing conflicts of law. Any enforcement of, or challenge to, this PECA may only be brought in the United States District Court for the District of Maryland, unless it is determined that such court does not have subject matter jurisdiction, in which case any such enforcement or challenge must be brought in the Circuit Court of Montgomery County in the State of Maryland. Both parties consent to the proper jurisdiction and venue of such court, as applicable, for the purpose of enforcing or challenging this PECA. This Section 7(b) shall not apply to residents of California.

(c) This PECA shall inure to the benefit of the Corporation's successors and assigns, and may be assigned by the Corporation without my consent.

(d) This PECA provides for certain obligations on my part following the Termination Date and shall not, by implication or otherwise, affect in any way my obligations to the Corporation during the term of my employment by the Corporation, whether pursuant to written agreements between the Corporation and me, the provisions of applicable Corporate policies that may be adopted from time to time or applicable law or regulation.

(e) The restrictive covenants and other terms in this PECA are to be read consistent with the terms of any other restrictive covenants or other agreements that I have executed with the Corporation; provided, however, to the extent there is a conflict between/among such agreements, such agreements shall be construed as providing the broadest possible protections to the Corporation, even if such construction would require provisions of more than one such agreement to be given effect.

(f) The obligations I have undertaken in this PECA shall survive the Termination Date and no dispute regarding any other provisions of this PECA or regarding my employment or the termination of my employment shall prevent the operation and enforcement of these obligations.

This PECA is effective as of the acceptance by me of the award of an LTIP under the Award Agreement and is not contingent on the vesting of the LTIP.

Exhibit B

Stock Ownership Requirements

Lockheed Martin's Stock Ownership Requirements for Key Employees apply to all senior level positions of Vice President and above. This reflects the expectations of our major stockholders that management demonstrate its confidence in Lockheed Martin through a reasonable level of personal share ownership. This practice is consistent with other major U.S. corporations which link some portion of personal financial interests of key employees with those of shareholders.

Stock Ownership Requirements

Title	Annual Base Pay Multiple
Chairman, President and Chief Executive Officer	6 times
Chief Operating Officer; Chief Financial Officer	4 times
Executive Vice Presidents	3 times
Senior Vice Presidents	2 times
Other Elected Officers	2 times
Other Vice Presidents	1 times

Satisfaction of Requirements

Covered employees may satisfy their ownership requirements with common stock in these categories:

- Shares owned directly.
- Shares owned by a spouse or a trust.
- Shares represented by monies invested in 401(k) Company Common Stock Funds or comparable plans.
- Share equivalents as represented by income deferred to the Company Stock Investment Option of the Deferred Management Incentive Compensation Plan (DMICP).
- Unvested Restricted Stock Units

Key employees will be required to achieve the appropriate ownership level within five years and are expected to make continuous progress toward their target. Appointment to a new level will reset the five-year requirement. Unvested Performance Share Units are not counted toward meeting the guidelines.

Holding Period

Covered employees must retain net vested Restricted Stock Units and Performance Stock Units and the net shares resulting from any exercise of stock options if the ownership requirements are not yet satisfied.

Covered employees are asked to report annually on their progress toward attainment of their share ownership goals.

Award Date: February 23, 2022

**RESTRICTED STOCK UNIT AWARD AGREEMENT (CFO NEW HIRE)
GRANTED UNDER THE LOCKHEED MARTIN CORPORATION
2020 INCENTIVE PERFORMANCE AWARD PLAN**

**THIS DOCUMENT CONSTITUTES PART OF A PROSPECTUS COVERING
SECURITIES THAT HAVE BEEN REGISTERED UNDER THE
SECURITIES ACT OF 1933**

This Award Agreement applies to the Restricted Stock Units ("RSUs") granted by Lockheed Martin Corporation to you as of the Award Date (defined above) under the Lockheed Martin Corporation 2020 Incentive Performance Award Plan ("Plan"). The term Restricted Stock Unit or RSU as used in this Award Agreement refers only to the Restricted Stock Units awarded to you under this Award Agreement. References to the "Corporation" include Lockheed Martin Corporation and its Subsidiaries.

Each RSU entitles you, upon satisfaction of the continuous employment and other requirements set forth in this Award Agreement and the Plan, to receive from the Corporation: (i) one (1) share of the Corporation's common stock, par value \$1.00 per share ("Stock"); and (ii) a cash payment equal to the sum of any cash dividends paid to stockholders of the Corporation during the Vesting Period (as defined below), each in accordance with the terms of this Award Agreement, the Plan, and any rules and procedures adopted by the Management Development and Compensation Committee ("Committee") of the Board of Directors.

This Award Agreement sets forth some of the terms and conditions of your Award under the Plan, as determined by the Committee. Additional terms and conditions, including tax information, are contained in the Plan and in the Prospectus relating to the Plan of which the Plan and this Award Agreement are a part. In the event of a conflict between this Award Agreement and the Plan, the Plan document will control. The number of RSUs applicable to your Award are set forth in the electronic stock plan award recordkeeping system ("Stock Plan System") maintained by the Corporation or its designee at <http://www.stockplanconnect.com>. The Prospectus is also available at this website.

Except as described in Section 10, your Award is not effective or enforceable until you properly acknowledge your acceptance of the Award by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than May 31, 2022 ("Acceptance Deadline"). **Except as described in Section 10, if you do not properly acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited.**

Assuming prompt and proper acknowledgement of your acceptance of this Award Agreement as described above and in Section 10, this Award will be effective as of the Award Date. Acceptance of this Award Agreement constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award and your agreement to be bound by the restrictions contained in Section 10, Exhibit A ("Post-Employment Conduct Agreement") and Exhibit B ("Stock Ownership Requirements"), as amended from time to time.

1. CONSIDERATION FOR AWARD

The consideration for the RSUs is your continued service to the Corporation as an Employee through the Vesting Date (as defined below). If you do not continue to perform services for the Corporation as an Employee through the Vesting Date, your Award will be forfeited in whole or in part, as set forth below under "VESTING AND FORFEITURE."

2. RIGHTS OF OWNERSHIP, RESTRICTIONS ON TRANSFER

During the Vesting Period, as set forth below under "VESTING AND FORFEITURE," your unvested RSUs will be subject to forfeiture. Until the Vesting Date of a particular RSU and a share of Stock is delivered to you, you generally will not have the rights and privileges of a stockholder. In particular, you will not have the right to vote your RSUs on any matter put to the stockholders of the Corporation; you may not sell, transfer, assign, pledge, use as collateral or otherwise dispose of or encumber RSUs; and you will not have the right to receive any dividends paid to stockholders or dividend equivalents on the RSUs.

On the Vesting Date, subject to the forfeiture provisions set forth below, each RSU which has vested will be exchanged for a certificate (either in paper or book entry form) evidencing one (1) share of Stock issued in your name and a cash amount equal to the dividends that would have been paid to you had you owned such share from the Award Date until the Vesting Date ("Deferred Dividend Equivalents" or "DDEs"). Your shares and the cash payment for the DDEs will be delivered to you as soon as practicable, but not later than sixty (60) days following the Vesting Date, and in no event later than the March 15 following such Vesting Date.

The certificates delivered to you may contain any legend the Corporation determines is appropriate under the securities laws.

You are responsible for payment of all Taxes imposed on you as a result of the Award. The Corporation will comply with all applicable U.S. Tax withholding requirements applicable to the RSUs, the DDEs, and associated Stock. Please see the Prospectus for the Plan for a discussion of certain material U.S. Tax consequences of the Award. Any withholding Tax on shares of Stock (and associated DDEs) deliverable to you will be satisfied by means of the Corporation's reducing the number of shares of Stock (and associated DDEs) deliverable to you in respect of vested RSUs. If you are an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate. If you are not an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate, unless you elect otherwise in accordance with procedures established by the Corporation during an election window that may be offered by the Corporation. If you elect a lower tax rate for withholding, then you may owe additional taxes as a result of the payment of the vested RSUs (and associated DDEs).

If any Tax withholding is required with respect to any Award (including with respect to associated DDEs) during the Vesting Period, the Corporation generally shall reduce the Award by the number of shares of Stock and/or the amount of associated DDEs with a value equal to the Tax withholding obligation and such shares of Stock and/or DDEs will be used to satisfy the Tax withholding obligation.

The Corporation shall also have the right to (i) offset any other obligation of the Corporation to you (including but not limited to by withholding from your salary) by an amount sufficient to satisfy the Tax withholding obligation, or (ii) require you (or your estate) to pay the Corporation an amount equal to the Tax withholding obligation.

If a payment under this Award constitutes nonqualified deferred compensation under Section 409A of the Code, no payment due upon termination of employment shall be made unless the termination of employment is a "separation from service" as defined in Section 409A of the Code and accompanying regulations. In the event Section 409A(a)(2)(B)(i) of the Code applies because you are a specified employee receiving a distribution on account of a

termination of employment, delivery of Stock and the DDEs may be delayed for six months from such date. Similarly, if you are an Insider subject to the reporting provisions of Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act"), delivery of Stock following the Vesting Date for any reason may be delayed for six months. For example, if the delivery of the Stock would result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, delivery will be delayed until the earliest date upon which the delivery either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act.

After the Stock is delivered to you, you will enjoy all of the rights and privileges associated with ownership of the shares, including the right to vote on any matter put to stockholder vote, to receive dividends, and to encumber, sell or otherwise transfer the shares. You should note, however, that, while the shares would thus be free of the restrictions imposed on those shares prior to the Vesting Date, your ability to sell or pledge the shares may be limited under the federal securities laws or corporate policy.

In the event of your death, the Stock and cash payment for the DDEs in respect of your RSUs will be transferred to your Beneficiary (as defined in the Plan).

3. VESTING AND FORFEITURE

The vesting of the RSUs awarded under this Award Agreement along with the associated DDEs is subject to your acceptance of this Award Agreement as described in Section 10 by the Acceptance Deadline, and your continuous employment with the Corporation from the Award Date until February 23, 2023, which is the first anniversary of the Award Date ("Vesting Date").

All of your rights to the unvested RSUs and to receive Stock for your unvested RSUs and the associated DDEs will cease without further obligation on the part of the Corporation unless you personally accept this Award Agreement as provided below in Section 10 by the Acceptance Deadline, and the unvested RSUs and the associated DDEs will be forfeited unless you continue to provide services to the Corporation as an Employee of the Corporation from the Award Date until the Vesting Date ("Vesting Period"), subject only to the specific exceptions provided below.

