Explanation of Responses:

- The options vest over three years, one-third on each of the first, second and third anniversaries of the grant date, beginning on the date exercisable.
- The RSUs are subject to a one-year performance period. If the value of the RSUs on the date of grant exceeds the performance goal specified in the award agreement, a number of RSUs equal in value to the performance shortfall is forfeited. Subject to the performance goal, the RSUs vest on the third anniversary of the date of the grant.
- Phantom stock units acquired under the Lockheed Martin Supplemental Salaried Savings Plan exempt under Section 16(b) which will be settled upon the reporting person's retirement or termination of service. The phantom stock units convert on a one-for-one basis.
- Phantom stock units acquired under the Lockheed Martin Deferred Management Incentive Compensation Plan exempt under Section 16(b) which will be settled upon the reporting person's retirement or termination of service. The phantom stock units convert on a one-for-one basis.
- Phantom stock units acquired under the Lockheed Martin Long Term Incentive Plan exempt under Section 16(b) which will be settled in cash after two years subject to continued employment, unless voluntarily deferred (in which case, the units will be settled in stock upon the reporting person's retirement or termination of service). The phantom stock units convert on a one-for-one basis.
