Item 5. Interests of Named Experts and Counsel.
--------------------------------------

The Opinion of Counsel as to the legality of the securities being issued (constituting Exhibit 5) has been rendered by counsel who is a full-time employee of the Registrant and who, as such, is eligible to participate in the Plan.

Item 6. Indemnification of Directors and Officers.
-----------------------------------------

The Maryland General Corporation Law authorizes Maryland corporations to limit the liability of directors and officers to the corporation or its stockholders for money damages, except (a) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit in money, property or services actually received, (b) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding that the person's action or failure to act was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding.
or (c) in respect of certain other actions not applicable to the Registrant.
Under the Maryland General Corporation Law, unless limited by charter,
indemnification is mandatory if a director or an officer has been successful on
the merits or otherwise in the defense of any proceeding by reason of his or her
service as a director unless such indemnification is not otherwise permitted as
described in the following sentence. Indemnification is permissive unless it is
established that (a) the act or omission of the director was material to the
matter giving rise to the proceeding and was committed in bad faith or was the
result of active and deliberate dishonesty, (b) the director actually received
an improper personal benefit in money, property or services or (c) in the case
of any criminal proceeding, the director had reasonable cause to believe his or
her act or omission was unlawful. In addition to the foregoing, a court of
appropriate jurisdiction may under certain circumstances order indemnification
if it determines that the director or officer is fairly and reasonably entitled
to indemnification in view of all the relevant circumstances, whether or not the
director or officer has met the standards of conduct set forth in the preceding
sentence or has been adjudged liable on the basis that a personal benefit was
improperly received in a proceeding charging improper personal benefit to the
director or officer. If the proceeding was an action by or in the right of the
corporation or involved a determination that the director or officer received an
improper personal benefit, however, no indemnification may be made if the
individual is adjudged liable to the corporation, except to the extent of
expenses approved by a court of competent jurisdiction.

Article XI of the charter of the Registrant limits the liability of
directors and officers to the fullest extent permitted by the Maryland General
Corporation Law. Article XI of the charter

-2-
of the Registrant also authorizes the Registrant to adopt by-laws or resolutions
to provide for the indemnification of directors and officers. Article VI of the
By-laws of the Registrant provides for the indemnification of the Registrant's
directors and officers to the fullest extent permitted by the Maryland General
Corporation Law. In addition, the Registrant's directors and officers are
covered by certain insurance policies maintained by the Registrant.

Item 9. Undertakings.
---------------------

(a) The undersigned Registrant hereby undertakes:
(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that subparagraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Re: Lockheed Martin Corporation 1995 Omnibus Securities Award Plan
(the "Plan")

Ladies and Gentlemen:

I submit this opinion to you in connection with the filing with the
Securities and Exchange Commission of a registration statement on Form S-8 (the
"Registration Statement") on the date hereof. The Registration Statement
registers shares of common stock ("Common Stock") of Lockheed Martin Corporation
(the "Corporation") for use in connection with the Plan. The Plan contemplates
that Common Stock may be treasury or authorized but unissued shares or may be
acquired in the open market. As Assistant General Counsel of the Corporation, I
have examined such corporate records, certificates and other documents and have
reviewed such questions of law as I deemed necessary or appropriate for the
purpose of this opinion.

Based upon that examination and review, I advise you that in my opinion:

(i) the Corporation has been duly incorporated and is validly existing
under the laws of the State of Maryland; and

(ii) to the extent that the operation of the Plan results in the issuance
of Common Stock, such shares of Common Stock have been duly and
validly authorized and, when issued in accordance with the terms set
forth in the Registration Statement, will be legally issued, fully
paid and nonassessable.

I hereby consent to the filing of this opinion as an exhibit to the
Registration Statement and to the reference to my opinion in the Registration
Statement.

Very truly yours,

/s/ Stephen M. Piper