4. DEATH AND DISABILITY

Your unvested RSUs and the DDEs will immediately vest and no longer be subject to the continuing employment requirement if:

(a) you die while still employed by the Corporation; or

(b) you terminate employment as a result of your total disability. Your employment will be treated as terminating because of a total disability on the date you commence receiving a benefit under the Corporation's long-term disability plan in which you participate (or, if you are not enrolled in the Corporation's long-term disability plan, on the date on which long-term disability benefits would have commenced under the plan under which you would have been covered, had you enrolled, using the standards set forth in that plan).

The vested RSUs will be exchanged for shares of Stock and the DDEs will be paid in cash as soon as practicable, but no later than sixty (60) days after the date of your termination of employment on account of death or total disability, and in no event later than the March 15 next following the year in which such termination occurs.

Except as otherwise determined by the Corporation in its discretion in accordance with Section 10, in the event that you die and have not properly acknowledged acceptance of the Award prior to your death (or by the Acceptance Deadline, whichever comes first), you will forfeit all of your RSUs granted hereunder and all of your rights to the RSUs and to receive Stock for your RSUs and the DDEs will cease without further obligation on the part of the Corporation.

5. LAYOFF

If you are laid off by the Corporation and the effective date of your layoff is after August 23, 2022 (the "Minimum Service Date"), but before the Vesting Date, you will continue to vest in your RSUs and the DDEs as if you had remained employed by the Corporation until the Vesting Date.

As a condition to the vesting of any RSUs (and associated DDEs) upon your layoff in accordance with this Section, you will be required to execute and deliver to the Corporation a general release of claims against the Corporation in a form acceptable to the Corporation within the time period specified by the Corporation in such release and not revoke such release within any revocation period provided for therein. Except as otherwise expressly provided by the Corporation in writing, a failure to satisfy this condition will result in forfeiture of such RSUs (and associated DDEs) upon your layoff during the Vesting Period.

The vested RSUs will be exchanged for shares of Stock, and the related DDEs associated with the vested RSUs will be paid in cash, on or as soon as practicable after the Vesting Date, but in no event later than the March 15 following the end of the Vesting Period.

6. RETIREMENT, RESIGNATION OR TERMINATION BEFORE THE VESTING DATE

Except where prohibited by law, if you retire, resign or your employment otherwise terminates before the Vesting Date, other than on account of death, total disability, layoff (as described above), Divestiture (as described below) or Change in Control (as described below), you will forfeit your unvested RSUs and the associated DDEs on the date of your termination.

Except where prohibited by law, if your employment terminates before the Vesting Date by action of the Corporation due to your misconduct, then you will forfeit your RSUs and the associated DDEs on the date of your termination. The Committee will determine if your employment terminates due to misconduct.

7. DIVESTITURE

In the event of a Divestiture (as defined below) of all or substantially all of a business operation of the Corporation prior to the Vesting Date and such Divestiture results in the termination of your employment with the Corporation or its subsidiaries and the transfer of such employment to the other party to the Divestiture or the entity resulting from the Divestiture (or its affiliate), then the Committee may arrange for such other party or entity to assume or continue your unvested RSUs or substitute equivalent restricted securities for your RSUs, with the same terms and conditions that apply to your RSUs pursuant to this Award Agreement, and the remainder of this Section 7 shall not apply.

If (i) such assumption, continuance or substitution of your unvested RSUs does not occur, (ii) the Divestiture results in the termination of your employment with the Corporation or its subsidiaries, and (iii) your employment transfers to the other party to the Divestiture or the entity resulting from the Divestiture (or its affiliate), then the following rules will apply:

(a) Pro Rata Vesting. You shall be eligible to receive a fraction of your RSUs and the associated DDEs with respect to such fraction. The numerator of such fraction shall equal the number of days in the Vesting Period before your employment as an Employee terminated due to the Divestiture, and the denominator shall equal the total number of days in the Vesting Period. Fractional shares shall be rounded up to the next whole share.

(b) No Further Rights. The Committee shall have complete and absolute discretion to make the determinations called for under this Section 7, and all such determinations shall be binding on you and on any person who claims all or any part of your RSUs and associated DDEs on your behalf as well as on the Corporation. If you terminate employment during the Vesting Period due to Divestiture but are eligible to receive a portion of your RSUs and

associated DDEs as a result of this Section 7, payment of such portion of your RSUs and associated DDEs shall be in full satisfaction of all rights you have under this Award Agreement and you will receive shares of Stock in exchange for RSUs and the cash payment for the DDEs as soon as practicable, but no later than sixty (60) days after your termination of employment with the Corporation.

For the purposes of this Section 7, the term "Divestiture" shall mean a transaction that results in the transfer of control of the business operation divested to any person, corporation, association, partnership, joint venture, limited liability company or other business entity of which less than 50% of the voting stock or other equity interests (in the case of entities other than corporations), is owned or controlled directly or indirectly by the Corporation, by one or more of the Corporation's subsidiaries or by any combination thereof.

8. CHANGE IN CONTROL DURING VESTING PERIOD

In the event of a consummation of a Change in Control during the Vesting Period, the number of unvested RSUs subject to this Award and associated DDEs will become vested (i) on the effective date of the Change in Control if the RSUs are not assumed, continued, or equivalent restricted securities are not substituted for the RSUs by the Corporation or its successor, or (ii) if the RSUs are assumed, continued or substituted by the Corporation or its successor, on the effective date of your involuntary termination by the Corporation or its successor other than for Cause (as defined herein, not including death or total disability) or your voluntary termination with Good Reason (as defined herein), in either case, within the 24-month period following the consummation of the Change in Control.

In the event any unvested RSUs and associated DDEs vest in accordance with this Section 8 (whether immediately following the Change in Control or following your termination), the shares of Stock or equivalent substituted securities in which you have become vested and the associated DDEs (less any Tax withholding) shall be delivered to you within 14 days of the date on which you become vested.

(a) "Cause" shall mean either of the following:

- (i) Conviction for an act of fraud, embezzlement, theft or other act constituting a felony (other than traffic-related offenses or as a result of vicarious liability); or
- (ii) Willful misconduct that is materially injurious to the Corporation's financial position, operating results or reputation; provided, however that no act or failure to act shall be considered "willful" unless done, or omitted to be done, by you (a) in bad faith; (b) for the purpose of receiving an actual improper personal benefit in the form of money, property or services; or (c) in circumstances where you had reasonable cause to believe that the act or failure to act was unlawful.

(b) "Good Reason" shall mean, without your express written consent, the occurrence of any one or more of the following after the Change in Control:

- (i) A material and substantial reduction in the nature or status of your authority or responsibilities;
- (ii) A material reduction in your annualized rate of base salary;
- (iii) A material reduction in the aggregate value of your level of participation in any short or long term incentive cash compensation plan, employee benefit or retirement plan or compensation practices, arrangements, or policies;

- (iv) A material reduction in the aggregate level of participation in equity-based incentive compensation plans; or
- (v) Your principal place of employment is relocated to a location that is greater than 50 miles from your principal place of employment on the date the Change in Control is consummated.

Your continued employment following an event that would constitute a basis for voluntary termination with Good Reason shall not constitute Good Reason if you consent to, or waive your rights with respect to any circumstances constituting Good Reason. In addition, the occurrence of an event described in (i) through (v) shall constitute the basis for voluntary termination for Good Reason only if you provide written notice of your intent to terminate employment within 90 days of the first occurrence of such event and the Corporation has had at least 30 days from the date on which such notice is provided to cure such occurrence. If you do not terminate employment for Good Reason within 180 days after the first occurrence of the applicable grounds, then you will be deemed to have waived your right to terminate for Good Reason with respect to such grounds.

9. AMENDMENT AND TERMINATION OF PLAN OR AWARDS

As provided in Section 9 of the Plan, subject to certain limitations contained within Section 9, the Board of Directors may at any time amend, suspend or discontinue the Plan and the Committee may at any time deviate from or amend this Award Agreement. Notwithstanding Section 9 of the Plan, no such amendment, suspension or discontinuance of the Plan or deviation from or amendment of Award Agreements will, except with your express written consent, adversely affect your rights under this Award Agreement. This Award Agreement shall not be amended or interpreted in a manner that is reasonably believed to result in the imposition of Tax under Section 409A of the Code.

10. ACCEPTANCE OF AWARD AGREEMENT; ELECTRONIC DELIVERY

No Award is enforceable until you properly acknowledge your acceptance of this Award Agreement by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than the Acceptance Deadline. Acceptance of this Award Agreement must be made only by you personally or by a person acting pursuant to a power of attorney in the event of your inability to acknowledge your acceptance (and not by your estate, your spouse or any other person) and constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award. Notwithstanding the foregoing, this Award will be enforceable and deemed accepted, and will not be forfeited, if you are unable to accept this Award Agreement personally by the Acceptance Deadline, due to your death, disability, incapacity, deployment in the Armed Forces, or similar unforeseen circumstance as determined by the Corporation in its discretion. If you desire to accept this Award, you must acknowledge your acceptance and receipt of this Award Agreement electronically on or before the Acceptance Deadline, by going to the Stock Plan System at <http://www.stockplanconnect.com>.

Assuming prompt and proper acknowledgment of this Award Agreement as described above, this Award will be effective as of the Award Date.

By accepting this Award Agreement, you consent to receive copies of the Prospectus applicable to this Award from the Stock Plan System (<http://www.stockplanconnect.com>) as well as to electronic delivery of the Corporation's annual report on Form 10-K, proxy statement and quarterly reports on Form 10-Q. This consent can only be withdrawn by written notice to the Vice President of Total Rewards at Lockheed Martin Corporation, Mail Point 126, 6801 Rockledge Drive, Bethesda, MD 20817. The Corporation will deliver any documents related to RSUs awarded under the Plan or future RSUs that may be awarded under the Plan through the Stock Plan System. The Corporation will request your consent to participate in the Plan through the Stock Plan System. You hereby consent to receive such documents and agree to participate in the Plan through the Stock Plan System.

Except as described above, if you do not personally acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited as noted above.

11. POST-EMPLOYMENT COVENANTS

Except where prohibited by law, by accepting this Award Agreement as described in Section 10, you agree to the terms of the Post-Employment Conduct Agreement contained in Exhibit A to this Award Agreement.

12. STOCK OWNERSHIP REQUIREMENTS

Except where prohibited by law, by accepting this Award Agreement through the procedure described in Section 10, you acknowledge receipt of the Stock Ownership Requirements ("Ownership Requirements") attached as Exhibit B and agree to comply with such Ownership Requirements as amended from time to time.

13. EMPLOYEE ACKNOWLEDGEMENT

You acknowledge and agree that:

- (a) the Plan is discretionary in nature and the Committee may amend, suspend, or terminate it at any time;
- (b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of any RSUs, or benefits in lieu of any RSUs even if RSUs have been granted repeatedly in the past;
- (c) all determinations with respect to such future RSUs, if any, including but not limited to the times when RSUs shall be granted or when RSUs shall vest, will be at the sole discretion of the Committee or its delegate;
- (d) your participation in the Plan is voluntary;
- (e) the value of the RSUs is an extraordinary item of compensation, which is outside the scope of your employment contract (if any), except as may otherwise be explicitly provided in your employment contract;
- (f) the RSUs are not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating termination, severance, resignation, redundancy, end of service, or similar payments, or bonuses, long-service awards, pension or retirement benefits;
- (g) the RSUs shall expire upon termination of your employment for any reason except as may otherwise be explicitly provided in the Plan and this Award Agreement;
- (h) the future value of the shares is unknown and cannot be predicted with certainty; and
- (i) no claim or entitlement to compensation or damages arises from the termination of the RSUs in accordance with the Plan and this Award Agreement or diminution in value of the RSUs or Stock and you irrevocably release the Corporation and your employer from any such claim that may arise.

14. MISCELLANEOUS

If you are on leave of absence, for the purposes of the Plan, you will be considered to still be in the employ of the Corporation unless otherwise provided in an agreement between you and the Corporation.

Nothing contained in this Award Agreement shall confer upon you any right of continued employment by the Corporation or guarantee that any future awards will be made to you under the Plan. In addition, nothing in this Award Agreement limits in any way the right of the Corporation to terminate your employment at any time. Neither the value of the RSUs awarded to you nor the DDEs will be taken into account for other benefits offered by the Corporation, including but not limited to retirement benefits. Notwithstanding any other provision of this Award Agreement to the contrary, no Stock will be issued to you pursuant to this Award Agreement within six months from the Award Date.

Transactions involving Stock delivered under this Award Agreement are subject to the securities laws and CPS 722 (a copy of which has been made available to you). Among other things, CPS 722 prohibits employees of the Corporation from engaging in transactions that violate securities laws or involve hedging or pledging stock. Insiders are subject to additional restrictions. **The Corporation recommends that Insiders consult with the Senior Vice President, General Counsel and Corporate Secretary or staff before entering into any transactions involving Stock or RSUs.**

You have no rights as a stockholder to any securities covered by this Award Agreement until the date on which you become the holder of record of such securities. Capitalized terms used, but not defined herein, shall have the meanings ascribed to them in the Plan.

Exhibit A

Post-Employment Conduct Agreement
(CFO New Hire RSU Grant)

This Post-Employment Conduct Agreement (this "PECA") attached as Exhibit A to the Award Agreement with an Award Date of February 23, 2022, (the "Award Agreement") is entered into in consideration of, among other things, the grant of restricted stock units to me under the Award Agreement (the "RSUs") pursuant to the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (the "Plan") and the consideration set forth in Section 2 below. References to the "Corporation" shall include Lockheed Martin Corporation and its Subsidiaries. By accepting the RSUs, I agree as follows:

1. Restrictions Following Termination of Employment.

(a) Covenant Not To Compete – Without the express written consent of the "Required Approver" (as defined in Section 6), during the "Restricted Period" (as defined in Section 6), I will not, directly or indirectly, be employed by, provide services to, or advise a "Restricted Company" (as defined in Section 6), whether as an employee, advisor, director, officer, partner or consultant, or in any other position, function or role that, in any such case,

- (i) oversees, controls or affects the design, operation, research, manufacture, marketing, sale or distribution of "Competitive Products or Services" (as defined in Section 6) of or by the Restricted Company, or
- (ii) would involve a substantial risk that the "Confidential or Proprietary Information" (as defined in Section 1(c) below) of the Corporation (including but not limited to technical information or intellectual property, strategic plans, information relating to pricing offered to the Corporation by vendors or suppliers or to prices charged or pricing contemplated to be charged by the Corporation, information relating to employee performance, promotions or identification for promotion, or information relating to the Corporation's cost base) could be used to the disadvantage of the Corporation.

I acknowledge and agree that: (A) enforcement of this PECA pursuant to Sections 1(a)(i) and (ii) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Sections 1(a)(i) and (ii) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct (such as the ABA Model Rules of Professional Conduct and state versions thereof), Sections 1(a)(i) and (ii) and Section 1(b) relating to non-solicitation, shall apply to individuals who are employed by the Corporation in an attorney position and whose occupation during the Restricted Period does not include practicing law.

In lieu of Section 1(a)(i) and (ii), as well as Section 1(b) relating to non-solicitation, the following Section 1(a)(iii) shall apply to individuals who are employed by the Corporation in an attorney position, and whose occupation during the Restricted Period includes practicing law.

- (iii) Post-Employment Activity As a Lawyer – I acknowledge that as counsel to the Corporation, I owe ethical and fiduciary obligations to the Corporation and that at least some of these obligations will continue even after my "Termination Date" (as defined in Section 6). I agree that after my Termination Date I will comply fully with all applicable ethical and fiduciary obligations that I owe to the Corporation. To the extent permitted by

applicable law, including but not limited to any applicable rules governing attorney conduct, I agree that I will not:

- a. Represent any client in the same or a substantially related matter in which I represented the Corporation where the client's interests are materially adverse to the Corporation; or
- b. Disclose confidential information relating to my representation of the Corporation, including the disclosure of information that is to the disadvantage of the Corporation, except for information that is or becomes generally known.

The Corporation's Senior Vice President, General Counsel, and Corporate Secretary or the General Tax Counsel, as applicable, will determine in their discretion whether an individual is employed by the Corporation in an attorney position.

(b) Non-Solicit – Without the express written consent of the Required Approver, during the two-year period following the Termination Date, I will not (i) cause or attempt to cause, directly or indirectly, the complete or partial loss of any contract in effect before the Termination Date between the Corporation and any customer, supplier, distributor or manufacturer of or to the Corporation with which I was responsible, in whole or in part, for soliciting, negotiating, implementing, managing, or overseeing or (ii) induce or attempt to induce, directly or indirectly, any person who is an employee of the Corporation with whom I worked or interacted with within two years prior to the Termination Date to cease employment with the Corporation in order to perform work or services for any entity other than the Corporation.

I acknowledge and agree that: (A) the enforcement of this PECA pursuant to Section 1(b)(i) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(b)(i) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

(c) Protection of Proprietary Information – Except to the extent required by law, following my Termination Date, I will have a continuing obligation to comply with the terms of any non-disclosure or similar agreements that I signed while employed by the Corporation committing to hold confidential the "Confidential or Proprietary Information" (as defined below) of the Corporation or any of its affiliates, subsidiaries, related companies, joint ventures, partnerships, customers, suppliers, partners, contractors or agents, in each case in accordance with the terms of such agreements. I will not use or disclose or allow the use or disclosure by others to any person or entity of Confidential or Proprietary Information of the Corporation or others to which I had access or that I was responsible for creating or overseeing during my employment with the Corporation. In the event I become legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or otherwise) to disclose any proprietary or confidential information, I will immediately notify the Corporation's Senior Vice President, General Counsel and Corporate Secretary as to the existence of the obligation and will cooperate with any reasonable request by the Corporation for assistance in seeking to protect the information. All materials to which I have had access, or which were furnished or otherwise made available to me in connection with my employment with the Corporation shall be and remain the property of the Corporation. For purposes of this PECA, "Confidential or Proprietary Information" means trade secrets, as defined by the federal Defend Trade Secrets Act of 2016 and/or applicable state trade secret law, and Sensitive Information within the meaning of CRX-015 (a copy of which has been made available to me), including but not limited to information that a person or entity desires to protect from unauthorized disclosure to third parties that can provide the person or entity with a business, technological, or economic advantage over its competitors, or which, if known or used by third parties or if used by the person's or entity's employees or agents in an unauthorized manner, might be detrimental to the

person's or entity's interests. Confidential or Proprietary Information may include, but is not limited to:

- (i) existing and contemplated business, marketing and financial business information such as business plans and methods, marketing information, cost estimates, forecasts, financial data, cost or pricing data, bid and proposal information, customer identification, sources of supply, contemplated product lines, proposed business alliances, and information about customers and competitors,
- (ii) existing and contemplated technical information and documentation pertaining to technology, know how, equipment, machines, devices and systems, computer hardware and software, compositions, formulas, products, processes, methods, designs, specifications, mask works, testing or evaluation procedures, manufacturing processes, production techniques, research and development activities, inventions, discoveries, and improvements, and
- (iii) human resources and personnel information.

(d) No Disparagement – Following the Termination Date, I will not make any statements, whether verbal or written, that disparage or reasonably may be interpreted to disparage the Corporation or its directors, officers, employees, technology, products or services with respect to any matter whatsoever.

(e) Cooperation in Litigation and Investigations – Following the Termination Date, I will, to the extent reasonably requested, cooperate with the Corporation in any pending or future litigation (including alternative dispute resolution proceedings) or investigations in which the Corporation or any of its subsidiaries or affiliates is a party or is required or requested to provide testimony and regarding which, as a result of my employment with the Corporation, I reasonably could be expected to have knowledge or information relevant to the litigation or investigation. Notwithstanding any other provision of this PECA, nothing in this PECA shall affect my obligation to cooperate with any governmental inquiry or investigation or to give truthful testimony in court.

(f) Communications with Regulatory Authorities – Nothing in this PECA prohibits or restricts me (or my attorney) from initiating communications directly with, responding to an inquiry from, or providing testimony before the Securities and Exchange Commission or any other federal or state regulatory authority regarding a possible securities law violation.

(g) Notices under the Defend Trade Secrets Act and NLRA – Notwithstanding anything in this PECA to the contrary:

- (i) I will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (1) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and solely for the purpose of reporting or investigating a suspected violation of law; or (2) in a complaint or other document that is filed under seal in a lawsuit or other proceeding.
- (ii) If I file a lawsuit for retaliation by the Corporation for reporting a suspected violation of law, I may disclose the Corporation's trade secrets to my attorney and use the trade secret information in the court proceeding if I (1) file any document containing the trade secret under seal; and (2) do not disclose the trade secret, except pursuant to court order.
- (iii) Nothing in this PECA in any way prohibits or is intended to restrict or impede, and shall not be interpreted or understood as restricting or

impeding, me from exercising my rights under Section 7 of the National Labor Relations Act (NLRA).

2. Consideration and Acknowledgement. I acknowledge and agree that the benefits and compensation opportunities being made available to me under the Award Agreement are in addition to the benefits and compensation opportunities that otherwise are or would be available to me in connection with my employment by the Corporation and that the grant of the RSUs is expressly made contingent upon my agreements with the Corporation set forth in this PECA. I acknowledge that the scope and duration of the restrictions in Section 1 are necessary to be effective and are fair and reasonable in light of the value of the benefits and compensation opportunities being made available to me under the Award Agreement. I further acknowledge and agree that as a result of the high level executive and management positions I hold with the Corporation and the access to and extensive knowledge of the Corporation's Confidential or Proprietary Information, employees, suppliers and customers, these restrictions are reasonably required for the protection of the Corporation's legitimate business interests, including, but not limited to, the Corporation's Confidential or Proprietary Information.

3. Remedies For Breach of Section 1; Additional Remedies of Clawback and Recoupment.

(a) I agree, upon demand by the Corporation, to forfeit, return or repay to the Corporation the "Benefits and Proceeds" (as defined below) in the event any of the following occur:

- (i) I breach any of the covenants or agreements in Section 1;
- (ii) The Corporation determines that either (a) my intentional misconduct or gross negligence, or (b) my failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation, contributed to the Corporation having to restate all or a portion of its financial statements filed for any period with the Securities and Exchange Commission;
- (iii) The Corporation determines that I engaged in fraud, bribery or any other illegal act or that my intentional misconduct or gross negligence (including the failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation) contributed to another person's fraud, bribery or other illegal act, which in any such case adversely affected the Corporation's financial position or reputation;
- (iv) The Corporation determines that my intentional misconduct or gross negligence caused severe reputational or financial harm to the Corporation;
- (v) The Corporation determines that I misappropriated Confidential or Proprietary Information, as defined in Section 1(c), and I (A) intended to use the misappropriated Confidential or Proprietary Information to cause severe reputational or financial harm to the Corporation or (B) used the misappropriated Confidential or Proprietary Information in a manner that caused severe reputational or financial harm to the Corporation; or
- (vi) Under such other circumstances specified by final regulation issued by the Securities and Exchange Commission entitling the Corporation to recapture or clawback "Benefits and Proceeds" (as defined below).

(b) The remedy provided in Section 3(a) shall not be the exclusive remedy available to the Corporation for any of the conduct described in Section 3(a) and shall not limit the Corporation from seeking damages or injunctive relief. For purposes of Section 3(a), a determination by the Corporation means, with respect to an Elected Officer, a determination by

the Management Development and Compensation Committee of the Board of Directors of the Corporation (the "Committee") and, with respect to any other employee, a determination by a review committee consisting of the Senior Vice President, Chief Human Resources Officer, the Senior Vice President, Ethics and Enterprise Assurance, and the Senior Vice President, General Counsel and Corporate Secretary (the "Review Committee").

(c) For purposes of this Section 3, "Benefits and Proceeds" means (i) to the extent I own Stock issued in respect of vested RSUs, such Stock; (ii) to the extent I no longer own the shares of Stock of the Corporation issued in respect of the RSUs, cash in an amount equal to the greater of (x) the value of such Stock on the date the associated RSUs vested (which, unless otherwise determined by the Committee or the Review Committee, as applicable, shall be equal to the closing price of the shares of Stock as finally reported by the New York Stock Exchange on such date), and (y) the proceeds received in connection with the disposition of such Stock; and (iii) to the extent I have not earned the RSUs fully, all of my remaining rights, title or interest in my Award and any accrued dividend equivalents with respect thereto.

4. Injunctive Relief. I acknowledge that the Corporation's remedies at law may be inadequate to protect the Corporation against any actual or threatened breach of the provisions of Section 1 or the conduct described in Section 3(a), and, therefore, without prejudice to any other rights and remedies otherwise available to the Corporation at law or in equity (including but not limited to, an action under Section 3(a)), the Corporation shall be entitled to the granting of injunctive relief in its favor and to specific performance without proof of actual damages and without the requirement of the posting of any bond or similar security.

5. Invalidity; Unenforceability. It is the desire and intent of the parties that the provisions of this PECA shall be enforced to the fullest extent permissible. The covenants in each section of this PECA are independent of any other provisions of this PECA. Each term in this PECA constitutes a separate covenant between the parties, and each term is fully severable from any other term. The parties agree if any particular paragraphs, subparagraphs, phrases, words, or other portions of this PECA are determined by an appropriate court to be invalid or unenforceable as written, they shall be modified as necessary to comport with the reasonable intent and expectations of the parties and in favor of providing reasonable protection to all of the Corporation's legitimate business interests, and such modification shall not affect the remaining provisions of this PECA, or if they cannot be modified to be made valid or enforceable, then they shall be severed from this PECA, and all remaining terms and provisions shall remain enforceable.

6. Definitions. Capitalized terms not defined in this PECA have the meaning given to them in the Plan, as applicable. For purposes of this PECA, the following terms have the meanings given below:

(a) "Restricted Company" means The Boeing Company, General Dynamics Corporation, Northrop Grumman Corporation, Raytheon Technologies Corporation, Honeywell International Inc., BAE Systems Inc., L3Harris Technologies, Inc., Thales, Airbus Group, Inc., Textron Inc., Leonardo S.p.A., Leidos Holdings, Inc., Space Exploration Technologies Corp. and (i) any entity directly or indirectly controlling, controlled by, or under common control with any of the foregoing, and (ii) any successor to all or part of the business of any of the foregoing as a result of a merger, reorganization, consolidation, spin-off, split-up, acquisition, divestiture, or similar transaction, or as a result of a name change.

(b) "Competitive Products or Services" means products or services that compete with, or are an alternative or potential alternative to, products sold or services provided by a subsidiary, business area, division or operating unit or business of the Corporation as of the Termination Date and at any time within the two-year period ending on the Termination Date; provided, that, (i) if I had direct responsibility for the business of, or function with respect to, a subsidiary, or for a business area, division or operating unit or business of the Corporation at any time within the two-year period ending on the Termination Date, Competitive Products or Services includes the products so sold or the services so provided during that two-year period

by the subsidiary, business area, division or operating unit of the Corporation for which I had responsibility, and (ii) if I did not have direct responsibility for the business of, or function with respect to, a subsidiary, or for a business area, division or operating unit or business of the Corporation at any time within the two-year period ending on the Termination Date, Competitive Products or Services includes the products so sold or the services so provided by a subsidiary, business area, division or operating unit of the Corporation for which I had access (or was required or permitted such access in the performance of my duties or responsibilities with the Corporation) to Confidential or Proprietary Information of the Corporation at any time during the two-year period ending on the Termination Date.

(c) "Required Approver" means:

- (i) with respect to the Chairman, President and Chief Executive Officer, the Management Development and Compensation Committee of the Corporation's Board of Directors;

(f) "Termination Date" means the date of my termination of employment with the Corporation.

7. Miscellaneous.

(a) The Plan, the Award Agreement (with Exhibit B) and this PECA constitute the entire agreement governing the terms of the award of the RSUs to me.

(b) This PECA shall be governed by Maryland law, without regard to its provisions governing conflicts of law. Any enforcement of, or challenge to, this PECA may only be brought in the United States District Court for the District of Maryland, unless it is determined that such court does not have subject matter jurisdiction, in which case any such enforcement or challenge must be brought in the Circuit Court of Montgomery County in the State of Maryland. Both parties consent to the proper jurisdiction and venue of such court, as applicable, for the purpose of enforcing or challenging this PECA. This Section 7(b) shall not apply to residents of California.

(c) This PECA shall inure to the benefit of the Corporation's successors and assigns and may be assigned by the Corporation without my consent.

(d) This PECA provides for certain obligations on my part following the Termination Date and shall not, by implication or otherwise, affect in any way my obligations to the Corporation during the term of my employment by the Corporation, whether pursuant to written

agreements between the Corporation and me, the provisions of applicable Corporate policies that may be adopted from time to time or applicable law or regulation.

(e) The restrictive covenants and other terms in this PECA are to be read consistent with the terms of any other restrictive covenants or other agreements that I have executed with the Corporation; provided, however, to the extent there is a conflict between/among such agreements, such agreements shall be construed as providing the broadest possible protections to the Corporation, even if such construction would require provisions of more than one such agreement to be given effect.

(f) The obligations I have undertaken in this PECA shall survive the Termination Date and no dispute regarding any other provisions of this PECA or regarding my employment or the termination of my employment shall prevent the operation and enforcement of these obligations.

This PECA is effective as of the acceptance by me of the award of RSUs under the Award Agreement and is not contingent on the vesting of my RSUs.

Exhibit B

Stock Ownership Requirements

Lockheed Martin's Stock Ownership Requirements for Key Employees apply to all senior level positions of Vice President and above. This reflects the expectations of our major shareholders that management demonstrate its confidence in Lockheed Martin through a reasonable level of personal share ownership. This practice is consistent with other major U.S. corporations which link some portion of personal financial interests of key employees with those of shareholders.

Stock Ownership Requirements

Title	Annual Base Pay Multiple
Chairman, President and Chief Executive Officer	6 times
Chief Operating Officer; Chief Financial Officer	4 times
Executive Vice Presidents	3 times
Senior Vice Presidents	2 times
Other Elected Officers	2 times
Other Vice Presidents	1 times

Satisfaction of Requirements

Covered employees may satisfy their ownership requirements with common stock in these categories:

- Shares owned directly.
- Shares owned by a spouse or a trust.
- Shares represented by monies invested in 401(k) Company Common Stock Funds or comparable plans.
- Share equivalents as represented by income deferred to the Company Stock Investment Option of the Deferred Management Incentive Compensation Plan (DMICP).

Key employees will be required to achieve the appropriate ownership level within five years and are expected to make continuous progress toward their target. Appointment to a new level will reset the five year requirement. Unvested Performance Share Units are not counted toward meeting the guidelines.

Holding Period

Covered employees must retain net vested Restricted Stock Units and Performance Stock Units and the net shares resulting from any exercise of stock options if the ownership requirements are not yet satisfied.

Covered employees are asked to report annually on their progress toward attainment of their share ownership goals.

Award Date: February 23, 2022

**RESTRICTED STOCK UNIT AWARD AGREEMENT (TRANSITION)
GRANTED UNDER THE LOCKHEED MARTIN CORPORATION
2020 INCENTIVE PERFORMANCE AWARD PLAN**

**THIS DOCUMENT CONSTITUTES PART OF A PROSPECTUS COVERING
SECURITIES THAT HAVE BEEN REGISTERED UNDER THE
SECURITIES ACT OF 1933**

This Award Agreement applies to the Restricted Stock Units ("RSUs") granted by Lockheed Martin Corporation to you as of the Award Date (defined above) under the Lockheed Martin Corporation 2020 Incentive Performance Award Plan ("Plan"). The term Restricted Stock Unit or RSU as used in this Award Agreement refers only to the Restricted Stock Units awarded to you under this Award Agreement. References to the "Corporation" include Lockheed Martin Corporation and its Subsidiaries.

Each RSU entitles you, upon satisfaction of the continuous employment and other requirements set forth in this Award Agreement and the Plan, to receive from the Corporation: (i) one (1) share of the Corporation's common stock, par value \$1.00 per share ("Stock"); and (ii) a cash payment equal to the sum of any cash dividends paid to stockholders of the Corporation during the Vesting Period (as defined below), each in accordance with the terms of this Award Agreement, the Plan, and any rules and procedures adopted by the Management Development and Compensation Committee ("Committee") of the Board of Directors.

This Award Agreement sets forth some of the terms and conditions of your Award under the Plan, as determined by the Committee. Additional terms and conditions, including tax information, are contained in the Plan and in the Prospectus relating to the Plan of which the Plan and this Award Agreement are a part. In the event of a conflict between this Award Agreement and the Plan, the Plan document will control. The number of RSUs applicable to your Award are set forth in the electronic stock plan award recordkeeping system ("Stock Plan System") maintained by the Corporation or its designee at <http://www.stockplanconnect.com>. The Prospectus is also available at this website.

Except as described in Section 10, your Award is not effective or enforceable until you properly acknowledge your acceptance of the Award by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than May 31, 2022 ("Acceptance Deadline"). **Except as described in Section 10, if you do not properly acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited.**

Assuming prompt and proper acknowledgement of your acceptance of this Award Agreement as described above and in Section 10, this Award will be effective as of the Award Date. Acceptance of this Award Agreement constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award and your agreement to be bound by the restrictions contained in Section 10, Exhibit A ("Post-Employment Conduct Agreement") and Exhibit B ("Stock Ownership Requirements"), as amended from time to time.

1. CONSIDERATION FOR AWARD

The consideration for the RSUs is your continued service to the Corporation as an Employee through the Vesting Date (as defined below). If you do not continue to perform services for the Corporation as an Employee through the Vesting Date, your Award will be forfeited in whole or in part, as set forth below under "VESTING AND FORFEITURE."

2. RIGHTS OF OWNERSHIP, RESTRICTIONS ON TRANSFER

During the Vesting Period, as set forth below under "VESTING AND FORFEITURE," your unvested RSUs will be subject to forfeiture. Until the Vesting Date of a particular RSU and a share of Stock is delivered to you, you generally will not have the rights and privileges of a stockholder. In particular, you will not have the right to vote your RSUs on any matter put to the stockholders of the Corporation; you may not sell, transfer, assign, pledge, use as collateral or otherwise dispose of or encumber RSUs; and you will not have the right to receive any dividends paid to stockholders or dividend equivalents on the RSUs.

On the Vesting Date, subject to the forfeiture provisions set forth below, each RSU which has vested will be exchanged for a certificate (either in paper or book entry form) evidencing one (1) share of Stock issued in your name and a cash amount equal to the dividends that would have been paid to you had you owned such share from the Award Date until the Vesting Date ("Deferred Dividend Equivalents" or "DDEs"). Your shares and the cash payment for the DDEs will be delivered to you as soon as practicable, but not later than sixty (60) days following the Vesting Date, and in no event later than the March 15 following such Vesting Date.

The certificates delivered to you may contain any legend the Corporation determines is appropriate under the securities laws.

You are responsible for payment of all Taxes imposed on you as a result of the Award. The Corporation will comply with all applicable U.S. Tax withholding requirements applicable to the RSUs, the DDEs, and associated Stock. Please see the Prospectus for the Plan for a discussion of certain material U.S. Tax consequences of the Award. Any withholding Tax on shares of Stock (and associated DDEs) deliverable to you will be satisfied by means of the Corporation's reducing the number of shares of Stock (and associated DDEs) deliverable to you in respect of vested RSUs. If you are an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate. If you are not an Insider at the time of income tax withholding, the Corporation will base withholding on the highest individual tax rate, unless you elect otherwise in accordance with procedures established by the Corporation during an election window that may be offered by the Corporation. If you elect a lower tax rate for withholding, then you may owe additional taxes as a result of the payment of the vested RSUs (and associated DDEs).

If any Tax withholding is required with respect to any Award (including with respect to associated DDEs) during the Vesting Period, the Corporation generally shall reduce the Award by the number of shares of Stock and/or the amount of associated DDEs with a value equal to the Tax withholding obligation and such shares of Stock and/or DDEs will be used to satisfy the Tax withholding obligation.

The Corporation shall also have the right to (i) offset any other obligation of the Corporation to you (including but not limited to by withholding from your salary) by an amount sufficient to satisfy the Tax withholding obligation, or (ii) require you (or your estate) to pay the Corporation an amount equal to the Tax withholding obligation.

If a payment under this Award constitutes nonqualified deferred compensation under Section 409A of the Code, no payment due upon termination of employment shall be made unless the termination of employment is a "separation from service" as defined in Section 409A of the Code and accompanying regulations. In the event Section 409A(a)(2)(B)(i) of the Code applies because you are a specified employee receiving a distribution on account of a

termination of employment, delivery of Stock and the DDEs may be delayed for six months from such date. Similarly, if you are an Insider subject to the reporting provisions of Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act"), delivery of Stock following the Vesting Date for any reason may be delayed for six months. For example, if the delivery of the Stock would result in a nonexempt short-swing transaction under Section 16(b) of the Exchange Act, delivery will be delayed until the earliest date upon which the delivery either would not result in a nonexempt short-swing transaction or would otherwise not result in liability under Section 16(b) of the Exchange Act.

After the Stock is delivered to you, you will enjoy all of the rights and privileges associated with ownership of the shares, including the right to vote on any matter put to stockholder vote, to receive dividends, and to encumber, sell or otherwise transfer the shares. You should note, however, that, while the shares would thus be free of the restrictions imposed on those shares prior to the Vesting Date, your ability to sell or pledge the shares may be limited under the federal securities laws or corporate policy.

In the event of your death, the Stock and cash payment for the DDEs in respect of your RSUs will be transferred to your Beneficiary (as defined in the Plan).

3. VESTING AND FORFEITURE

The vesting of the RSUs awarded under this Award Agreement along with the associated DDEs is subject to your acceptance of this Award Agreement as described in Section 10 by the Acceptance Deadline, and your continuous employment with the Corporation from the Award Date until December 15, 2022 ("Vesting Date").

All of your rights to the unvested RSUs and to receive Stock for your unvested RSUs and the associated DDEs will cease without further obligation on the part of the Corporation unless you personally accept this Award Agreement as provided below in Section 10 by the Acceptance Deadline, and the unvested RSUs and the associated DDEs will be forfeited unless you continue to provide services to the Corporation as an Employee of the Corporation from the Award Date until the Vesting Date ("Vesting Period"), subject only to the specific exceptions provided below.

4. DEATH AND DISABILITY

Your unvested RSUs and the DDEs will immediately vest and no longer be subject to the continuing employment requirement if:

(a) you die while still employed by the Corporation; or

(b) you terminate employment as a result of your total disability. Your employment will be treated as terminating because of a total disability on the date you commence receiving a benefit under the Corporation's long-term disability plan in which you participate (or, if you are not enrolled in the Corporation's long-term disability plan, on the date on which long-term disability benefits would have commenced under the plan under which you would have been covered, had you enrolled, using the standards set forth in that plan).

The vested RSUs will be exchanged for shares of Stock and the DDEs will be paid in cash as soon as practicable, but no later than sixty (60) days after the date of your termination of employment on account of death or total disability, and in no event later than the March 15 next following the year in which such termination occurs.

Except as otherwise determined by the Corporation in its discretion in accordance with Section 10, in the event that you die and have not properly acknowledged acceptance of the Award prior to your death (or by the Acceptance Deadline, whichever comes first), you will forfeit all of your RSUs granted hereunder and all of your rights to the RSUs and to receive Stock for your RSUs and the DDEs will cease without further obligation on the part of the Corporation.

5. LAYOFF

If you are laid off by the Corporation and the effective date of your layoff is after August 23, 2022 (the "Minimum Service Date"), but before the Vesting Date, you will continue to vest in your RSUs and the DDEs as if you had remained employed by the Corporation until the Vesting Date.

As a condition to the vesting of any RSUs (and associated DDEs) upon your layoff in accordance with this Section, you will be required to execute and deliver to the Corporation a general release of claims against the Corporation in a form acceptable to the Corporation within the time period specified by the Corporation in such release and not revoke such release within any revocation period provided for therein. Except as otherwise expressly provided by the Corporation in writing, a failure to satisfy this condition will result in forfeiture of such RSUs (and associated DDEs) upon your layoff during the Vesting Period.

The vested RSUs will be exchanged for shares of Stock, and the related DDEs associated with the vested RSUs will be paid in cash, on or as soon as practicable after the Vesting Date, but in no event later than the March 15 following the end of the Vesting Period.

6. RETIREMENT, RESIGNATION OR TERMINATION BEFORE THE VESTING DATE

Except where prohibited by law, if you retire, resign or your employment otherwise terminates before the Vesting Date, other than on account of death, total disability, layoff (as described above), Divestiture (as described below) or Change in Control (as described below), you will forfeit your unvested RSUs and the associated DDEs on the date of your termination.

Except where prohibited by law, if your employment terminates before the Vesting Date by action of the Corporation due to your misconduct, then you will forfeit your RSUs and the associated DDEs on the date of your termination. The Committee will determine if your employment terminates due to misconduct.

7. DIVESTITURE

In the event of a Divestiture (as defined below) of all or substantially all of a business operation of the Corporation prior to the Vesting Date and such Divestiture results in the termination of your employment with the Corporation or its subsidiaries and the transfer of such employment to the other party to the Divestiture or the entity resulting from the Divestiture (or its affiliate), then the Committee may arrange for such other party or entity to assume or continue your unvested RSUs or substitute equivalent restricted securities for your RSUs, with the same terms and conditions that apply to your RSUs pursuant to this Award Agreement, and the remainder of this Section 7 shall not apply.

If (i) such assumption, continuance or substitution of your unvested RSUs does not occur, (ii) the Divestiture results in the termination of your employment with the Corporation or its subsidiaries, and (iii) your employment transfers to the other party to the Divestiture or the entity resulting from the Divestiture (or its affiliate), then the following rules will apply:

(a) Pro Rata Vesting. You shall be eligible to receive a fraction of your RSUs and the associated DDEs with respect to such fraction. The numerator of such fraction shall equal the number of days in the Vesting Period before your employment as an Employee terminated due to the Divestiture, and the denominator shall equal the total number of days in the Vesting Period. Fractional shares shall be rounded up to the next whole share.

(b) No Further Rights. The Committee shall have complete and absolute discretion to make the determinations called for under this Section 7, and all such determinations shall be binding on you and on any person who claims all or any part of your RSUs and associated DDEs on your behalf as well as on the Corporation. If you terminate employment during the Vesting Period due to Divestiture but are eligible to receive a portion of your RSUs and

associated DDEs as a result of this Section 7, payment of such portion of your RSUs and associated DDEs shall be in full satisfaction of all rights you have under this Award Agreement and you will receive shares of Stock in exchange for RSUs and the cash payment for the DDEs as soon as practicable, but no later than sixty (60) days after your termination of employment with the Corporation.

For the purposes of this Section 7, the term "Divestiture" shall mean a transaction that results in the transfer of control of the business operation divested to any person, corporation, association, partnership, joint venture, limited liability company or other business entity of which less than 50% of the voting stock or other equity interests (in the case of entities other than corporations), is owned or controlled directly or indirectly by the Corporation, by one or more of the Corporation's subsidiaries or by any combination thereof.

8. CHANGE IN CONTROL DURING VESTING PERIOD

In the event of a consummation of a Change in Control during the Vesting Period, the number of unvested RSUs subject to this Award and associated DDEs will become vested (i) on the effective date of the Change in Control if the RSUs are not assumed, continued, or equivalent restricted securities are not substituted for the RSUs by the Corporation or its successor, or (ii) if the RSUs are assumed, continued or substituted by the Corporation or its successor, on the effective date of your involuntary termination by the Corporation or its successor other than for Cause (as defined herein, not including death or total disability) or your voluntary termination with Good Reason (as defined herein), in either case, within the 24-month period following the consummation of the Change in Control.

In the event any unvested RSUs and associated DDEs vest in accordance with this Section 8 (whether immediately following the Change in Control or following your termination), the shares of Stock or equivalent substituted securities in which you have become vested and the associated DDEs (less any Tax withholding) shall be delivered to you within 14 days of the date on which you become vested.

(a) "Cause" shall mean either of the following:

- (i) Conviction for an act of fraud, embezzlement, theft or other act constituting a felony (other than traffic-related offenses or as a result of vicarious liability); or
- (ii) Willful misconduct that is materially injurious to the Corporation's financial position, operating results or reputation; provided, however that no act or failure to act shall be considered "willful" unless done, or omitted to be done, by you (a) in bad faith; (b) for the purpose of receiving an actual improper personal benefit in the form of money, property or services; or (c) in circumstances where you had reasonable cause to believe that the act or failure to act was unlawful.

(b) "Good Reason" shall mean, without your express written consent, the occurrence of any one or more of the following after the Change in Control:

- (i) A material and substantial reduction in the nature or status of your authority or responsibilities;
- (ii) A material reduction in your annualized rate of base salary;
- (iii) A material reduction in the aggregate value of your level of participation in any short or long term incentive cash compensation plan, employee benefit or retirement plan or compensation practices, arrangements, or policies;

- (iv) A material reduction in the aggregate level of participation in equity-based incentive compensation plans; or
- (v) Your principal place of employment is relocated to a location that is greater than 50 miles from your principal place of employment on the date the Change in Control is consummated.

Your continued employment following an event that would constitute a basis for voluntary termination with Good Reason shall not constitute Good Reason if you consent to, or waive your rights with respect to any circumstances constituting Good Reason. In addition, the occurrence of an event described in (i) through (v) shall constitute the basis for voluntary termination for Good Reason only if you provide written notice of your intent to terminate employment within 90 days of the first occurrence of such event and the Corporation has had at least 30 days from the date on which such notice is provided to cure such occurrence. If you do not terminate employment for Good Reason within 180 days after the first occurrence of the applicable grounds, then you will be deemed to have waived your right to terminate for Good Reason with respect to such grounds.

9. AMENDMENT AND TERMINATION OF PLAN OR AWARDS

As provided in Section 9 of the Plan, subject to certain limitations contained within Section 9, the Board of Directors may at any time amend, suspend or discontinue the Plan and the Committee may at any time deviate from or amend this Award Agreement. Notwithstanding Section 9 of the Plan, no such amendment, suspension or discontinuance of the Plan or deviation from or amendment of Award Agreements will, except with your express written consent, adversely affect your rights under this Award Agreement. This Award Agreement shall not be amended or interpreted in a manner that is reasonably believed to result in the imposition of Tax under Section 409A of the Code.

10. ACCEPTANCE OF AWARD AGREEMENT; ELECTRONIC DELIVERY

No Award is enforceable until you properly acknowledge your acceptance of this Award Agreement by completing the electronic receipt on the Stock Plan System as soon as possible but in no event later than the Acceptance Deadline. Acceptance of this Award Agreement must be made only by you personally or by a person acting pursuant to a power of attorney in the event of your inability to acknowledge your acceptance (and not by your estate, your spouse or any other person) and constitutes your consent to any action taken under the Plan consistent with its terms with respect to this Award. Notwithstanding the foregoing, this Award will be enforceable and deemed accepted, and will not be forfeited, if you are unable to accept this Award Agreement personally by the Acceptance Deadline, due to your death, disability, incapacity, deployment in the Armed Forces, or similar unforeseen circumstance as determined by the Corporation in its discretion. If you desire to accept this Award, you must acknowledge your acceptance and receipt of this Award Agreement electronically on or before the Acceptance Deadline, by going to the Stock Plan System at <http://www.stockplanconnect.com>.

Assuming prompt and proper acknowledgment of this Award Agreement as described above, this Award will be effective as of the Award Date.

By accepting this Award Agreement, you consent to receive copies of the Prospectus applicable to this Award from the Stock Plan System (<http://www.stockplanconnect.com>) as well as to electronic delivery of the Corporation's annual report on Form 10-K, proxy statement and quarterly reports on Form 10-Q. This consent can only be withdrawn by written notice to the Vice President of Total Rewards at Lockheed Martin Corporation, Mail Point 126, 6801 Rockledge Drive, Bethesda, MD 20817. The Corporation will deliver any documents related to RSUs awarded under the Plan or future RSUs that may be awarded under the Plan through the Stock Plan System. The Corporation will request your consent to participate in the Plan through the Stock Plan System. You hereby consent to receive such documents and agree to participate in the Plan through the Stock Plan System.

Except as described above, if you do not personally acknowledge your acceptance of this Award Agreement on or before the Acceptance Deadline, this Award will be forfeited as noted above.

11. POST-EMPLOYMENT COVENANTS

Except where prohibited by law, by accepting this Award Agreement as described in Section 10, you agree to the terms of the Post-Employment Conduct Agreement contained in Exhibit A to this Award Agreement.

12. STOCK OWNERSHIP REQUIREMENTS

Except where prohibited by law, by accepting this Award Agreement through the procedure described in Section 10, you acknowledge receipt of the Stock Ownership Requirements ("Ownership Requirements") attached as Exhibit B and agree to comply with such Ownership Requirements as amended from time to time.

13. EMPLOYEE ACKNOWLEDGEMENT

You acknowledge and agree that:

- (a) the Plan is discretionary in nature and the Committee may amend, suspend, or terminate it at any time;
- (b) the grant of the RSUs is voluntary and occasional and does not create any contractual or other right to receive future grants of any RSUs, or benefits in lieu of any RSUs even if RSUs have been granted repeatedly in the past;
- (c) all determinations with respect to such future RSUs, if any, including but not limited to the times when RSUs shall be granted or when RSUs shall vest, will be at the sole discretion of the Committee or its delegate;
- (d) your participation in the Plan is voluntary;
- (e) the value of the RSUs is an extraordinary item of compensation, which is outside the scope of your employment contract (if any), except as may otherwise be explicitly provided in your employment contract;
- (f) the RSUs are not part of normal or expected compensation or salary for any purpose, including, but not limited to, calculating termination, severance, resignation, redundancy, end of service, or similar payments, or bonuses, long-service awards, pension or retirement benefits;
- (g) the RSUs shall expire upon termination of your employment for any reason except as may otherwise be explicitly provided in the Plan and this Award Agreement;
- (h) the future value of the shares is unknown and cannot be predicted with certainty; and
- (i) no claim or entitlement to compensation or damages arises from the termination of the RSUs in accordance with the Plan and this Award Agreement or diminution in value of the RSUs or Stock and you irrevocably release the Corporation and your employer from any such claim that may arise.

14. MISCELLANEOUS

If you are on leave of absence, for the purposes of the Plan, you will be considered to still be in the employ of the Corporation unless otherwise provided in an agreement between you and the Corporation.

Nothing contained in this Award Agreement shall confer upon you any right of continued employment by the Corporation or guarantee that any future awards will be made to you under the Plan. In addition, nothing in this Award Agreement limits in any way the right of the Corporation to terminate your employment at any time. Neither the value of the RSUs awarded to you nor the DDEs will be taken into account for other benefits offered by the Corporation, including but not limited to retirement benefits. Notwithstanding any other provision of this Award Agreement to the contrary, no Stock will be issued to you pursuant to this Award Agreement within six months from the Award Date.

Transactions involving Stock delivered under this Award Agreement are subject to the securities laws and CPS 722 (a copy of which has been made available to you). Among other things, CPS 722 prohibits employees of the Corporation from engaging in transactions that violate securities laws or involve hedging or pledging stock. Insiders are subject to additional restrictions. **The Corporation recommends that Insiders consult with the Senior Vice President, General Counsel and Corporate Secretary or staff before entering into any transactions involving Stock or RSUs.**

You have no rights as a stockholder to any securities covered by this Award Agreement until the date on which you become the holder of record of such securities. Capitalized terms used, but not defined herein, shall have the meanings ascribed to them in the Plan.

Exhibit A

Post-Employment Conduct Agreement
(Transition RSU Grant)

This Post-Employment Conduct Agreement (this "PECA") attached as Exhibit A to the Award Agreement with an Award Date of February 23, 2022, (the "Award Agreement") is entered into in consideration of, among other things, the grant of restricted stock units to me under the Award Agreement (the "RSUs") pursuant to the Lockheed Martin Corporation 2020 Incentive Performance Award Plan (the "Plan") and the consideration set forth in Section 2 below. References to the "Corporation" shall include Lockheed Martin Corporation and its Subsidiaries. By accepting the RSUs, I agree as follows:

1. Restrictions Following Termination of Employment.

(a) Covenant Not To Compete – Without the express written consent of the "Required Approver" (as defined in Section 6), during the "Restricted Period" (as defined in Section 6), I will not, directly or indirectly, be employed by, provide services to, or advise a "Restricted Company" (as defined in Section 6), whether as an employee, advisor, director, officer, partner or consultant, or in any other position, function or role that, in any such case,

- (i) oversees, controls or affects the design, operation, research, manufacture, marketing, sale or distribution of "Competitive Products or Services" (as defined in Section 6) of or by the Restricted Company, or
- (ii) would involve a substantial risk that the "Confidential or Proprietary Information" (as defined in Section 1(c) below) of the Corporation (including but not limited to technical information or intellectual property, strategic plans, information relating to pricing offered to the Corporation by vendors or suppliers or to prices charged or pricing contemplated to be charged by the Corporation, information relating to employee performance, promotions or identification for promotion, or information relating to the Corporation's cost base) could be used to the disadvantage of the Corporation.

I acknowledge and agree that: (A) enforcement of this PECA pursuant to Sections 1(a)(i) and (ii) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Sections 1(a)(i) and (ii) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

To the extent permitted by applicable law, including but not limited to any applicable rules governing attorney conduct (such as the ABA Model Rules of Professional Conduct and state versions thereof), Sections 1(a)(i) and (ii) and Section 1(b) relating to non-solicitation, shall apply to individuals who are employed by the Corporation in an attorney position and whose occupation during the Restricted Period does not include practicing law.

In lieu of Section 1(a)(i) and (ii), as well as Section 1(b) relating to non-solicitation, the following Section 1(a)(iii) shall apply to individuals who are employed by the Corporation in an attorney position, and whose occupation during the Restricted Period includes practicing law.

- (iii) Post-Employment Activity As a Lawyer – I acknowledge that as counsel to the Corporation, I owe ethical and fiduciary obligations to the Corporation and that at least some of these obligations will continue even after my "Termination Date" (as defined in Section 6). I agree that after my Termination Date I will comply fully with all applicable ethical and fiduciary obligations that I owe to the Corporation. To the extent permitted by

applicable law, including but not limited to any applicable rules governing attorney conduct, I agree that I will not:

- a. Represent any client in the same or a substantially related matter in which I represented the Corporation where the client's interests are materially adverse to the Corporation; or
- b. Disclose confidential information relating to my representation of the Corporation, including the disclosure of information that is to the disadvantage of the Corporation, except for information that is or becomes generally known.

The Corporation's Senior Vice President, General Counsel, and Corporate Secretary or the General Tax Counsel, as applicable, will determine in their discretion whether an individual is employed by the Corporation in an attorney position.

(b) Non-Solicit – Without the express written consent of the Required Approver, during the two-year period following the Termination Date, I will not (i) cause or attempt to cause, directly or indirectly, the complete or partial loss of any contract in effect before the Termination Date between the Corporation and any customer, supplier, distributor or manufacturer of or to the Corporation with which I was responsible, in whole or in part, for soliciting, negotiating, implementing, managing, or overseeing or (ii) induce or attempt to induce, directly or indirectly, any person who is an employee of the Corporation with whom I worked or interacted with within two years prior to the Termination Date to cease employment with the Corporation in order to perform work or services for any entity other than the Corporation.

I acknowledge and agree that: (A) the enforcement of this PECA pursuant to Section 1(b)(i) is necessary to protect, among other interests, the Corporation's trade secrets and other Confidential or Proprietary Information, as defined by Section 1(c); and (B) Section 1(b)(i) shall not apply to me if I am a resident of or work in California, or if I work and/or reside in any other state or jurisdiction that prohibits or otherwise bans such a covenant between the Corporation and me.

(c) Protection of Proprietary Information – Except to the extent required by law, following my Termination Date, I will have a continuing obligation to comply with the terms of any non-disclosure or similar agreements that I signed while employed by the Corporation committing to hold confidential the "Confidential or Proprietary Information" (as defined below) of the Corporation or any of its affiliates, subsidiaries, related companies, joint ventures, partnerships, customers, suppliers, partners, contractors or agents, in each case in accordance with the terms of such agreements. I will not use or disclose or allow the use or disclosure by others to any person or entity of Confidential or Proprietary Information of the Corporation or others to which I had access or that I was responsible for creating or overseeing during my employment with the Corporation. In the event I become legally compelled (by deposition, interrogatory, request for documents, subpoena, civil investigative demand or otherwise) to disclose any proprietary or confidential information, I will immediately notify the Corporation's Senior Vice President, General Counsel and Corporate Secretary as to the existence of the obligation and will cooperate with any reasonable request by the Corporation for assistance in seeking to protect the information. All materials to which I have had access, or which were furnished or otherwise made available to me in connection with my employment with the Corporation shall be and remain the property of the Corporation. For purposes of this PECA, "Confidential or Proprietary Information" means trade secrets, as defined by the federal Defend Trade Secrets Act of 2016 and/or applicable state trade secret law, and Sensitive Information within the meaning of CRX-015 (a copy of which has been made available to me), including but not limited to information that a person or entity desires to protect from unauthorized disclosure to third parties that can provide the person or entity with a business, technological, or economic advantage over its competitors, or which, if known or used by third parties or if used by the person's or entity's employees or agents in an unauthorized manner, might be detrimental to the

person's or entity's interests. Confidential or Proprietary Information may include, but is not limited to:

- (i) existing and contemplated business, marketing and financial business information such as business plans and methods, marketing information, cost estimates, forecasts, financial data, cost or pricing data, bid and proposal information, customer identification, sources of supply, contemplated product lines, proposed business alliances, and information about customers and competitors,
- (ii) existing and contemplated technical information and documentation pertaining to technology, know how, equipment, machines, devices and systems, computer hardware and software, compositions, formulas, products, processes, methods, designs, specifications, mask works, testing or evaluation procedures, manufacturing processes, production techniques, research and development activities, inventions, discoveries, and improvements, and
- (iii) human resources and personnel information.

(d) No Disparagement – Following the Termination Date, I will not make any statements, whether verbal or written, that disparage or reasonably may be interpreted to disparage the Corporation or its directors, officers, employees, technology, products or services with respect to any matter whatsoever.

(e) Cooperation in Litigation and Investigations – Following the Termination Date, I will, to the extent reasonably requested, cooperate with the Corporation in any pending or future litigation (including alternative dispute resolution proceedings) or investigations in which the Corporation or any of its subsidiaries or affiliates is a party or is required or requested to provide testimony and regarding which, as a result of my employment with the Corporation, I reasonably could be expected to have knowledge or information relevant to the litigation or investigation. Notwithstanding any other provision of this PECA, nothing in this PECA shall affect my obligation to cooperate with any governmental inquiry or investigation or to give truthful testimony in court.

(f) Communications with Regulatory Authorities – Nothing in this PECA prohibits or restricts me (or my attorney) from initiating communications directly with, responding to an inquiry from, or providing testimony before the Securities and Exchange Commission or any other federal or state regulatory authority regarding a possible securities law violation.

(g) Notices under the Defend Trade Secrets Act and NLRA – Notwithstanding anything in this PECA to the contrary:

- (i) I will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a trade secret that is made: (1) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and solely for the purpose of reporting or investigating a suspected violation of law; or (2) in a complaint or other document that is filed under seal in a lawsuit or other proceeding.
- (ii) If I file a lawsuit for retaliation by the Corporation for reporting a suspected violation of law, I may disclose the Corporation's trade secrets to my attorney and use the trade secret information in the court proceeding if I (1) file any document containing the trade secret under seal; and (2) do not disclose the trade secret, except pursuant to court order.
- (iii) Nothing in this PECA in any way prohibits or is intended to restrict or impede, and shall not be interpreted or understood as restricting or

impeding, me from exercising my rights under Section 7 of the National Labor Relations Act (NLRA).

2. Consideration and Acknowledgement. I acknowledge and agree that the benefits and compensation opportunities being made available to me under the Award Agreement are in addition to the benefits and compensation opportunities that otherwise are or would be available to me in connection with my employment by the Corporation and that the grant of the RSUs is expressly made contingent upon my agreements with the Corporation set forth in this PECA. I acknowledge that the scope and duration of the restrictions in Section 1 are necessary to be effective and are fair and reasonable in light of the value of the benefits and compensation opportunities being made available to me under the Award Agreement. I further acknowledge and agree that as a result of the high level executive and management positions I hold with the Corporation and the access to and extensive knowledge of the Corporation's Confidential or Proprietary Information, employees, suppliers and customers, these restrictions are reasonably required for the protection of the Corporation's legitimate business interests, including, but not limited to, the Corporation's Confidential or Proprietary Information.

3. Remedies For Breach of Section 1; Additional Remedies of Clawback and Recoupment.

(a) I agree, upon demand by the Corporation, to forfeit, return or repay to the Corporation the "Benefits and Proceeds" (as defined below) in the event any of the following occur:

- (i) I breach any of the covenants or agreements in Section 1;
- (ii) The Corporation determines that either (a) my intentional misconduct or gross negligence, or (b) my failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation, contributed to the Corporation having to restate all or a portion of its financial statements filed for any period with the Securities and Exchange Commission;
- (iii) The Corporation determines that I engaged in fraud, bribery or any other illegal act or that my intentional misconduct or gross negligence (including the failure to report another person's intentional misconduct or gross negligence of which I had knowledge during the period I was employed by the Corporation) contributed to another person's fraud, bribery or other illegal act, which in any such case adversely affected the Corporation's financial position or reputation;
- (iv) The Corporation determines that my intentional misconduct or gross negligence caused severe reputational or financial harm to the Corporation;
- (v) The Corporation determines that I misappropriated Confidential or Proprietary Information, as defined in Section 1(c), and I (A) intended to use the misappropriated Confidential or Proprietary Information to cause severe reputational or financial harm to the Corporation or (B) used the misappropriated Confidential or Proprietary Information in a manner that caused severe reputational or financial harm to the Corporation; or
- (vi) Under such other circumstances specified by final regulation issued by the Securities and Exchange Commission entitling the Corporation to recapture or clawback "Benefits and Proceeds" (as defined below).

(b) The remedy provided in Section 3(a) shall not be the exclusive remedy available to the Corporation for any of the conduct described in Section 3(a) and shall not limit the Corporation from seeking damages or injunctive relief. For purposes of Section 3(a), a determination by the Corporation means, with respect to an Elected Officer, a determination by

the Management Development and Compensation Committee of the Board of Directors of the Corporation (the "Committee") and, with respect to any other employee, a determination by a review committee consisting of the Senior Vice President, Chief Human Resources Officer, the Senior Vice President, Ethics and Enterprise Assurance, and the Senior Vice President, General Counsel and Corporate Secretary (the "Review Committee").

(c) For purposes of this Section 3, "Benefits and Proceeds" means (i) to the extent I own Stock issued in respect of vested RSUs, such Stock; (ii) to the extent I no longer own the shares of Stock of the Corporation issued in respect of the RSUs, cash in an amount equal to the greater of (x) the value of such Stock on the date the associated RSUs vested (which, unless otherwise determined by the Committee or the Review Committee, as applicable, shall be equal to the closing price of the shares of Stock as finally reported by the New York Stock Exchange on such date), and (y) the proceeds received in connection with the disposition of such Stock; and (iii) to the extent I have not earned the RSUs fully, all of my remaining rights, title or interest in my Award and any accrued dividend equivalents with respect thereto.

4. Injunctive Relief. I acknowledge that the Corporation's remedies at law may be inadequate to protect the Corporation against any actual or threatened breach of the provisions of Section 1 or the conduct described in Section 3(a), and, therefore, without prejudice to any other rights and remedies otherwise available to the Corporation at law or in equity (including but not limited to, an action under Section 3(a)), the Corporation shall be entitled to the granting of injunctive relief in its favor and to specific performance without proof of actual damages and without the requirement of the posting of any bond or similar security.

5. Invalidity; Unenforceability. It is the desire and intent of the parties that the provisions of this PECA shall be enforced to the fullest extent permissible. The covenants in each section of this PECA are independent of any other provisions of this PECA. Each term in this PECA constitutes a separate covenant between the parties, and each term is fully severable from any other term. The parties agree if any particular paragraphs, subparagraphs, phrases, words, or other portions of this PECA are determined by an appropriate court to be invalid or unenforceable as written, they shall be modified as necessary to comport with the reasonable intent and expectations of the parties and in favor of providing reasonable protection to all of the Corporation's legitimate business interests, and such modification shall not affect the remaining provisions of this PECA, or if they cannot be modified to be made valid or enforceable, then they shall be severed from this PECA, and all remaining terms and provisions shall remain enforceable.

6. Definitions. Capitalized terms not defined in this PECA have the meaning given to them in the Plan, as applicable. For purposes of this PECA, the following terms have the meanings given below:

[Address Redacted]

Dear Jay,

I am pleased to offer you the position of Chief Financial Officer (CFO), reporting to James D. Taiclet, Chairman, President and Chief Executive Officer. The position will be located in Bethesda, MD. Your start date will be January 31, 2022 or such other date mutually agreed by you and the Corporation.

Your initial base salary will be \$960,000 per year. Base salaries are reviewed annually. You will be paid on a weekly basis, with one week in arrears. You will be paid a one-time cash sign-on bonus of \$750,000, which is subject to applicable taxes and other withholdings, within 30 days of your start date but no earlier than the first payroll cycle in 2022 to offset annual incentive amounts you will forfeit when you terminate your current employment. If you voluntarily terminate or otherwise leave employment for reasons within your own control or are terminated for cause within one (1) year from the date of commencement of service, you will reimburse Lockheed Martin the hiring bonus(es) paid to you.

Your annual incentive target opportunity under the Corporation's Management Incentive Compensation Plan (MICP) will be 115% of your base salary for 2022. Because you will start after January 1, 2022, your award will be pro-rated based on your start date. Payouts are generally made in early March following the performance year and range from 0-200% of your target opportunity based on performance results relative to pre-established goals that are established in February of the plan year. Payouts for elected officers are subject to review and approval by the Board of Directors.

You will be nominated to receive a one-time special long-term incentive (LTI) award of \$4,000,000 in restricted stock units (RSUs) that if granted will vest 100% one year from the date of grant to offset unvested incentive awards you will forfeit when you terminate your current employment. You will also be nominated for an LTI award of \$8,000,000 in February 2022, \$4,000,000 of which is also to offset unvested incentive awards you will forfeit when you terminate your current employment. This \$8,000,000 LTI award will be allocated 50% in Performance Stock Units (PSUs), 30% in Restricted Stock Units (RSUs) and 20% in the cash-based Long-Term Incentive Performance award (LTIP). The RSUs if granted will cliff vest 100% three years from the date of grant while the PSUs and LTIP if granted will vest in February 2025 based on the Corporation's performance over the three-year performance period (2022-2024) relative to the three-year performance goals established by the Corporation's Management Development and Compensation Committee (the Committee) for the 2022-2024 performance period. These awards are expected to be granted in February 2022 and are subject to review and approval by the Committee and the terms of the applicable award agreements approved by the Committee, which include restrictive covenants related to non-competition, non-solicitation, non-disparagement, and confidentiality. Awards will be based on the fair value on the date of grant as determined by the Committee.

Since this position will require you to relocate, you will also be entitled to relocation benefits under our applicable relocation policy, a copy of which will be provided to you. You will also be entitled to participate in the Corporation's qualified savings plan with a 401(k) feature, as well as non-qualified supplemental savings plans, and our suite of health and welfare benefits available to salaried employees. Lockheed Martin reserves the right to amend or to terminate its benefits plans at any time.

All amounts payable hereunder shall be subject to any required withholding and deductions.

While we are confident that we will have a satisfactory employment relationship, Lockheed Martin is an at-will employer and you will serve at the discretion of the Board of Directors. This means that either you or Lockheed Martin may end the employment relationship for any or no reason and without advance notice. If this offer is acceptable, please sign below.

I am very pleased to make this offer and look forward to you joining the executive leadership team.

Sincerely,

/s/ James D. Taiclet

**LOCKHEED MARTIN CORPORATION
DEFERRED MANAGEMENT INCENTIVE COMPENSATION PLAN
(As Amended and Restated Generally Effective January 1, 2020)**

Amendment No. 2

Lockheed Martin Corporation wishes to revise the Lockheed Martin Corporation Deferred Management Incentive Compensation Plan (Plan) to reflect the current annual incentive plan payments that may be deferred under the Plan, to clarify when prospective payment election changes become irrevocable, and to incorporate gender-neutral pronouns into the Plan. Accordingly, the Plan is revised as follows.

1. Section 24 of Article II of the Plan is amended in its entirety to read as follows:

“24. MICP – The Lockheed Martin Corporation 2021 Management Incentive Compensation Plan and the Lockheed Martin Corporation Attorney Incentive Plan, Amended and Restated Effective January 1, 2021.”

2. Section 4(d) of Article V of the Plan is amended in its entirety to read as follows:

“4(d) Notwithstanding anything to the contrary in this Article V, a Participant may make a new election with respect to the commencement of payment and form of payment with respect to any sub-account maintained for Award Years or a Death Benefit or with respect to his or her entire Account Balance. A new election under this section shall be made by executing and delivering to the Company an election in such form as prescribed by the Company, and shall be irrevocable upon the earlier of the Participant’s Termination of Employment with the Company or twelve (12) months from the date that the change in election is delivered to the Company. To constitute a valid election by a Participant making a prospective change to a previous election, (i) the prospective election must be executed and delivered to the Company at least twelve (12) months before the date the first payment would be due under the Participant’s previous election, and (ii) the first payment must be delayed by at least sixty (60) months from the date the first payment would be due under the Participant’s previous election, and (iii) such change in election shall not be given effect until twelve (12) months from the date that the change in election is delivered to the Company. In the event an election fails to satisfy the provisions set forth in this paragraph, such election shall be void and, if such an election is void, payment shall be made in accordance with the most recent election which was valid.”

3. Article IX of the Plan is amended by added a new section 11 to read as follows:

“11. Gender-Neutral Pronouns. Notwithstanding anything in the Plan to the contrary, unless the context clearly indicates otherwise, wherever the masculine or feminine is used in this Plan, the same is intended, and shall be understood and interpreted to include all individuals, of any gender, or those who do not identify with any gender. Similarly, the words she, her, hers, herself, he, him, his, himself, they, them, their, theirs, or themselves as used in this Plan apply universally regardless of gender.”
